**Texas State Bobcat Marching Band Performance**

# Welcome to the 22nd Annual Pflugerville Pfestival of Bands!

Tonight promises to be an extraordinary evening filled with the incredible sounds of our talented student musicians. From our middle school ensembles to our award-winning high school marching bands, each performance represents months of hard work, dedication, and passion. From summer camps and private lessons to early mornings and late afternoons of practice, our students have truly gone above and beyond to prepare for this special night. Congratulations to all of our performers and to the amazing educators who guide, mentor, and inspire them every day.

At Pflugerville ISD, we take great pride in the strength and quality of our Fine Arts programs. Of our more than 25,000 students, nearly all are involved in some form of Fine Arts, including music, theatre, dance, or visual arts. Our ensembles consistently earn top honors across the state and beyond, a testament not only to the students and teachers on stage tonight but also to the families, community members, and supporters who make their success possible.

Fine Arts education is at the heart of a well-rounded learning experience. Research shows that students who participate in music tend to perform better academically, particularly in math and critical thinking. Beyond academics, our band programs foster essential life skills, such as discipline, teamwork, responsibility, perseverance, and leadership — traits that align perfectly with our district's focus on the 3Es: Enrollment, Employment, and Enlistment. Whether our students choose to enroll in higher education, enter the workforce, or enlist in service to our country, the skills and character built through the arts will serve them for life.

We encourage you to continue supporting our Fine Arts programs throughout the year. Visit [pfisd.net/finearts](http://pfisd.net/finearts) to explore upcoming performances and events. We hope to see you at future concerts, theatre productions, and art showcases across our district.

And for our Pflugerville residents aged 60 and older, don't forget about the PfISD Gold Pass, your ticket to free admission at all PfISD Fine Arts and Athletics events. You can pick up your Gold Pass at our Central Administration Building and join us in celebrating the incredible talents of our students.

Thank you for joining us tonight to celebrate the power of music, the dedication of our students and staff, and the vibrant spirit of Pflugerville ISD. Sit back, relax, and enjoy the show!

Out of this World Music School is a local, family-owned business dedicated to providing quality music education in a way that inspires a lifetime love of musicianship. Lessons are one-on-one, and each class is tailored to the student's specific goals, unique learning style, and musical taste. As a school, we believe that students should enjoy the learning process, and our instructors use an approach that combines technique, music theory, and learning to play along with their favorite songs. Students have the opportunity to get onstage, onscreen, or both with our quarterly performances. Owners Michael, Reema, and their sons, Atlas & Azzun, are grateful for 15 years of sharing music with the community and welcome you to our school!

# 2025 BOBCAT MARCHING BAND

With a history spanning over a century, the Bobcat Marching Band is one of the largest spirit organizations on campus! This energetic ensemble of 300+ students offers an exciting opportunity for instrumentalists, color guard members and twirlers of all university majors to enhance their collegiate experience by performing in an outstanding musical and spirit organization.

Over the years, the Bobcat Marching Band has established a national reputation for performance excellence. This reputation has led to performances at two Presidential inaugurations, as well as appearances in a Hollywood film. In 2007, 2011, 2013, and 2019, the Bobcat Marching Band was selected to have performances presented at the National Conference of the College Band Directors National Association.

Each year, the band also enjoys serving as ambassadors of the university, performing at high school marching exhibitions and other events around central Texas. Recent performances have included concerts at the Formula 1 U.S. Grand Prix and the Lone Star Le Mans auto races, and halftime performances for the Dallas Cowboys and the Houston Texans.

The Bobcat Marching Band prides itself on being an integral part of the excitement of the college gameday experience. Whether before, during, or after the game, no band strives to support its team, entertain its fans, or to play as hard as "The Pride of the Hill Country," the Texas State Bobcat Marching Band!
