Welcome To The Cup Final

A warm welcome to the Newton Falwell Stadium, the home of Loughborough Dynamo Football club. For the 5th successive season, they play host for both our City Goldsmiths Presidents Trophy being played on Tuesday 6th May and our Flagship fixture, the Everards Tiger League Cup Final on Tuesday 13th May.

The League is again deeply indebted to Leicester based Everards Brewery who continue to sponsor not only the League Cup but also the three divisions of the Leicestershire Senior League who, through committee member Ian Gibson, have been our sponsors for over twenty years, and we continue to be grateful for their valued continuing support.

The City Goldsmiths also sponsor the City Goldsmiths Presidents Trophy. Congratulations to Lutterworth Athletic Reserves and Heather St Johns Reserves for making it through to the final of the City Goldsmiths Presidents Trophy and to Aylestone Park Reserves and Hathern FC for reaching the finals of the Everards Tiger Bitter Cup. All clubs have worked hard and I'm sure all clubs are looking forward to keenly contested matches.

I would also like to offer my congratulations to all the match officials, for whom this is just reward for their hard work and consistently good performances over the past season, and I hope they enjoy the matches.

On behalf of the League management committee, I would like to thank Loughborough Dynamo FC for the use of their first-class facilities, and also yourselves as spectators for coming to support your team or as a neutral to watch what I hope will be an excellent advert for Senior League football.

Finally, I wish to place on record my thanks to all the member clubs and particularly my committee for their efforts in completing what has been another challenging season. Members of the committee voluntarily give up a considerable amount of their own time and expertise to provide a sterling service to the Leicestershire Senior League and, as with all our clubs, without the services of these volunteers the Senior League would be unable to operate.

Please enjoy the games.

Meet Today's Cup Finalists

Heather St. Johns FC Reserves

Hayden Armstrong

Hayden is a reliable, strong and fast Centre Back with joint most appearance this season who can also play at Right Back. He has really established himself in men's football this season. He is a product of last season's U18's.

Dave Roberts

One of only a few senior league experienced players in the side, Dave has marshalled our midfield this season. A tough tackling, no nonsense leader who is joint highest appearances this season. A well-respected role model within the team.

Kye Wooldridge

Top scorer in the league during last season's u18's campaign, Kye has continued with his goalscoring threat to be current leading scorer of the team. He has adapted his game this year to provide crucial assists to his game. A difficult player to defend against when running at players.

Freddie Brooks

One of last season's u18's, Freddie has really established himself in the men's game, getting call ups with our first team. His trademark runs see him cut inside from his Right Back position, enabling him to add goals and assists. A reliable member of the team who has been important with set pieces too.

Callum Harris

The distinctive floppy haired Centre Back is our Captain. Callum has been such an influential leader this season and has been pivotal in the development of so many of the young players who are playing senior football for the first time. He has got better and better throughout the season and has been a rock in defence.

Freddie Beniston

Most assists in the u18's league last season for Freddie who has balanced with goals this time around in his first year in men's football. Currently the team's leading scorer from open play. A hard-working passionate player whose strength is being in the right place at the right time.

Alfie Donnelly

Another of the club's u18's from last season. Alfie is an attacking Left Back with a wand of a left foot. Always on the front foot, whether he's looking to intercept or whether he's driving forwards with the ball. Delivers a quality ball and can get a goal.

George Newbold

A Centre Midfielder player from last year's u18's side. George has the uncanny ability to use his fast feet to either win back possession or to get him out of tight areas. Used predominantly as a holding player, George will often do the unsung work and keep things simple to benefit the team.

Jack Coles

Last season's u18's Captain. Jack's strength and engine is second to none which has earned him 15 caps with our first team this season. A competitive player who probably covers the most ground in any game and this sees him get in on the action. A goal every other game is expected, along with nothing other than 100%.

Meet Today's Cup Finalists

Heather St. Johns FC Reserves

Rory Hathaway

Joined us this season from Coalville Town u21's and he's still only 19. Rory is a Centre Midfielder who is prepared to put his body on the line for the team. He is hard working and is a goal threat from deeper positions. Rory scored the goal of the season with a sublime scissor kick against Loughborough Dynamo recently.

Kieran Yarwood

A stalwart Centre Back from last season's u18 side. A very talented defender who is often calm on the ball when deep in possession. Kieran can also deliver a great ball into dangerous areas and has got several assists to his name this term to back this up.

Fran Blake

Fran joined part way into the season after previously having a scholarship experience in the USA. Fran has excellent technical ability and is relied upon for what he can offer to the team. Although not with Heather last season, he has played junior football at the club previously. Fran was u18 eligible last season which makes his maturity and a level headed nature even more impressive. Really knits the play well and is often involved in our best moves.

Sam Hankin

Sam is simply the most versatile player we have, who has just about played in every position this season. A strong and competitive player with real quality. One of the only players we have in their 20's, albeit late 20's, Sam is another player who the youngsters look up to. Often involved in the goals, having scored 8 in 17 appearances.

Tom Daniels

A previous Heather player after playing for one of our junior sides, Tom returns to the club after a spell with Notts County. Another player who was eligible for last season's u18's, Tom is known for his technical ability. He plays in attacking areas and often gets involved in the scoring when arriving late to sweep the ball into the goal from deep.

Tommy Miller

Our u18's keeper from last season and what a talent. Tommy had already been playing men's football during the previous season so continued with his Lichfield team. However, Tommy eventually joined after a third of the season and has made a huge impact with his shot stopping ability, but more impressively, with his distribution. A major contributor to us winning 14 games on the trot most would agree.

Will Pickering

Will joined us after the season had got underway and has proven himself to be a reliable and important member of the team. A defender who can play Centre Back, though has often covered at Left Back. A strong, tough tackling player who has added age and experience to a young group.

George Ludlam

George is predominantly a first team player though has had double figure appearances for the reserves this season. Still relatively young, George has real quality and has been a master from set pieces with his trusted left foot. George often plays Centre Midfield or Left Back due to his versatility and has given healthy goal scoring contributions.

Eddie Bown

One of the more colourful characters at the club, Eddie is one of last season's u18 players. A physically strong player who can play Centre Back or just as easily at Left Back. Eddie will match up to any player he comes up against, despite his age and you'll rarely see him lose a header. He can also offer an attacking threat.

Tyler Weeks

Often with our First Team, Tyler is a quality keeper who was with Leicester City until recently. Having played in the games to help our First Team reach the County Cup Final, Tyler has also had a string of games for the reserves which qualifies him for selection.

Archie Gallacher

Archie has had a handful of appearances with our First Team this season which would almost certainly have been more if it wasn't for injuries that have prevented a consistent presence. During his time with the Reserves, Archie has an impressive haul of over a goal a game. This included a hat trick against Mountsorrel Amateurs.

Lewis Hopewell

Another player that is often in the First Team, Lewis is an experienced player that usually plays in defence at step 6. However, during appearances with the Reserves, he has played in Centre Midfield more than he has at Centre Back. Lewis wins most headers and is comfortable on the ball and often looks to carry it forwards.

Sponsors/Thank You's:

The Reserve Team would like to thank the Chairman and the Directors for supporting us in taking our successful u18's from last season into a men's Reserve Team. We would also like to thank the management of our First Team for their fantastic support over the season. In particular, Cozzy and Ezzo for the way they have worked with us over what has been a successful season so far for the club as a whole.

Special mentions too for the matchday support we have received from Simon Bindley, Phil Owen, Chris Meredith, Bill Nally, Karen Brooks, Sarah Bradford, Adele Clarke & Chris Fitzpatrick. And of course, we are very grateful to those that have come to watch us play this season. Many have watched us home and away and shown incredible support.

A huge thank you to the Reserve Team's two main Sponsors this season.

Meet Today's Cup Finalists

Lutterworth Athletic FC Reserves

Lutterworth Juniors and Youth began in 1993 to give local children the chance to play competitive football. As the first generation of players progressed to senior level, Mick English, Terry Waterfield, and Steve Rendell established Lutterworth Athletic FC. Known as "The Atho," the first team competes in MFL Division One, while the Reserves have enjoyed a remarkable debut season, earning promotion to the LSL Premier and reaching today's cup final. The Atho Resgies blend experience with young talent from the U18s. With some of the best facilities in the midlands the 'Atho' continues to grow on and off the pitch.

Thank You:

Big thanks to Daz and Lee, Mick, Ben, Don, Leeboy and everyone who puts in the hours to make the club what it is.
