Love Living Rural
Farmers Market Directory & Agritourism Guide.

The Farm to Table Local Sourcing Directory you've been waiting for... like an invaluable word-of-mouth referral, but with more info.

Valuing the nobility of growing food is an integral part of our daily lives, health & longevity. Farm to Table centers around a "local foods system" producing foods locally... but even more broadly, the support system includes:

- *Locally-Owned Service providers*
- *Makers of handmade artisan goods*
- *Patrons & friends of local owners*
- *Producers you might find at your favorite farmers market*

Shopping around an agrarian local foods system, promotes a vibrant rural economy, returning more of the purchase price back to the rural community where we mutually live, work & play. Share foundations of farmers, artisans & locally owned purveyors. Serve Georgia grown year 'round, as close to nature as possible.

"Being a wife and a mother played a big role in opening up a business and most importantly becoming a salon owner. I want my kids to know that dreams really do come true."

Being a part of Pike County and having such dedicated clients to myself and the salon has really made my dreams of being a salon owner worthwhile. Small Town Salon is a family oriented salon that is welcoming of all ages.

Uplifting Locally

As a whole, we strive to be involved in the community and surrounding areas, from "Disney Princess Day" to "Trick Or Treat On The Square" just to name a few. You will see Small Town Salon show up and show out for our people. We've had the Easter Bunny along with Santa Claus visit us at Small Town Salon to show our appreciation for our clients. The love we have for our clients shines not only in the salon but in how we treat our community. We take that responsibility not only with seriousness but with undeniable love.

Local Service Aims

We are all hard workers who love our clients endlessly. As a salon, we strive to make our clients happy while keeping the integrity of their hair healthy. A happy client is the best client and we pride ourselves by making sure our clients are taken care of to the fullest extent.
