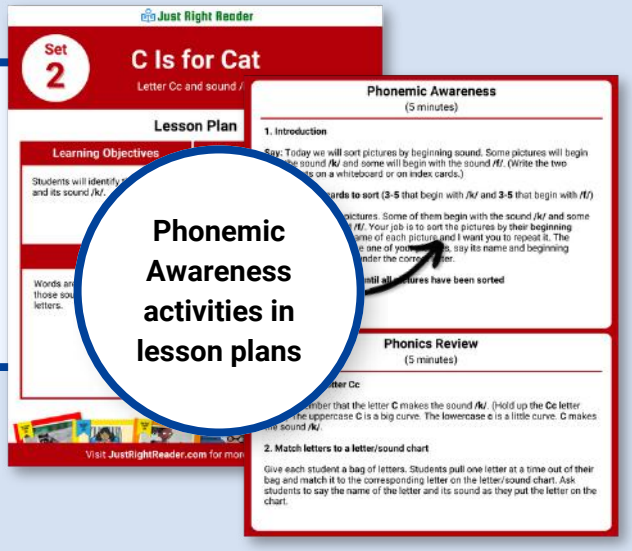
Accessible Educational Materials for All Learners

Just Right Reader Decodable Books Reinforce The 5 Pillars of Reading

Everything we do is based on the Science of Reading for seamless and effective integration with your core literacy curriculum.

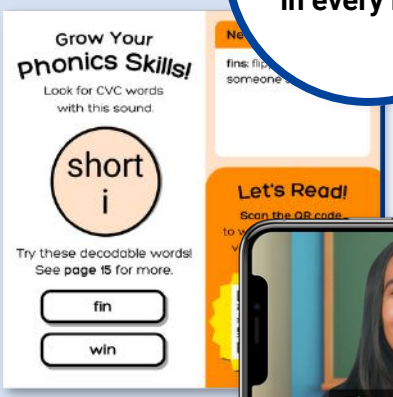
1 Phonemic Awareness

Our Letter Book Lessons Plans support a strong foundation for reading.



Phonemic Awareness activities in lesson plans

Explicit phonics instruction in every book



2 Phonics

More than 90% of the words in our books are decodable. 20% of every page targets specific phonics skills for systematic instruction and practice.

Video phonics lessons in multiple languages

3 Fluency

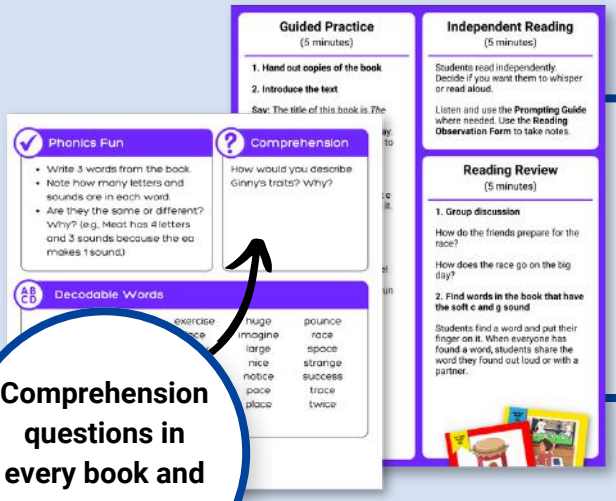
Students are excited to read our engaging and colorful stories again and again, which helps build fluency.

Activities that encourage reading and rereading

4 Vocabulary

New vocabulary is included in stories to help students build their language skills.

New vocabulary previewed in the inner cover



Comprehension questions in every book and lesson plan

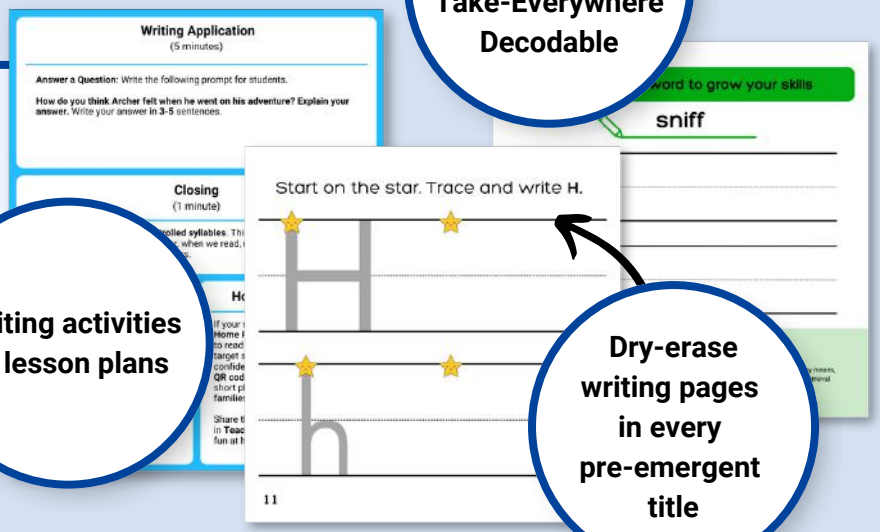
5 Comprehension

Teachers and caregivers are supported as they engage students in conversations about their reading. This ensures reading comprehension development.

Writing practice included in each Take-Everywhere Decodable

Reading + Writing Connections

Writing activities help to strengthen reading skills and foster a deeper understanding of the text.



Writing activities in lesson plans

Dry-erase writing pages in every pre-emergent title

"If you are looking for decodable texts to support a well-articulated scope and sequence of phonics instruction, **look no further!** Just Right Reader Decodables are clearly designed to support explicit, systematic phonics instruction."

Dr. D. Ray Reutzel

Senior Research Fellow at the Center for the School of the Future

Take-Everywhere Literacy Packs

Powerful phonics practice in school and at home.

Purchase Take-Everywhere Packs: go.justrightreader.com/take-everywhere

Give Students the Gift of Reading with *Take-Everywhere Literacy Packs™*

Research-based activities reinforce skills and motivate students to keep reading.

Science of Reading decodables customized for your district and personalized for each student based on district reading assessment data.

Backpacks so students can take their reading everywhere.

Writing pages to strengthen the reading and writing connection.

Specially wrapped packs with each student's name.

QR codes on backpacks linked to custom district videos that support families in building reading skills at home

Video phonics lessons reinforce phonics in English, Spanish, and over 12 languages.

Science of Reading

Take-Everywhere Literacy Packs™:

Personalized Learning- Anytime, Anywhere

Designed to accelerate reading achievement, *Take-Everywhere Literacy Packs™* are personalized using district reading assessment data.

Each student receives a curated selection of Science of Reading decodable books that are uniquely tailored to their individual strengths and needs.

Why Choose *Take-Everywhere Literacy Packs™*?

Data-driven
Individually curated packs based on each student's reading assessment data to target specific phonics skills.

Personalized + Fun
Packs wrapped and labeled with the student's name and focus skills promote ownership and pride in their personalized reading materials.

Perfect for Small Group Instruction
Easily group students by phonics skills for focused practice.

How It Works

Your team provides **student reading assessment data** through our secure, encrypted portal.

Our **reading data algorithm creates custom decodable packs** tailored to each student's specific phonics needs.

Within 1-2 weeks, **students receive personalized decodable packs** wrapped specially for them.

"Just Right Reader's Take-Everywhere Decodable Packs...have been **pivotal** in tailoring reading instruction to the **specific needs of our students.**

Kimberley James
Superintendent, Willis Independent School District

Accelerate Reading Achievement for MORE Students with more Packs

With each additional literacy pack, your students gain more practice, higher confidence, and bigger reading achievements.

Explore options for Pre-Emergent through 5th grade.

5 PACKS

$175 per student

Packs are delivered at the best times for your district, including **summer school, school breaks, or custom points in the year.**

Support Achievement

Greatest Impact on Achievement

11 PACKS

$385 per student

Delivered every 2-3 weeks throughout the year.

Personalized instruction for all students, including MTSS, intervention, and Special Education students.

Transform Achievement

Evidence-Based Success With *Take-Everywhere Literacy Packs™*

Our *Take-Everywhere Literacy Packs™* are data-driven, high-quality instructional materials proven to meet each student's unique reading needs and accelerate reading achievement.

Year-long Intervention with *Take-Everywhere Literacy Packs™*

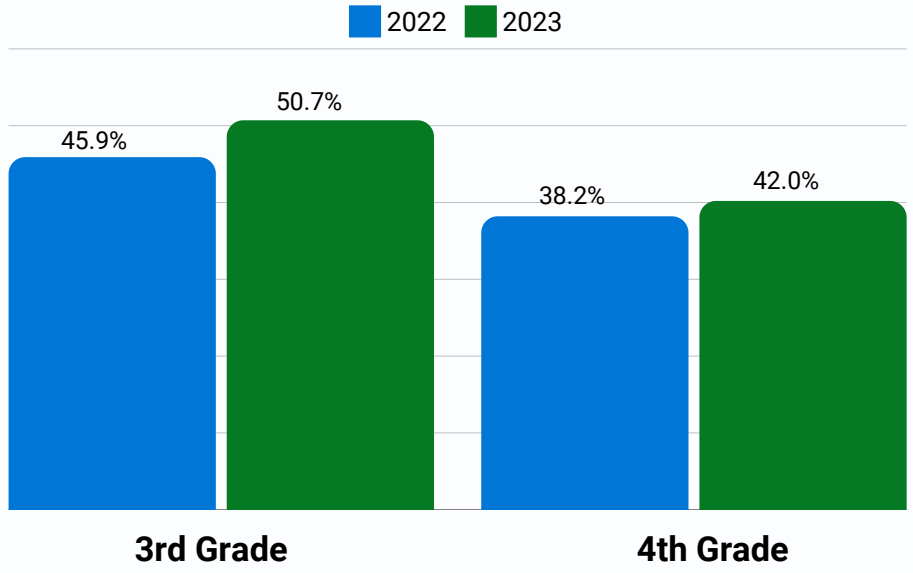
Fulton County Schools

Fulton County Schools partnered with Just Right Reader to address literacy gaps in 11 low-performing schools.

Pre-K—5th grade students received eleven *Take-Everywhere Literacy Packs™* every 2-3 weeks. These packs included books and video lessons for at-home practice, strengthening school-family partnerships.

This initiative resulted in a 4.8% increase in third-grade reading proficiency and a 3.8% increase in fourth grade proficiency.

% of Students at Fulton County Turnaround Schools Reading At or Above Grade Level



Growth shown is based on the Georgia Milestone Assessment System (GMAS).

Take-Everywhere Literacy Pack™ Pilot

Mitchell Elementary

Mitchell Elementary in Houston, TX partnered with Just Right Reader to bridge foundational literacy gaps amongst developing readers in 3rd-5th grade.

The school participated in Just Right Reader's Science of Reading *Take-Everywhere Literacy Pack™* Pilot, a program providing three rounds of specially curated sets of decodable books using assessment data.

85%

of students made **positive gains**

46%

of students made gains of 10 points or higher

28%

of students met their annual goal of one year's worth of reading growth **by mid-year**

9.5

points gained by students on average

Students who participated in the pilot program:

- Demonstrated **significant gains in reading skills** on their mid-year assessment compared to the beginning-of-year assessment.
- Demonstrated **increased confidence and eagerness** to participate in small group lessons.
- Expanded their **at-home libraries.**

"When we first started, several students didn't want to participate in the lessons. They weren't confident. As they began to read and practice more, they **became confident and were excited to participate.**"

Yolaine Swasey Elementary
Interventionist, Mitchell Elementary, Houston ISD

"The kids were really excited that they had their very own books and packages with their names on them."

Dr. Elizabeth Castillo-Guajardo
Principal, Mitchell Elementary, Houston ISD

Options to fit a wide variety of student needs, from mapping sounds, to sound-letter correspondences, to morphemes

Phonics Toolkit: go.justrightreader.com/toolkit

Support for Educators and Families

Resources for families and educators to help support students' reading and decoding skills.

Tailored to Your District's Needs

As your Science of Reading partner, we'll work with you to customize our resources to align with your district's educational goals for accelerating student achievement.

Personalized Video Message

Introduce decodables to your community with a personalized video featuring your superintendent—easily accessed by a QR code.

Customize Your Library

Libraries can be customized based on reading scores, content requirements, and core curriculums.

Take-Everywhere Literacy Packs™ Personalized for Each Student

Customize your *Take-Everywhere Literacy Packs™* to be delivered at key moments throughout the school year.

Science of Reading Symposiums

We've teamed up with leading literacy experts. Join us for the latest research and actionable strategies that raise achievement for all students.

Scan the QR code to watch our past symposiums, or host/sponsor one in your district!

Instructional Resources Designed for Your State, District, or School

Customized Decodables

Represent your school community with your district, school, or state logo on every decodable book cover.

Custom Administrator Videos

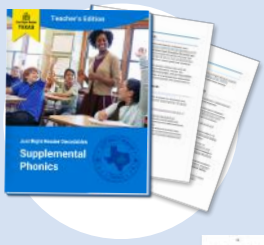
Create a powerful connection with families. These videos allow superintendents and administrators to share tailored messages that inspire and engage your community.

Phonics-aligned Classroom Libraries

Our libraries align seamlessly with your district's phonics curriculum and state standards.

Branded Backpacks

Feature your district, school, or state logo and a QR code linking to a video of your district leader.



Comprehensive Teacher Materials & Support

Our lesson plans and printables are designed specifically to support your instructional strategies.

Resource Hubs

We create a customized resource hub for your state or district featuring tailored information, branded materials, welcome letters, and more.

Professional Development & Family Nights

Our family nights empower your educators and families to implement customized resources effectively, in or out of the classroom.

High Dosage Tutoring

Science of Reading books and resources make it easy for any tutor in your program to provide high-impact intervention that accelerates reading achievement.

Available in **English & Spanish**

3 Steps to Tutoring Success

1 Tutor Professional Development

Equip tutors for rigorous implementation of Science of Reading decodables.

90-min virtual session	**$750** per session
Self-paced course	**$75** per attendee

Interested in on-site training?
