ABOUT LEHI CITY

AS UTAH'S SIXTH OLDEST CITY, LEHI IS RICH IN PIONEER AND OLD WEST HISTORY.

Originally settled by Mormon pioneers, Lehi has been known as Sulphur Springs, Snow Springs, Dry Creek, and Evansville. It was incorporated as Lehi City in 1852. The Overland Stagecoach Route, the Pony Express Trail, and the Transcontinental Telegraph all passed through or near Lehi during the peak of their use.

Today, the city offers abundant opportunities to live and play. Lehi is the eighth fastest-growing city in the country, with a population of nearly 97,000. As the gateway to Utah County, Lehi is surrounded by Utah Lake and the Oquirrh and Wasatch Mountain ranges. Residents and visitors have easy access to hiking, camping, fishing, mountain biking, and a variety of other outdoor activities.

Lehi operates under the six-member council form of government. The mayor and five city council members are each elected at large to serve four-year staggered terms as the legislative council. The city council is

responsible for policy-making decisions while the city administration is responsible for the daily operation of city departments and services.

The city is part of the rapidly growing Silicon Slopes, a vibrant tech corridor that spans Utah County. It is home to numerous tech companies and startups, contributing to its reputation as a center for innovation and entrepreneurship. Major companies such as Adobe, Xactware, Vivint, and Texas Instruments have established significant operations in Lehi, creating a dynamic job market and attracting talent from across the country.

As Lehi continues to grow, the city is focused on sustainable development and maintaining a high quality of life for its residents. Plans for future growth include expanding infrastructure, enhancing public services, and promoting a diverse and inclusive community. Lehi's strategic location and thriving economy position it as a key player in Utah's ongoing development, pioneering Utah's future.

Lehi is truly a remarkable place to live, work, and play!

GETINVOLVED

THERE ARE A VARIETY OF OPPORTUNITIES THROUGHOUT LEHI CITY TO GET INVOLVED, FROM SERVING ON A BOARD OR COMMISSION TO PARTICIPATING AS A VOLUNTEER TUTOR OR ON A SERVICE PROJECT.

Volunteers are invaluable to Lehi City. In past years the city has had over 2,000 volunteers offer more than 20,000 hours of service, and that's just a sampling of our volunteer groups. If you want to get involved, we've got a place for you!

VOLUNTEER OPPORTUNITIES

Below is a list of the volunteer opportunities available in the city.

City Boards & Commissions	Service Opportunities
Planning Comission	Eagle Scout Projects
Park, Trails, & Tree Committee	Literacy Center Tutors
Historic Preservation Commission	Parks/Roadway Cleanup
Lehi Cares Coalition	Round-Up Committee
Library Board	Youth Council
Environmental Sustainability Committee	Community Emergency Response Team (CERT)
	Friends of the Archives Board

For more information about these and other service opportunities, visit *www.lehi-ut.gov/volunteers*. You can also contact the city volunteer coordinator, Melanie Busath at (385) 201-2276 or Mbusath@lehi-ut.gov.

Presidential Volunteer Service Awards

The Rippy Literacy Center is the only certifying organization in Utah County for the Presidential Volunteer Service Awards, a national award from the President of the United States that recognizes the service efforts of volunteers in our community. Awards are based on hours of service in a calendar year. Volunteer hours accrued through any Lehi City department count towards qualifying for the award.

LEHI HONORS

WATER DEPARTMENT

WATER SHORTAGE MANAGEMENT PLAN

The Lehi City Water Department regularly monitors the level of city water sources. At the beginning of each month during the peak water usage season (June, July, August, and September), the Lehi City Water Department will use internal and external data to determine drought conditions in Lehi City. Based on water levels, the Water Department will determine which water shortage phase will be implemented for that month.

WATER SHORTAGE PHASES

The level and severity of water shortage has been categorized into three phases. Each phase is labeled with a color to better illustrate when a respective phase is in effect. The three phases with their respective color are:

Phase I	Phase II	Phase III
Normal Conditions	Moderate Shortage	Severe Shortage

Lehi City will inform water users of which phase is in effect. Each phase includes voluntary and/or required conservation actions to provide guidance on how to respond to water shortages. The table below provides detail on required action for each phase of the plan.

	Phase I	Phase II	Phase III
Lawn Watering	Voluntary	Mandatory	Mandatory
Hard-Surface Washing	Voluntary	Mandatory	Mandatory
Swimming Pools	Voluntary	Voluntary	Mandatory
Outdoor Fountains & Ponds	Voluntary	Voluntary	Mandatory
Recreation Sprinklers & Outdoor Water Toys	Voluntary	Voluntary	Mandatory

During Phase II and Phase III of the management plan, lawn watering is restricted according to city or county street address.

Phase II Lawn Watering Restrictions: Sprinkler irrigation is prohibited between 10 a.m. and 6 p.m.

- May only water 2 days per week.
- Water users may not use sprinkler irrigation on consecutive days.
- Wait at least 48 hours in between irrigation cycles.

Phase III Lawn Watering Restrictions: Sprinkler irrigation is prohibited between 10 a.m. and 6 p.m.

- Lawn watering is restricted to 1 day per week.
- Hard-surface washing is not allowed except for health or safety reasons.

Exceptions are made for new lawns that require frequent irrigation within 30 days for establishment purposes. Exceptions are also made for short cycles required for testing, inspecting, and maintaining irrigation systems. A complete description of conservation actions can be found online at *www.lehi-ut.gov/water*.

ENFORCEMENT STRATEGY

First Violation: Hand-delivered written notice of violation and instructions on necessary corrective action.

Second Violation: $100 fine and a warning of actions consequent to a third violation.

Third Violation: $500 Fine

The complete secondary water system conservation ordinance, including specific information on mandatory conservation efforts, can be found in the municipal code, Chapter 13.28. Visit *www.lehi-ut.gov/municipal-code* for more information. If you have questions, please contact the Water Department at 385.201.1700.

STREETS DIVISION

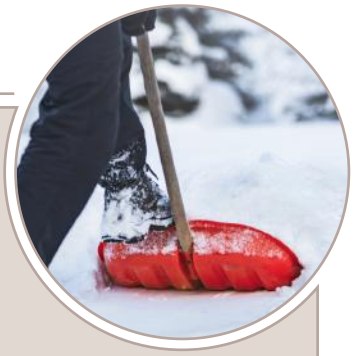

Lehi Streets Division works throughout the year to maintain and improve city streets in order to provide safe vehicular and pedestrian travel.

SNOW REMOVAL

Snow removal crews will make every possible effort to keep major streets clear of snow and ice. Response time depends on the severity and duration of a storm. Roads with the most traffic receive top priority, followed by residential areas. Subdivisions, cul-de-sac, and end streets will be plowed after four or more inches of snow have accumulated.

WINTER PARKING REGULATIONS

City ordinance prohibits parking on the street during a storm and for 24 hours following a storm. Violating the ordinance may result in a parking citation. During a storm removal emergency, as declared by the city administrator, vehicles impeding snow may be impounded.

What to Remember During a Storm

- Property owners are responsible for clearing driveway openings, sidewalks adjacent to their property, and area around fire hydrants.
- Shoveling, plowing, or blowing snow into the street is prohibited by city ordinance.
- To ensure regular mail delivery, clear snow around your mailbox.
- Install mailboxes appropriately to withstand snow removal efforts.
- City rights-of-way for snow storage extends nine feet from the curb. Landscaping and personal property within the rights-of-way is installed at the property owner's risk.

POWER DEPARTMENT

RIPPY LITERACY CENTER

The Literacy Center provides meaningful volunteer service opportunities for anyone who has completed the 4th grade. We pride ourselves in having volunteers of all ages. Volunteers can work toward earning the Presidential Service Award each calendar year.

Literacy Center Hours
Monday to Thursday
9 a.m.-6 p.m.

A morning ABC program is offered for 4-year-old children just prior to Kindergarten. This free program focuses on letters and sounds and provides young children with a solid foundation in early literacy skills. ABC classes are available fall and spring.

The Center also offers free after-school reading and math tutoring classes for students in Kindergarten through 4th grade. Classes are taught in small groups and we serve approximately 200-400 students at any given time. Tutoring classes are available fall, winter, spring, and summer.

In 2018, the Center was recognized by the Daily Herald as " The Best of Utah Valley" among all tutoring centers. We invite ALL to come and join us at the Rippy Literacy Center as a student or as a volunteer. Registration for sessions is limited. For more information, visit *www.lehi-ut .gov/recreation/literacy*.
