STOREHOUSE *for the* CITY

We believe that as a church we are called to become a storehouse that will be a blessing:

- for our city
- for our nation
- and beyond

We want to be people who imitate God in His generosity.

We want to sow generously so that we can see **God's Kingdom become a reality in the lives of many people.**

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Matthew 28:19–20

FROM THE PASTORS

When we came to Kraków in 2009, we began with a shared vision and dream of the kind of church we wanted to build. We were aware of the responsibility and privilege it is to work as co-laborers with the One who builds His Church, and from the very beginning we desired to be faithful to the command He left us.

> *"But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."*
>
> Acts 1:8

We began with our own "Jerusalem" - reaching the people of Kraków and establishing a local church. At the same time, we supported projects of planting churches in Poland and abroad.

For 17 years we have desired for this to be our heart before God and our daily practice. We believe that as a church we are called to become a storehouse that will be a blessing for our city, our nation, and beyond.

Each of us is part of the Church because someone shared the Gospel with us, someone planted this church, and someone gave generously so that it could come into being. Generosity is part of God's heart.

We believe that everything we have comes from God, which is why we want to share it. We invite you into this shared journey, which we call **KDM Global - together we can have an impact on the lives of many people.**

WHAT DOES *The Bible* SAY ABOUT *generosity?*

As a church, we believe in tithes and offerings. These are **two different forms of giving** that the Bible speaks about very clearly. Our way of giving shows the condition of our heart and what we truly place our trust in.

TITHE

God established the tithe and encourages us to bring it so that there may be provision in His house (Malachi 3:10). We believe that **tithing is the foundation of our giving and an important part of the life of every follower of Christ.**

Although some believe that tithing applies only to the command of the Mosaic Law, it appears much earlier - in the Book of Genesis, when Abraham gave one tenth of everything he had to Melchizedek (Gen. 14:18-21).

The New Testament explains that Melchizedek was a foreshadowing of the Son of God and remains a priest forever (Heb. 7:1-10). Jesus also affirmed the practice of tithing, saying that it should not be neglected (Luke 11:42; Matt. 23:23).

We believe that Jesus is Lord and that everything we have comes from Him - that's why we give to Him. **Both the tithe, the first 10%, and the remaining 90% belong to God.** By bringing the tithe, we express our trust in God and not in the state of our bank account.

The tithe builds our home - the Church. Through it we can provide support for children, youth, students and families, organize events and grow our community. Since we are the Church together, we all share responsibility for it. **Our faithfulness in tithing allows us to focus on the mission to which God has called us.**

OUR RESOURCES CAN HAVE *an impact* ON *eternity.*

OFFERING

From the very beginning of the Bible, offerings were a regular part of life with God. They were given in faith in God's goodness and as an expression of a relationship with Him. They were also an act of worship toward God, who alone is worthy of all glory and honor.

God gave His Son as the ultimate offering. Today we can respond to His generosity by giving what we have received. Jesus taught His disciples to store up treasures in heaven (Matt. 6:20), which means that our earthly resources (time, abilities, and finances) can be invested in something far greater - the building of God's Kingdom through transformed lives.

Since the the beginning of KDM, we have given offerings to fulfill the mission that we believe God has called our church to. We want to do this in a more intentional and organized way, which is why we created the KDM Global initiative.

Through **KDM Global** we invite you to give in a way that can have a real impact on the lives of many people.

“STORE UP *for* YOURSELVES TREASURES *in* HEAVEN.”

Matthew 6:20

WHY *is* THIS IMPORTANT?

You have probably heard statements like, "God does not need my money," or "After all, I can give if it is God's will." And in a sense, that is true.

God does not need our money - He desires our hearts and our obedience.

If something is God's will, He does not force us to do it. At the same time, God invites us to participate in His work. When we respond with faith and obedience, our giving becomes part of something much greater than ourselves.

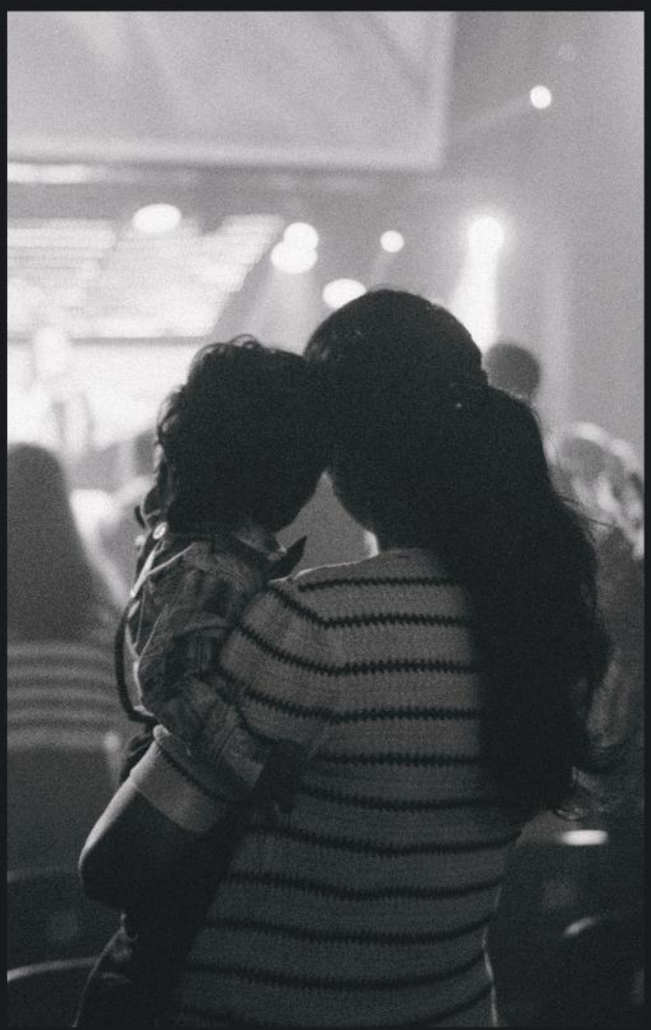

God works through His Church, and through our generosity He allows us to take part in what He is doing in people's lives. Every gift becomes an expression of trust in God and a step of faith.

Even if we never go to Africa ourselves, we can still influence the lives of people we may never meet. Through our giving, someone else can bring them hope and practical help.

This is why generosity matters - because through it we participate in the work that God is doing through His Church.

WHAT HAVE WE BEEN *able to do* TOGETHER?

People who were able to hear the good news and had the opportunity to grow and develop. **Thank you.**

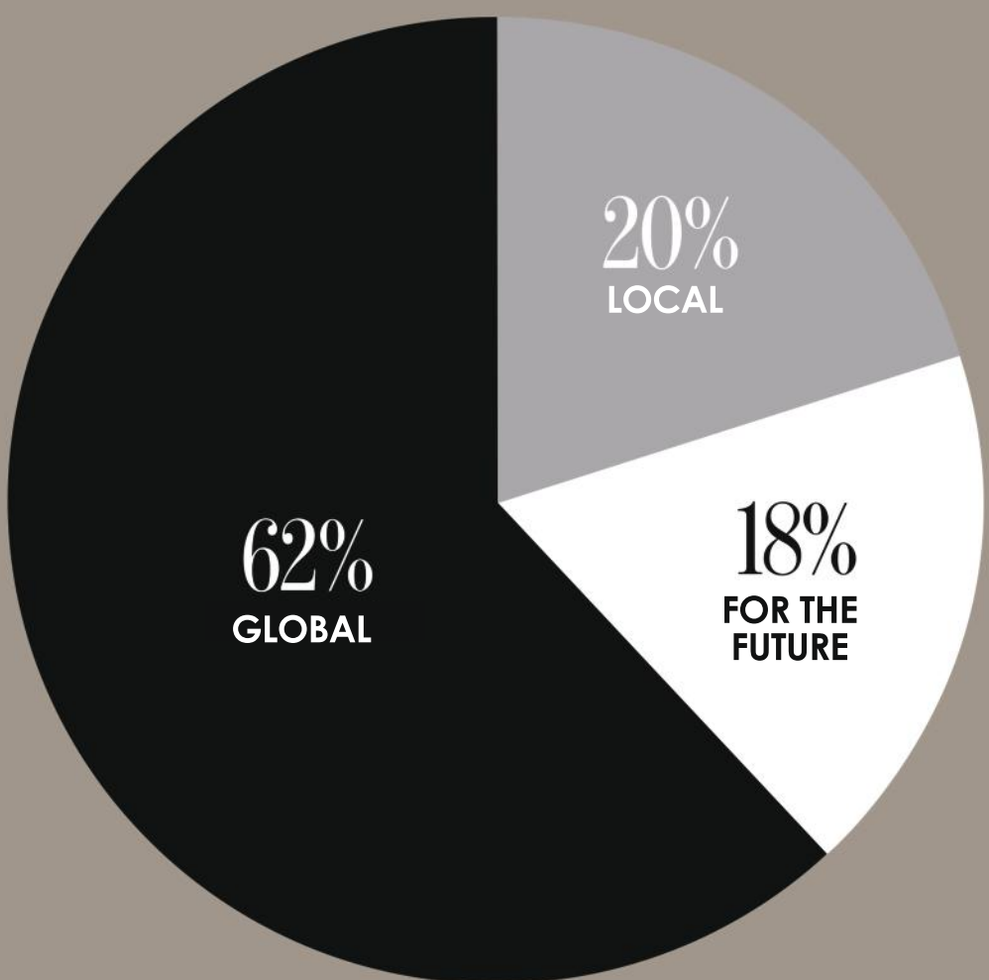

WHAT IS *KDM Global?*

KDM Global is the way in which, as a community of believers, we want to build God's Kingdom and influence the world around us. We have been doing this before, but now we have decided to give it a name and share more clearly what we are doing.

By giving during Sunday services, and by contributing to our special Heart for the House offering, you become part of KDM Global.

Through KDM Global you sow into what God is doing locally, globally, and into the future generation that He is preparing. All offerings collected each year create KDM Global. In this way, a fund is created from which we can sow into **three areas: local, global, and the future.** We believe that this year we will be able to raise 500,000 PLN to bless the world around us. We want to use these resources within the same year so that we can begin again in the next one.

KDM *Global 2026*

LOCAL

Being a blessing begins where we are.

KDM FOUNDATION

Some of the funds allocated for local activities go to the KDM Foundation, which runs initiatives such as Berka Club, Back-to-School Drive, Youth Workshops, and more. These initiatives bring real help and hope to people in need.

One of our plans is to create a new space for young people in the city center, which will operate under the KDM Foundation and serve the local community. **We believe it will be an even greater blessing for our city.**

NEW CHURCHES

In 2025 we planted a church in Wieliczka. We also began gatherings in Kielce. We believe these meetings will lead to the establishment of a new church there.

We want to support the mission of the Pentecostal Church network in Poland by planting new churches and strengthening existing ones, bringing hope, the Gospel, and practical help to different cities.

GLOBAL

One of the elements of KDM's vision is that we believe we can transform our world. We can be part of this not only locally, but also globally.

NEW TERRITORIES

We believe God is leading us to do greater things and to have a wider impact on the world. We want to support what God is doing not only in Europe, but also beyond it - being a blessing to people in Asia, Africa, and South America.

MISSION TRIPS

This year we are organizing mission trips to Kenya and Serbia. We want to be a blessing both to the people who live there and to those who will serve there on behalf of our community.

KHARKIV

In partnership with local leaders in Kharkiv, we support the city and the church community there, believing that even in difficult times God's Kingdom continues to move forward.

CRISIS FUND

We want to establish a crisis fund that will allow us to respond quickly and provide support to people who find themselves in difficult or unexpected situations.

FOR THE FUTURE

God's heart is enormous - there is room in it not only for us, but also for those who will come after us. That is why we want to look toward the future, investing in the next generation and in projects that will serve people in the years ahead.

RADYKALNI

We have a unique opportunity to invest in the young people of our country, inspiring them to live radically for Jesus. Radykalni is a conference for young people that shows what it means to live boldly and wholeheartedly for God. We believe that by shaping the next generation, we influence the future of our nation.

LEADERS *of the next* GENERATION

We believe in raising and equipping the next generation of leaders. That is why we want to support the training and preparation of pastors, missionaries, and leaders - both for ministry in the Church and for influence in other areas of life.

A NEW BUILDING

We believe that God has promised us a building in this city. We want to take the next step and expand our space, building an even greater storehouse for what God wants to do through our church for the city.

We are praying for a new building for KDM and actively searching for it. At the same time, we want to prepare for this step in a practical way. That is why a part of the funds collected in this area will be dedicated to our future home.

FOR WHOM?

KDM Global is for anyone who considers KDM their home, identifies with our vision, and wants to support it through giving. In giving, it is not about the amount, but about the heart behind it.

When Jesus saw the widow who put only two small coins into the offering (Mark 12:41–44), He told His disciples that she gave more than all the others. They gave out of their abundance, but she gave out of the little that she had.

Just as Jesus invites us into generosity as a response to the greatest generosity He has shown us, your generosity can give others the opportunity to experience His goodness.

HOW?

Each time you give an offering during a Sunday service, you support KDM Global. We encourage you to talk to God about it, pray, and make a decision.

> *"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."*
>
> 2 Corinthians 9:7

You can start from where you are today. Maybe today is the moment to begin giving regularly or to take a step toward greater generosity. Consider it in prayer and simply start.
