MANUFACTURER-DIRECT CUSTOM BLUNT WRAPS

Roll Your Own Blunts is a manufacturer-direct OEM blunt wrap producer. We help businesses create fully branded blunt wrap products from the ground up — with low minimums, full customization, and the manufacturing depth to scale.

PROPRIETARY FLAVOR INFUSION

Applied via flexographic process directly into the wrap — not sprayed on. Consistent, long-lasting flavor in every sheet.

FLAVOR BOOST CAPSULE

A passive porous card sealed inside every bag. Maintains humidity and extends flavor freshness up to 5x longer than conventional wraps.
