■ NUTRI GRILL PRO (34CM)

Nutri
Grill Pro

- Superior Heat Retention and Distribution: Crafted from heavy gauge die-cast aluminum, this grill ensures consistent and delicious results by retaining and distributing heat evenly.
- Safe and Non-Toxic: The 100% non-toxic ceramic coating is free from harmful substances like PTFE, PFAS, and PFOA, ensuring a safe and healthy cooking environment.
- Versatile Compatibility: With its integrated induction base, this grill is compatible with gas, electric, and induction stoves, offering versatility in your cooking options.
- Effortless Cleaning: The smooth ceramic surface prevents food residues from sticking, making cleaning a breeze. A simple wipe with a soft sponge or cloth is all it takes to maintain its pristine condition.
- Taller Body for Enhanced Flavors: The grill's taller body design locks in flavors, resulting in a delightful burst of taste that elevates your culinary creations.
- Even Cooking with a Flat and Extended Base: The flat and extended base ensures even heat distribution, guaranteeing perfectly cooked meals with every use.
- Raised Grill Lines for Healthier Cooking: The grill's raised lines efficiently drain excess oils and fats, promoting healthier and more nutritious meals.
- Includes Silicone handle protectors, and Silicone Grilling tongs
- Size: 34x26x2.4cm (internal) | 45x282.6/6 (external)
Thickness: 2.5m (Body), 4.9mm (Bottom)

AIR-O-GRILL

- Enjoy traditional barbecue anywhere, anytime without the need for specialized skills or creating a mess.
- Quick and Economical, requires only a small amount of charcoal and alcohol gel to light, making it a cost-effective grilling option.
- Healthier Grilling with our innovative electrical ventilation system allows you to control the intensity of the fire, resulting in a smoke-free BBQ experience for a healthier dining option.
- The inclusion of an oil collector prevents fat from coming into direct contact with the charcoal, reducing excess smoke and promoting a healthier diet.
- Compact and Portable with our sleek and portable design makes it easy to use anywhere, whether at home or on the go.
- Easy Cleaning, designed for simple and efficient cleaning, ensuring a hassle-free grilling experience.
- Battery Operated 4 x AA or USB Type C operated (6V)
- Product Weight: 3.8kgs
- Size: 18 x 36 x 36cm
- Made from Galvanized steel (Body) / Stainless steel (Oil collector) / Steel (Charcoal container and container support) / Die-casting Aluminum (Grill plate)
