About the Racine Dominicans:

The Racine Dominicans are a community of vowed women religious (sisters) and lay associates, located in Racine where they settled in 1862. They have been leaders in Catholic education in Racine for more than 150 years, and they have continued financially supporting St. Catherine’s High School and Siena Catholic Schools of Racine. We are proud to continue the legacy of academically excellent, faith-based education that they created.

About Siena Catholic Schools of Racine:

Siena Catholic Schools of Racine unites the area’s six Catholic elementary/middle schools (John Paul II Academy, Our Lady of Grace Academy, St. Joseph Catholic School, St. Lucy Catholic School, St. Rita Catholic School, St. Sebastian STEM Academy) and one high school (St. Catherine’s) in a regional model of Catholic education intended to preserve the individual identity, history, and uniqueness of each school while maximizing the impact of collective strength. Supported by the 11 Racine-area Catholic parishes and the Racine Dominican sisters, Archbishop Jerome ListECKi announced the approval of the system formation in May 2017.

# Stories from Siena:

## Dr. Sue Installed as President

Dr. Sue Savaglio-Jarvis became Siena's second President on July 1, 2023. Previously the Principal at St. Rita Catholic School for two years, Dr. Sue spent 16 years at Kenosha Unified as a superintendent, assistant superintendent, and principal. She has more the 30 years of experience in education. Her deeply rooted Catholic faith and passion for students has guided her long career.

## St. Joe Gets a Facelift

St. Joseph Catholic School got an impressive facelift with over 60 new windows and 5 sets of doors. This project was partially made possible through EANS (Education Assistance for Nonprofit Schools) funds and an investment of nearly \$500,000. The new windows in the gym shine a particularly bright light on an otherwise naturally dark but frequently used space. New front doors not only keep the front vestibule warmer but provide a much higher level of security to our students and staff.

## St. Rita Math Champions

As part of a Hoops Regional Competition at Fiserv Forum, St. Rita middle schoolers competed in math contests that incorporated math into real-world scenarios. Working in teams that faced off against other schools, Mrs. Cheryl Maraccini, a St. Rita math and science teacher, was proud of her first-place winners who excelled in math and hoops.

## St. Sebastian Brings in STEM Speakers

4K and 5K students at St. Sebastian had the opportunity to learn all about bridges from a bridge building professional. Students learned about different materials, types of bridges, and how to model them online. They also learned that when creating things they might need to make multiple designs and learn from their mistakes. St. Sebastian features STEM speakers regularly.

## New Principal at St. Rita

With Principal Dr. Sue leaving to become President of Siena Catholic Schools, St. Rita welcomed Ms. Beth Woodward as their new principal. Ms. Woodward recently served as Dean of Operations at Prince of Peace School in Milwaukee, part of the Seton Catholic Schools network. She spent 20 years with Glen Hills Middle School in Glendale, Wisconsin as an educator, coach, and instructor, and she is an accomplished cellist and musician!

## Siena All Staff Mission Day

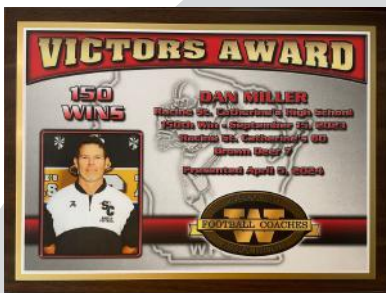

For the second year, all Siena employees came together on Dr. Martin Luther King Jr. Day for a prayer service before going into the community to help at local non-profits for a few hours. Some service locations included homeless shelters, domestic abuse services, the Racine Zoo, nursing homes, and soup kitchens. This is an opportunity for everyone at Siena to live out our mission and values!

### New Playground Blessing at JPIIA

After many years of fundraising, John Paul II Academy students and families were able to bless and open a new playground in April. After Fr. Juan Manuel Camacho held an all-school Mass, everyone walked to the playground before it was blessed with holy water. Special thanks to the many parents, volunteers, and parishioners who helped to make this play space a reality!

### SCHS Football Coach Receives Victors Award

A well-known figure at St. Cat's, Football Coach Dan Miller received the Victors Award for 150 wins at the annual Wisconsin Football Coaches Association coaches clinic. Coach Miller said, "I am extremely blessed to have reached this milestone! I truly am grateful for my family, past and current coaches and players, and the entire ANGEL STRONG NATION that devoted a tremendous amount of time and commitment to the Angels football program since 2004!"

### OLOGA Visits Holocaust Museum

As part of their social studies curriculum on the Holocaust, Our Lady of Grace Academy middle schoolers visited the Illinois Holocaust Museum and Education Center. This trip allowed our students to learn about the Holocaust through survivor stories and interactive exhibits and how these lessons can promote respect and unity today.

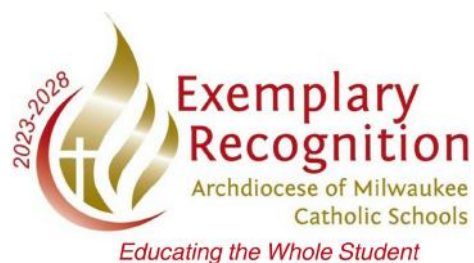

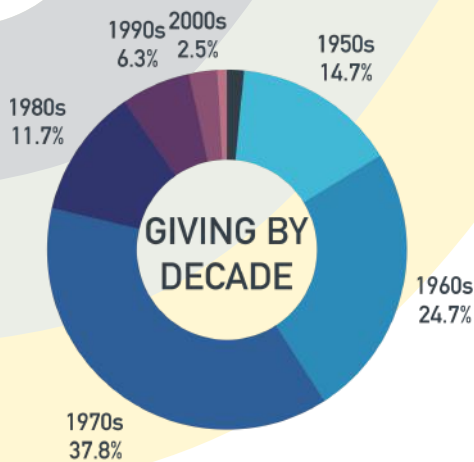

### St. Lucy Basketball Tournament Champs

The 5th Grade Girls Basketball Team topped off their season with a thrilling series of games to become champions in the St. Rita Basketball Tournament. The athletes played with heart and skill to become champions. We are so proud of our athletes!

### St. Catherine's Alumni Giving Challenge

St. Catherine's High School hosted our first-ever alumni giving challenge, March to May Madness. The weeks-long event encouraged friendly competition among alum class decades, with each unique donor counting as a point for their decade. The 70's won the challenge. The event brought in nearly 100 donors and over \$12,000. Thank you, Angels, for showing your St. Cat's pride!

### JPIIA Exemplary Status in Educating the Whole Student

The Archdiocese of Milwaukee again recognized John Paul II Academy with Exemplary Status in Educating the Whole Student. This status is valid through the 2027-28 academic year and recognizes the school for its work in guidance and wellness services, extracurriculars, classroom instruction, and professional development, among other categories. Schools chosen to receive Exemplary Recognition display outstanding achievement in one of the areas above, as demonstrated by information provided in the online application and data validated by an onsite visiting team.

This is the second time John Paul II Academy has been recognized, with the school earning exemplary status in the same category in 2018 (2018-2023).

Without the support of donors, Siena Catholic Schools of Racine could not accomplish everything that was possible during the 2023-24 school year. The belief in Catholic education and answering the call for financial support allowed the system of schools to build on the foundation established by the Racine Dominicans. We sincerely apologize for any errors or omissions. Please call (262)753-6799 with any corrections.
