SPORTSMANSHIP & ALMA MATER

Alma Mater

In the Shenandoah Valley,
'Neath the sun's warm glow,
Stands the home of Handley High School
Finest place we know

May we cherish thy traditions
Hold thy banner high
Ever guard thy name and glory
Here's to Handley High!

Though we leave thy halls forever,
Many miles go hence,
May our love for Handley High School
Only have commenced.

FOR OUR PARENTS, FANS, AND SPECTATORS GOOD SPORTSMANSHIP...

GOOD SPORTSMANSHIP *involves teaching and encouraging athletes to play fair.*

GOOD SPORTSMANSHIP *involves demonstrating respect for all players involved.*

GOOD SPORTSMANSHIP *involves showing positive support and encouragement to all student participants and performing groups.*

GOOD SPORTSMANSHIP *involves respecting coaches and their decisions. A coach's job performance is on display at every contest. Few professions are so openly viewed and so widely critiqued. Second-guessing their work doesn't provide a positive atmosphere for anyone involved in the event.*

GOOD SPORTSMANSHIP *involves respecting officials and the role they need to play. Without these individuals there are no contests. Remember calls go both ways and everyone should respect their honest assessment of the rules.*

RESPECT IS EXPECTED!

HANDLEY FIGHT SONG

Now, all together
Raise to the sky
One lasting cheer for
Old Handley High
Down the field see her sons go
Can they be halted?
We say no!

Crossing the chalk line
One yard by yard
Lugging the leather
Easy or hard

Til we reach that
last white marker...

Forward maroon and white!

He also earned an M.S. in Education Administration while at Shenandoah. Our Humble Beginnings

The Judges Athletic Association was founded in 1957 by Don Smallwood, Dick Kern, Bill Baker, Dick Rosenberger, and Eddie Manuel for the purpose of providing financial support to the Handley Athletic Program. Their vision was to help fund athletic equipment over and above what the schools budget would allow, giving Handley an advantage over their rivals. The First scholarship was awarded in 1959 to Dick Donica for \$100.

We offer a membership for annual dues of only \$30.00. Our members all share that **HANDLEY PRIDE** and they consist of parents, coaches, alumni, and Handley supporters. Membership also includes a merchant discount card and a pass to our member social. The member social will be held after the home game versus Sherando on Nov. 9th at the home of Frank and Meg Sublett.

The JAA invites all parents, coaches, alumni, and Handley supporters to become members of the Association and to participate in our many projects involving JAA membership and activities. Please feel free to contact any of our board members, listed above, about JAA membership and activities.

Giving Back

Since the first scholarship in 1959, the Judges Athletic Association has awarded more than 2 million dollars in scholarships to deserving student-athletes. The JAA also provides annual gifts to the athletic department of \$15,000 or more for uniforms and equipment. Major gifts to the athletic department include \$50,000 to help with the current Larry Nelson Weight Room and \$75,000 for the new track resurfacing in the Handley Bowl.

Annually at the JAA Awards Banquet, they honor more than 40 athletes and their coaches who have nominated them for their excellence in their sport. Scholarships are given to deserving seniors based on need, participation, and academics. Each senior athlete is given a commemorative gavel as a thank-you for participating at Handley. In addition to these awards and scholarships, there are 5 major awards given to student-athletes, recognizing them for academics, athletics, leadership, and perseverance. The JAA also yearly recognizes two people from the community for their service, to the JAA, and the athletic department.

Each year the JAA inducts a class into the Hunter Maddex Hall of Fame, honoring athletes, coaches, and contributors. In 2010, the JAA Hunter Maddex Hall of Fame started the Edwin Barksdale wing to honor the outstanding athletes for Frederick Douglas School who would have otherwise attended Handley had it not been for segregation.

EDWIN BARKSDALE SR.

"Ed" was born in Washington, D.C., and from a young age, was an exceptional swimmer. As a freshman at Cardoza High School, he played varsity football, basketball, and track at Cardoza High School. During the final three years, he played center and defensive end. He was named All-City (now All-Met) as a center in his junior and senior years. While at Cardoza, he was selected as a ROTC Naval Officer Candidate. Upon graduation, Ed attended Virginia State University and played football. Following his second year, he was called upon by the US Navy for active duty and served as a swim instructor. After his honorable discharge, he returned to Virginia State University and finished his football career, where he was named All-Conference at center. At Douglas School, he only had four losing seasons out of the 28 seasons he coached (football and basketball for 14 years). Coach Barksdale passed away in 1974 at age 47. He leaves a legacy of greatness in Winchester, VA.

Coach Barksdale went 46-19-3 as football coach from 1953-63, and won 10 district titles in 12 seasons as basketball coach from 1954-55 to 1965-66.

ALMA MATER

Down in the valley
Where Apple Blossoms bloom
Stand our Alma Mater
Brave and True
Hail Douglas, Hail, Hail, Hail
Long may thy ideals stand
Firm o'er Virginia's land
Forevermore
How can I forget thee
The jewel of my heart
I'll wear the memory
And never part
When spring and flower fade
The Sun sets in the west
Your memory will come and give me rest
Oh, when the time shall come
The best of friends must part
I'll carry thy fond remembrance In my heart
Oh Alma Mater,
Thy colors white and blue
Wave on, old Douglas
Forever.

JAA MAJOR AWARDS

DESCRIPTIONS

Winnie Legge Award – JAA Award for Best All-Around Athlete

Winnie Legge coached athletics at Handley in 1927. Before his coaching career, he had coached at Shepherd College and Virginia Tech. Mr. Legge attended Virginia Tech from 1914 to 1918 as a four-year football, basketball, baseball, and track letterman. During his four years at Virginia Tech, Mr. Legge earned 16 athletic letters and came to be regarded as one of the greatest athletes in the history of that university. The J.A.A. Winnie Legge Award is given annually to the Senior Student-Athletes at Handley, who display excellence in all-around athletic ability.

Otis “Snag” Sargent Award– for Excellence in Athletics & Academics

Otis “Snag” Sargent played football, basketball, and baseball at Handley High School, where he received his long-standing nickname, “Snag,” for his outstanding ability to catch football passes. After he graduated from Handley, Mr. Sargent returned to coach football, basketball, and track at his alma mater. His 1945 football team is one of only four undefeated, untied teams in Handley history. Snag Sargent later owned Snag’s Sport Shop in downtown Winchester. As a businessman, he was active in civic affairs and community service. Snag Sargent, a Winchester legend, succeeded in many endeavors and enjoyed the respect of his peers. The Otis “Snag” Sargent Award is given annually to the Senior Student-Athletes who display excellence in athletics and academics.

Ron Rice Award – JAA Award for Excellence in Athletics and Leadership

In 1966, Ron Rice came to Handley High School to teach math and to become the school’s head football coach. He took a football program that had posted a 2-7-1 record the previous year and led the team to a 7-2-1 record his first year due to charismatic leadership and hard work. Two years later, he coached one of only four Handley football teams that have enjoyed undefeated, untied seasons. Mr. Rice was an inspiring leader of young people; he could change the negative to the positive. His outstanding leadership guided one of the great eras in Handley’s athletics history. The Ron Rice Award is given annually to the Senior Student-Athletes at Handley who display excellence in athletics and demonstrate, both on and off the field, school spirit and leadership qualities.

Jimmy Omps Award- JAA Award for Perseverance

In 2005, the JAA recognized the contributions of long-time Handley athletic director James “Jimmy” Omps by establishing an award in his honor. Omps himself was the initial recipient of this award. Jimmy Omps, or “J.O.” as he is affectionately called, graduated from Handley in 1953 and returned to Handley in 1959 as a math teacher and assistant basketball coach. He later became head varsity basketball coach, athletic director, and director of student activities. His meticulous organizational skills and work ethic served Handley Athletics well for many years. J.O. is a member of the Hunter Maddex Hall of Fame, the Shepherd University Hall of Fame, and the Virginia High School League Hall of Fame. He has received numerous awards recognizing his talents and hard work in athletic administration, including national and state awards as High School Athletic Director of the Year. When asked to select the criteria for this award, J.O. requested that the JAA honor the student who displayed persistence, diligence, reliability, team spirit, and high character while not necessarily being the most outstanding athlete on their team.

JAA MAJOR AWARDS

DESCRIPTIONS

H. Russell Potts, Jr. Award- JAA Award for Academic Excellence

In the term ‘student-athlete,’ the student comes first, and the athlete comes second. Striving to recognize student achievement in the academic realm, the JAA has recognized the senior student-athlete who has achieved the highest grade point average for many years. In 2003, the JAA decided to formalize this award by naming it in honor of H. Russell Potts, Jr., a long-time friend and supporter of the JAA. A graduate of Handley, “Russ” is personally responsible for securing funding for many of the scholarships the JAA awards. His great affection for Handley High School is well-known, as is his support for education in general, both in his personal life and in his former role as Chairman of the Virginia Senate Education and Health Committee. In recognition of Senator Potts’ support for education and his tireless efforts on behalf of the JAA and Handley athletics, the JAA awards the H. Russell Potts, Jr. Scholar-Athlete Award to the senior student-athlete who has achieved the highest grade point average.

Thurman H. Potts Award- JAA Award for Community Service

The Thurman Potts Award for Community Service is given in honor of Thurman Potts. Thurman was a three-sport letterman at John Handley High School. Upon graduation, Thurman Potts joined the United States Army and served his country during World War II. During his service, Potts sacrificed his life, saving the lives of fellow service members who were in perilous danger. In his honor, The Judges Athletic Association honors a Handley Athlete who demonstrated personal sacrifice in the service of the school or community.

JAA AWARDS FOR COMMUNITY MEMBERS

Ancil Gray Award- for Outstanding Contribution to Handley Athletics

Ancil Gray was a woodworking teacher at Handley from the 1940s through the 1960s. He loved athletics and had been a state-champion high school miler in his home state of West Virginia. He coached the golf team at Handley and served as a starter for track meets. Moreover, he used his mechanical abilities and craftsmanship to assist the athletic department in many ways. He maintained athletic equipment and constructed one of Handley’s first set of hurdles. He was always willing to lend his time and talents in a volunteer capacity to help improve the conditions of the Handley student-athletes. For this reason, each year, the JAA honors a community member for their outstanding contribution to the Handley athletic program by awarding the Ancil Gray Award.

Eddie Manuel Award- for Distinguished Service to the JAA

As a Handley student in the late 1940s, Eddie Manuel earned his JH letter as Coach Hunter Maddox’s football team manager. As a Handley alumnus in 1957, Eddie Manuel was one of the founders of the Judges Athletic Association. He is still remembered as “Mr. JAA,” Eddie’s dream was to create an organization of supporters that could provide the students of Handley with opportunities to excel on the playing field and with scholarship funds to pursue higher education after their Handley years. Eddie Manuel’s impact on Handley and its student-athletes for over fifty years has been immeasurable. Each year, the JAA recognizes the outstanding contributions of a member of the community to the JAA by awarding them the Eddie Manuel Distinguished Service Award.
