ADVOCATES WIN PAUSE OF WAGE GARNISHMENT TO REPAY STUDENT LOANS

The **U.S. Department of Education** has paused its plans to resume *Administrative Wage Garnishment* for federal student loan borrowers in default, a move that would have allowed the government to seize up to 15 percent of a borrower's paycheck starting this month.

This pause comes after sustained advocacy from the **NAACP**, **National Education Association**, **Protect Borrowers**, **AFT**, **Debt Collective**, **Young Invincibles**, and **Student Debt Crisis** center who fought on behalf of borrowers and warned that restarting wage garnishment would deepen economic hardship for millions of working families — particularly Black borrowers — already struggling in an unstable economy.

"Garnishing wages in the middle of an economy broken by reckless leadership would have punished working people for circumstances beyond their control," said **Wisdom Cole**, Senior Advocacy Director at the **NAACP**. *"Pausing this policy gives borrowers some breathing room and a real chance to get back on track. This is a critical step toward fairness and stability for borrowers who have been pushed to the brink, all because they wanted an education."*

"GARNISHING WAGES IN THE MIDDLE OF AN ECONOMY BROKEN BY RECKLESS LEADERSHIP WOULD HAVE PUNISHED WORKING PEOPLE FOR CIRCUMSTANCES BEYOND THEIR CONTROL."

↳ WISDOM COLE,
Senior Advocacy Director at the **NAACP**.

Under the revised approach, borrowers in default will have the opportunity to enroll in a standard repayment plan or a new income-driven repayment option that waives unpaid interest based on income. The policy also gives borrowers a pathway to rehabilitate their loans and regain good standing without losing wages needed for rent, food, and basic necessities. Black borrowers are disproportionately likely to experience default due to racial wealth gaps, predatory lending practices, and higher student debt burdens. Restarting wage garnishment without meaningful relief would have compounded these inequities while doing little to address the root causes of default.

"PAUSING THIS POLICY GIVES BORROWERS SOME BREATHING ROOM AND A REAL CHANCE TO GET BACK ON TRACK."

"This decision proves that advocacy works," **Cole** added. *"But it must be followed by long-term solutions that prioritize borrowers over bureaucracy, people over profits and ensure student loan policies promote opportunity, not punishment."*

The **NAACP** will continue pressing for comprehensive student debt reform that protects borrowers, advances racial equity, and prevents future harm caused by aggressive and punitive collection practices.

The **NAACP** advocates, agitates, and litigates for the civil rights due to Black America. Our legacy is built on the foundation of grassroots activism by the biggest civil rights pioneers of the 20th century and is sustained by 21st century activists. From classrooms and courtrooms to city halls and Congress, our network of members across the country works to secure the social and political power that will end race-based discrimination. That work is rooted in racial equity, civic engagement, and supportive policies and institutions for all marginalized people. We are committed to a world without racism where Black people enjoy equitable opportunities in thriving communities.

BLACK TRAVEL SUMMIT TO CONVENE IN MILWAUKEE

Fresh off its first international edition in Rio de Janeiro, **Black Travel Summit** announced that its 2026 flagship summit, themed *"Renaissance: Rebirth. Renew.Reclaim,"* will take place in Milwaukee, Wisconsin. The move brings the global gathering back to the United States, centering a city with deep Black history, a growing ecosystem of Black owned businesses, and a destination marketing organization that has made equity and inclusion core to its strategy.

"Through this summit our goal is to travel our community: to move people, ideas, and opportunity across borders," said **Anita Moreau**, Founder and CEO, **Black Travel Summit**. *"Milwaukee's commitment to honoring Black history, supporting local entrepreneurs, and building a more inclusive visitor economy makes it a powerful next chapter for our summit."*

Located on the shores of Lake Michigan, Milwaukee has been home to African Americans for generations. Visitors can experience this legacy through institutions such as **America's Black Holocaust Museum** and the W**isconsin Black Historical Society and Museum**, along with a vibrant network of Black owned restaurants, shops, and cultural spaces.

Visit Milwaukee has leaned into that heritage through its equity initiatives and supplier strategy that connects diverse owned businesses to tourism opportunities. Nearly sixty percent of Milwaukee residents identify as Black, Hispanic, Indigenous, Asian, or multiracial, with Black residents representing the city's largest racial group.

*"On behalf of Visit Milwaukee, we are absolutely thrilled to welcome **Black Travel Summit** to our city in 2026. Milwaukee offers the perfect backdrop, especially our vibrant neighborhoods, rich Black history and a hospitality community ready to embrace this global gathering of creators, entrepreneurs and travel professionals. CONGRESS URGED TO FACE THE HOUSING CRISIS

--BY **ARRAY ARRAY,**
NATIONAL URBAN LEAGUE

The **National Urban League** today called on Congressional leaders to take bold, comprehensive action to confront the nation's worsening housing affordability crisis. The organization urged lawmakers to strengthen and fully fund the *ROAD to Housing Act* as part of the *FY2026 National Defense Authorization Act*.

In a letter to the **House Committee on Financial Services** and the **Subcommittee on Housing and Insurance**, President and CEO **Marc H. Morial** outlined key recommendations to ensure the legislation delivers meaningful and lasting relief for American families. The letter underscores that the housing crisis—marked by skyrocketing rents and shrinking homeownership opportunities—has become one of the most urgent economic and civil rights issues of our time.

"Housing policy is economic policy, and economic policy is civil rights policy," **Morial** said. *"Congress has an opportunity and an obligation to meet the moment with solutions that expand access to safe, stable, and affordable housing for all."*

The call for action comes amid growing national concern over the overwhelming strain facing renters and prospective homeowners. Reports confirm what communities have long experienced: housing costs have far outpaced wages, pushing working- and middle-class families closer to poverty and placing impossible burdens on low-income households.

The letter urges Congress to:

- Sustain and increase FY2026 funding for the **U.S. Department of Housing and Urban Development** to ensure full implementation of the *ROAD to Housing Act*.
- Expand deeply affordable housing options and significantly increase access to Housing Choice Vouchers.
- Support a path for **Fannie Mae** and **Freddie Mac** to responsibly exit conservatorship and dedicate revenues to a national *Housing Trust Fund*.
- Prioritize large-scale public-private partnerships to accelerate affordable housing development nationwide.

Morial highlighted the **National Urban League's** own 17-story affordable housing and community development project in Harlem—delivering 100% affordable units—as proof of what is possible when federal leadership, private investment, and mission-driven nonprofits work together toward a shared goal.

"The American Dream begins with a home," **Morial** said. *"The ROAD to Housing Act offers a real foundation for progress, but Congress must strengthen it, fund it, and ensure its promises reach the communities who need them most."*

The **National Urban League** stands ready to partner with **Congress** to advance a comprehensive housing agenda that meets the scale of today's crisis and ensures all families can build secure and prosperous futures.

OBAMA FOUNDATION *OPENS* SCHOLARSHIP APPLICATIONS FOR PUBLIC SERVICE

THE OBAMA FOUNDATION today opened applications for the ***2026-2028 Obama-Chesky Voyager Scholarship for Public Service***. Funded by a $100 million contribution from **Airbnb** CEO and Co-Founder **Brian Chesky**, the scholarship provides college students with demonstrated financial need a last-dollar scholarship to help alleviate the burden of college debt, meaningful travel experiences and opportunities to connect with new communities, and access to a network of mentors and leaders to support them throughout their careers. The scholarship helps students refine their values-based leadership approach, build bridges across communities, and nurture their sense of curiosity as they deepen their commitment to pursuing public service careers.

"Ordinary people have the potential to do extraordinary things — and this scholarship is helping hundreds of young people prepare to change the world," said *Valerie Jarrett*, CEO of **The Obama Foundation**. *"We are so excited to empower and support another group of students as they pursue their passions and purpose to create positive change through impactful experiences here in the U.S. and around the world."*

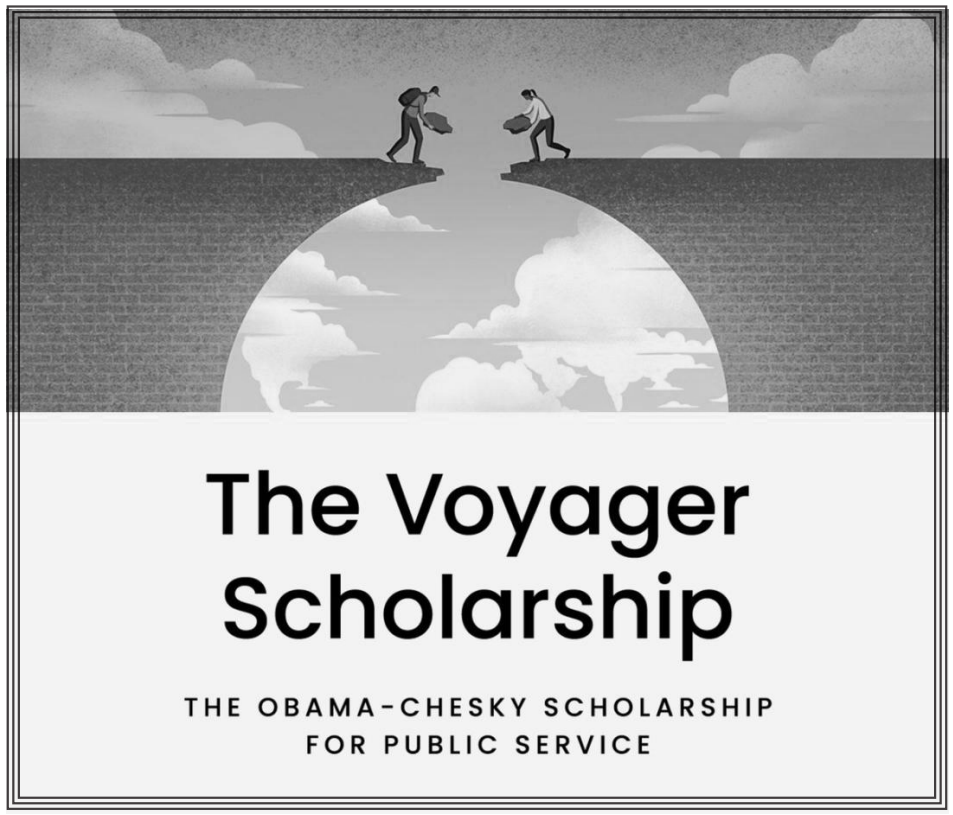

As the program prepares to welcome its fifth class of Voyagers, it continues to reflect **The Obama Foundation** and **Chesky's** dedication to empowering young leaders to bridge divides and redefine what is possible through public service. Since it first launched in 2022, 400 students have received the scholarship, which includes up to $50,000 in scholarship funding and the opportunity to pursue a summer work-travel experience, or *"Summer Voyage,"* between their junior and senior years of college. Through a curriculum created by **The Obama Foundation**, students design their own *Summer Voyage* to gain exposure to new communities and deepen their experience in their chosen public service field. During their Summer Voyages, students participate in internships, volunteer experiences, and research opportunities to gain a deeper understanding of the issues they care about most and the public service path they will pursue after they graduate. Last summer, the 2024-2026 cohort of Voyagers traveled to 61 countries and 24 U.S. states and territories.

The application deadline for the ***2026-2028 Voyager Scholarship*** is March 17, 2026, at 11:59 PM United States Central Time (UTC-6). **The Obama Foundation** will award the scholarship to 100 students from colleges and universities across the United States and its territories. ***Voyager Scholarship for Public Service*** recipients receive:

○ **UP TO $50,000 IN FINANCIAL AID**: Students will receive up to $25,000 per year in "last dollar" financial aid for their junior and senior years of college. This financial aid helps alleviate the burden of college debt so that students can afford to pursue a career in public service after graduation.

○ **SUMMER VOYAGE**: Students will receive a $10,000 stipend and free housing in **Airbnb** listings (up to $4,200) to pursue a summer work-travel experience between their junior and senior year of college.

○ **10-YEAR TRAVEL STIPEND**: After graduation, **Airbnb** will provide the students with $2,000 in **Airbnb** credit every year for 10 years, a total of $20,000. This allows students to continue to travel and grow their expertise and forge new connections throughout their public service careers.

○ **MONTHLY VIRTUAL SESSIONS**: Students must participate in monthly virtual programming sessions, including speaker series and mentorship roundtables, *Summer Voyage* design workshops, and Summer Voyage coaching sessions, to continue to sharpen and build their own leadership approach for their own public service path.

○ **FALL SUMMIT**: During their junior year, Voyagers have the option to attend an in-person convening where they engage in community-building activities with fellow Voyagers, build their leadership skills, and learn from leaders in public service.

○ **NETWORK OF LEADERS**: Throughout the program, students have access to a network of leaders and mentors from **The Obama Foundation** network. This network provides students with a helpful support system as they navigate their future public service careers. After graduation, students join **The Obama Foundation's** global community of alumni, and can access ongoing resources and programming to enhance their changemaking work.

For more information about the Voyager Scholarship, including the application process and answers to frequently asked questions, visit *voyager-scholarship.obama.org.* Interested applicants can also learn more by attending an upcoming virtual information session hosted by **The Obama Foundation** in February and March.

If you have trouble remembering, learning new things, concentrating or making decisions that affect everyday life, the sooner you can find out what's going on, the better.

Early screening of your cognitive health allows for earlier detection and diagnosis of potential Alzheimer's disease or other types of dementia. Early diagnosis means more time to plan for the future, express your preferences for care, adapt your home environment and seek support. We can help you learn about available resources.

Early diagnosis may also provide opportunities to try new treatments, such as recently FDA-approved lecanemab and donanemab that help slow the progression of Alzheimer's disease. Both are available at our Stony Brook Center of Excellence for Alzheimer's Disease. For those who are experiencing possible early cognitive decline, we also offer the opportunity to participate in ongoing research studies/clinical trials. UNIVERSAL MUSIC GREATER CHINA LAUNCHES DEF JAM RECORDINGS

Universal Music Greater China (**UMGC**), a division of **Universal Music Group** (**UMG**), the world leader in music-based entertainment, has announced the launch of **Def Jam Recordings China** in Chengdu, widely regarded as the capital of Chinese hip-hop and a cultural powerhouse in Southwest China, marking the establishment of the Chinese division of its iconic hip-hop label. The launch further expands **Def Jam's** global footprint and represents a significant new chapter in **UMG's** long-term strategy in the Greater China market.

Founded over four decades ago, **Def Jam Recordings** has been at the cutting edge of hip-hop culture, playing a defining role in shaping the genre as a global cultural force and consistently championing artists whose voices are rooted in their own communities, lived experiences, and cultural realities. With the launch of **Def Jam Recordings China**, **UMG** extends this legacy by creating a dedicated platform for Chinese hip-hop and urban music — supporting artists who express contemporary local stories through their own language, culture, and perspective, while connecting them with audiences around the world.

Def Jam Recordings China will be headquartered in Chengdu, a city widely recognized for its vibrant music ecosystem and deep-rooted hip-hop culture. As one of China's leading live entertainment markets and an emerging international cultural centre, **Chengdu** offers a fertile environment where street culture, live performance, and creative communities intersect, making it a natural home for **Def Jam's China** operations.

In recognition of the city's long-standing hip-hop community, D**ef Jam Recordings China** announced three acclaimed Chinese rappers as Special Guest Curators: **Xie Di** (谢帝), **Yitai Wang** (王以太), and **Deng Dianguo *"DDG"*** (邓典果DDG). Through their local influence, the curators will help identify, mentor, and spotlight emerging voices from across China, inviting new talent to participate in and contribute to the **Def Jam Recordings China** ecosystem.

Alongside the launch, **Def Jam Recordings China** also announced its focus on *'Guofeng Hip-hop,'* a creative direction developed in close collaboration with **Migu**, a leading digital content platform under **China Mobile**. *'Guofeng'* is a term widely used within China's creative industries to describe contemporary music that draws from Chinese language, cultural references, and storytelling traditions, while engaging with modern production approaches and global music trends.

This collaboration aligns with **Migu's** recently announced *Guofeng* music strategy. Headquartered in Chengdu, **Migu** brings strong capabilities in digital music services, supported by **China Mobile's** nationwide user base. **Def Jam Recordings China** and **Migu** will work together on music content development, talent discovery and incubation programs, marketing and distribution, live performances, as well as merchandise and street culture–driven expressions, with a shared focus on shaping *Guofeng* Hip-hop as a distinct creative category and positioning it within the global hip-hop conversation.

Adam Granite, Executive Vice President, Market Development, **Universal Music Group**, said: *"China is one of the most important and dynamic music markets in the world today, with a new generation of artists shaping culture both locally and globally. Launching **Def Jam Recordings China** reflects our long-term commitment to this market and our belief that Chinese hip-hop has a powerful role to play in the global evolution of the genre. Chengdu is a city where hip-hop culture has grown organically, supported by vibrant youth culture and strong creative community. By bringing **Def Jam's** legacy and global network into China, we aim to create meaningful opportunities for local artists to connect with audiences worldwide."*

Tunji Balogun, Chairman & CEO, **Def Jam Recordings**, said: *"**Def Jam** has always been built around dynamic voices — artists who speak directly from their own communities, languages, and lived realities. **Def Jam Recordings China** continues that tradition by putting local culture at the centre of the music. The goal is not to copy what's worked elsewhere, but to support Chinese artists in defining hip-hop on their own terms, in ways that feel authentic, contemporary, and culturally grounded."*

Timothy Xu, Chairman & CEO, **Universal Music Group Greater China**, said: *"We appreciate the support of the Chengdu government and our partner **Migu**. **Def Jam Recordings China** is designed as a platform that provides Chinese hip-hop artists with the tools, services, and global pathways they need to grow. From creative development and production to marketing, distribution, and live performance, we want to support artists at every stage of their journey. Most importantly, we hope to help Chinese HipHop and urban music travel beyond China — reaching international audiences while staying true to its cultural roots."*

Zhu Hong, Chairman of **Migu Music**, said: *"Guofeng has become a vital expression within China's contemporary music landscape and an important driver of cultural innovation. Through our collaboration with **Universal Music China**, **Migu Music** aims to develop a distinctive Guofeng hip-hop brand that blends international influence with China's evolving youth culture. By leveraging global distribution, we seek to bring Guofeng music more broadly, while supporting Chengdu's development as an international city of music and the global impact of Chinese music culture."*

Def Jam Recordings China was officially unveiled at a launch event held at **Eastern Suburb Memory** in Chengdu, a landmark cultural and creative district known for transforming industrial heritage into a vibrant hub for music, art, and youth culture. The event featured a curated exhibition celebrating **Def Jam's** 40-year legacy, alongside participation from key figures across China's hip-hop community — including artists, label founders, designers, venue operators, and cultural leaders — who gathered to witness the beginning of **Def Jam's** new chapter in China.

TERMS OF SALE

Such tax liens shall be sold subject to any and all superior tax liens of sovereignties and other municipalities and to all claims of record which the County may have thereon and subject to the provisions of the Federal and State Soldier's and Sailors' Civil Relief Acts.

However, such tax liens shall have priority over the County's Differential Interest Lien, representing the

excess, if any, of the interest and penalty borne at the maximum rate over the interest and penalty borne at the rate at which the lien is purchased.

The Purchaser acknowledges that the tax lien(s) sold pursuant to these Terms of Sale may be subject to pending bankruptcy proceedings and/or may become subject to such proceedings which may be commenced during the period in which a lien is held by a successful bidder or the assignee of same, which may modify a Purchaser's rights with respect to the lien(s) the property securing same. Such bankruptcy proceedings shall not affect the validity of the tax lien. In addition to being subject to pending bankruptcy proceedings and/or the Federal and State Soldiers' and Sailors' Civil Relief Acts, said purchaser's right of foreclosure may be affected by the Financial Institutions Reform, Recovery and Enforcement Act (FIRREA), 12 U.S.C. ss 1811 et. seq., with regard to real property under Federal Deposit Insurance Corporation (FDIC) receivership.

The County Treasurer reserves the right, without further notice and at any time, to withdraw from sale any of the parcels of land or premises herein listed.

The rate of interest and penalty which any person purchases the tax lien shall be established by his bid. Each purchaser, immediately after the sale thereof, shall pay to the County Treasurer ten per cent of the amount from which the tax liens have been sold and the remaining ninety per cent within thirty days after such sale. If the purchaser at the tax sale shall fail to pay the remaining ninety per cent within ten days after he has been notified by the County Treasurer that the certificates of sale are ready for delivery, then all deposited with the County Treasurer including but not limited to the ten per cent theretofore paid by him shall, without further notice or demand, be irrevocably forfeited by the purchaser and shall be retained by the County Treasurer as liquidated damages and the agreement to purchase be of no further effect.

Time is of the essence in this sale. This sale is held pursuant to the Nassau County Administrative Code and interested parties are referred to such Code for additional information as to terms of sale, rights of purchasers, maximum rates of interest and other legal incidents of the sale.

Furthermore, as to the bidding,

1. The bidder(s) agree that they will not work with any other bidder(s) to increase, maintain or stabilize interest rates or collaborate with any other bidder(s) to gain an unfair competitive advantage in the random number generator in the event of a tie bid(s) on a tax certificate. Bidder(s) further agree not to employ any bidding strategy designed to create an unfair competitive advantage in the tiebreaking process in the upcoming tax sale nor work with any other bidder(s) to engage in any bidding strategy that will result in a rotational award of tax certificates.
2. The tax certificate(s) the Bidder will bid upon, and the interest rate(s) bid, will be arrived at independently and without direct or indirect consultation, communication or agreement with any other bidder and that the tax certificate(s) the Bidder will bid upon, and the interest rate(s) to be bid, have not been disclosed, directly or indirectly, to any other bidder, and will not be disclosed, directly or indirectly, to any other bidder prior to the close of bidding. No attempt has been made or will be made to, directly or indirectly, induce any other bidder to refrain from bidding on any tax certificate, to submit complementary bids, or to submit bids at specific interest rates.
3. The bids to be placed by the Bidder will be made in good faith and not pursuant to any direct or indirect, agreement or discussion with, or inducement from, any other bidder to submit a complementary or other noncompetitive bid.
4. If it is determined that the bidder(s) have violated any of these bid requirements then their bid shall be voided and if they were the successful bidder the lien and any deposits made, in connection with, said bid shall be forfeited.
