# YOUR DONOR DOLLARS AT WORK

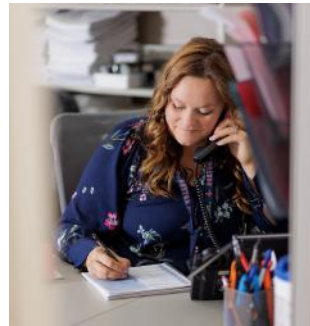

**Michaela - CPDMH Staff Scheduler** (and patient model), walks down the hallway of the new Emergency Department with **Sarah - ER RN** by her side.

CPDMH is committed to providing exceptional patient care to each and every patient who walks through the door. This past year, thanks to the generosity of you, our donors, the CPDMH Foundation was able to provide over \$2 Million to the hospital for the community's share of the Emergency Department building (10% of total construction costs). In addition, over \$370,000 was transferred to the hospital to purchase vital equipment.

These investments aren't just about equipment—they represent our shared commitment to keeping healthcare accessible for all. Your contributions enable the hospital to continuously upgrade and replace aging equipment that drives efficient, accurate, and compassionate care. Putting the right tools in the hands of those who need them ensures that your loved ones and your neighbours receive the very best care in their time of need. By working together, we ensure that your hospital can continue to provide exceptional and keep healthcare close to home.

# THE FACES OF CPDMH

The faces featured here represent just a portion of the hospital's remarkable team, and are a small reflection of the dedication of everyone who works at your hospital. Whether it's behind the scenes or on the frontlines, every team member contributes to the well-being of our community and reflects the commitment that drives us forward. Together, they ensure your hospital continues to provide exceptional care.

## CHAIR'S MESSAGE

As I complete my three-year term as Chair of the Foundation Board, I want to extend my heartfelt appreciation to the incredible MRHA and Foundation board members, the Foundation staff and to our communities. Together, we have accomplished the unimaginable - raising over \$5M for a new Emergency Department. Your investment in your hospital made this possible. As I step down from the Chair role and pass the baton to incoming Chair, Patrick Kenny, I will remain as active member of the Board of Directors. Patrick has proven to be an exceptional and talented board volunteer, and it will be a privilege to work under his leadership.

# THE LEGACY OF ALBERT 'BERT' JOLICOEUR

In life, Bert Jolicoeur demonstrated a dedication to the health and well-being of his community. By including the hospital in his Will, Bert chose to leave a legacy that will provide vital resources to care for a future generation of patients in his community. Bert's gift did not stop there. His legacy has been amplified through a portion of his gift having been designated to help promote and grow the CPDMH Foundation's ***Visionary Circle Program***. This ensures that others will learn the number of ways providing a gift in Will, will benefit their community hospital

## Visionary Circle

The CPDMH Foundation is now working with the best in the industry to develop a meaningful and sustainable ***Visionary Circle Program***. It will feature a new donor wall, being unveiled at the hospital fall, 2024 to honour all of the **Timeless Visionaries** (next page). Thanks to the kind and generous gift of Bert Jolicoeur, the program can now develop new literature and resources. In the near future, we will also be introducing our **Change Creators** to you. These loyal living donors who have shared with us that they have chosen to pay the gift of health forward - by creating an estate plan which includes a gift to the hospital in their Will. These individuals know that they can increase their impact by making an even bigger gift to their favourite charity through their Will.

**They, just like Bert and all Timeless Visionaries, are standing together to create the change they want to see in the world.**

## PUTTING THE POWER OF CARE IN THEIR HANDS

**Victoria, Sarah, Tammy, Breanna and Iris - all ER RNs** who are grateful for every gift you make which allows them to provide exceptional care to your loved ones... something they'll be doing in the new Emergency Department in the near future for years to come!

Behind every life-saving moment at the Carleton Place & District Memorial Hospital is a dedicated team. Their ability to provide high-quality care depends on having the right tools at their fingertips. From diagnostic machines to essential patient care equipment, these tools allow our doctors, nurses, and support staff to deliver care to every patient.

Unfortunately, with no government funding for medical equipment, the hospital faces an ongoing annual need of more than \$500,000 for these critical items. This is where the support of our community is crucial. Every donor dollar invested in equipment—from patient beds and stretchers to specialized devices like cardiac monitors and imaging machines — ensures that your hospital's staff can provide exceptional care in critical moments.

Together, we're securing the future of healthcare in our community. By equipping your hospital with state-of-the-art resources, you empower our healthcare heroes to continue providing compassionate, timely, and expert care, no matter the situation. Your generosity puts life-saving tools in the hands of those who need them most.

HELPING BUILD HEALTHY  
FUTURES. *TOGETHER!*

## Love YOUR Hospital BBQ

All funds raised will support patient care at your community hospitals!

The Foundation hosted the 2nd Annual Love YOUR Hospital BBQ, and the turnout exceeded all expectations. Thanks to the generous support of the Beckwith Butcher and an incredible team of volunteers, the event was a success. The BBQ not only raised important funds but also brought together friends, neighbours, and supporters who share their love for their hospital. We are deeply grateful to everyone who participated and helped make this event a celebration of community spirit.

We cannot express enough gratitude to our generous donors and partners whose support has shown the power of shared purpose. The WIN2024 Car or Ca\$h for Healthcare Lottery and Carleton Place Catch the Ace have united our community and continues to raise essential funds for the Carleton Place & District Memorial Hospital.

A big thank you goes out to Bean Chevrolet Buick GMC Corvette and our fantastic early bird sponsors for their remarkable support in the WIN2024 Car or Ca\$h for Healthcare Lottery, benefiting both CPDMH and AGH-FM Foundations once again this year. In addition, CP Catch the Ace, in partnership with the Captain A. Roy Brown Royal Canadian Legion Branch 192, saw significant success in the last lottery as our famous Acey was caught in week 27 of the draw.

**Together, our collaboration and shared commitment to healthcare excellence are making a significant difference.**
