ABOUT US

History and Heritage:

Established in 1962, Khursheed Government Girls Degree College has a rich history of providing quality education to young women in Karachi. Founded by Ms. Khursheed Ara Begum in PECH Society, the college initially operated in a rented building. Through the efforts of Madam Maryam, the college was relocated to Shah Faisal Colony in 1971. In 1972, it was nationalized and became a government college.

The college's growth and development are attributed to the tireless efforts of Mrs. Zeenat Ibtiyaj, whose contributions are invaluable. Today, the college boasts four faculties:

- Arts
- Science
- Commerce
- Computer Science

Each faculty has its own building, including a separate building for home economics. With approximately 4,000 students, Khursheed Government Girls Degree College is the largest college in Shah Faisal Town, District East, and District Korangi. Notably, it is the first college to offer a 4-year associate degree in BSCS.

Our commitment to academic excellence has earned us a distinguished reputation in the community. We continue to empower young women through education, shaping the future of Pakistan.
