15) Go out through the F3.

16) Add 1 SM between each F3.

17) Go out through the top hole of SM.

18) Add 1 SB15 between each SM (top hole) and tighten the thread.

19) Pass through the beads and go out through the Samos.

20) String 3 SB15 between each Samos (passing over Minos).

21) Pass through the beads and go out through Helios. String 3 SB15 (over the Samos) between each group of 2 Helios. At the end, secure and cut the thread.

22) You will have this.

23) Add the bail.

24) Congratulation! You have finished the Helia pendant.

Happy Beading!
