

# 1-888-453-0885 United Airlines Dallas Office Number

United Airlines provides passenger services in **Dallas** primarily through the city's main international airport.

Many travelers search online for a “United Airlines Dallas office,” but it is important to understand that most airlines operate through airport service counters rather than standalone downtown ticket offices.

All in-person services are generally handled at the airport. Additional support is available through official customer service channels and the airline's website.

---

## Does United Airlines Have an Office in Dallas?

United Airlines operates airport-based services in **Dallas**. The airline may not maintain a separate public walk-in office in the city center.

Passengers needing assistance with:

- Flight bookings
- Ticket changes or modifications
- Baggage claims
- Travel documentation
- Same-day flight changes
- Refund requests

should visit the **United Airlines airport counter in Dallas** during operational hours.

---

# United Airlines Airport Services in Dallas

At the airport, passengers can access a full range of services, including:

- Flight reservations and ticket issuance
- Check-in and boarding pass printing
- Baggage drop-off and excess baggage assistance
- Lost, delayed, or damaged baggage support
