# LIONS INTERNATIONAL PURPOSES & LIONS CODE OF ETHICS

## PURPOSE

**To Organize** charter and supervise service clubs to be known as Lions clubs.

**To Coordinate** the activities and standardize the administration of Lions clubs.

**To Create** and foster a spirit of understanding among the peoples of the world.

**To Promote** the principles of good government and good citizenship.

**To Take** an active interest in the civic, cultural, social and moral welfare of the community.

**To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.

**To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

**To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavours.

## CODE OF ETHICS

**To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

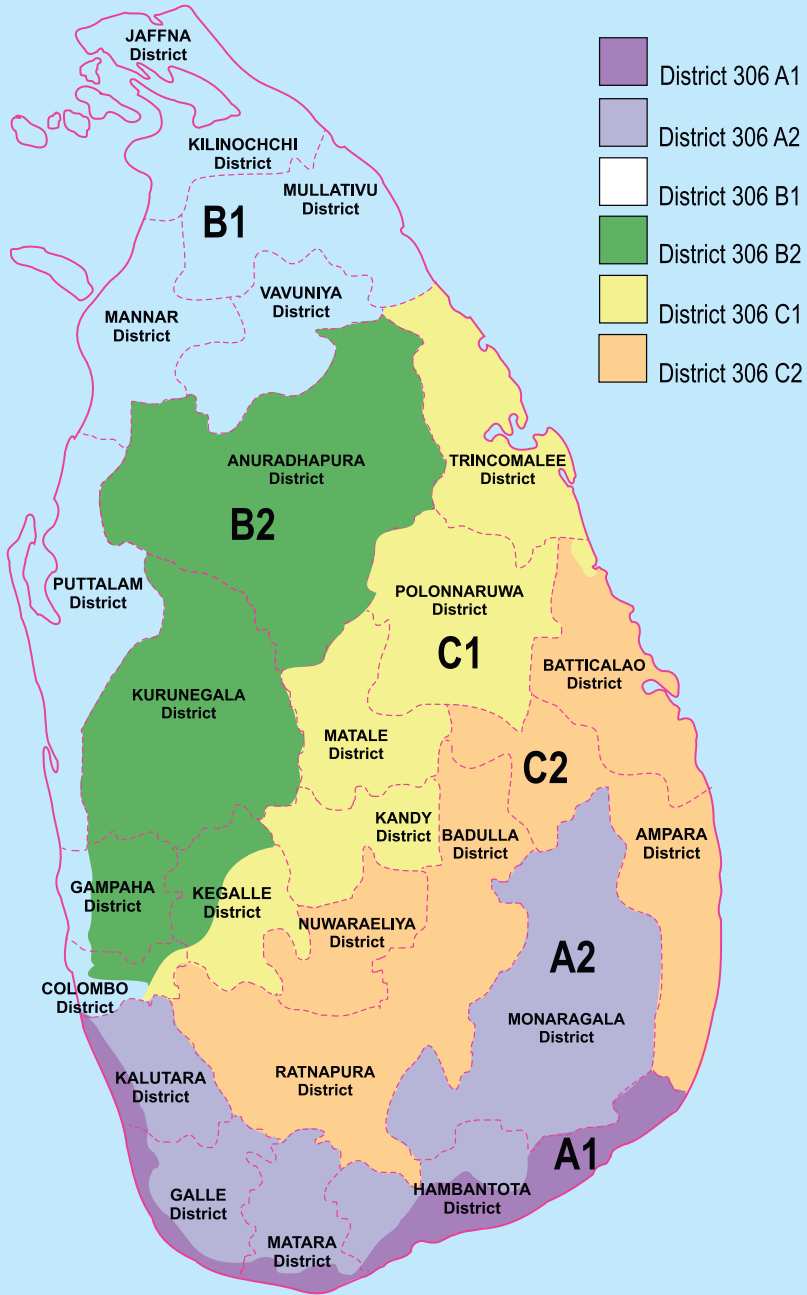

**To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

**To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.

**FABRÍCIO OLIVEIRA**  
INTERNATIONAL PRESIDENT  
2024-2025

# Breathing Life into Service

Ask Fabrício Oliveira about his native Brazil, and he'll tell you it's the lungs of the world. An evergreen canopy rimmed in turquoise shoreline. He's from a small municipality there, the son of fabric merchants with entrepreneurial vigor in their blood.

By age 18, Fabrício was already part of the family business. He would focus on his studies during the week and travel dutifully for work over the weekends. For such a young man, Fabrício was driven and focused on results.

"I've always done things early," he recalls with a smile.

At just 22 years old, the spirited entrepreneur became a happily married man. He and his wife Amariles had both grown up in the village of Catolé do Rocha, where, despite the region's tropical climate, Fabrício Oliveira was proving to be a man for all seasons.

He was already having professional success—he had a number of business deals under his belt and more on the table. He was experiencing civic success—he had received several appointments to public office. Yet, something was missing for Fabrício.

Until one evening in 1985.

At the time, Fabrício and Amariles were part of a group of friends who would gather on weekends for different social events. Some of these friends were already Lions members and before long, they asked the Oliveiras to join their local club.

"We couldn't say no," he admits. "These were our close friends. And I saw something special in Lions, and an opportunity to give back to the community that had been so good to me."

It was a gesture as simple as an invitation that brought Fabrício Oliveira and his wife to Lions, once and for all.

"So I became a Lion. And that's how everything started," Fabrício recollects.

The call had been answered. A commitment to service set in motion. Now, it was time for the man from Catolé do Rocha to take what he'd learned so far from life and apply it to a new kind of work. His work as a Lion.

**“I SAW SOMETHING SPECIAL IN LIONS, AND  
AN OPPORTUNITY TO GIVE BACK TO THE  
COMMUNITY THAT HAD BEEN SO GOOD TO ME.”**

## The Art of Proactive Positivity

**“We have natural beauty,” Fabrício says of Brazil. “And it’s extraordinary.”**

But years ago, when he was just becoming a Lion, there were areas within his hometown struggling to get clean, usable water. So Fabrício and his club took action.

His very first service project focused on the fundraising required to purchase the handmade, ceramic filters needed to deliver fresh water to these local areas in need. These devices brought more than fresh water to these communities—they brought health, well-being and happiness to children and families who desperately needed it.

“It was phenomenal!” Fabrício remembers.

“We saw the joy and the smiles they had when we brought the equipment. I really understood just how powerful service could be, and just how important we are as Lions.”

From that moment, there was no turning back. Only forward momentum. It was as if the gift of service had found him and not the other way around.

As a Lion, Fabrício puts his life experience and business expertise into practice every day. And he finds that he gets as much as he gives.

“I REALLY UNDERSTOOD JUST HOW POWERFUL SERVICE COULD BE, AND JUST HOW IMPORTANT WE ARE AS LIONS.”

“I learned a lot. And I am still learning,” he says. “Lions is my second university.”

But for the man from Catolé do Rocha, Lions have become a second family too, a global family with such incredible potential and rare positivity that he cherishes, a family he is honored to lead by proactive example.

“Lions have made a such big difference in so many communities, and in so many lives—including my own.”

That’s why Fabrício wants to focus on inviting new members and starting new clubs so even more people can experience the same satisfaction and the same sense of purpose that he has.

Fabrício Oliveira will always be a Lion. And he will always think like an entrepreneur. That’s why he believes that initiative comes to those who take it. That we not only have the power to achieve great things, but we also have the responsibility to achieve great things.

And when we apply our talents and skills to transforming our communities, we can leave a lasting mark—our mark—on the world.

PRESIDENTIAL MESSAGE 2024-2025

# Make Your Mark

**There's a leader inside every Lion.**

And leaders know that, through collective action and individual commitment, we can inspire and empower whole communities. Making them healthier and stronger than ever before. And making our mark in the process.

As leaders, we unite people through our clubs, and in our mission of service. We foster collaboration so we can do what others say can't be done. We embrace innovation so we can bring our bold service vision to life. We give caring people the chance to serve with us so they can lead with us as Lions. And with every new member we bring, we make our mark on the future of service.

Together, we reach out to the people who need us. We amplify voices that would otherwise go unheard. We change lives in ways that only Lions can. And with every life we touch, with every community we serve, we make a mark that will endure, and will never be forgotten.

# Making Our Mark Together

Every day provides us with a chance to make our mark as Lions, so take action! Consider these global priorities and how we can all support them to help strengthen Lions and the communities we serve.

## **GROW TO GIVE MORE**

As the need for service grows, we need to grow too. Let's invite new members and charter new clubs so we can meet our MISSION 1.5 goal, bringing more Lions and more service to our communities as we work toward serving one billion people around the world.

## **BE STRONGER TOGETHER**

Our global foundation works to support our service so we can bring lasting change to the world. So let's support LCIF to ensure that we're ready to serve together, whenever and wherever needed.

## **TAKE THE NEXT STEP**

Let's embrace our leadership potential to grow our clubs and our service, and to grow as Lions and leaders. Look for new opportunities within your club and community to lead our service forward.

## **CAPTURE YOUR COMMUNITY'S IMAGINATION**

Our work as Lions is extraordinary. Great marketing and public relations can help you tell your story and capture the attention—and imagination—of your community. So promote your service to inspire others to join us as Lions.

TO A YOUNG  
PERSON BATTLING  
CHILDHOOD CANCER,  
LION VOLUNTEERS  
ARE REAL-LIFE  
SUPERHEROES.

# The Mark of Great Service

Lions lead by example. We always have and always will. These keys to success can help you unlock your true service potential and inspire the Lions around you to do the same.

## STAY PROACTIVE

The needs in our communities are great, so don't wait to act. Seek out a need and take action. This is what allows us to be responsive to our communities – and what separates us from the rest.

## BRING YOUR VISION TO LIFE

Where others see an obstacle, we see an opportunity. So build your service vision. Rally others around it. Then think boldly, act decisively and bring your service to life.

## FOCUS ON POSITIVE OUTCOMES

When we focus on positive outcomes, we achieve the greatest results. Let's define the change we want to see in our communities so we can start building plans to make it a reality.

We Serve

**MAKE YOUR MARK**

SHAPE OUR FUTURE

LANKA LIONS FOUNDATION  
PMAF 2024 /2025

Lanka Lions  
Foundation**FOUNDER CHAIRMAN**

PAST INTERNATIONAL PRESIDENT,  
LION MAHENDRA AMARASURIYA (IP 2007/2008)

**NAME THE FOUNDATION**

LANKA LIONS FOUNDATION

**INITIATED IN**

DECEMBER 2012

**PURPOSE**

To Assist 'The Economically Active Poor'

**LOAN SCHEME**

The administration of this loans scheme has been outsourced to a micro credit specialist, who has extensive expertise in the field of micro credit, who administers the project for and on behalf of the foundation for a fee. Hence while the foundation will grant the loans on an interest free basis to the applicants, a fee of 10% of the loan amount is charged from all loan applicants as an administration fee. However, the first 150 loans were granted without charging a service fee. The funds in the Lanka Lions comprises of donations made by 2,022 lions, which has been matched rupee for rupee, up to five million rupees by the settlor of the foundation, past international president lion mahendra amarasuriya, which indeed makes the Lanka Lions Foundation unique.

**METHODOLOGY****LOANS**

Under this scheme would be granted exclusively through lions Clubs.

**THE LIONS CLUB**

Recommending the loan will be responsible for collecting loan instalments and remitting the same to the process consultant of The LANKA LIONS FOUNDATION, on a monthly basis.

**LOAN RECIPIENTS**

Need to be residents in the area of the recommending lions club.

**ALL POTENTIAL BORROWERS**

Have to be personally visited and investigated by the club Members recommending the loan, before they are considered.

**THE LION**

Recommending the loan will be responsible for the collection of the loan instalment, and will become the guarantor for the loan.

## APPLICATION MANDATORY.

- (i) 03 copies of a recent photograph (postal I.D. or passport size) of the borrower.
- (ii) A photograph of the loan applicant and the Lion /Lion Lady recommending the loan at the business premises of the applicant.
- (iii) The Grama Niladhari's certificate confirming the applicant's residency as permanent.
- (iv) A photocopy of the applicant's NIC.
- (v) A photocopy of the Guarantor's NIC.

Application and loan agreement duly completed and signed by the applicant, Lion recommending the loan (Guarantor) and Club officials, and recommended by the First Vice District

## BENEFIT TO THE CLUB:

- 1.The opportunity to assist poor and marginalized people to increase their income or improve their standard of living by granting them a loan from the Foundation, WITHOUT spending personal funds.
- 2.As the fund is exclusively for Lions and Lion Ladies, top priority is assured without delays and red tape.
- 3.The ability to continue granting loans to the deserving poor, as the foundation has revolving funds.

## BENEFIT TO THE LOAN RECIPIENTS

The First benefit to the loan recipients who obtain loans under this scheme is the fact that it is extremely cheap. [Normally marginalized people pay exorbitant interest rates as much as 20% per month for small loans. Here there is only a one time upfront fee of 10%] The second is that loans will be granted with minimum documentation and inconvenience to loan applicants. The third will be that, with the on time repayment of loans, loan recipients will qualify for larger loans.

**NEW MEMBER INDUCTION**

**2024/25**

# NEW MEMBER INDUCTION

## New Member Induction Ceremonies

The Induction Ceremony is the symbolic beginning to a member's service as a Lion. It is also a key element in the lifelong retention of a member. A thoughtful induction, followed by a thorough orientation and meaningful involvement in the club's activities will keep a new member interested and engaged in the club.

As with any thoughtful action, induction ceremonies require proper preparation in order to be meaningful for the most important person attending - the member being inducted.

# NEW MEMBER INDUCTION

Follow these steps to be sure that you are prepared to induct your new member:

## 1) Ensure that the New Member Kit is current.

You can get these kits from your District Governor as well as from Club Supplies. Kits do change from year to year, so please have the current kit ready for your new member.

## 2) Prepare the certificates in the kit.

There are two certificates in the kit. One for the new member and one for the sponsor. Ensure that the certificates are neatly filled out, templates are available in the resource center on [www.lionsclubs.org](http://www.lionsclubs.org) if you wish to print it on a printer, names correctly spelled, and duly signed.

## 3) Separate the Sponsor materials from the New Member materials.

In the new member kit, the sponsor receives a certificate as well as a special sponsor pin. Be sure that these items are not in the kit at the end of the ceremony when the new member is presented with the kit.

## 4) Ensure that the new member has completed the New Member Questionnaire.

This questionnaire can be found in the Just Ask! New Member Recruiting Guide. This questionnaire will allow you to capture some information about your new member.

## 5) Prepare the wording of the ceremony.

While this guide has suggested wording, use the information you have about your new member to modify the wording where appropriate to illustrate how the new member is a good fit in your club, and how your club is a good fit for what they want to do.

While it is customary for the club president to induct new members, it is certainly appropriate to have a former international or district officer, the Membership Committee chairperson or a well-respected senior Lion conduct the ceremony.

Induction Ceremonies will vary depending on local customs or activities of the club and district. Also, it is acceptable and encouraged to adapt the New Member Induction Ceremony to the affiliate membership category. When planning the ceremony, it is important to keep in mind that it should be dignified and meaningful for the participants.

Following are some ideas for creating an appropriate and meaningful Induction Ceremony, as well as suggested wording for the presentation.

# NEW MEMBER INDUCTION

## Suggested Ceremony Order

1. Begin by inviting each new member and their sponsor individually by name to the front of the room.
2. Welcome all the participants to the ceremony and share your joy for their attendance.
3. Tell the new member they are becoming a member of the world's largest service organization, Lions Clubs International by joining this club.
4. Give a brief history of the distinguished history of Lions Clubs International.
5. Present a short history about your club and its current activities.
6. Administer the pledge.
7. Present the pin.
8. Close the ceremony with a welcoming statement on behalf of your club and district, the presentation of a new member kit and an explanation of the sponsor's responsibilities.

## Suggested Presentation Wording

The following is suggested wording for the different facets of the Induction Ceremony as described in the Suggested Ceremony Order above. Feel free to change the wording as necessary to reflect local customs, add further information, reflect the presenter's communication style and most importantly, to personalize it to the new member or members you are inducting, so it is meaningful to them.

### 1) Call to Order

We are about to begin our New Member Induction Ceremony, in which we will induct \_\_\_\_\_ new members into our club. At this time, I would like to call each of the new members and their sponsors. As their names are called, will the sponsors and new members please rise and come forward. Please hold your applause until all the names are announced. Thank you. (Insert new member names and sponsor names.)

### 2) Welcome

Ladies and gentlemen, on behalf of the officers and members of the Lions Club of \_\_\_\_\_ and Lions Clubs International, I want to express our sincere pleasure at your presence at this meeting. You have been invited to become members and we are all extremely proud that you have accepted membership in our club and Lions Clubs International. Membership in a Lions club is a privilege. You have joined the world's largest and most active service club organization; a group of over 1.4 million men and women in over 48,000 clubs in over 200 countries and geographical areas around the globe, who are dedicated to making a difference. Through your membership, you will help our club reach out to people in need in our community, and throughout the world.

# NEW MEMBER INDUCTION

## 3) Lions Clubs International History

You are becoming part of a distinguished service history that dates back to 1917, when Lions Clubs International began as the dream of Chicago insurance man Melvin Jones. He believed that local business clubs should expand their horizons from purely professional concerns to the betterment of their communities and the world at large.

Jones' own group, the Business Circle of Chicago, agreed. After contacting similar groups around the country, an organizational meeting was held on June 7, 1917, at the LaSalle Hotel in Chicago, Illinois, USA. The new group took the name of one of the groups invited, the "Association of Lions Clubs," and a national convention was held in Dallas, Texas, USA in October of that year. Thirty-six delegates representing 22 clubs from nine states were in attendance. The convention began to define what the association was to become. A constitution, by-laws, objects and code of ethics were approved.

Since that humble beginning, Lions club members have volunteered their time and talents to meet needs wherever they exist. Lions are especially dedicated to serving the blind and visually impaired, a commitment made after Helen Keller challenged our members to become her "knights of the blind in the crusade against darkness" during the 1925 convention in Cedar Point, Ohio, USA. Our motto, "We Serve" perfectly exemplifies the dedication to helping those in need felt by Lions worldwide. Your membership in the Lions Club of \_\_\_\_\_ will help us carry on this tradition of service for many years to come.

## 4) Local Club History

Our own club was founded in \_\_\_\_\_ (year). For \_\_\_\_\_ years we have been tirelessly serving those in need in \_\_\_\_\_ (your town). With projects ranging from \_\_\_\_\_ to \_\_\_\_\_, the Lions Club of \_\_\_\_\_ is committed to bringing the unparalleled services of Lions Clubs International to our community. (Add additional relevant information about your club and the exemplary work it has done within your community.)

You will find that membership in our Lions Club and Lions Clubs International will offer many opportunities for personal growth. Not only can you experience the incomparable feeling you receive from volunteering, but you will also have the chance to hone leadership, communication and organizational skills. You can develop friendships that last a lifetime, meet other Lions from all corners of the world and contribute ideas that will help our club be an even more valuable part of our community. *(Add additional relevant information based on what the new member is looking for in their involvement in your club. This is one of the questions on the New Member Questionnaire in the Just Ask! guide.)*

Your membership in the Lions Club of \_\_\_\_\_ will allow us to reach more people in need, in both our local and world communities. The officers and members of this club are thrilled that you have chosen to help us continue the legacy of Lions Clubs International by improving the lives of the less fortunate and making our community an even better place to live.
