BRADY'S CAY RESORT, ROATAN: When visiting French Harbour and French Cay, Roatan Island, Honduras please be sure not to miss this great opportunity to visit the outstanding Brady's Cay Resort: Brady's Cay Welcomes Cruisers for the ULTRA Day! Brady's Cay, Roatan, The Bay Islands, Honduras

The two of us have worked hard for the cruising community once again by coordinating with another wonderful local business for another SUPER Fun opportunity for all of you great cruisers out there. This opportunity is at Brady's Cay located across from French Harbour and French Cay. Beautiful Brady's Cay welcomes all of you for the "SV ULTRA DAY Special" to enjoy the amazing local hospitality, beautiful beach, great restaurant and bar, spectacular snorkeling, festive music, freshwater showers, clean bathrooms, and gorgeously manicured grounds. Please be sure to leave your dinghy at the little wooden dock at the entrance, not on the beach since there are snorkelers and swimmers there. Please inform the friendly staff that you are cruisers aboard sailboats and are there for the "SV ULTRA DAY Special" and therefore NO fee is charged for entry to Brady's Cay. There is NO fee if all of you wonderful cruisers arrive via your own dinghy rather than the Brady's Cay ferry boat service. Cruisers are welcome to buy drinks and food at Brady's Cay and enjoy the amazing beach, grounds, chairs, views and stunning water. You may pay by credit card or cash. However, kindly please do not bring any outside drinks or food with you to the spectacular Brady's Cay. Please contact us if you have any questions. A Big Thank you to Brady's Cay for this amazing super fun opportunity and to all you cruisers for participating!

ISLAND TRANSPORTATION RATES:

- Please remember never to get into a taxi or tuk tuk without knowing the price first.

(prices are in USD and equivalent paid in Lempiras since in The Bay Islands, they take USD)

Roatan Taxi Rates: Since this is a high tourism island, the rates are much more expensive. These are posted rates, but you can usually still negotiate with the driver to get less expensive rates since you are a cruiser and not a cruise ship tourist on holiday.

From any of the Cruise Ship Ports or The Airport to West Bay: 1 passenger \$10usd, 2 passengers \$25usd, 3+ passengers is \$10 for additional p/p

From any of the Cruise Ship Ports or The Airport to West End: 1 passenger \$20usd, 2 passengers \$25usd, 3+ passengers is \$10 for additional p/p

From any of the Cruise Ship Ports or The Airport to Sandy Bay: 1 passenger \$15usd, 2 passengers \$20usd, 3+ passengers is \$10 for additional p/p

There are also collective vans that go all around the island that are around \$1usd with many stops along the way. Very reasonable:

For Example: From Coxen Hole to West End: \$1usd

Utila Transportation: There are no cars; only tuk tuks, bicycles, motorcycles and walking. Tuk tuks are very reasonable, since the island is small. Usually around \$1usd or \$2usd around the island per person.

* Water Taxis are also an option in all of The Bay Islands.

We hope you find this ULTRA Cruisers' Guide for Honduras including The Bay Islands and we are always standing by to answer your questions and offer you all the very best help we can! Safe travels. 😊 We look forward to seeing you all out there! If you need us for any reason, we will standing by on our what's app number at: Honduras number: +50432880335
