healthier every day  
for every woman

# About Y-Not

Y-Not Design & Manufacturing is a minority and woman owned company based in the US that specializes in global procurement and distribution of custom-made products. From an idea to a finished product delivered on time anywhere in the world, Y-Not designs and manufactures innovative products for companies who recognize the need to develop and maintain a distinctive image. We specialize in unique, custom-designed products that extend a customer's brand from a last-minute event to an employee engagement program. We have been in the same manufacturing and service business for over 25 years and have a track record of delivering uniquely designed products of the highest quality. What our customers love about us is that they can track their products all the way to the factory. Our differentiators and 5 core strengths include, Quality & Safety, 1st, Customer Service, Best Pricing, Global Supply & Key Performance Metrics. Our customer base includes many of the Fortune 100 brands such as Google, Coca Cola, and Cardinal to name few.

This catalog was custom designed for please enjoy...
