ABOUT US

Y-Not Design & Manufacturing is a US-based company that specializes in global procurement and distribution of custom-made products, retail and white label items, employee recognition gifts, and sustainable promotional products. As a certified minority and woman-owned Hub Zone company, we take pride in offering unique, custom-designed products that extend a customer's brand from last-minute events to employee engagement programs. Our owner has over 25 years of experience in the manufacturing and service business, and our customers love that they can track their products all the way to the factory. Since our establishment in 2005, we have been dedicated to providing exceptional service and quality products to our clients.
