## Our Vision

City College of San Francisco values and fosters superior levels of educational participation and academic success among all students. Reaching out to and including all populations, we strive to provide an affordable and unparalleled learning experience in a supportive and caring environment that leads students to successfully complete their goals.

### A Teaching and Learning Community

Our principal distinction will be the high quality of instruction. The educational experience will feature successful learning in areas as varied as basic skills, academic courses, advanced honors, career and technical courses, retooling of job skills, and preparation for transfer to other educational institutions. Learning opportunities will extend to a broad array of courses and programs to offer any student a pathway to educational and career success.

### An Inclusive Community

We will continue to reach out to all people, especially to those communities that encounter barriers to education; develop sustainable campuses and sites to better serve students and neighborhoods; diversify and improve programs and services for the benefit of the community; build partnerships with public, private, and community-based agencies to better respond to educational, economic, environmental, and societal needs; foster the participation of our students and employees in community life; and welcome students from around the world. Committed to lifelong educational opportunities for all, we will exchange expertise and innovation with colleagues in the state, the nation and the world.

### A Diverse Community

In our community, respect and trust are common virtues, and all people are enriched by diversity and multicultural understanding. We will maintain a supportive, positive, and productive working environment for our diverse faculty and staff, as well as a responsive environment in which student needs are met in a friendly, timely, and caring manner.

## Our Mission

The Mission statement of the San Francisco Community College District is:

Consistent with our Vision, City College of San Francisco provides educational programs and services that promote successful learning and student achievement to meet the needs of our diverse community.

Our primary mission is to provide programs and services leading to:

- Transfer to baccalaureate institutions
- Achievement of Associate Degrees in Arts and Sciences
- Acquisition of certificates and career skills needed for success in the workplace
- Basic Skills, including learning English as a Second Language and Transitional Studies

In addition, the college offers other programs and services consistent with our primary mission, only as resources allow and whenever possible in collaboration with partnering agencies and community-based organizations.

City College of San Francisco belongs to the community and continually strives to provide an accessible, affordable, and high quality education to all its students. The College is committed to providing an array of academic and student development services that support students' success in attaining their academic, cultural, and civic achievements. To enhance student success and close equity achievement gaps, the college identifies and regularly assesses student learning outcomes to improve institutional effectiveness. As a part of its commitment to serve as a sustainable community resource, our CCSF mission statement drives institutional planning, decision making and resource allocation.

## Coaches & Staff

**Derek Lau**  
**HEAD COACH**

2016 CCCAA North  
*Coach of the Year*  
Coast Conference  
*Coach of the Year (9x)*

Derek Lau enters his 10th season as head coach and 22nd year season overall at CCSF. Lau was named the 2016 CCCAA North Coach of the Year and has been named the Coast Conference Coach of the Year, nine times. In his 10 full years at the helm the Rams

have won nine Coast North Championships and have appearances in the Elite Eight and Final Four of the state tournament. In the 12 years as an assistant, he helped guide the Rams to seven Coast Conference Championships and ten consecutive playoff appearances.

Coach Lau is dedicated to helping student athletes achieve success on and off the court. His focus is to make sure his student athletes learn to “work,” to prepare them for their future basketball endeavors and life experiences.

Lau transferred from CCSF to Long Beach State University where he earned a BA in criminology and continued on to earn a MA in Health and Physical Education and Recreation from St. Mary’s College in Moraga. Lau also earned a MS in Coaching and Athletic Administration. He resides in San Francisco, California with his wife Remi, sons Lucas and Landry, and daughter Logan.

**Tiffany Mariano**  
**ASSISTANT COACH**

Tiffany Mariano is in her seventh season as an assistant coach at City College of San Francisco. Tiffany played two years (2010–2011) at City College where her team competed in the state championship game and helped her team win two consecutive Coast Conference Championships. She has a love for teaching and coaching and wants to see her athletics successful both on and off the court. Mariano transferred from CCSF to Long Beach State University where she earned a BA in Child Development and continued to earn a MS in Coaching and Exercise Science from Concordia University, Irvine.

**Errayanna Hatfield**  
**ASSISTANT COACH & ACADEMIC ADVISOR**

Errayanna Hatfield is in her 1st year as an assistant coach at City College of San Francisco. Erray played two years (2018–2020) at City where she earned Coast Conference MVP and 2nd team All-State. Her freshman year, she helped lead her team to a 10-0 record in conference and a second coast conference title her second year. Erray transferred to Dominican university on a full ride scholarship where she earn a BA in Interdisciplinary Studies and will complete her masters in Higher Education, Student Affairs.

**Eric Love**  
**ASSISTANT COACH**

Eric Love is in his ninth year as an assistant coach at CCSF. Love was previously an assistant coach at Lowell High School for three years on the varsity girls team. Love has currently been coaching boys and girls teams in Asian league and AAU basketball for the last 15 years. Love is a Bay Area native, growing up in Oakland and has lived in San Francisco for the last 21 years.

**Emerald Molina**  
**ATHLETIC TRAINER**

Emerald is in her fifth year as the Assistant Athletic Trainer at CCSF. She earned her Bachelor's degree in Athletic Training at Baylor University. Emerald was born and raised in Daly City.

**Sara Golec**  
**ATHLETIC TRAINER**

Sara is in her sixth year as the Head Athletic Trainer at CCSF. Sara graduated from San Jose State University where she earned a Bachelor's Degree in Kinesiology. She graduated from Arizona School of Health Sciences in 2012 where she earned a Master's degree in Athletic Training. Sara was born and raised in Hayward.

**Gary Bader**  
**ANNOUNCER**

Gary is a San Francisco native. Graduating from Lincoln High School and attending City College of San Francisco, he has found his way back to his alumni school as a PA announcer for various sports. He is the PA announcer for Lincoln Football, Boys and Girls Basketball, as well as for the CCSF Football team and Women's Basketball team.

**Alexandra Kaplan**  
**ATHLETICS COUNSELOR**

Alexandra Kaplan received her BA in Human Biology from Stanford University and MS in Counseling from San Francisco State University. She has worked as an academic counselor at City College of San Francisco since 2018. A lifelong sports fan and former soccer and tennis player, Alex loves supporting student-athletes and deeply admires their commitment to both their academics and their sport, as well as their ability to balance multiple priorities as they pursue their goals.

## Wellness Center

City College's Wellness Center creates a first-ever front door for the campus on busy Ocean Avenue. Stepping up its hillside site, it welcomes thousands of students a day who arrive from the Balboa BART station, ushering them into the activity-filled building or up the grand lobby staircase and out onto the campus. The building's LED® equivalent design fits 150,000 square feet of program space into a very small footprint utilizing clever vertical stacking.

The Wellness Center houses physical education, martial arts, dance, conditioning, team sports, and City College's first aquatics center. It also fulfills a civic role by integrating cleanly into the urban fabric and providing a physical anchor for the corner of the campus and the east end of Ocean Avenue. The community is thrilled to have an affordable resource for healthy living housed in such a spectacular setting.
