A LETTER FROM OUR CEO

As another year comes to a close, I'm proud to report that 914Cares has continued to grow and expand to meet the (sadly) increased needs of our community.

2024 was a year of significant growth and expansion here at 914Cares. The proof is in the numbers. Settling into our 12,000 square foot Caring Collective has enabled us to increase the impact of our work tremendously. To offer some perspective, in the past 12 months, we've distributed:

- 45,317 Hygiene Products
- 4,174 Bags of Love
- 135,217 Books
- 9,492 Baby Bank Essentials
- 892,307 Diapers
- 482,826 Period Products

And we couldn't have done it without you. Every dollar donated, every piece of clothing dropped, every hour spent volunteering . . . it's made all the difference in offering our neighbors in need a brighter future.

As we close out our 10th year of service to the Westchester community, we look ahead to 2025 to secure and stabilize ourselves as an integral partner to the 140+ community organizations we work with. We've found a true home at our Armonk Caring Collective, and "914Cares on the Go" has enabled us to provide swift delivery and pickup service to our partners across the county. We're well situated to continue our work for another decade (and beyond!).

Thank you so much for being a part of the 914Cares family. Our door is always open, and our team is always here to welcome new volunteers, supporters, and those looking to get involved in our mission of providing for those in need with dignity and compassion.

Warmly.

Jessica Reinmann

CEO / CHAIRMAN

MISSION

914Cares works to ensure our neighbors in need are cared for by collaborating, supporting and providing resources to local organizations, educating the community about poverty and encouraging actionable generosity.

VISION

Our vision is for everyone in Westchester to live a full, healthy, and happy life free from the hardship of poverty.

We carry out our primary mission by:

Distributing tangible resources:

We distribute a diverse range of essential items to 150+ local community partners working directly with community members in need.

Impact: Our neighbors have access to the essentials required to succeed in school, provide for their children, and live in safety and with dignity.

Educating the community:

We strive to educate our community about poverty to galvanize compassionate action.

Impact: Poverty can't be solved unless it's acknowledged. An important part of our work is to expand awareness and inspire action. Our Programs, donation drives, and special events provide those that want to help the most impactful way to do so.

Engaging the next generation:

We work to both engage and motivate our next generation of committed action-takers, philanthropists, and community advocates.

Impact: We are nurturing a culture of generosity amongst our young people, through volunteering and leadership opportunities to become tomorrow's leaders, donors, and advocates.

Collaborating with Community Partners:

We seek to form strategic partnerships to both strengthen their work and respond to unmet needs.

Impact: Our relationship with community partners provides us with a comprehensive view of poverty in Westchester. This unique perspective enables us to fulfill relevant needs, acting as a resource for our partners.

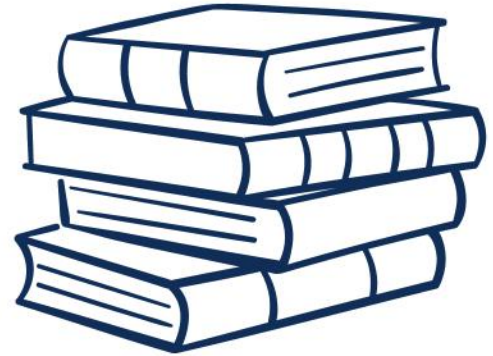

2024 IMPACT

BY THE NUMBERS

892,307 Diapers

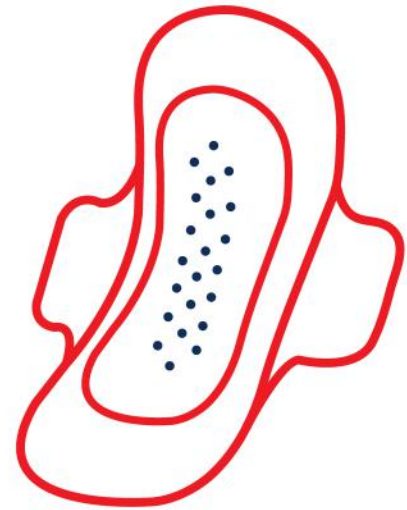

135,217 Books

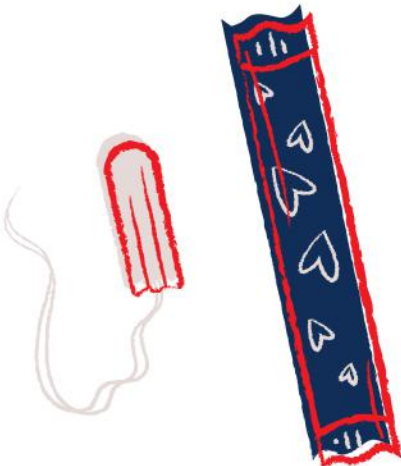

482,826 Period Products

45,317 Hygiene Products

4,174 Clothing Books

9,492 Baby Essentials

OUR PROGRAMS

All of our programs are designed to help reduce financial stress and meet practical needs. Their success allows our neighbors in need to move forward in the world with dignity.

Clothing+

Clothing+ provides each recipient with a *Bag of Love* containing a week's worth of quality clothing, new sneakers, and personal care products. Our Bags of Love are individually packed with care for their recipients, and always finished off with a selection of books.

Baby Bank

Families enrolled in our Baby Bank receive everything their infant needs for six months of life. This includes gear (stroller, car seat, pack 'n play, carrier, and more), diapers, clothing, bath supplies, and formula to ensure that recipients get a fair start at life.

Essentials

The Essentials distribution program offers our community partners the opportunity to order bulk quantities of essentials from our Hygiene Bank, Period Bank, Diaper Bank, and Literacy Library to support the clients they serve.

Westchester Reads

Westchester Reads invites classes from underserved school districts to participate in literacy-focused field trips to 914Cares' headquarters. Each student goes home with a tote bag full of books of their choosing.

Clothing+

4,174
Bags of Love
Distributed

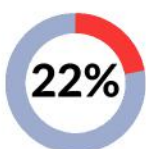

Our Clothing+ Program provides each recipient with a unique Bag of Love containing a week's worth of clothing packed specifically for them.

Our goal is for the Bags of Love to represent more than just clothing. Our hope is that they boost the self-esteem of each recipient and give them the confidence to tackle every day with excitement and determination.

About our Bags of Love:

- In addition to high-quality wardrobe staples, each bag contains new underwear, socks, plus, Hygiene and Flow Kits and/or diapers upon request.
- Our partnership with the national non-profit **Shoes That Fit** allows us to provide each recipient with a brand-new pair of boxed, name brand sneakers.
- In the colder months, we provide coats, boots, hats and gloves.
- Every Bag of Love contains a selection of age-appropriate books for its recipient.

22% of children and youth age 0-24 in Westchester are considered poor or low-income

361 Babies
Supported

Baby Bank

Families enrolled in our Baby Bank receive everything (really, everything!) their infant needs for six months. This includes gear (stroller, car seat, pack 'n play, carrier, and more), diapers, clothing, bath supplies, and formula to ensure that recipients get a *fair start at life, and the promise of a brighter future.*

We Believe:

- ♥ Families should be able to keep their babies clean and healthy.
- ♥ Caregivers should have a safe place for their baby to sleep.
- ♥ All babies should have access to safe, quality baby gear.

3 out of 5 children in Westchester County are either in poverty or are considered low-income

Did You Know???

We are members of the
**National Diaper Bank
Network**

A coalition of over 240 diaper banks across the U.S. working to alleviate the hardships of diaper need

Essentials

Our Essentials Distribution offers our community partners the opportunity to order bulk quantities of essentials such as hygiene products, period products, diapers and books to support the clients they serve.

Diapers

892,307 Distributed

The 914Cares Diaper Bank provides a week's worth of diapers to "fill the gap" each month families that are struggling with diaper need.

What is diaper need?

Simply put, diaper need is not having enough diapers.

Books

135,217 Distributed

The 914Cares Literacy Library provides books to families and school districts in under-resourced communities.

All of the books that we distribute are inspected for quality and content by our resident librarians before going out into the community. Every family and every classroom in Westchester deserve to have a sufficient supply of books to foster literacy, learning, and a love of reading.

Hygiene Kits

45,317 Distributed

Community Partners can request customized bags of hygiene essentials for their clients of all ages. Our Hygiene Kits contain shampoo, conditioner, body and hand soap, hand sanitizer, a toothbrush, toothpaste, and deodorant, with specialized kits for infants, toddlers, children, and teens.

Period Supplies

482,826 Products Distributed

Our period supplies are distributed to provide a month's worth of items in a Flow Kit to menstruators in need. Flow Kits contain a mix of either tampons, pads, and liners or just pads and liners. Recipients have a choice of whichever meets their menstrual needs.

In Partnership with 3 Community School Districts

Westchester Reads

Launched in 2023, Westchester Reads is the only 914Cares program in which we invite the community we serve directly into our space. Through our partnerships with 3 community school districts across the county, we host literacy-focused field trips for early elementary students (K-2) from underserved communities.

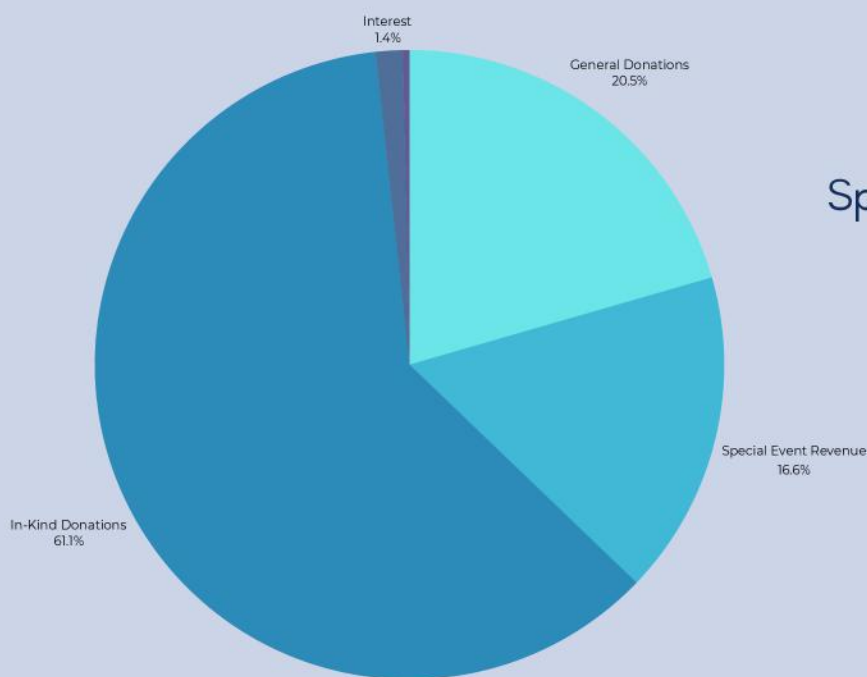

- Each field trip lasts approximately one hour.
- Mystery Readers (The 914Cares library team, staff, volunteers, members of our three boards, and community advocates) read a selection of interactive books to the class, asking questions and engaging students along the way.
- Afterwards, students break out into small groups to shop our “bookstore,” where they get to fill their personalized totes with 10 books to take home and enjoy, building their own personal libraries.

books

2024 OPERATIONAL BUDGET

General Donations (individual donors + foundations)	\$370,000
Special Event Revenue	\$300,000
In-Kind Donations	\$1,101,400
Interest	\$25,000
Recycling	\$6,000

Total: **\$1,802,400**

EXPENDITURE BY PROGRAM

Meet Our Boards

BOARD OF DIRECTORS

The 914Cares Board of Directors serves as a governance board, with its members acting as key ambassadors of the organization. Our Board of Directors participates in 914Cares fundraising, volunteer, and community events, receives training on the topic of poverty in Westchester, and is engaged in educating their networks on our mission and approach to programming. Our Directors are critical members of 914Cares leadership, with a deep passion in improving the quality of life for Westchester's most vulnerable residents.

ADVISORY BOARD

The 914Cares Advisory Board is comprised of community advocates, representatives from our partner organizations, and other individuals who are passionate about our mission. Members of the Advisory Board represent 914Cares in the community, conveying our mission and values to their professional and personal networks. The Advisory Board participates in volunteer events, hosts donation drives, prioritizes our organization in their charitable giving, and more.

EMERGING LEADERS BOARD

The ELB is an opportunity for Emerging Leaders (age 21-40) to expand their networks while having an impact on our neighbors in need. Members help raise awareness about 914Cares and inspire action amongst their friends, family and colleagues.

Our 150+ Community Partners

Our community partners are our direct link to the overwhelming need in Westchester. Without their impactful services, we would not be able to reach the amount of families and children that we do.

We are proud to uphold our continued partnerships with each and every organization.

We humbly thank them for all that they do!

Better together

VOLUNTEER WITH US!

Scan here or email
volunteer@914cares.org to learn more

DAILY VOLUNTEERING

We are open Monday-Thursday from 10-3pm for volunteering (plus two evening volunteer sessions per month!)

Activities include, but are not limited to:

- sorting clothing
- repacking diapers
- packing orders
- packing hygiene kits
- sorting books
- sizing clothing
- packing flow kits
- and more!

CORPORATE VOLUNTEERING

Join us for a day of giving back!

- **Corporations, small businesses, affiliate groups, civic/social groups, churches/synagogues are all welcome to join us for customized volunteer experiences**
- **We can personalize the group's volunteering experience based on what they stand for.**
- **Volunteering while representing your organization is a great way to give back in a meaningful way.**

STUDENT VOLUNTEERING

We welcome student volunteers aged 14 and older to volunteer with us in our Caring Collective.

- Activities include those listed above
- Our Tuesday evening volunteer sessions are ideal for busy high school students!

Junior Advisory Board

This opportunity is a four-year commitment open to rising high school freshmen in Westchester County, who have a passion for poverty advocacy and are willing to promote 914Cares and our mission to others in their community. Members will work to expand our fundraising and donation drive efforts, and serve as ambassadors of the organization.

Interested in joining the JAB?

SPECIAL EVENTS

A look at the year we had!

GRAND OPENING OF THE 914CARES CARING COLLECTIVE

March 2024

On March 1st, 914Cares moved from White Plains to our new 12,000 square foot warehouse and office space (affectionately dubbed the *Caring Collective*) in Armonk. Moving to our new home has allowed us to significantly increase our community impact, with year-over-year growth across all programs.

Scan the QR code to
watch our 10th
Anniversary Gala Video

10TH ANNIVERSARY GALA

October 2024

914Cares celebrated 10 years of service to the Westchester community with 300 supporters, community partners, friends and family on October 13 at Quaker Ridge Country Club. Volunteers Abby Woodworth and Loretta Adamo were honored for their unwavering dedication to our mission.

AROUND TOWN

Playing an active role in the Westchester community is an important part of our culture and mission. This year, 914Cares took part in the Westchester Turkey Trot, Chappaqua Children's Book Festival, Armonk Art Show, Fol-de-Rol, and more!
