WELCOME TO OAKDALE

On behalf of everyone at Oakdale Rugby Club, we welcome all players, committee and supporters of our opposing teams to the Recreation Ground for what is sure to be an enjoyable 2025/2026 season.

After three seasons of immense challenges and a lack of cause for celebration, the atmosphere around the club is positive and we are all looking forward to enjoying our rugby once again. Our hopes last year was for a successful season having moved down a division but they quickly evaporated when we truly understood the calibre of sides we eventually met in Division Three. We were though to be given a glimpse of the future with the introduction of Youth into the team in the last few remaining games of 2024/2025.

We now take to the field with playing numbers, the highest they have been for a number of years accompanied with a solid conveyor belt of talent progressing through our Youth structure. Our numbers in training constantly exceed our expectations and competition for places in the side for Saturdays is high. It truly is a time to be excited at Oakdale RFC.

We are looking forward to the installation of new floodlights this season to bring back midweek games under lights and to help our eleven teams to be able to train throughout the season. This will be a big tick off our to-do list and enable us to focus on more exciting off field projects.

I am looking forward to getting down to the Rec on a Sunday to watch the future of the club. I am constantly impressed with the time and effort our 40+ volunteers give to our Minis & Juniors section to help them develop into fine rugby players.

A huge thank you to all our sponsors who have contributed to sponsor our new kit or to advertise in our online programme, your support in is invaluable.

Good luck to all teams this season. We welcome you back to the clubhouse after the match to celebrate this game of ours, Rugby Union.

TM LEADER OF THE PACK

Far too often, many of us are guilty of moaning that the game of rugby is 'not like it used to be'. New laws, too many stoppages, not enough games, it all conspires to make us feel grumpy and 'old'.

But the 2025/2026 season for us, is sure to rekindle the magic of those local derbies with many of our opposition so close to Oakdale, we could walk to away matches.

Our squad is so looking forward to the new season after a couple of years of missed opportunities and a fall down the WRU structure. Right from the moment pre-season training started there has been an enthusiasm amongst the playing group that it is time to right those wrongs and deliver performances that the Club can be proud of.

We have waited 12 years to see the fruition of the transition of players from our Minis and Juniors section through to the Youth structure and eventually into the folds of the Senior squad and this is the time. We have welcomed nearly all of our Youth squad and they have certainly made an impact, raising the standards in training and bringing a welcomed freshness into the side.

We can already see that our Senior squad has been re-invigorated by the introduction of Youth. Training has become more competitive and numbers attending have certainly risen as the competition for places has ramped up.

We have built up our support team this season & we continue to deliver an offer making Oakdale an attractive proposition to any player looking to develop themselves and enjoy the game of rugby.

We are not making any predictions this season other than that we will enjoy our rugby and socialising with our opposition. League structures place an unwanted burden of having to perform to climb up the structure but we know where we want to be for now and we will cherish every try scored and every point gained. We are a village based rugby side and we want to enjoy every second that we step onto the field of play.

Simon Barber

THE VIEW FROM THE SIDE

The saying goes 'out of adversity comes opportunity' and it is fair to say the last couple of seasons have been a challenge to say the least. It is an enormous challenge to coach and guide a side that finds itself at the lower end of any league. Reduced availability, finding permits and maintaining a positive spirit have all been factors in the previous three years.

But, as soon as we stepped onto the field for pre-season there has been a positivity running through the squad & it is fair to say this has been fuelled by the wonders of youth. It was a necessity to introduce a handful of Youth players into the senior side last season but the gates have now been opened and they have all been welcomed into the Senior side.

They have brought a zest for rugby, improved fitness levels & have set standards that have impressed. They have shown the senior players that they are going to fight for every position and training is now highly competitive.

We are able to implement our structure as we have great numbers in training & no longer have to adapt when numbers are low. The players are engaged, they know they have to represent the badge & are keen to contest every fixture and do the best they can for the Club.

To show how high interest is in the squad it is pleasing to note that we have not made any signings from outside of the Club this season. We have had Senior players return to the fold and a sizeable contingent of Youth join us. This is what we need to be focusing on. That conveyor belt of talent and ability that our Minis & Juniors section has started to produce and will no doubt continue to supply.

Our future is bright, and we can look forward to many enjoyable seasons to come.

WELSH RUGBY VALUES AND BEHAVIOURS

In Wales whether you are a player, spectator, parent, coach, referee or administrator the WRU would like everyone to uphold the values of our game.

COURAGE, HUMOUR, EXCELLENCE, INTEGRITY, FAMILY, SUCCESS

- Observe the laws of the game
- Respect the opponents, referees and all the participants
- Applaud good play from both teams
- Reject cheating, racism, violence and drugs
- Value the contributions of the volunteers
- Respect the score and the outcome
- Always demonstrate good sportsmanship
- Be humble in winning and gracious in defeat
- Conduct yourself, always with dignity and mature behaviour
- Enjoy our great game
- Everyone in our sport deserves respect
