

Schedule of Activities

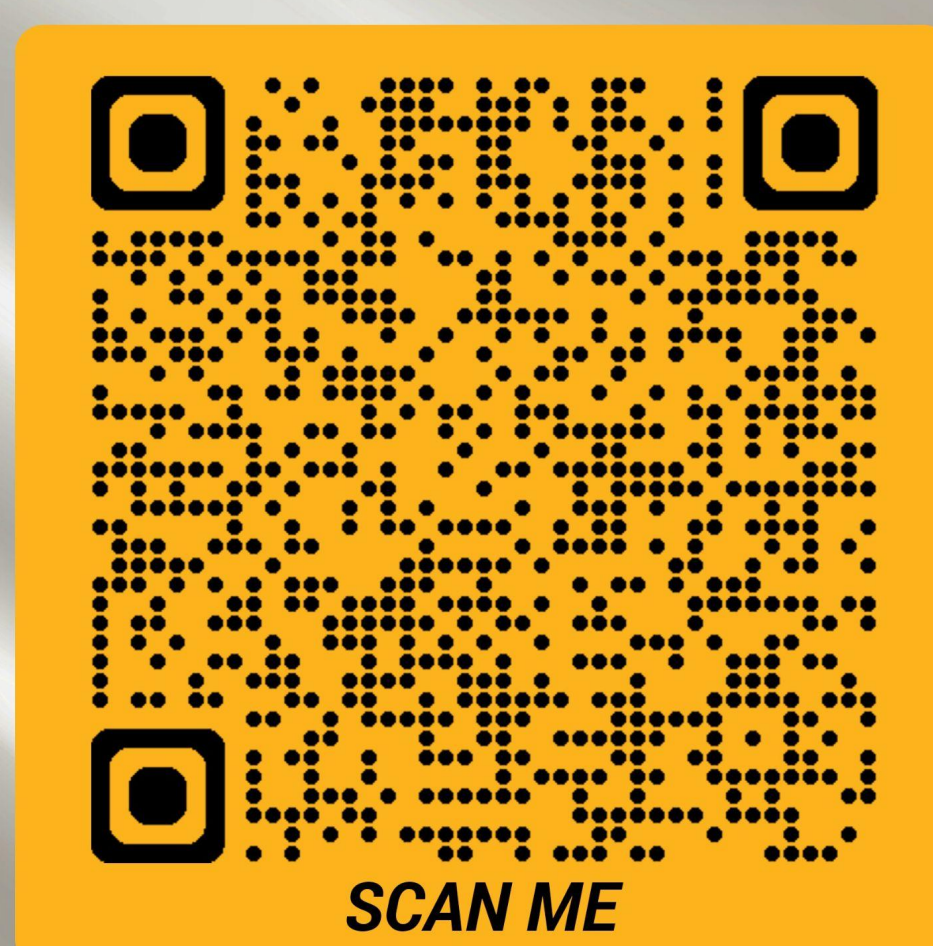

November 3 to 9 of every year has been declared as the Philippine Criminology Week.

The Philippine Criminology Week aims to recognize the Criminology profession and Filipino Criminologists' contributions to national security, public safety, and peace and order.

This year, the Philippine College of Criminology, the pioneering Criminology higher education institution in Southeast Asia, is proudly organizing the inaugural celebration of the First Philippine Criminology Week. PCCR extends a warm invitation to Criminology colleges, faculty, and students from across the nation to come together in commemorating this milestone event, with the theme "Criminal Justice Education: Shaping Leaders in Law Enforcement."

Delikado

Documentary Film Showing

Wednesday, November 6, 2024 | Screenings at 8:30 AM & 1:30 PM

DELIKADO follows Bobby, Tata, and Nieves, three magnetic leaders of a tiny network of environmental crusaders, as they risk their lives in David versus Goliath-style struggles trying to stop politicians and businessmen from destroying the Philippines' last ecological frontier - the island of Palawan. It is a timely film emblematic of the struggles globally for land defenders as they are being killed in record numbers trying to save natural resources from being plundered by corporations and governments.

DELIKADO offers a story of courage and resilience to inspire others into action.
