MESSAGE FROM THE CHAIRMAN

S. RASHPAL SINGH DHALIWAL
Chairman, CGC Jhanjeri

To the CGCJ Community,

At CGC Jhanjeri, we are not just building an institution—we are shaping destinies, crafting leaders, and inspiring futures. Our journey is one of bold ambition, where every milestone is a attestation to the spirit of excellence that defines us. It is with immense pride and a deep sense of purpose that I introduce **CAMPUS TO CORPORATE**, CGC Jhanjeri's E-Magazine—a powerful platform that embodies the spirit of innovation, knowledge, and limitless opportunities.

This e-magazine is more than just a publication—it is a reflection of the limitless possibilities that await each of you. It is a symbol of the world-class education and holistic development that CGC Jhanjeri is known for. Within its pages lies the essence of everything we stand for: excellence, integrity, and a deep commitment to creating leaders of tomorrow.

We are not just an institution that prepares students for jobs. We prepare them for life—equipped with the confidence, skills, and vision to lead with purpose and passion. Every student, every faculty member, and every partner connected to CGC Jhanjeri is part of this transformative journey toward greatness.

Our alliances with the world's leading organizations, our cutting-edge Centers of Excellence, and our ability to shape opportunities that transcend borders all contribute to a legacy of success. This magazine is a tribute to that legacy. It represents the endless doors that we continue to open for our students, helping them rise to the highest echelons of their chosen fields.

As you turn each page, I want you to feel the power of possibility, the strength of knowledge, and the promise of a future filled with achievements. This is a platform designed to inspire, excite, and empower. It is our way of reminding you that your potential is boundless, and with CGC Jhanjeri by your side, the world is yours to conquer.

Let this e-magazine serve as an ode to our collective aspirations and a gateway to the rewards that await those who dare to dream big, work hard, and stride into the future with confidence.

Together, we are building not just careers, but legacies.

With best regards,
Sardar Rashpal Singh Dhaliwal
Chairman, CGC Jhanjeri

MESSAGE FROM THE MANAGING DIRECTOR

MR. ARSH DHALIWAL

Managing Director, CGC Jhanjeri

To the CGCJ Community,

At CGC Jhanjeri, our mission is driven by a vision that transcends the traditional boundaries of education. We believe that the future belongs to those who are prepared to innovate, collaborate, and embrace lifelong learning. It is with this forward-thinking approach that I proudly present our digital magazine, Campus to Corporate—a dynamic platform designed to inspire, engage, and empower.

Campus to Corporate is more than a reflection of our accomplishments; it is a window into the boundless opportunities that we are creating for our students. Our goal is not just to educate but to elevate—transforming our students into leaders, innovators, and problem-solvers who will shape the future of industries. This magazine captures the essence of our commitment to bridging the gap between academia and the corporate world, ensuring that every student is equipped with the tools and mindset to succeed in an ever-evolving global landscape. Innovation lies at the heart of everything we do. Our Centres of Excellence are designed to nurture curiosity, encourage creative problem-solving, and foster collaboration with industry leaders. These hubs of knowledge serve as incubators for ideas, where students can engage with cutting-edge technologies and real-world challenges, gaining the skills needed to thrive in today's fast-paced corporate environment.

However, we know that innovation thrives best in an environment of collaboration. At CGC Jhanjeri, we place a strong emphasis on partnerships—between students, faculty, and industry experts. It is through these collaborative efforts that we create pathways to success, providing students with the insights and experiences they need to excel. Our Campus to Corporate initiative reflects this ethos, showcasing the stories, achievements, and opportunities that arise when we work together toward a shared vision of excellence. To our students: You are at the centre of this journey. Your potential is limitless, and it is our mission to help you unlock it. The world is changing rapidly, and the challenges of tomorrow require bold, creative, and resilient thinkers. Campus to Corporate is designed to inspire you to push boundaries, embrace new ideas, and continually strive for excellence in everything you do. Education is no longer a finite process but a lifelong commitment to growth, learning, and leadership. At CGC Jhanjeri, we are with you on every step of this journey. As we look to the future, we remain dedicated to revolutionizing education, making it more inclusive, innovative, and impactful. Campus to Corporate is a symbol of that commitment, and I invite you all to engage with this platform as a resource, a guide, and a source of inspiration.

Together, we will build a future defined by excellence, innovation, and collaboration.

With best regards,

Mr. Arsh Dhaliwal

Managing Director, CGC Jhanjeri

MESSAGE FROM ED, DCPD

DR. SUSHIL PRASHAR

Executive Director, Division of Career Planning and Development (DCPD)

To Our Esteemed Community,

With immense pride and anticipation, we introduce *Campus to Corporate*, our innovative e- magazine designed to guide you through the transformative journey from education to professional success. This initiative embodies our vision of cultivating a vibrant ecosystem where innovation, strategic thinking, and collaboration converge to create unparalleled opportunities for our students.

In today's fast-paced world, adaptability and foresight are essential. *Campus to Corporate* is not merely a publication; it is a portal of possibilities. Within its pages, you will find stories of triumph, insights from industry leaders, and essential tools to navigate your future with confidence and purpose. Each aspect is crafted to inspire you to think critically, act decisively, and pursue excellence relentlessly.

At CGC Jhanjeri, we recognize that success is a collective endeavour. Our commitment to fostering strong connections between students, faculty, and industry partners is at the heart of our mission. THE PEP TALK

EPISODE 3

An Enriching Interaction with One of India's Top HR Leaders, Offering Unmatched Insights for Students and Professionals Alike

The PEP Talk series at CGC Jhanjeri continues to raise the bar in its third episode on 18th October 2024 by featuring Debashish Ghosh, Senior Vice President and Country HR Head of Berkadia. With over 18 years of transformative experience at global giants like GE and Genpact, Mr. Ghosh has left an indelible mark on the HR industry and inspired professionals across the field. His contributions resonate deeply with an industry that's evolving towards a more innovative, people-centered approach, making his insights invaluable to the CGC Jhanjeri community.

In his current role at Berkadia—a prestigious venture backed by Berkshire Hathaway and Jefferies Financial Services—Mr. Ghosh has led impactful changes in organizational culture, talent management, and change leadership. He holds credentials that affirm his mastery, including certifications as a Senior Certified Professional from SHRM and a Global Talent Management Leader from the Talent Management Institute. Named one of *SiliconIndia's* "Top 10 Most Promising HR Leaders" in 2020 and featured in *Forbes India's* "India's 50 Best HR Leaders" in 2021, Mr. Ghosh's leadership has been pivotal in reimagining HR's role in business innovation.

At CGC Jhanjeri, he shared insights into the evolving role of HR, emphasizing that it should be seen not as a traditional support function but as a driver of organizational excellence. He challenged students to rethink HR’s potential and discussed the skill sets needed for HR leaders to make strategic impacts.

Beyond corporate achievements, Mr. Ghosh is known for his mentorship and commitment to industry-academia collaboration. He serves on advisory boards for prominent universities, B-schools, and start-ups, continually investing in the growth of future leaders. His message resonated powerfully with students, inspiring them to look beyond technical skills and focus on leadership, adaptability, and strategic thinking.

This session of PEP Talk was yet another proof to CGC Jhanjeri’s mission to bring industry leaders to campus, offering students direct access to knowledge and perspectives that transcend textbooks. Mr. Ghosh’s inspiring words encouraged students to embrace change, foster innovation, and become catalysts for transformation in their future careers. Through this series, CGC Jhanjeri continues to empower its students, nurturing them not just as graduates but as future leaders capable of redefining industries.

In its essence, the third episode of PEP Talk was a unique learning experience, equipping students with the vision and insights to aspire beyond conventional career paths and make impactful contributions in their fields.

EMPOWERING YOUNG MINDS WITH THE KAUSHAL PUNJAB MOVEMENT

In the ever-evolving world we live in, education is more than a just a gateway to knowledge; it is the very bedrock of a progressive society. Recognizing this, CGC Jhanjeri, a leading institution with a strong legacy of academic excellence and innovation, has set forth a mission to empower Punjab's youth through the transformative **Kaushal Punjab Movement**.

In the ever-evolving world we live in, education is more than a just a gateway to knowledge; it is the very bedrock of a progressive society. Recognizing this, CGC Jhanjeri, a leading institution with a strong legacy of academic excellence and innovation, has set forth a mission to empower Punjab's youth through the transformative Kaushal Punjab Movement.

The grand launch of the Kaushal Punjab Movement was graced by Sh. Tarunpreet Singh Sond, the Hon'ble Cabinet Minister for Punjab, who oversees pivotal departments such as Rural Development & Panchayats, Tourism & Culture Affairs, Investment Promotion, Industries & Commerce, Hospitality, and Labour. His presence as the Chief Guest underscores the movement's importance to the state as well as the country and reinforces the trust our stakeholders place in CGC Jhanjeri as a transformative educational institution. In his address, Mr. Sond emphasized that empowering rural youth with high-quality training is crucial to curbing migration, sparking local entrepreneurship, and driving Punjab's economic progress. This endorsement from such a respected leader showcases CGC Jhanjeri's commitment and growing influence in Punjab's educational landscape.

Sh. Tarunpreet Singh Sond

Hon'ble Cabinet Minister for Punjab

This endorsement from such a respected leader showcases CGC Jhanjeri's commitment and growing influence in Punjab's educational landscape.

As an institution, CGC Jhanjeri has always been dedicated to more than just conventional academics. It has strived to build futures through innovative, skill-oriented education that resonates with industry demands. The Kaushal Punjab Movement is a recent affirmation of this very philosophy, meticulously designed to reach the grassroots and ignite a wave of change across Punjab's villages and towns. In its initial phase alone, the movement carries both the commitment and the potential to skilfully empower the youth of over 250 villages, taking skill development and new opportunities directly to the core of the country. This extensive outreach is poised to lay the foundation for thousands of local jobs, offering the youth a chance to build successful careers without needing to leave their hometowns. CGC Jhanjeri is actively working to bridge the rural-urban gap, nurturing a skilled workforce that can contribute to local industries and economies.

At the heart of the Kaushal Punjab Movement is a focus on sustainable and high-quality skill development. The program draws on world-class training standards, bringing global excellence to remote levels. By aligning its courses with the latest trends in industry, CGC Jhanjeri ensures that graduates of this program are not only job-ready but also future-ready, with skills that will remain relevant in an evolving job market.

Beyond traditional employment, the movement also fosters an entrepreneurial spirit among participants, offering guidance, resources, and mentorship to help them start their own ventures. This emphasis on entrepreneurship not only promises economic growth but also fosters self-reliance and innovation within the community. Through Kaushal Punjab, CGC Jhanjeri is helping to create a future where Punjab's youth can be job creators, and not just job seekers.

The initiative is symbolic of CGC Jhanjeri's mission to be trailblazers of educational and social progress in India, beginning from Punjab. By supporting this powerful movement, CGC Jhanjeri is reasserting its commitment to building a future where every young individual can thrive and contribute meaningfully to society.

As CGC Jhanjeri stands at the forefront of this transformative journey, the institution proves that education, when coupled with vision and values, can change lives, communities and the nation. It reminds us that every investment in the youth is an investment in the nation's progress, and by lighting the path for today's students, CGC Jhanjeri is naturally creating the leaders of tomorrow.

ERICSSON AND CGC JHANJERI

A POWERFUL PARTNERSHIP FOR THE FUTURE OF TELECOMMUNICATIONS

The world of telecommunications is buzzing with exciting news as CGC Jhanjeri joins hands with Ericsson, a global powerhouse in telecom technology. This grand collaboration, held on October 14th, marks the launch of the EricssonEdge Academia Program at CGC Jhanjeri, an exclusive partnership that is set to reshape the educational landscape for technology students. Guided by the visionary leadership of our MD, Mr. Arsh Dhaliwal, this strategic alliance is not only a proud moment for CGC Jhanjeri but also a significant milestone in its journey towards becoming a globally recognized hub of academic excellence.

Ericsson's decision to partner with CGC Jhanjeri is an evidence to the institution's commitment to excellence and its growing influence in the global education sector. Through the EricssonEdge Academia Program, students and faculty alike will gain unparalleled access to industry-leading resources, training, and content. From 5G to artificial intelligence and advanced automation, this collaboration is all set to immerse students in the latest telecom innovations, equipping them with the expertise needed to stay ahead in a rapidly evolving tech landscape.

This partnership is designed to place CGC Jhanjeri students at the forefront of technological advancements. Key highlights of the program include:

- **World-Class Learning Resources:** Students will have access to cutting-edge learning content and tools that are utilized by the telecom industry's best, bridging the gap between academia and the dynamic demands of the tech world.
- **Early Exposure to Emerging Technologies:** Through Ericsson's program, students will engage deeply with advancements like 5G, AI, and automation, making them early adopters and experts in next-generation technologies.
- **Innovative Educational Practices for Faculty:** Faculty will embrace forward-thinking teaching methodologies that foster creativity and critical thinking, aligning CGC Jhanjeri's education standards with global benchmarks.
- **Flexible Assessment Structures:** The program offers flexible assessments, enabling students to showcase their skills with confidence and opening up new avenues for them to excel based on individual strengths.
- **Globally Recognized Accreditation:** Upon successful completion of the program, students will earn an accreditation from Ericsson—one of the most prestigious endorsements in the industry—setting them apart in the competitive job market and paving the way for exciting career opportunities.

This Ericsson partnership positions CGC Jhanjeri as a center of innovation and a springboard for students to become leaders in the global telecom industry. The institution is not just upskilling its students; it is embedding a culture of technological excellence that will prepare them to drive the future of telecommunications worldwide. This grand launch exemplifies CGC Jhanjeri's commitment to molding industry ready graduates who are poised to make impactful contributions on a global scale.

Through Ericsson's world-class expertise and CGC Jhanjeri's dedication to excellence, this partnership redefines what it means to deliver a cutting-edge education. With every step, CGC Jhanjeri continues to build its reputation as a leader in technology education—an institution that prepares its students to lead in the telecom industry, both in India and beyond.

TCS CODEVITA SEASON 12

We're thrilled to announce that our students are actively participating in the ongoing TCS CodeVita Season 12 competition, an internationally recognized coding challenge that has set a benchmark in the programming world. This prestigious competition, which commenced in October, has been a fantastic opportunity for our students, spanning the batches of 2025 to 2028, to engage in a competitive, high-stakes coding environment.

Launched in 2012, TCS CodeVita has become a global phenomenon, recognized in the Guinness Book of World Records as the world's largest coding contest. This year's theme, "United by Code," emphasises on the power of diversity and collaboration, with participants from around the world coming together to share their passion for technology. Over 444,000 participants registered from 98 countries in the previous season, and this year is set to break records once again.

This year as well, we at CGC Jhanjeri are proudly supporting our students as they compete on a global stage against top programmers. Our students have eagerly embraced this opportunity to showcase their talent, applying the skills and knowledge they've cultivated at CGC Jhanjeri. For them, CodeVita isn't just a competition – it's a gateway to self-discovery, growth, and international recognition.

This year's rewards include:

1. Prize Pool:

The top three coders will share a grand prize of USD 20,000.

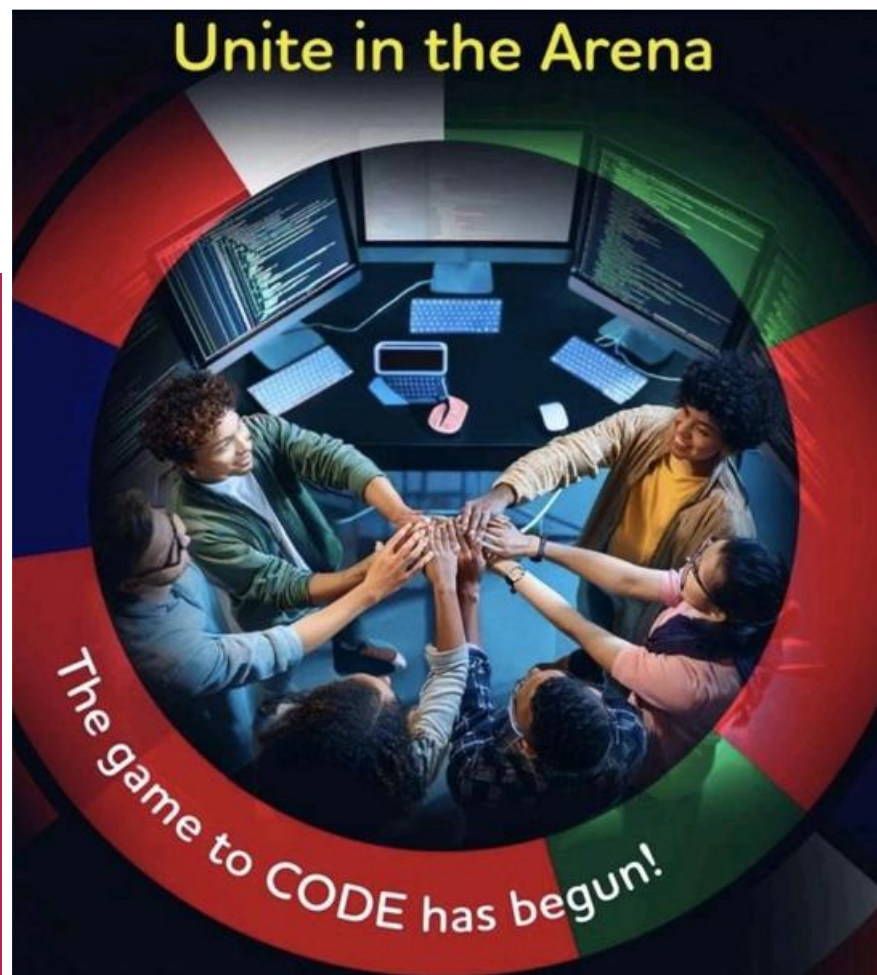

2. Career Opportunities:

Students have the chance to explore exciting career paths with TCS, a leader in the IT industry.

3. Global Exposure:

Finalists have an opportunity to attend the live grand finale in India, gaining unparalleled exposure and recognition on an international platform.

CodeVita represents an invaluable learning experience for CGC Jhanjeri students, allowing them to compete and connect with a global community. The competition provides a platform to not only test their coding skills but to push boundaries and innovate within a highly collaborative setting. This aligns perfectly with CGC Jhanjeri's commitment to nurturing future-ready professionals equipped with technical expertise and a global outlook. As the competition unfolds, we eagerly await the outcomes and celebrate our students' enthusiasm, perseverance, and accomplishments. Their participation in TCS CodeVita Season 12 is a testament to the talent and ambition fostered here at CGC Jhanjeri, and we are immensely proud of their journey.
