Welcome to the 2025 Bay State Winter Games

On behalf of the Bay State Games Board of Directors and staff, welcome to the 2025 Bay State Winter Games Figure Skating competition. This marks the 38th year that Figure Skating has been held at Williams College and we look forward to returning to the beautiful Northern Berkshires region of Massachusetts which is synonymous with the Bay State Games Figure Skating competition.

Interest in the 2025 Winter Games figure skating competition has far exceeded levels from recent years. Over 400 performances will take place using nearly 30 hours of ice time for practice, competition, and the show. These skaters range in age from 5 to over age 65 and represent the United State Figure Skating Association and the International Skating Institute. The competition will also include Compete USA and Basic Skills skaters as well as adults. In addition to the competition events, the Bay State Games weekend will include many of the fun, traditional events for participants that have been included for years including the athlete pizza party, skating club banner contest and figure skating show featuring medal winners from the competition.

While the beauty and available activities in the Berkshires contribute to making the Bay State Games Figure Skating competition a desirable event, it is the support from volunteers, facilities, and businesses in the region that allow the event to be a success and one that participants want to return to each year.

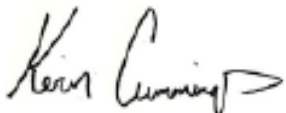

We are extremely grateful for the support we have received from Williams College with hosting the event since its inception in 1985. The college has opened its doors and found time around its busy varsity athletic schedules to accommodate this event. We also would like to recognize Nate Cariddi and the Williams College rink staff, the Williams College Athletic Department, and the Williams College security department for their efforts.

I would like to recognize our host club, Christmas Brook FSC and club president, Cheri Erbin Archambault, for their efforts and the volunteers they provide to ensure the event is a success. This small club takes great pride in hosting this event and we are grateful for their support.

Special thanks go out to the local businesses that support Bay State Games including the Hotel Downstreet, the Williams Inn, the Maple Terrace Motel, the Williamstown Chamber of Commerce, Where'd You Get That?, and many more.

I would like to recognize Bay State Games Director of Operations, Alanis Tirabassi and Director of Communications, Erika Sheinhait, for their efforts and dedication. Both are truly dedicated to the Bay State Games and all its participants. I am very grateful for all their efforts.

It has been an honor to work and interact with not only the volunteers and supporters from the Berkshire region but the athletes, their families, coaches, and officials that travel from across New England to be part of Bay State Games figure skating. Thank you for being here in the Berkshires. Best of luck during your event, have fun, and enjoy your experience at the 2025 Bay State Winter Games.

Winter Games History

The Bay State Winter Games began in 1985 when then Executive Director, Doug Arnot, and Dalton native, Carrie Crane, created Massachusetts' own Olympic-style winter sports festival. The Winter Games have been held every year since until 2020 with the exception of 1993 when the Games were cancelled due to funding issues. The Winter Games were on hiatus during the COVID-19 pandemic and returned in 2023. The Berkshire region of Massachusetts was chosen as an ideal location for the Winter Games due to the quality of the facilities and the willingness of the region to support the event. From a small beginning of a few hundred athletes exclusively from Massachusetts, the Games have grown to include nearly one thousand participating athletes from all New England states in a wide variety of winter sports.

Figure Skating has been part of all 38 Bay State Winter Games held to date. In 2025, the roster of sports will include ISI and USFS Figure Skating, Masters Ice Hockey, and Curling. Bay State Games Figure Skating has developed a reputation as one of the largest and most prestigious state games figure skating events in the country.

Since their inception, the Bay State Games have been fortunate to receive the support of quality venues from the Berkshire region who have hosted the various sports competitions. Williams College and the Peter W. Foote Veterans Memorial Skating Rink in North Adams have hosted Bay State Games events since 1985.

The Bay State Skate Figure Skating has been a highlight of many Winter Games events. Hundreds of top skaters from both the USFS and ISI have showcased their talents at the Bay State Games. This impressive list of featured skaters includes US Figure Skaters Nancy Kerrigan, Paul Wylie, Tiffany Scott, and Phillip Dulebohn, French Olympic Skater Surya Bonaly, Italian Olympic Skater Sylvia Fontana, and Russian Olympic Skater Alexander Abt. Former Bay State Winter Games athletes from other sports have also gone onto the Olympics. This list includes US Ski Team members, Krista and Kim Schmidinger, and US Speed Skating Team member, Karen Cashman. 1980 US Men's Ice Hockey Olympic Team Goalie Jim Craig and NHL Hall of Famer Ray Bourque have competed in the Bay State Games Masters Ice Hockey competition.

In 2008, the Bay State Games created the Berkshire Hero Award to recognize individuals, facilities, and organizations from Northern Berkshire County who have helped contribute to the success of the Winter Games over the last 35 years. We are grateful to all of the past recipients of this award including Carl and Marilyn Faulkner, Bill Bryce, Marcia Sarrouf, Dale Waterman, Heidi Cornwell, Ken and Michelle Geitz, Williams College, Judy Giamborino, the Cece Family, Peter W. Foote Memorial Skating Rink in North Adams, Bruce Hayden, George Jervais, Bill Bird, Stephen Rondeau, Mike Garland, Joe Skutnik, Jill Johnson, Orchards Hotel, Andy & Becky Goyette, Sara Senecal, Ozzie Alvarez, Elinor Goodwin, the Holiday Inn Berkshires, the Williams College Security Department, the late Representative Gailanne Cariddi, Rep. John Barrett, Gary Guerin, the Williams Inn, Sue Briggs, and Nate Cariddi.

In 1999, the National Congress of State Games, the governing organization for over 35 State Games organizations nationwide, created a National Championship event for athletes who won gold, silver or bronze medals in their local State Games competitions. Held every two years, the State Games of America has been held in St. Louis, MO; Hartford, CT; Colorado Springs, CO; San Diego, CA; Hershey, PA; Lincoln, NE; Grand Rapids, MI; Lynchburg, VA; and Ames & Des Moines, IA. In 2024, the State Games of America will be held in San Diego, CA. Figure Skating has been one of the largest sports in the State Games of America since its inception. Massachusetts is one of the leaders in State Games of America Figure Skating participation.

Berkshire Hero Award

The Berkshire Hero Award was created in 2008 to recognize individuals, businesses, facilities and organizations within Berkshire County that go above and beyond to ensure that the Bay State Winter Games are a success.

The 2025 award recipient is **the Maple Terrace Hotel**, a longtime housing provider for Bay State Winter Games

The Maple Terrace Motel has long donated rooms for BSG staff, judges, and volunteers while serving as a comfortable and hospitable host for BSG athletes and their families during the Bay State Winter Games Figure Skating competition. With close proximity to the rink, this property has long been filled during BSG weekend and provided country charm in the heart of Williamstown!

Nestled in the heart of Massachusetts' scenic Berkshire Mountains, our inn is a cozy retreat within walking distance of the renowned Clark Art Institute and Williams College, along with other local attractions. Explore the area, with the Lansing Chapman rink just half a mile away and the Vietnam Veterans Memorial Skating Rink a short 14-minute drive.

A black and white photograph of a Dick's Sporting Goods store at night. The building features a large, illuminated sign that reads "DICK'S SPORTING GOODS" in a bold, sans-serif font. A basketball is suspended in the air above the letter "K". The store's facade is a mix of brick and large glass windows. The windows display various sports equipment, including a football player in full gear, a person in a kayak, and other athletes. The interior lights are on, creating a bright contrast with the dark exterior.
