PRINCIPAL'S ADDRESS

As I reflect on the academic year, I am filled with immense pride and gratitude for the remarkable journey of the Class of 2024. It has been a privilege to witness the incredible growth and achievements of our College's graduating year, a testament to their commitment to studies and purposeful intent in community service as girls of Perth City.

Our 2024 school theme, "Hope Opens New Horizons," has been a guiding light for us all. Inspired by Pope Francis' words, we have embraced hope as a powerful force that propels us towards our dreams and aspirations. Hope has fostered a sense of optimism and determination that has carried us through challenges and triumphs, providing a foundation for our graduates to strive beyond the College walls.

At the heart of our school vision is the belief in each graduate's potential to Aspire, Excel, and Lead. This vision invites students to dream big, strive for excellence, and take on leadership roles with confidence and grace. Each girl's journey at Mercedes College has been marked by unwavering commitment to these ideals, and we hope our graduates continue to embody them in all future endeavours.

While this publication acknowledges the academic success of the Class of 2024 explicitly, we are equally proud of the compassion and social responsibility displayed via community service throughout this important year. Over 4000 Community hours have been recorded for the Class of 2024, demonstrating strong desire and dedication to supporting others and living the Mercy values. As this year group embarks on new adventures, they are encouraged to carry the spirit of hope, compassion, and excellence with them, continuing to make a positive impact on the world.

The Class of 2024 has achieved outstanding results in the Western Australia School Curriculum ATAR

exams, including recognition by the WA Standards Authority with a Subject Certificate of Excellence, 18 Certificates of Distinction, and 22 Certificates of Merit across 37 endorsed SCSA programs. We are proud to acknowledge a 99% WACE graduation achievement, with 12% of ATAR pathway students achieving an ATAR above 95 and 71% above 80.

Congratulations to the Class of 2024 on all their accomplishments. Your school community, including our dedicated teaching staff, is very proud of each of you. We look forward to seeing you discover your passions, further develop your talents and continue to make a meaningful and positive impact on the world, as women of Mercy.

Dr Lucie McCrory
