#### About Me

I am **Priyadarshini Ganesan**, a passionate Bharatanatyam artist and educator with over 25 years of experience in this divine art form. Born in Mamallapuram, Tamil Nadu- a town rich in cultural and artistic heritage- I began my Bharatanatyam journey at the age of five, learning from various esteemed teachers. I completed my Arangetram under my guru, Dr.Meenakshi Priya Raghavan, at the age of 16 after years of dedicated training.

Throughout my journey, I have performed at numerous events, programs, and stage performances, showcasing the beauty of Bharatanatyam on various prestigious platforms. These experiences have deepened my understanding of the art form and enriched my teaching approach.

#### Qualifications & Training

- Master's Degree in Bharatanatyam
- Trained in Nattuvangam from my gurus Chinnamannur Dr.A.Chitra & Mrs.Sri Geetha Prakash
- Currently pursuing Nattuvanga Kalaimani Diploma from Annamalai University

#### Teaching Approach

I believe that Bharatanatyam is more than just a dance—it nurtures the mind, body, and spirit. My teaching style is encouraging and supportive, ensuring that every student feels confident in their learning journey. Passion and dedication matter more than age, and I welcome all who wish to explore this.

#### Classes, Examinations & Certifications

Students can appear for Bharatanatyam examinations and earn certifications from recognized dance institutions and universities, ensuring their progress is formally acknowledged. Certifications are awarded based on successful completion of assessments at various levels, from beginner to advanced.

#### Currently based in British Columbia, I offer:

- In-person classes in Burnaby (expanding to two more locations soon)
- Online lessons

My ultimate goal is to pursue a doctorate in Bharatanatyam and contribute to the preservation and global appreciation of this beautiful art form.

Hi! I'm Wish, an Indo-Canadian singer-songwriter. Music has always been my strength, my way of expressing the emotions I couldn't put into words any other way. It gives me the most happiness and is where I feel most at home. I have already released 3 singles so far and gonna drop a single every month going forward. My latest Intezar Mein was released under a big Bollywood label WHite Hill Beats and have already crossed half a million. I am getting more offers from other labels and production houses and is excited to explore my opportunities with them. Also, I am slowly slipping into model shoots. I haven't explored that area but I am excited for it. I feel blessed and fortunate to get to live a life of my dreams it's all because of divine grace and blessings
