LETTER FROM HEAD OF SCHOOLS

On behalf of Legacy Prep Intermediate, I want to express our heartfelt thanks for considering our sponsorship request as we work to build a lasting legacy for scholars in Birmingham. Your support plays a pivotal role in helping us create an environment where students can thrive academically, socially, and athletically.

As we continue to expand our reach and impact, your partnership will directly contribute to empowering the next generation of leaders and changemakers in our community.

We are excited about the possibility of working together to make a meaningful difference in the lives of our students, and we look forward to exploring how we can align our goals with your organization's mission.

Thank you again for your consideration. We are hopeful for the opportunity to partner with you in building a brighter future for Birmingham's youth.

Dr. Reneta Johnson
Head of Schools

Introduction of Legacy Schools

About Us

Legacy Prep Charter School, the **FIRST** charter school in Birmingham, Alabama, serves **K-8 students** with a holistic educational experience that empowers them for success in and out of the classroom. Our focus on academic excellence and character development ensures our scholars grow into responsible leaders.

Legacy Schools achieves this through a three-part model: **(1) Entrepreneurship, (2) Whole-Child Development, and (3) Personalized Learning.**

Mission

Our mission is to educate and empower our scholars to embrace their identity, lead lives of choice and opportunity, and impact their communities as the next generation of socially-conscious leaders.

Vision

We envision an exceptional educational experience in our scholars' lives that readies them to establish their legacy, prepared and inspired to create a life full of opportunity, choice, connection and meaning.

Development in the works

Legacy Prep Intermediate

In the summer of 2024, we broke ground to renovate the former AG Gaston Boys and Girls building into Legacy Prep Intermediate, a new middle school for grades 4-8. This modernized space will offer enhanced career exploration opportunities, including career panels, mentoring, and site visits tailored to students' interests.

As we prepare to implement career-connected learning and equip students with essential 21st-century skills in entrepreneurship and career readiness, we face significant funding challenges. Unlike district schools, we do not receive local tax revenue and rely on state and federal funding, along with grant funding and private donations, to support our mission.

We need your help to make this work and ensure our students have the resources and opportunities they deserve.
