INNOVATION
It has been said that the most expensive nutritional supplement is the one that doesn't work. For this reason, Synergy products are based on science, research, and results, ensuring that they will undoubtedly work for you. Outfitted with state-of-the-art instrumentation and combining the skills of accomplished scientists, researchers, and medical professionals, The Hughes Center for Research and Innovation creates a unique environment where our staff pursues scientific discovery and advancement. It is the hub of Synergy WorldWide's new product development. Utilizing advanced technology to verify the identity, purity, and potency of individual constituents, our scientists work to discover powerful ingredient combinations and create unique formulations that will undergo clinical studies to confirm their safety and efficacy.

QUALITY
Synergy guarantees the purity, potency, and safety of every product it manufactures. From start to finish, Synergy ensures the quality of its product line because, when it comes to your health, nothing else will do. Best Sources: Members of our Quality Assurance Department travel the world to audit the farms, plantations, and sites from which Synergy ingredients are sourced. Every ingredient in every Synergy product has met strict safety and purity standards beginning at its origin. Rigorous Testing: More than 600 quality control tests, comparable to those used in the pharmaceutical industry, are performed on Synergy's product line. A skilled team of scientists test the raw ingredients before manufacturing begins, then test a sample from every finished lot. Synergy exceeds industry standards with this level of attention to detail and insists on the highest levels of manufacturing excellence.

MANUFACTURING
In conjunction with its parent company Nature's Sunshine Products (NSP), Synergy WorldWide controls all of its own product manufacturing and testing. The company simply refuses to leave the quality of its products in the hands of someone else. In 2002, NSP and Synergy opened a new, state-of-the-art manufacturing plant. This award-winning facility earned the prestigious NSF certification, and operates daily according to Good Manufacturing Practices, also known as GMP standards. From milling and bottling to ingredient storage and machinery sanitization, Synergy has complete control over product quality.

NSF-GMP Certification

The NSF (National Sanitation Foundation) is an organization that performs standard development, product certification, testing, and auditing in the field of public health and environment. Nature's Sunshine and Synergy have obtained NSF-GMP(Good Manufacturing Practice) certification, which guarantees the reliability of the company and its products through rigorous manufacturing practices.

ISO-9001, ISO-17025 Certification

ISO-9001 certifies that the manufacturing facility complies with quality management and environmental system standard specifications set by the International Organization for Standardization (ISO) and operates effectively. ISO-17025 is a globally significant standard for research facilities, certifying our research facility's precision and accuracy in conducting tests on ingredients and products. These certifications serve as the benchmarks of quality manufacturing management, ensuring that manufacturers always provide high-quality products to customers.

Listed in Cologne List®

Cologne List® is the world's largest doping prevention platform, established in 2006 by the Olympic Training Center in Germany to prevent intentional or unintentional contamination of sports supplements with prohibited substances. To be listed on the Cologne List®, products must undergo a rigorous verification process, including testing for banned substances such as steroids, prohormones, and stimulants, starting from the information on the product label.

USDA ORGANIC Certification

Through compliance with the regulations of the USDA's organic manufacturing facilities, Nature's Sunshine and Synergy have obtained USDA ORGANIC certification after successfully passing USDA's stringent audits. We promise to provide the highest quality products from a sterile and safe manufacturing facility.

PDR by ConnectiveRx®

Listed in PDR

PDR (Prescribers' Digital Reference) is a reputable compendium used by medical professionals worldwide for over 70 years to access information about medications and prescriptions. It includes label information, warnings, precautions, drug interactions, and product images of FDA-approved medications. Our flagship product, ProArgi-9 Plus listed in PDR enhances the product's credibility.

TGA-GMP Certification

In Australia, the regulation of most health functional foods falls under the purview of the TGA (Therapeutic Goods Administration of Australia). These products are required to be manufactured according to GMP (Good Manufacturing Practice) standards. Nature's Sunshine strictly complies with the TGA's regulations and holds the GMP certification, ensuring the production of the most reliable and trustworthy products.

YOUR HEART HEALTH HERO - THE WORLD'S BEST L-ARGININE SUPPLEMENT

SKU# SU74887
30 single-serve packets

ProArgi-9+ is the cornerstone of any nutritional regimen.
This powerful supplement, Synergy's top-selling product, is meticulously formulated to support Elite Health.

Each serving of ProArgi-9+ contains 5,000 mg of pure, granular-grade, free form l-arginine, an ingredient validated as a therapeutic agent by thousands of clinical studies. The complete ProArgi-9+ formula combines l-arginine with l-citrulline and a carefully selected array of vitamins to rapidly and significantly increase nitric oxide levels in the body. Nitric oxide provides many physical benefits, including the support of healthy circulatory and cardiovascular function.

The Physicians Desk Reference refers to ProArgi-9+ as the world's highest quality l-arginine supplement. Studies show that l-arginine aids in maintaining healthy blood pressure levels, helps improve immune function, and stimulates the release of human growth hormone (HGH).* It may also boost energy levels, help to build muscle, and reduce adipose tissue body fat." ProArgi-9+ is a unique product with far-reaching benefits that will help you unlock your potential and achieve Elite Health.

BENEFITS

- Significantly and rapidly increases the level of nitric oxide in the body for a natural stamina and energy boost
- Supports overall cardiovascular health
- Supports a healthy inflammatory response
- Enhances blood flow to vital organs
- Combats the negative effects of cardiovascular aging
- Protects against arterial damage and reduces the occurrence of LDL cholesterol oxidation within the body
- May aid in decreasing body fat and building muscle mass

RECOMMENDED USE

Mix 1 serving (providing 5000 mg pure, free form l-arginine) with 4-8 oz. water (depending on individual taste). Stir to dissolve. If water is very cold, mixture will take about one minute to dissolve.
One serving (1 scoop or 1 stick pack) may be taken twice per day

BIOME SHAKE

MICROBIOME PURIFICATION SHAKE

SKU# SU92643
15 Servings (2 Scoops, 40 g) per container

Biome Shake is a purifying meal replacement shake high in vegetable protein with a blend of antioxidants, vitamins, minerals, amino acids, and beneficial fats from sources such as flax seed and borage oil. As part of the Purify program, Biome Shake helps balance and purify the microbiome with a vegetable base featuring broccoli, digestive enzymes, prebiotics, and clean vegetable protein.

BENEFITS

- 20 grams of vegetable protein per serving
- Promotes a feeling of fullness
- Gluten free
- Certified vegan
- Delicious vanilla flavor

KEY INGREDIENTS

- Pea protein
- Fruit & vegetable base
- Digestive enzymes
- Antioxidant blend

RECOMMENDED USE

Mix two level scoops (40 g) of Biome Shake powder with approximately 9 oz. of cold water, or mix to taste.

BODY PRIME

MICROBIOME PURIFICATION & EFFICIENCY

SKU# SU92975
30 Capsules

Body Prime is an effective kick-start to any health regimen. Made with magnesium, prune powder, and apple pectin, this formula has simple ingredients that support cleansing and bowel motility to prime the body for an effective purification program.

BENEFITS

- Supports cleansing and bowel motility*
- Magnesium helps maintain healthy electrolyte balance and reduce fatigue
- Contributes to muscle function including the heart muscle
- Contributes to normal muscle contraction including normal heartbeat

KEY INGREDIENTS

- *Magnesium:* Body Prime contains 400 mg of the powerful, essential macro-mineral Magnesium. To effectively prepare the body for a regimen of healthy habits, magnesium oxide has a priming effect shown in clinical settings to induce mild bowel motility. At the same time, magnesium is a crucial mineral for maintaining a healthy balance of electrolytes, and is an important micronutrient in the reduction of fatigue. Additionally, magnesium has been proven to have positive cardiovascular benefits.
- *Apple Fruit Pectin and Prune Fruit Powder Blend:* Prune powder and apple pectin work synergistically to kick-start a health regimen. Along with magnesium oxide, these familiar fruit sources have been recommended for use in clinical settings to induce bowel motility, which leads to a variety of benefits. These ingredients are approved for daily use.

RECOMMENDED USE

Take two capsules one to three times per day. Digestive tracts vary. Begin with fewer capsules and increase as desired to achieve digestive response.

SCIENTIFICALLY VALIDATED

Body Prime and its ingredients have been included in a number of studies, including those conducted at the Hughes Center for Research and Innovation. There, the safety and efficacy of escalating doses of Body Prime on maintaining the regularity of healthy bowel function were explored, thereby setting the recommended dosing parameters. Studies showing that magnesium has a positive cardiovascular benefit[1], is useful in maintaining a healthy electrolyte balance[2], and reduces fatigue[3], are noted as follows:

- Kupetsky-Rincon, E. a. & Uitto, J. Magnesium: Novel applications in cardiovascular disease - A review of the literature. Ann. Nutr. Metab. 61, 102-110 (2012).
- EFSA. Scientific Opinion on the substantiation of health claims related to magnesium and electrolyte balance (ID 238), energy-yielding metabolism (ID 240 , 247 , 248), neurotransmission and muscle contraction including heart muscle (ID 241 , 242), cell di. EFSA J. 7(9), 1-20 (2009).
- EFSA. Scientific Opinion on the substantiation of health claims related to magnesium and 'hormonal health' (ID 243), reduction of tiredness and fatigue (ID 244), contribution to normal psychological functions (ID 245 , 246), maintenance of normal blood. EFSA 8, 1807 (2010).

E9 – ENERGY WITH L-ARGININE

CV Volume	Retail/Autoship	Wholesale/Autoship
34CV	$54/$48.60	$45/$40.50

E9

ENERGY WITH L-ARGININE

SKU SU74136
30 single-serve packets

e9 delivers energy derived naturally from healthy sources. L-arginine together with a potent blend of amino acids, pure caffeine from guarana, other herbal extracts, and a unique combination of B vitamins will lift you out of an energy-deficient slump and give your body the added nutrition it needs to boost and sustain energy levels.

e9's exclusive high-energy, low-calorie formulation provides steady energy for hours, then lets your energy gradually subside without experiencing that typical sudden crash.

Far too often, people are forced to choose between unhealthy energy drinks to supplement their depleting energy levels. Such choices provide little-to-no nutritional value and consequently load the body with unnecessary amounts of sugar and artificial caffeine. The use of these unhealthy alternatives often results in the sudden crash.

Anytime during the day when you need to be focused, alert, and energized, mix up an e9 and experience its fast, long-lasting, energizing effect. Enjoy the tasty Tropical Burst flavor and you'll soon be energized for hours.

Other Ingredients: natural flavors, citric acid, natural citrus sweetener (oligofructose, fructose, pea protein, natural flavors)‡, silicon dioxide, malic acid, stevia leaf extract, natural color.

‡Adds a dietarily insignificant amount of sugar.

Contains: 85 mg of caffeine per serving.

BENEFITS & FEATURES

- Long-lasting, healthy energy through a unique, low-calorie formulation
- Combines health benefits of l-arginine to support cardiovascular health
- Enhances mental and physical energy levels
- Maintains alertness, improves cognitive capacity, and increases physical performance
- Stimulates the body's natural ability to produce energy
- Great-tasting Tropical Burst flavor
- Sweetened with steviol glycosides that occur naturally

RECOMMENDED USE

Mix 1 serving (1 packet) in 8 oz. of water. Stir or shake to dissolve.
Suggested serving size is 1 packet per day.
Not recommended for use by children under 18 years of age.
Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat.

LIQUID CHLOROPHYLL

NATURE'S SIMPLE SOLUTION.

SKU# SU92818
24.7 oz. (730 ml) liquid bottle

Chlorophyll, the green pigment in plants that facilitates respiration and growth, is a significant nutrient found in green, leafy vegetables. Sourced from mulberry leaves and alfalfa, Synergy's Liquid Chlorophyll is a rich, highly-concentrated combination of chlorophyllin (sodium copper chlorophyllin) and peppermint oil. Chlorophyllin has been shown to provide valuable protection against excess free radicals. Liquid Chlorophyll also contains barley, a grass that acts as a good source of vitamins and proteins. Studies also support the ability of barley grass to scavenge free radicals and act as a powerful antioxidant. Simply add two teaspoons to eight ounces of water and turn your ordinary drinking water into a body-cleansing, refreshing beverage.

BENEFITS

- Helps detoxify your digestive tract
- Supports gut health
- Supports well-being
- Helps freshen breath and body
- Supports antioxidant pathways

RECOMMENDED USE

For adults: Take two teaspoons (10 ml) in a glass (240 ml) of water, two times a day.

For children 12 and under: 2.5 ml in a half glass of water, two times a day.

Refrigerate after opening.

KEY INGREDIENTS

Sodium Copper Chlorophyllin, peppermint aerial parts oil, alfalfa leaf and stem juice extract, barley grass juice extract.

VITAZONE

SUPPLEMENT YOUR DAILY DIET WITH THE BASIC NUTRIENTS YOUR BODY NEEDS & CRAVES

SKU# SU74022
60 Packets

Few other products can rival VitaZone's combination of vitamins, minerals, antioxidants, plant nutrients, and digestive enzymes, all skillfully formulated to protect your cells. Together, these nutrients nourish every part of your body and build a solid foundation for health.

Carefully chosen ingredients are responsible for VitaZone's efficacy in each of your 10 bodily systems. VitaZone utilizes CoQ10, ginko, potassium, cayenne and l-carnitine to lay the foundation for a healthy cardiovascular system. Enzyme blends, turmeric, l-sporogenes, milk thistle, papain and bromelain are added to support the digestive system. To assist the immune system, VitaZone also contains pau d'arco, una de gato, bee propolis and green pepper. Horsetail and alfalfa join with l-sporoganes to keep the intestinal system in check. The l-sporogenes also work with potassium and asparagus to keep the urinary system healthy. A wide range of B-vitamins help the nervous system, along with ALA and DMAE. Asparagus is included in VitaZone for its positive effects on the respiratory system. For the largest organ in the body, the skin and hair, VitaZone added bilberry to work with alfalfa and horsetail in providing proper nourishment. VitaZone also features SOD, glucosamine, yucca, devil's claw and boswellia for the structural system. Together, these ingredients nourish every part of your body and build a solid foundation for health.

BENEFITS

- Nourishes all 10 bodily zones
- Supplies essential nutrition in the form of vitamins & minerals
- Supports the body's metabolism and helps you feel great
- Provides the building blocks it needs to function properly
- Features optimal levels of antioxidants, phytonutrients, enzymes, and herbs

RECOMMENDED USE

Take two packets daily. Take one packet with your morning meal and one packet with your evening meal.

COQ-10

SUPPORT FOR VITAL ORGANS & ENERGY PRODUCTION

SKU# SU74882
30 Capsules

The human body is comprised of complex anatomical systems that are responsible for life-depending physiological functions. Each system, composed of different organs, cells, and tissues requires a supply of energy or ATP for its optimal function.

Within these vast networks, ATP or energy is delivered after its successful production within the body. Much of the body's energy is derived from components found in natural food sources. CoQ10, formally known as Coenzyme Q10, is an oil-soluble vitamin-like compound found in every cell of the human body.

Organs with the highest energy requirements, such as the heart, have an increased need for high concentrations of CoQ10 for the production of energy. Synergy's CoQ10 is an all-natural, crystal-free form that uses a patented lipid blend that enhances its bioavailability and absorption in the human body. Incorporate this into your daily supplement diet to ensure an adequate supply of energy to your body's most important muscle - your heart.

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 30

	Amount Per Capsule	%Daily Value
Coenzyme Q_{10}	100 mg	†

†Daily Value not established.

Other Ingredients: Extra virgin olive oil, softgel (gelatin, glycerin, water, annatto), beeswax, sunflower lecithin.

BENEFITS

- Helps reduce oxidative stress in all cells throughout the body
- Supports energy production for the heart and other organs requiring high levels of ATP or energy
- Supports the health of the heart, kidneys, liver, and pancreas

RECOMMENDED USE

Take 1-2 capsules daily.

As with any nutritional product, please consult your physician before use, especially if pregnant, lactating, or have a known medical condition. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, or prevent any disease.

METABOLIC LDL

HEALTHY CHOLESTEROL & METABOLIC SUPPORT

SKU# SU94217
60 Capsules

Support healthy cholesterol levels and cardiovascular function with Metabolic LDL. This unique and powerful herbal formula helps modulate cholesterol oxidation and maintain healthy cholesterol levels.

Metabolic LDL combines Citrus bergamia Risso extract with a proprietary blend of high-ORAC antioxidants that help support total cholesterol and triglyceride levels already in the normal range. It works in part by blocking an enzyme the liver needs to produce LDL cholesterol. This combination of Citrus bergamia fruit extract and antioxidants naturally supports healthy cholesterol and blood sugar levels already in the normal range.

BENEFITS

- Modulates oxidation of LDL cholesterol*
- Supports healthy cholesterol levels*
- Features a powerful, proprietary antioxidant blend*

KEY INGREDIENTS

Bergamot Fruit Extract (Citrus bergamia Risso): Technically an orange, this fruit more closely resembles a lime or lemon with a bumpy outer peel that ranges from pale green to yellow. Our bergamot fruit grows along the southern coast of Italy in the town of Bergamo. Bergamo fruit is bursting with polyphenols, naturally occurring antioxidants that scavenge free radicals in the body.

Proprietary Antioxidant Blend: Nine fruit and plant extracts - including turmeric, green tea, grape seed and mangosteen - are featured in this dynamic formula.

Our unique combination of citrus bergamia and our powerful, proprietary antioxidant blend create a truly synergistic effect. Scientists observed enhanced antioxidant activity beyond the regular capacity of the individual ingredients, yielding a wonderfully effective formulation for cardiovascular health.

RECOMMENDED USE

Take 2 capsules with your evening meal.

VITAMIN D3

CV Volume	Retail/Autoship	Wholesale/Autoship
16CV	$24/$21.60	$20/$18

VITAMIN D3

BOOST IMMUNITY & ELEVATE YOUR MOOD WITH THE 'SUNSHINE VITAMIN'

SKU# SU74034
150 Chewable Tablets

The human body is equipped with the amazing ability to synthesize vitamin D3 through exposure to the sun's ultraviolet rays. However, today's indoor living and extensive use of sunscreen has resulted in a society where millions are deficient in this life sustaining, bone building vitamin.

Like a ray of sunshine, Synergy's Vitamin D3 chewable tablets benefits the body's numerous biological functions to promote a greater state of overall health. This essential vitamin is one of the most useful nutritional tools we have at our disposal.

Of the many roles Vitamin D3 fulfills in the body, one of the most important is to enable calcium absorption. The body is unable to digest calcium without adequate levels of D3. Insufficient levels of calcium can then lead to osteoporosis and eventually bone loss.

Vitamin D3 also works to promote bone mineralization in the body. Through adequate supplementation you can provide your body with the necessary levels of Vitamin D3 needed to ensure a healthy and strong skeletal system.

Supplement Facts
Serving Size 2 Tablets
Servings Per Container 75

	Amount Per 2 Tablets	%Daily Value
Vitamin D_3 (cholecalciferol)	125 mcg	625%

†Daily Value not established.

Other Ingredients: Sorbitol, mannitol, xylitol, stearic acid, natural fruit flavors, magnesium stearate, citric acid.

BENEFITS & FEATURES

- Provides 2500 IU of Vitamin D3 per tablet
- Helps maintain normal levels of calcium in the blood
- Helps maintain bone health and mineralization
- Helps support a healthy immune system
- Facilitates calcium absorption in the body to support a healthy skeletal system

RECOMMENDED USE

Take 1-2 tablets daily.

PROARGI-9+ ACTIVE

SPECIFICALLY DESIGNED TO ENHANCE PHYSICAL ACTIVITY.

SKU# SU74044
30 single-serve packets

Like the other members of the ProArgi-9+ family, Active helps support your heart health. What makes the Active formula different is its targeted approach to physical activity. ProArgi-9+ Active is specifically designed to enhance physical activity by combining l-arginine with the energy-producing properties of quercetin. ProArgi-9+ Active also includes the benefits of Vitamins B6 and B12, Folic Acid, and D-Ribose. This is truly a complete formula to enhance your heart health and activity.

ProArgi-9+ Active is a powerful exercise tool that can help you:

- Improve endurance and stamina
- Reduce fatigue
- Enhance blood circulation
- Reduce the time it takes to recover from physical activity

Synergy believes that a healthy heart can be achieved through regular physical activity and proper nutrition. Whether you run marathons or simply walk around the block, ProArgi-9+ Active will help you be more physically active every day.

BENEFITS:

- Provides optimal antioxidant protection to cell membranes
- Maintains cholesterol levels already within the normal range
- Promotes vasodilation already within the normal range
- Increases elasticity of arterial walls
- Maintains healthy mucous membranes (lungs) and skin
- Enhances immune system response

RECOMMENDED USE

Mix 1 packet with 4-8 oz. water (depending on individual taste). Stir to dissolve. If water is very cold, mixture will take about one minute to dissolve. 1 packet may be taken twice per day.

22CV	$33.60/$30.24	$28/$25.20

MELATONIN PLUS

BETTER SLEEP. BETTER YOU.

SKU# SU23753
60 Capsules

For many people, getting a good night's sleep can be rather challenging. Sleep issues can be a natural outcome of aging, a change to the routine, increased worry, jet lag, caffeine or alcohol consumption, and screen time.

Melatonin is a natural hormone produced by the brain and secreted by the pineal gland. The human body releases melatonin when it's dark outside and slows its release during daylight hours. This important hormone helps you get the proper amount of sleep by helping the brain to relax at the right time.

BENEFITS

- Helps promote the body's natural sleep cycle
- Helps you feel more rested and alert after sleeping
- May help you adapt to new time zones during and after travel
- Provides 3 mg melatonin per serving
- With vitamin E, ginkgo and eleuthero for brain support

KEY INGREDIENTS

Melatonin
- Supports restful sleep and sleep cycles
- Helps increase alertness after sleeping
- Provides support for immune and cardiovascular health
- Supports bone health

Ginkgo leaf and extract
- Traditionally used to support brain health and attention
- Supports blood flow and heart health
- May aid circulation in the extremities

Vitamin E
- An antioxidant vitamin that helps fortify cells against free radicals
- Supports and helps balance the pituitary gland, which controls hormone production

Eleuthero root
- Helps increase resistance to daily stress
- Reduces fatigue
- Traditionally used to support sleep and mental or physical performance

KEY INGREDIENTS

Melatonin

Ginko Leaf + Extract

Vitamin E

Eleuthero Root

MELATONIN PLUS

CV Volume	Retail/Autoship	Wholesale/Autoship
22CV	$33.60/$30.24	$28/$25.20

HOW IT WORKS

Melatonin controls sleep patterns and influences the body's biological clock. As we age, melatonin levels drop, which may explain why sleep patterns change. Melatonin Plus provides 3 mg pure melatonin combined with herbs traditionally used to support brain function and natural vitamin E, for optimal brain health benefits.

SCIENCE-BASED FORMULA

Melatonin is an important signaling molecule in the body that regulates our circadian rhythms, including the sleep-wake cycle. At a cellular level, it acts as antioxidant to reduce oxidative burden and helps neutralize free radicals that can damage adjoining molecules. This hormone has also been found to support immune health, cardiovascular function, bone health and female reproduction.

Independent studies show that people age 55 and older who have difficulty sleeping have much lower levels of melatonin than people who do not have trouble sleeping. So it makes sense to supplement the body's melatonin levels to promote restful sleep.

Modern research has validated ginkgo leaf's potential for memory, cognitive function, mood, focus and circulatory support. And ginkgo's antioxidant activity may help boost subjective sleep quality.

Eleuthero is an adaptogenic herb; it helps calm the brain and nervous system. Eleutherosides B and E may help with learning and memory. And its complex polysaccharides support immune function.

FEATURES

- Non-GMO formula
- With standardized ginkgo (24% ginkgo flavone glycosides)

RECOMMENDED USE

Take 1 capsule 30 minutes before bed.

Supplement Facts

CRAVE CONTROL

CV Volume	Retail/Autoship	Wholesale/Autoship
25CV	$57.60/$51.84	$48/$43.20

CRAVE CONTROL

WITH CRAVE CONTROL, HEALTHY SATIETY IS ONLY A DRINK AWAY.

SKU# SU74907
30 Packets

Take a break from hunger with Synergy's SLMsmart Crave Control. This refreshing, strawberry-lemonade flavored drink mix promotes a sustained sense of fullness with a powerful blend of efficacious ingredients, including chromium picolinate, fiber, and a patented, all-natural potato protein extract. This delicious formula fights hunger for up to three hours at a time, reducing cravings for sweets, high-fat treats, and fast foods.

BENEFITS

- Helps curb hunger for up to three hours
- Helps you consume less food throughout the day
- Reduces cravings and unhealthy snacking

RECOMMENDED USE

Take Crave Control in anticipation of periods of hunger. If you know you won't be eating another meal for a few hours, drink a glass of Crave Control. Doing so will help prevent between-meal cravings and allow you to save your appetite for a satisfying meal of essential foods.
