## **GAMBARAN UMUM KOTA PALEMBANG & INDRALAYA**

Palembang adalah ibu kota Provinsi Sumatera Selatan sekaligus salah satu kota tertua di Indonesia, bahkan pernah menjadi pusat kejayaan Kerajaan Sriwijaya. Julukan “Kota Pempek” melekat kuat karena kuliner khas ini sudah menjadi ikon yang mendunia.

Kota ini terbelah oleh Sungai Musi, sungai terpanjang di Sumatera, yang dihiasi Jembatan Ampera—landmark kebanggaan warga Palembang. Selain sebagai pusat pemerintahan dan ekonomi, Palembang juga menjadi pusat pendidikan, dengan banyak universitas besar, termasuk UNSRI Palembang.

Suasana kota cukup ramai dan modern, namun tetap menyimpan kekayaan budaya lokal. Warga Palembang terkenal ramah, suka bercanda, dan terbuka dengan pendatang. Jadi, kalau kamu berkuliah atau singgah di Palembang, jangan kaget kalau mudah sekali mendapat teman baru.

Indralaya terletak di Kabupaten Ogan Ilir, sekitar 36 km dari Palembang. Kota kecil ini mungkin tidak seramai Palembang, tetapi punya keunikan tersendiri. Indralaya bisa dibilang sebagai “kota mahasiswa” karena menjadi lokasi Kampus Utama UNSRI dengan area yang sangat luas.

Lingkungan Indralaya terasa lebih tenang dan hijau dibanding Palembang. Banyak mahasiswa yang bilang suasananya cocok untuk belajar, karena jauh dari hiruk pikuk kota besar. Meski begitu, jangan khawatir soal kebutuhan sehari-hari—warung makan, kos-kosan, minimarket, hingga tempat nongkrong mahasiswa banyak tersedia di sekitar kampus.

Transportasi menuju Indralaya dari Palembang bisa ditempuh dengan bus kampus, Damri, atau kendaraan pribadi. Waktu tempuh sekitar 1 jam, tergantung kondisi lalu lintas. Jadi, meskipun agak jauh, mahasiswa tetap terbiasa bolak-balik Palembang-Indralaya.

## OVERVIEW OF PALEMBANG & INDRALAYA

Palembang is the capital of South Sumatra Province and one of the oldest cities in Indonesia, having once been the center of the Sriwijaya Kingdom. It is strongly associated with the nickname “City of Pempek” because this culinary specialty has become a global icon.

The city is divided by the Musi River, the longest river in Sumatra, which is adorned with the Ampera Bridge—a landmark that is the pride of Palembang residents. In addition to being a center of government and economy, Palembang is also a center of education, with many major universities, including the UNSRI Palembang.

The city has a lively and modern atmosphere, yet it still preserves its rich local culture. Palembang residents are known for being friendly, humorous, and open to newcomers. So, if you are studying or visiting Palembang, don't be surprised if you easily make new friends.

Indralaya is located in Ogan Ilir Regency, about 36 km from Palembang. This small town may not be as busy as Palembang, but it has its own unique charm. Indralaya can be considered a “student town” because it is home to the main campus of UNSRI, which covers a very large area.

The Indralaya environment feels quieter and greener than Palembang. Many students say that the atmosphere is conducive to studying, as it is far from the hustle and bustle of the big city. Even so, there is no need to be concerned about daily necessities—there are plenty of food stalls, boarding houses, minimarkets, and student hangouts around the campus.

You can reach Indralaya from Palembang by campus bus, Damri, or private vehicle. Depending on traffic conditions, the journey takes approximately 1 hour. Students are therefore accustomed to commuting between the two locations, even though it is a bit far.

# DESTINASI WISATA LOKAL

## 1. Jembatan Ampera

Jembatan Ampera (dari Amanat Penderitaan Rakyat) merupakan ikon kota Palembang. Dibangun antara 1962–1965 dengan dana kompensasi perang Jepang, dan dibuka secara resmi pada 30 September 1965. Awalnya bagian tengah jembatan bisa diangkat (mirip jembatan angkat) agar kapal lewat, tapi sejak sekitar 1970 bagian angkatnya sudah tidak difungsikan lagi. Warna jembatan telah berubah beberapa kali – dari abu-abu awalnya, kemudian kuning (1992), lalu menjadi merah pada 2002.

**Gambar 21.**  
**Jembatan Ampera**

Letaknya di pusat kota, menghubungkan Seberang Ulu dan Seberang Ilir, sehingga mudah dijangkau dan sering menjadi latar foto. Waktu terbaik untuk mengunjunginya adalah pagi atau menjelang malam, agar cuaca tidak terlalu panas dan pencahayaan saat senja atau malam menambah estetika. Area di sekitar jembatan, terutama di tepi Sungai Musi, menjadi tempat favorit warga dan wisatawan untuk berjalan santai, menikmati suasana sungai dan lampu kota saat malam.

## 2. Benteng Kuto Besak (BKB)

Benteng/kesultanan abad ke-18 yang dulunya pusat kerajaan Palembang. Sekarang menjadi ruang publik di tepi Sungai Musi, dekat Ampera. Memiliki plaza depan benteng yang ramai di sore dan malam, dengan pemandangan sungai dan lampu kota. Tanker militer kini menggunakan area dalam benteng sebagai kantor, sehingga pengunjung hanya bisa menikmati bagian luar.

# LOCAL TOURIST DESTINATIONS

## 1. Ampera Bridge

Ampera Bridge (from Amanat Penderitaan Rakyat, meaning “Mandate of the People's Suffering”) is an icon of the city of Palembang. It was built between 1962 and 1965 with Japanese war reparations funds and officially opened on September 30, 1965. Initially, the middle section of the bridge could be lifted (similar to a drawbridge) to allow ships to pass, but since around 1970, the lifting mechanism has been decommissioned. The bridge has changed colors several times—from its original gray, to yellow (1992), and then to red in 2002.

**Figure 21.**  
**Ampera Bridge**

Located in the city center, connecting Seberang Ulu and Seberang Ilir, it is easily accessible and often used as a photo backdrop. The best time to visit is in the morning or late afternoon, when the weather is not too hot and the lighting at dusk or night adds to the aesthetics. The area around the bridge, especially along the banks of the Musi River, is a favorite spot for locals and tourists to take a leisurely stroll, enjoy the river atmosphere, and admire the city lights at night.

## 2. Kuto Besak Fort (BKB)

An 18th-century fort/sultanate that was once the center of the Palembang kingdom. It is now a public space on the banks of the Musi River, near Ampera. It has a plaza in front of the fort that is crowded in the afternoon and evening, with views of the river and city lights. Military tankers now use the area inside the fort as an office, so visitors can only enjoy the outside.

**Figure 22.**

### 3. Pulau Kemaro

Pulau Kemaro adalah sebuah pulau kecil yang terletak di tengah Sungai Musi, sekitar 6 kilometer dari Jembatan Ampera. Pulau ini berada di kawasan industri (antara Pupuk Sriwijaya, Pertamina Plaju, Sungai Gerong) namun tetap menjadi destinasi budaya dan religi. Untuk menuju ke sana, biasanya menggunakan perahu (getek, kapal) dari dermaga dekat kota. Tidak ada biaya masuk ke Pulau Kemaro itu sendiri; biaya biasanya dikenakan untuk transportasi.

Pagoda berlantai 9 adalah ikon utama di pulau ini. Tingginya sekitar 45 meter, dengan desain yang sangat menarik bagi pengunjung. Festival budaya seperti Cap Go Meh (Tahun Baru Imlek) dirayakan dengan meriah di Pulau Kemaro, menarik wisatawan yang datang untuk menyaksikan pertunjukan, iring-iringan, dan aktivitas budaya.

To get there, you usually take a boat (getek, kapal) from a pier near the city. There is no entrance fee to Kemaro Island itself; fees are usually charged for transportation.

The 9-story pagoda is the main icon on this island. It is about 45 meters high, with a design that is very attractive to visitors. Cultural festivals such as Cap Go Meh (Chinese New Year) are celebrated enthusiastically on Kemaro Island, attracting tourists who come to see the performances, processions, and cultural activities.

Palembang dan Indralaya dikenal dengan masyarakatnya yang ramah dan suasananya yang tenang. Meski begitu, seperti di banyak tempat lain, penting bagi setiap mahasiswa untuk tetap waspada dan menjaga keamanan diri serta barang pribadi.

Berikut beberapa tips agar kehidupan Anda di sini tetap aman dan nyaman:

## 1. Perhatikan Lingkungan Sekitar

Selalu perhatikan situasi di sekitar Anda, terutama saat berada di tempat ramai seperti pasar, halte, atau area kampus. Hindari menggunakan ponsel atau barang berharga secara mencolok di tempat umum.

## 2. Jaga Barang Pribadi

Simpan barang berharga (dompet, paspor, laptop, HP) di tempat yang aman. Gunakan tas dengan resleting tertutup dan simpan di depan tubuh saat berjalan di area ramai.

## 3. Kunci Pintu dan Jendela

Pastikan pintu dan jendela kamar atau rumah selalu terkunci, terutama saat Anda keluar atau sedang tidur. Jika tinggal di asrama atau kos, jangan segan berkoordinasi dengan pengelola terkait sistem keamanan.

## 4. Hindari Membawa Uang Tunai Terlalu Banyak

Gunakan layanan perbankan digital atau ATM seperlunya. Simpan sebagian uang di tempat yang aman di kamar Anda, dan jangan memperlihatkan uang tunai dalam jumlah besar di depan umum.

## 5. Waspada terhadap Orang yang Tidak Dikenal

Bersikaplah ramah, tapi tetap hati-hati terhadap orang yang baru dikenal, terutama jika mereka meminta bantuan keuangan atau mengajak ke tempat asing.

## 6. Gunakan Transportasi yang Aman

Gunakan transportasi umum resmi atau layanan daring (seperti Gojek/Grab). Hindari menumpang kendaraan orang yang tidak dikenal, terutama pada malam hari.

# SECURITY INFORMATION

Palembang and Indralaya are known for their friendly people and peaceful atmosphere. However, as in many other places, it's important for every student to remain vigilant and keep themselves and their belongings safe. Here are some tips to keep your life here safe and comfortable:

## 1. Be Aware of Your Surroundings

Always be aware of your surroundings, especially when in crowded places like markets, bus stops, or campus areas. Avoid using your cell phone or displaying valuables conspicuously in public.

## 2. Protect Personal Items

Keep valuables (wallet, passport, laptop, cell phone) in a safe place. Use a bag with a closed zipper and keep it in front of you when walking in crowded areas.

## 3. Lock Doors and Windows

Make sure the doors and windows of your room or house are always locked, especially when you're out or sleeping. If you live in a dormitory or boarding house, don't hesitate to coordinate with the management regarding the security system.

## 4. Avoid Carrying Too Much Cash

Use digital banking services or ATMs only when necessary. Keep some money in a safe place in your room, and avoid displaying large amounts of cash in public.

## 5. Be Wary of Strangers

Be friendly, but remain cautious of strangers, especially if they ask for financial assistance or invite you to an unfamiliar place.

## 6. Use Safe Transportation

Use official public transportation or online services (such as Gojek/Grab). Avoid hitchhiking with strangers, especially at night.

# FREQUENTLY ASKED QUESTIONS (FAQ) PERTANYAAN YANG SERING DIAJUKAN

## HOW TO OPEN A BANK ACCOUNT? BAGAIMANA CARA MEMBUKA REKENING BANK?

Having a local bank account will make daily transactions much easier, such as paying tuition fees, rent, and living expenses (*Memiliki rekening bank lokal akan sangat mempermudah transaksi sehari-hari, seperti membayar UKT, biaya sewa tempat tinggal, dan kebutuhan hidup*).

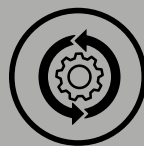

**Recommended Banks:** UNSRI have cooperation agreements with state-owned banks. Bank Negara Indonesia (BNI) and Bank Sumsel Babel are highly recommended because they usually have branch offices or at least ATMs inside the UNSRI campuses, both in Indralaya and Palembang.

*Bank yang Direkomendasikan: Unsri biasanya bekerja sama dengan bank-bank milik negara. Bank Negara Indonesia (BNI) atau Bank Sumsel Babel adalah pilihan yang sangat baik karena seringkali memiliki kantor cabang pembantu atau setidaknya ATM di dalam area kampus UNSRI, baik di Indralaya maupun Palembang. Ini sangat praktis.*

**Required Documents:** Besides your passport and KITAS, the most important document is the Certificate of Active Student Status from UNSRI. You can request this from your faculty or the rectorate office.

*Dokumen yang Disiapkan: Selain Paspor dan KITAS, dokumen terpenting yang akan sangat membantu adalah Surat Keterangan Mahasiswa Aktif dari UNSRI. Mintalah surat ini dari fakultas atau rektorat Anda.*

**Steps (Langkah-langkah)**

- Contact the Subdirector of Internationalisation first. They may have a special liaison or direct contact at the partner banks** (*Hubungi Subdirektorat Internasionalisasi terlebih dahulu. Mereka mungkin memiliki jalur khusus atau narahubung di bank rekanan yang dapat memperlancar prosesnya*).
- Visit the recommended bank branch (for example, BNI on campus)** (*Kunjungi cabang bank yang direkomendasikan (misalnya, BNI di dalam kampus)*).
- Bring all your documents: Passport, KITAS, and Certificate of Active Student Status** (*Bawa semua dokumen Anda: Paspor, KITAS, dan Surat Keterangan Mahasiswa Aktif*).
- Inform the staff that you are an international student at Unsri who would like to open an account** (*Sampaikan bahwa Anda adalah mahasiswa asing Unsri yang ingin membuka rekening*).

# BAGAIMANA CARA PERGI KE UNSRI INDRALAYA DARI PALEMBANG?

Ini akan menjadi rute rutin Anda jika Anda tinggal di Palembang tetapi kuliah di Indralaya, atau sebaliknya. Pilihan Paling Populer untuk Mahasiswa:

## Bus DAMRI Unsri:

Ini adalah pilihan “resmi” dan paling umum. Bus ini memiliki jadwal tetap dengan titik penjemputan di kampus Unsri Bukit Besar Palembang dan beberapa lokasi lain, langsung menuju kampus Indralaya.

- Harga: Rp 15.000 per perjalanan
- Hanya menerima uang tunai

Palembang

Indralaya

## Bus Kaleng Unsri:

Alternatif bus lokal yang juga melewati rute yang sama. Tetapi kenyamanan dan ketepatan waktunya biasanya tidak sebaik DAMRI.

- Harga: Rp 10.000 per perjalanan
- Hanya menerima uang tunai

Palembang

Indralaya

## Angkutan Kota (Angkot):

Alternatif bus lokal yang juga melewati rute yang sama. Namun perlu diperhatikan bahwa angkot tidak diperbolehkan masuk ke dalam area kampus Unsri, sehingga penumpang biasanya harus turun di depan gerbang dan melanjutkan perjalanan dengan berjalan kaki atau transportasi lain.

- Harga: Rp 15.000 per perjalanan
- Hanya menerima uang tunai

# HOW TO GET TO UNSRI INDRALAYA FROM PALEMBANG?

If you live in Palembang but study in Indralaya (or the other way around), this will be your regular commute.

## DAMRI Unsri Bus:

This is the “official” and most common option. The bus has fixed schedules with pick-up points at Unsri Bukit Besar campus in Palembang and several other locations, going directly to the Indralaya campus.

- Price: IDR 15,000 per trip
- Cash only

Palembang

Indralaya

## Kaleng Unsri Bus:

An alternative local bus that also runs on the same route. But the comfort and schedule reliability are usually less than DAMRI.

- Price: IDR 10,000 per trip
- Cash only

Palembang

Indralaya

## Public Minivan (Angkot):

An alternative local bus that also runs on the same route. But the comfort and schedule reliability are usually less than DAMRI. However, please note that they are not allowed to enter the Unsri campus area, so you would need to stop outside the gate and continue on foot or by other transport.

- Price: IDR 15,000 per trip
- Cash only

## APA YANG HARUS DILAKUKAN JIKA SAKIT/KEHILANGAN BARANG?

### Jika Sakit:

- Kunjungi Pusat Layanan Kesehatan (Klinik) UNSRI yang tersedia di dalam kampus. Untuk keluhan ringan hingga sedang, ini adalah fasilitas pertama yang harus Anda datangi. Pelayanannya biasanya gratis atau berbiaya sangat rendah untuk mahasiswa.
- Jika klinik kampus merujuk Anda atau dalam keadaan darurat, pergilah ke rumah sakit di Palembang. Beberapa rumah sakit rujukan adalah RSUP Mohammad Hoesin (rumah sakit pemerintah terbesar) atau Siloam Hospitals Sriwijaya (rumah sakit swasta).
- Pastikan Anda memiliki asuransi kesehatan internasional. Segera hubungi pihak asuransi Anda saat Anda menerima perawatan medis. Informasikan juga kepada staf Subdirektorat Internasionalisasi mengenai kondisi Anda.

### Jika Kehilangan Barang:

- **Kehilangan Kartu Tanda Mahasiswa (KTM):** Segera laporkan ke bagian akademik fakultas atau rektorat untuk diuruskan penggantinya.
- **Kehilangan Barang di Area Kampus:** Coba hubungi bagian keamanan atau sekretariat gedung tempat Anda merasa kehilangan barang.
- **Kehilangan Dokumen Penting (Paspor/KITAS):**
  - a. Segera Laporkan ke Subdirektorat Internasionalisasi: Mereka adalah pihak pertama yang harus Anda hubungi. Mereka akan memberikan pendampingan dan arahan yang tepat.
  - b. Buat Laporan Polisi: Subdirektorat Internasionalisasi akan membantu mengarahkan Anda ke kantor polisi terdekat (Polsek) untuk mendapatkan Surat Keterangan Tanda Laporkan Kehilangan.
  - c. Hubungi Kedutaan/Konsulat: Surat dari kepolisian ini akan menjadi syarat utama saat Anda mengurus paspor pengganti di kedutaan negara Anda dan mengurus KITAS baru di kantor imigrasi.

## WHAT TO DO IF YOU GET SICK OR LOSE YOUR BELONGINGS?

### **If You Get Sick:**

- Visit the UNSRI Health Clinic, available on campus. For minor or moderate issues, this should be your first stop. Services are usually free or very low-cost for students.
- If referred or in an emergency, go to hospitals in Palembang, such as RSUP Mohammad Hoesin (the largest public hospital) or Siloam Hospitals Sriwijaya (a private hospital).
- Make sure you have international health insurance. Contact your insurance provider immediately if you receive treatment, and also inform the Subdirectorate of Internationalisation.

### **If You Lose Your Belongings:**

- **Student Card (KTM):** Report it to your faculty or rectorate's academic office to get a replacement.
- **Items Lost on Campus:** Contact campus security or the building's administration office.
- **Important Documents (Passport/KITAS):**
  - a. Report immediately to Subdirectorate of Internationalisation – they will guide and assist you.
  - b. File a report at the nearest police station (Polsek) to obtain a Loss Report Letter.
  - c. Contact your embassy/consulate. The police report will be required to issue a new passport and to process a replacement KITAS at the immigration office.
