Where Member Families and Their Friends Create Lasting Memories!

Greetings!

My name is Cliff Mann, I am the President / CEO of High Point Country Club. Thank you for inquiring about membership in our beautiful club! We are excited to share the many benefits of joining our HPCC Family!

After reading this brochure, I would encourage you to contact Jay Carmichael to set up a tour of our facilities. Jay serves as our Membership Director and Business Manager. She is a certified CPA so she is well versed in the numbers as well as the many exciting programs and amenities offered at our Club.
E: jcarmichael@hpcountryclub.com P: 336-889-0818

High Point Country Club is one of only a few dozen clubs in the country with two completely separate campuses. Our in-town campus, **Emerywood**, is our main social hub with large scale dining and event space. The traditional style clubhouse has over 40,000 sq. ft. of space and is designed to accommodate multiple events at one time. Our Ballroom provides up to 6,000 sq. ft of space and can seat 600 or more. Additional spaces include the Drawing Room, Commerce Lounge, Guilford Room, Private Dining Room, 1923 Bistro and Oak Bar Steakhouse. All of these spaces are available for meetings and wonderful dining experiences.

Emerywood is also home to our nine-hole Donald Ross golf course, swimming complex, fitness & wellness center, three clay tennis courts, two hard courts, six pickleball courts, our main offices and an informal dining space called the Ross Grill which overlooks the golf course. The 1923 Bistro and The Ross Grill are certainly the places to be on a Friday night!

A short 6-mile drive will take you out of town to our **Willow Creek** campus. Willow Creek is our main golf and tennis complex. The golf course designed by Willard Byrd is well known and ranked in the 40th best courses in NC. The course formerly hosted 10 LPGA Tour events and is the home of the annual National Senior Amateur Hall of Fame tournament. The course is fun to play and has challenged many excellent golfers over the years. Members of HPCC have included a Master's Champion, a British Amateur Champion, a Champions Tour winner and multiple Walker Cup players. Our junior golf program has produced numerous outstanding collegiate golfers who have played for some of the country's finest schools (Wake Forest University, University of Virginia and Georgetown University are recent examples). It is also the home course to High Point University Men's and Women's Golf Teams.

The beautiful stone clubhouse at Willow Creek is approximately 18,000 sq. ft. and houses our golf shop, men's and ladies' locker rooms and dining room. Our main tennis complex offers six clay tennis courts and two indoor courts for year-round enjoyment. Our tennis instruction program is also highly regarded and can boast a former junior who recently ascended to the top 10 in the Men's World ATP Rankings. Adjacent to the tennis complex is our fitness center.

We pride ourselves on providing a wide variety of outstanding events throughout the year to satisfy our membership's interest in dining, sports, family gatherings, holiday celebrations, business events and all kinds of special social functions.

Welcome to High Point Country Club!

Club History

Emerywood Clubhouse

With its opening in 1923, High Point Country Club became the central gathering place for High Point's civic and business leaders and a popular recreational and social destination. For generations, the elegant clubhouse and attentive staff have played host to countless meetings, parties and receptions; creating a multitude of lasting memories for so many families.

Along with the dining and social calendar, the nine-hole golf course designed by Donald Ross was a main drawing card for the club. Over the years, new recreational amenities were added to serve the growing membership. Tennis courts, an Junior Olympic size swimming pool and a 4,000sq. ft. fitness and wellness center attend to the varied interests of members and their guests.

In 2017, the Ross Grill & Patio was added to the Emerywood Campus. Members enjoy this casual sports bar atmosphere.

In 2021, two hard surface tennis courts and six pickleball courts were added to the Emerywood facility. In addition, the Emerywood Grill was renovated to the Award Winning 1923 Bistro.

2023 marked the 100th anniversary of High Point Country Club! This year was packed with Capital Improvements: a new Golf & Racquets Pro Shop, a Covered Sports Pavilion, a major expansion of the fitness center to over 4,000 sq. ft. and the addition of a Golf Short Game Practice Facility. The outdoor dining terrace was also expanded to connect to the ballrooms.

Willow Creek Clubhouse

A desire for a full 18 holes of championship golf led to the acquisition of Willow Creek Golf Course, designed by prominent architect Willard C. Byrd and opened in 1964. Byrd's portfolio includes more than 30 courses, such as the distinguished layouts at the Country Club of North Carolina and the Atlanta Country Club. His work at Willow Creek is regarded among his finest. Willow Creek has hosted a number of significant regional and national events including the N.C. Amateur, the annual Senior Hall of Fame Championship and, for ten years, the LPGA's Henredon Classic.

In 2012, Willow Creek Golf Course underwent a series of renovations including installing Champion Bermuda greens. Better-suited for the warm, humid summers, Champion has been a welcome addition to an already impressive golf facility.

The main dining room at Willow Creek was renovated in 2023 and a fitness center was added to the campus.

Member Events

High Point Country Club has an extensive tournament program at both Willow Creek and Emerywood for Men, Ladies and Juniors. Tournaments and Events are also provided for Seniors Age 55 and up along with Legends Age 70 and up. The Creek Invitational is the Annual Men's Member-Guest and a highlight event of the year. The Campbell Cup is the annual Ryder Cup team event at HPCC which goes along with other Member Tournaments such as Club Championships, Member-Member Tournaments and other competitive events throughout the year.

The Lady Golfers of HPCC also have a full array of events during the season which include Club Championship, Member-Member Tournament, Team Events and weekly Play Days. There is a Ladies 9-Hole Group which meets weekly during the golf season to enjoy learning the game of golf and socializing is a less stressful environment.

The Willow Creek Course has hosted many great events over the past 55 years from the L.P.G.A. Tour to many North Carolina and Carolinas Amateur Championships. Willow Creek also hosted the 1993 North Carolina Open and is the home of the National Senior Amateur Hall of Fame since 1984.

Junior Golf Programs

Junior golf clinics and camps cover the basics of the game of golf including the full swing with irons and woods, putting, chipping, pitching and key rules of the game. We have three different programs for your junior to participate in and make friendships right away.

HPCC offers Parent-Junior Events during the golf season for all juniors and parents to enjoy. These events range from Play Days on Sunday afternoons to Club Championships at both Emerywood and Willow Creek (Si Bell, Jr. Parent-Junior). A Club Championship is held annually at the Willow Creek Course for Juniors.

SNAG Golf™ - Ages 4-7

SNAG Golf™ is a player friendly, first touch development program designed for both children and adults. The program builds on strong fundamentals of the different strokes and swings and develops playing ability quickly and effectively. SNAG® can be taught and played almost anywhere with immediate, positive results.

HPCC Junior Golf Academy - Ages 7-12

U.S. Kids Golf™ offers a kid-friendly learning program. Skills and correct forms are taught in putting, chipping, pitching, bunkers, and full swing. It even includes rules etiquette and basic golf club knowledge.

PGA Junior League Golf Ages 6-13

PGA Junior League Golf is a fun, social and an inclusive opportunity for boys and girls ages 6-13 to learn and enjoy the game of golf. Much like other recreational league sports, participants wear numbered jerseys and play on teams with their friends. The format for golf is 2 player Captain's Choice for 9 holes.

Golf Shop

The Golf Shop at the Willow Creek Clubhouse has all of your merchandising needs. In the nearly 1,200 square feet of space there are not only Men's, Ladies and Junior apparel, but also the most up to date equipment for you. The Professional Staff can help you with your equipment needs such as the use of fitting systems and demo clubs to put the correct equipment in your bag to help improve your game.

Emerywood has a Golf & Racquets Pro Shop for all of your golfing and pickleball needs. In addition, you can enjoy a drink at the bar.

Short Game Practice

The Willow Creek Course has a fantastic area to practice all types of shots inside 90 yards. The Short Game Facility has (2) Champion Bermuda Greens, (2) bunkers, a Teeing Area and rolling fairway for you to hit shots from onto the Champion Bermuda Greens. You may practice any type of shot you might encounter on the golf course.

The Emerywood golf short game practice facility features an 8,000 sq. ft. Champion Bermuda putting green, a 4,000 sq. ft. chipping green with multiple chipping options and bunkers. Numerous teeing areas are available for wedge practice to target greens up to 140 yards in distance.

Driving Range

Willow Creek has a full Driving Range and teeing area which has up to 14 stations. The teeing area has 419 Bermuda Grass and an Artificial Teeing Area for use during the off season and during wet conditions. Targets are stationed throughout the range fairway to allow you to practice shots with all your clubs.

AccuRange

The precision radar ball-tracking and range-gamification system allows you to find distances on our Driving Range and Short Game Facility at Willow Creek and Emerywood. This will enhance your golfing experience at the Willow Creek Golf Course.
