# OUR MOTTO

## A MORE EXCELLENT WAY

As an Anglican College, our Christian conviction is demonstrated in:

Our Motto – ‘A More Excellent Way’

Our Mission – ‘To create a vibrant learning community where every student is valued, high standards are set and Christ is honoured’

Our Vision – ‘Growing and Nurturing Excellence in Learning, Wisdom and Service’

Our Guiding Principles – ‘Learning to Live, Living to Serve, Honouring Christ’

We seek to engage with the contemporary culture and we see an opportunity for the gospel to reach into the lives and the future of the community in the South West of Sydney.

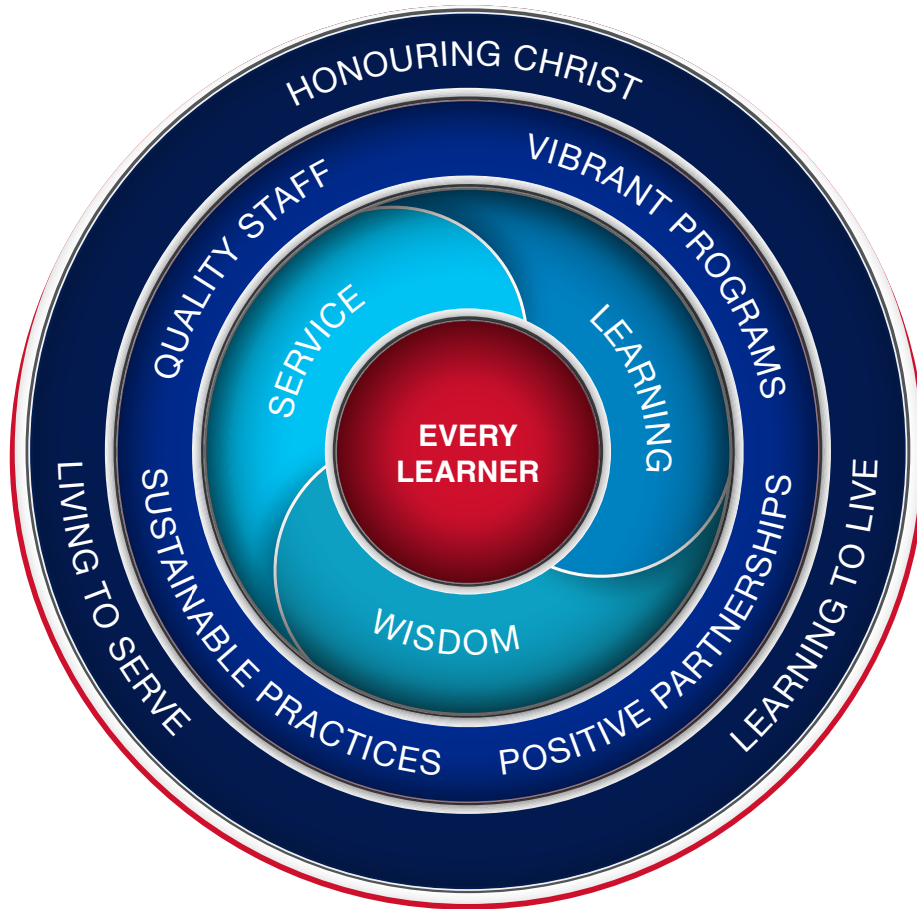

Our motto also places the issue of change on the agenda – that there can be a more excellent way moving forward. There is a different way to think and another way to view the world which can change our mindset to learning and our outlook on life – a Christian way.

The vision of the College is underpinned by an understanding of the gospel of the Lord Jesus Christ and a sound knowledge of the Bible to grow their academic, physical, emotional, and spiritual development. In all we do, we pursue a more excellent way in the Lord Jesus Christ - the way of love.

“ And I will show you a still more excellent way. If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal. And if I have prophetic powers, and understand all mysteries and all knowledge, and if I have all faith, so as to remove mountains, but have not love, I am nothing. ”

1 Corinthians 13:1-2

Recognising that every learner will need to continue to study and develop throughout life, we seek to provide skills to equip lifelong learning during their time at the College.

## LIVING TO SERVE

To serve in a community is to be part of that community.

We recognise that each of us has an ability to make a difference with the gifts and talents we possess. We aim to train our students to look beyond themselves; to see what they can do, and to serve in the community.

## HONOURING CHRIST

We desire to present the gospel and to encourage every learner to know the Lord Jesus Christ. We have a privilege to demonstrate honouring Christ in the way we grow the culture of the College community.

We honour Christ by loving our staff and students, being faithful in our work and praying for our College.
