“He who plants trees, knowing that he will never sit in their shades, has at least started to understand the meaning of life”:- RABINDRANATH TAGORE It is indeed a proud moment for me to be cherished in my heart and soul to be closely associated with the various Club activities that our club has taken up during the past one year. I should acknowledge that the tenure of my secretaryship with my President and the team helped me to understand Rotary in more depth and breadth and has provided me a better understanding of the meaning and purpose of life to stay deeply committed to Rotary, Society, Family and ourselves.
