CERAMIC LINED INNER WALL

- NO METAL TASTE
- ODOR FREE
- EASY TO CLEAN
- ZERO FLAVOR TRANSFER

Are you tired of drinking from your insulated bottle or mug and have to suffer through the gross metal aftertaste of every sip? Have you had enough?

It's time for change! And Asobu® agrees. Asobu® is at the forefront of the NO METAL TASTE Revolution, Asobu® is an innovation driven drinkware brand. We created a new line of bottles and mugs with an inner ceramic coating, so there is NO METAL TASTE to your drink. Asobu® has also invented a never before seen patented innovation so that you can screw the lid of your mug or bottle into the ceramic inner coated interior. Say NO to METAL TASTE, say YES to the Asobu® NO METAL TASTE INITIATIVE. #NOMETALTASTE

asobu[®] COFFEE *Express*

**VACUUM INSULATED
COFFEE TUMBLER**

The perfect coffee mug has arrived! Our new Coffee Express features all the benefits of an insulated mug— but with Asobu[®] No Metal Taste ceramic lining so as not to interfere with your coffee's perfect flavor. Smooth, ceramic coating preserves the taste of your drink, while the vacuum-insulated stainless steel exterior keeps beverages hot all day long. The leak-proof, pop-open lid is easy to use, and fits snugly into the ceramic lining. And at 13oz, it fits comfortably into any standard cup holder so you can enjoy your commute just a little bit more!

FEATURES:

- Pop-open lid
- Leak and Spill Proof Lid
- Double-walled
- Vacuum Insulated
- Ceramic Coated Interior
- Cup holder friendly
- Silicone non-slip base

asobu® *Pick me up*

**CERAMIC LINED
INSULATED TRAVEL MUG**

We've got the perfect mug to make your morning commute a little more bearable: Meet the Pick Me Up. The traffic won't seem so bad when you're sipping from the mug that keeps your coffee hot for hours — and helps it retain its perfect taste, thanks to our Asobu® No Metal Taste ceramic lining. The screw-on, pop-open lid is ideal for hot beverages and keeps your drink from splashing on even the bumpiest rides. The Pick Me Up's 22 oz capacity is enough to keep you caffeinated all day long, and it fits comfortably in standard cup holders. Happy commuting!

FEATURES:

- Pop-open lid
- Screw-top leak proof lid
- Double-walled
- Vacuum-insulated stainless steel

asobu[®] Canyon

**EASY TO CARRY
INSULATED
WATER BOTTLE**

Stay hydrated on your next adventure with our new Canyon Bottle! Even with its large 50 oz capacity, the Canyon Bottle is easy to carry thanks to its full hand comfort-grip handle with soft-touch insert. And you don't have to turn it upside down to drink — it features a built-in pop-up straw! A silicone rubber non-slip base keeps the bottle from sliding (and from making a racket when you put it down). We've thought of every possible feature to make your life easier — and we've put it in this bottle!

FEATURES:

- Cold and hot for hours
- Leak and Spill Proof Lid
- Pop Up Straw
- Easy Carry Handle
- Double walled food grade stainless steel
- Vacuum Insulated
- Silicone non-slip base
- Wide mouth opening for ice and easy cleaning

DECORATION OPTIONS

We are equipped with state of the art laser machines, giving us the ability to master any design or logo. Laser etch decoration can be used on any Stainless Steel item we carry. Any design, logo or name can be personalized with Laser Etch Decoration.

Laser Etch Decoration

Laser Etch Decoration gives us the ability to recreate your clients logo or design with extreme **precision**. It brings every logo or project to the next level. Laser Etch Decoration will **last forever** as the design is truly lasered into the Stainless Steel. Laser Etch Decoration is the most elegant decorating technique in drinkware and ensures your clients logo will **stand out from the rest**. Your clients have the option of a **Tone on Tone Laser Etch** or **Regular Laser Etch**, both extremely high end and elegant designs.

Deep Etch

is our distinctive **Sand Blast Engraving Technique**, transforming ceramic and glass items into unique, personalized treasures. By using a high-powered air pressure compressor and fine-grain, high quartz content sand, we precisely engrave designs that leave a lasting impression.

Our specialized gel template ensures exact logo or pattern placement, creating deep, vivid impressions. With our advanced deep etch engraving, your clients will never view ceramic or glass in the same way again, as we offer products that stand out for their creativity, impressive detail, and enduring quality craftsmanship.

**We specialize in
Screen Printing on Stainless Steel,
Ceramic, and Glass Drinkware, ideal
for Distinctive Corporate Branding.**

Multi Spot Color Printing

Choose us for a screen printing experience that offers an unmatched array of spot colors. Our service is ideal for those who seek to capture their brand's identity in its true colors. From bright oranges to deep blues, every shade is possible with our free Pantone matching service, ensuring your branded drinkware is as dynamic and colorful as your brand.

We excel in fast turnaround times, ensuring your branded drinkware is ready promptly without sacrificing quality. Trust us for screen printing that brings your corporate identity to life on premium drinkware.

Custom Pewter Crest

Enhance your drinkware with our **Custom Pewter Crest** decoration method, blending elegance and personalization. Suitable for any material, our emblems are crafted to make each piece unique.

Choose from Silver, Brass, or Copper finishes to match your style.

Applied with patented UV Technology, these emblems are dishwasher resistant and designed to last.

Ideal for corporate branding or special gifts, these emblems elevate your drinkware to art, creating an unforgettable impression.
