Message from President

As President of CHOBAA, I am deeply humbled and honoured to serve this remarkable community of alumni. Our shared journey through Colombo Hindu College has gifted us with values that remain timeless—truth, discipline, and service—that continue to guide our lives.

The Gala Night is more than a celebration. It is a reflection of our unity, pride, and collective purpose. One of the key objectives of this evening is to raise vital funds for the much-needed refurbishment of our school, in readiness for the historic 75th anniversary celebrations. Through our combined efforts, we can ensure that Colombo Hindu College continues to be a place of excellence and inspiration for generations to come.

I extend my heartfelt gratitude to all our sponsors, partners, and well-wishers whose generous support has made this event possible. Your commitment not only strengthens this celebration but also contributes directly to the brighter future we are building for our alma mater.

I warmly invite each of you to embrace this evening with enthusiasm, contribute generously, and join us in carrying forward this legacy of service and giving.

Together, as proud old boys of CHC, let us stand united in ensuring that the next generation of students receives every opportunity to learn, grow, and thrive.

Message from the Principal

Hindu College, Colombo No. 77, Lorenz Road, Colombo - 04.

The Principal of Hindu College, Colombo - 04, with great pleasure and deep sense of institutional pride, extends its warmest greetings and most honest felicitations to the Colombo Hindu Old Boys' Association – Australia (CHOBAA) on the distinguished occasion of GALA NIGHT 2025. This memorable celebration acquires special significance, as it coincides with the commemoration of the seventy-fifth anniversary of the founding of Hindu College, Colombo—as an Excellent School that has, since its inception in 1951, stood as a beacon of educational excellence, moral discipline, and cultural enrichment.

The attainment of seventy-five years in the life of an academic institution represents far more than the mere passage of time. It reflects instead the cumulative legacy of intellectual endeavour, ethical stewardship, and communal solidarity that successive generations of teachers, students, and alumni have collectively nurtured. For every member of the Hindu College community—past, present, and future—this milestone thus becomes a profound moment of reflection upon the achievements of the past, an affirmation of the enduring values that continue to shape the institution, and an inspiration for future advancement.

In this regard, the initiative undertaken by CHOBAA to organize GALA NIGHT 2025 deserves special recognition. It is a tangible expression of the enduring bond between the alma mater and its alumni, a relationship characterized by an active and sustained commitment to the College's ongoing development. The continued involvement of the Colombo Hindu Old Boys' Association – Australia has contributed in significant measure to the College's growth, strengthening its educational infrastructure, fostering a spirit of global fellowship, and ensuring that the institution remains adaptive to the challenges of the contemporary world while rooted in its noble traditions.

The forthcoming celebration, therefore, is not only a social gathering but also a scholarly and cultural reaffirmation of the ideals upon which Hindu College has been built. It promises to be a meaningful occasion that will strengthen communal fellowship, honor the shared history of the institution, and inspire future generations of students to pursue higher goals with renewed determination. In this sense, GALA NIGHT 2025 could be viewed as a symbolic bridge that connects the proud past of Hindu College with the limitless possibilities of its future.

On behalf of the School Development Executive Committee, I wish to record my deepest appreciation to CHOBAA for their tireless efforts and vision in organizing this landmark event. I also extend my best wishes for its resounding success, confident that it will not only celebrate the

College's rich legacy but also invigorate its mission of producing enlightened citizens, grounded in knowledge, discipline, and cultural values.

As I look forward, it is my earnest hope that Hindu College will continue to progress in its educational mission with even greater vitality, contributing meaningfully to the intellectual and cultural advancement of society.
