OUR PURPOSE AND VALUES

We want to ignite positive change through the power of football. The purpose of everything we do is to unite communities, tackle inequalities, and promote health across our county. We are committed, connected, creative, and collaborative.

We nurture the grassroots game, fostering a love for the sport that extends far beyond the pitch. By building strong relationships with our community, we will understand your needs and will develop solutions together, to ensure everyone has the chance to participate.

With unwavering dedication and a spirit of innovation, we are building a Middlesex where football flourishes, inspiring a brighter future for all.

IGNITE POSITIVE CHANGE THROUGH FOOTBALL

OUR STRATEGY

Our strategic plan over the next four years builds upon the strong foundation established during the previous three. We're committed to making Middlesex FA not just equitable, inclusive, and diverse, but a champion for these values.

By fostering an inclusive culture within our organisation, we'll ensure the support we provide empowers every member of our community to thrive. Recognising the unique needs and talents of all participants will unlock Middlesex's full football potential.

Over the next four years, we will ensure the people making decisions for our community reflect the vibrant tapestry of Middlesex. This will directly support our goal of making football accessible and enjoyable for everyone in our county.
