**A decade of Yeoman Service of**

**Shri. Pralhad Joshi**

**Dharwad Parliamentary Constituency Development Profile For The Period**

**2014 - 2024**

Our Resolution

PROGRESSED  
**Bharath**

DEVELOPING  
**Dharwad**

Namaste,

I'm honored to represent Dharwad, known for its rich heritage in education and culture. Serving as MP for four terms has been a privilege, thanks to your support. I'm committed to inclusive growth and prosperity, following PM Modi vision of "Sabka Saath Sabka Vikas Sabka Vishwas Sabka Prayas."

During my initial two terms from 2004 to 2014, despite being in opposition, I secured significant grants for our constituency's development. Since 2019, under PM Modi leadership, I've been committed to our constituency's welfare and development as a Member of the Parliament, Dharwad Lok Sabha Constituency.

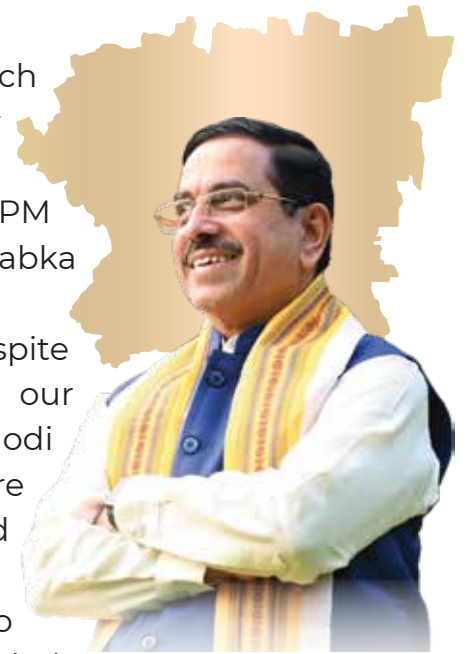

In this century, PM Modi government has led India to remarkable achievements, elevating our nation's global standing. India's ascent from 11th to 5th in global economic rankings by 2023 highlights our significant progress under PM Modi leadership.

Given India's large population, it's imperative for the government to act decisively to address diverse needs and aspirations. This includes implementing robust policies, innovating new solutions, and initiating welfare programs to uplift citizens, particularly the marginalized, by alleviating hardships and improving financial conditions. Ensuring the effective delivery of welfare schemes to those in need is essential for fostering progress and socio-economic development.

The Central Government's welfare initiatives have spurred significant sectoral growth. I've diligently improved living standards in rural and urban areas. Key projects include Industrial Development, Bharat Nirman, Skill Development, Make in India, Swachh Bharat Abhiyan, Sukanya Samridhhi Yojana, Ujjwala Yojana, Jal Jeevan Mission, Deendayal Upadhyaya Gram Jyoti Yojana, Mudra Yojana, Pradhan Mantri Fasal Bima Yojana, Ayushman Bharat and ensuring Minimum Support Price for food grains.

Here are key accomplishments in the Dharwad Parliamentary constituency: Established premier institutions like IIT, IIIT, and a National Forensic University, and constructed Anganwadi school buildings. Built a special hospital at KIMS, secured grants for DIMHANS, and distributed Ayushman Health Cards. Expanded and modernized Hubballi Airport, constructed national highways and ring roads, introduced Vande Bharat Railway services, and electrified railways. Ensured Minimum Support Price for agricultural products, extended Pradhan Mantri Fasal Bima Yojana. Provided tap water to every household under Jal Jeevan Mission, launched Jaldhara Programme and implemented PM Awas Yojana.

I humbly summarize the achievements in the Dharwad Lok Sabha constituency. Detailed accounts are available for verification. Prime Minister Shri Narendra Modi visionary leadership has guided India's path to vibrancy. Let's reaffirm our commitment to nurturing our values. I appeal for your continued support, aligning our efforts with your needs and expectations to realize your aspirations.

With Hon'ble President Of India,  
**Smt. Drupadi Murmu**

With Hon'ble Vice President of India  
**Shri. Jagadeep Dhankar**

Shri. Pralhad Joshi my cabinet colleague has shown novel and unique ways as to what can be done for the nation and for it's progress. I have all my appreciations for him.

- **Shri. Narendra Modi**,  
Hon'ble Prime Minister,  
Govt. Of India.

Shri. Pralhad Joshi persistently having persuaded me, got sanction for the establishment of National Forensic Science University at Dharwad.

- **Shri. Amit Shah**

Hon'ble Union Minister For  
Home Affairs And Co-operative,  
Govt. Of India.

"Clearing all the setbacks prevailing in the energy sector for the past several decades and by providing equal opportunities to everyone working in the coal sector, Shri Pralhad Joshi has made important contributions towards the safety and production of coal in the country. For this, I appreciate the work of Shri Pralhad Joshi, Union Minister of Parliamentary Affairs, Coal, and Mines."

- **Shri. Rajanath Singh**  
Hon'ble Union Minister For Defence,  
Govt. of India.

"My dear friend Shri Pralhad Joshi is an extremely proactive colleague among the Cabinet Ministers. In addition to shouldering the responsibility for the smooth conduct of parliamentary affairs, he oversees the development works of the Department until midnight and greets the following day with the same smiling face."

- **Shri. Piyush Goel**

Hon'ble Union Minister For, Textile, Customer Affairs,  
Food and Public Distribution, Commerce and Industry,  
Govt Of India

"Due to the relentless efforts of Shri Prahalad Joshi, the stone-laying ceremony for the construction of highways in Karnataka is being initiated. Officials from my department are ready to commence work following Shri Prahalad Joshi's visits to my department and my residence, approximately 25 times, as well as his efforts in securing the sanction for the Hubballi-Dharwad Bypass Road, the Hubballi-Chitradurga highway, and the construction of overbridges."

- **Shri. Nitin Gadakari**

Hon'ble Union Minister for  
Central Highways and Road Transport,  
Govt. of India.

"While leading the Department of Foreign Affairs, I have been amazed to witness the discipline and work ethic in Shri Pralhad Joshi concerning National and Parliamentary affairs."

- **Shri. S. Jaishankar**  
Hon'ble Union Minister for  
Foreign Affairs,  
Govt. of India.

"My brother, Shri Pralhad Joshi, instantly responds to any doubts and problems we present to him regarding parliamentary affairs. He has a mercurial and distinctly imitable personality."

- **Smt. Smriti Irani**

Hon'able Union Minister, for Women and Child Development and Minority Business, Govt. of India.

"Life is an art, and it can only be learned from those who have mastered this skill. It is quite different from becoming an IAS Officer through competitive examinations to becoming a member of parliament by participating in general elections. Shri Pralhad Joshi, my guru, has taught me how to conduct oneself in the house, when to speak and when not to, and additionally, how and in what way to respond to opponents."

- **Shri. Ashwini Vaishnav**

Hon'ble Union Minister, for Communication and Railways, Govt. of India.

"Shri Pralhad Joshi, a committed BJP Party volunteer and a disciplinarian, has been actively discharging his responsibilities in Shri Narendra Modi government as the Union Minister for Parliamentary Affairs, Coal, and Mines. During his tenure, the functioning system of the Department of Parliamentary Affairs has been moving in the direction of development and reformation. When we consider the significant flow of Central Government financial assistance and contributions through several

projects towards the development of Karnataka State, the role of Shri Pralhad Joshi is of great significance. It was a prime performance by Shri Pralhad Joshi, espousing the cause of our state before the Central Government during the period of the Covid epidemic crisis, acting as the only connecting bridge between the centre and the state in successfully handling the critical situation. It may not be an exaggeration to say that with Shri Pralhad Joshi assuming the role of a member of parliament, the developmental activities gained momentum, relating to both Hubballi-Dharwad Municipal Corporation and that of Dharwad parliamentary constituency. The footprints left behind by Shri Joshi in relation to his public service, activism in building the party, and the work efficiency displayed by him in acquitting himself well as a public servant will always be remembered."

- **Shri. B. S. Yedurappa**

Hon'ble Ex. Chief Minister, Govt. Of Karnataka  
And Member Of BJP Central Parliamentary Committee

"Under the dynamic leadership of Shri Narendra Modi government, Shri Pralhad Joshi, as the Union Minister for Parliamentary Affairs, Coal, and Mines, has been performing exceptionally well, bringing laurels to our Karnataka State and becoming a role model for the younger generation. Shri Pralhad Joshi, as the president of the BJP State unit, demonstrated excellent organizing skills and a commitment to transforming concepts into reality. His keen interest in national issues, relentless efforts, activism in strengthening

the party, and professional wisdom in discharging his responsibilities are milestones and indelible footprints explicitly imprinted on the path of the party's progress. He was among the first to advocate for the cause of the National flag. Despite being a Union Minister, Shri Pralhad Joshi shows utmost concern towards safeguarding the interests and development of the state, clearly demonstrating his special care for the state and his capable representation of it at the national level."

- **Shri. Vijayendra Yediyurappa**

Hon'ble President,  
BJP Karnataka State.

## A PARAGON OF HUMILITY AND SIMPLICITY

Shri Pralhad Joshi, Honourable Union Minister for Parliamentary Affairs, Coal, and Mines, stands out among distinguished personalities for his year round tireless dedication. While upholding professional transparency in all his endeavors, he devotes every moment to sustainable work development, efficient administration, addressing public grievances, and ultimately achieving his political vision.

## MANAGING THE UNION MINISTRY OF PARLIAMENTARY AFFAIRS

Shri Pralhad Joshi, the Union Minister of Parliamentary Affairs, spends more than 100 days a year in Parliament, the sanctum sanctorum of democracy, engaged in preparatory work related to the monsoon, winter, and budget sessions, business of the houses, proceedings, passing of bills, amendments, etc. During this period, he works with dexterity, soberness, and mental agility, sometimes under difficult circumstances, regardless of day or night.

It is an arduous task for the Minister of Parliamentary Affairs to lead the houses and conduct the business in a harmonious environment. This requires maintaining cordial relations and rapport with the Honourable President, Vice President, Speaker of the Lower House, Prime Minister, Governors, Members of the Union Cabinet, Opposition Leaders of the houses, Chief Ministers of states, and Leaders of political parties at various levels, coming from different political backgrounds, while upholding discipline and culture. Nonetheless, Shri Pralhad Joshi has emerged victorious through his professional acumen and amiable conduct. His efforts have doubled the dignity of the Ministry of Parliamentary Affairs.

Being a Parliamentary Affairs Minister, Shri Pralhad Joshi has participated in various meetings, including the Business Advisory Committee of both the upper and lower houses, Joint Parliamentary Committee, Rules Committee, meetings with leaders and all-party leaders, and interactions with foreign parliamentarians, totaling 206 meetings during the 17th Lok Sabha period. In addition, while Parliament was in session, he engaged in meetings with prominent ministers. Apart from this, he not only presented ten bills and addressed both houses on these ten bills pertaining to the Department of Coal and Mines but also obtained the necessary approvals from both houses. Furthermore, he has responded to 86 and 89 starred questions, and 849 and 871 unstarred questions in the Lok Sabha and Rajya Sabha, respectively.

Being a parliamentary affairs minister Shri. Pralhad Joshi has participated in varied meetings like Business Advisory Committee of upper and lower house, Joint Parliamentary Committee, Rules Committee, leaders and all party leaders, foreign parliamentarian etc all put together in 206 meetings during 17th Loka Sabha period. In addition while the parliament was in sessions involve himself in the meetings with the prominent ministers. Apart from this he has not only Presented ten bills and addressed both the houses on these ten bills pertaining to the department of Coal and Mines but also got the necessary approvals from both the houses. Besides he has answered to 86 and 89 starred questions 849 and 871 unstarred questions of Loka Sabha and Rajya Sabha respectively.

## THE PERFORMANCE OF SELF-RELIANCE IN COAL PRODUCTION

The responsibility shouldered by the important Coal and Mines department has led to increased involvement in the work. Coal, an indispensable source of energy, plays a pivotal role in transforming the nation into a progressive country. By catering to the increased demand for fuel energy, his professional approach and work efficiency have not only enhanced the responsibility of power supply but also increased the dependency on coal-based energy to over 70%. This has enabled the provision of daily utility electric power supply to every

household and industrial unit round the clock through coal itself.

Under the able leadership and guidance of Shri Pralhad Joshi, and his broad vision, coal production reached one billion tonnes in the year 2023-24, marking a historic achievement. This significant achievement will be immensely helpful for the nation, which aims to double its fuel supply by 2030, when India is projected to emerge as the third global economic power. The Coal and Mines sector is poised to become a boon for the economic status of the nation and achieve self-sufficiency in coal production by 2025-26, thereby providing job opportunities for lakhs of people.

## EXPLORATION AND PRODUCTION OF CRITICAL MINERALS

It is truly praiseworthy to note the discovery of lithium and graphite minerals, which are crucial in the manufacturing of electric vehicles, solar panels, wind energy production, and electric cells. These discoveries will serve as alternative energy sources, reducing future dependence on fossil fuel energy.

During Shri Pralhad Joshi's tenure as the Minister of Coal and Mines, a groundbreaking initiative was undertaken in the history of the Department of Mines regarding the public auction of critical minerals. This initiative included the creation of a New Mining Act through simplification in the last monsoon session, provision for private participation in the exploration and production of critical minerals, and the total transformation of the nation into a resourceful country of renewable energy sources by 2070, with a target of achieving 50% by 2030. This has set India on a broad highway towards the utilization of alternative energy sources. The role of critical minerals is significantly beneficial for the progress and development of the nation's defense sector. A major task for the Department of Mines is to ensure the continuous supply of important minerals used in the production of crucial metals and minerals like bauxite, copper, manganese, zinc, limestone, steel, and aluminum. These

important metals and minerals are utilized in the production of various household items for daily use by the general public. This achievement has poised him to stand on tiptoe.

## OVERSEEING STATE ELECTIONS

Shri. Pralhad Joshi, having been groomed under the guidance of veterans and ascending from the grassroots level to the higher echelons of the party, is proficient in the art of political strategy. A prime example of his expertise is the 2022 assembly elections in Uttarakhand, where the Congress's efforts to unseat the BJP from power were unsuccessful. With his political acumen and prudence, Joshi managed to turn the tables, rendering the opposition's efforts futile.

Through his relentless efforts, he has successfully fortified the party's foundation by gaining the people's confidence. A notable instance is in Telangana, where the reins of power were held by the opposition party.

Joshi's mastery in politics and his ability to transform threats and challenges into opportunities are well recognized. The Rajasthan assembly elections serve as a testament to this ability. As the election in-charge for Rajasthan, he navigated the anti-incumbency wave against the political rival, the veteran and influential Shri. Ashok Gehlot, and successfully led the BJP to power, allowing the BJP's Lotus to bloom once again in the state.

## AN ABROGATION OF ARTICLE 370 OF THE COSTITUTION

On 5th August 2019, PM Shri Narendra Modi Central Government took a visionary and historic decision to abrogate Article 370 of the Constitution, which was granting special status to the state of Jammu and Kashmir.

The bill enabled the Central Government to reorganize the union territories of Jammu and Kashmir and Ladakh (without legislature). After the reorganization of the erstwhile Jammu and Kashmir State, the union territories of Jammu and Kashmir and Ladakh have been fully integrated into the mainstream of the nation. The bill seeks to amend the Jammu and Kashmir Reservation Act, 2004, and introduced the Jammu and Kashmir Reorganisation Act 2019 (Second Amendment). The Act provides 10% reservation in jobs and admissions in professional institutions to members of SC/STs and other socially and educationally backward classes.

## CONSTRUCTION OF NEW PARLIAMENT BUILDING UNDER THE CENTRAL VISTA PROJECT

On 28th May 2023, PM Shri Narendra Modi inaugurated the four-storied newly constructed parliament building under the Central Vista Project. The new parliament building has been constructed in keeping with the principles of ancient Indian Vastu scripture. From an administrative perspective, it is located in a very convenient place and encompasses the old parliament building, India Gate, Vijay Chowk, Vice President's building, National War Museum, Prime Minister's Office and residence, Secretariat building, Hyderabad House, Minister's quarters, and administrative offices as well.

The new building occupies an area of 65,000 sq meters, providing accommodation for 888 seats in the Lok Sabha and 384 seats in the Rajya Sabha, respectively. On the eve of its inauguration, PM Shri Narendra Modi installed a historical sacred scepter beside the speaker's chair that symbolizes the power transfer from the British and the beginning of an Amrit Kaal.

## UJJAIN MAHAKAL LOK CORRIDOR

Hundreds of years ago, Ujjain was known all over the nation as a premier center and propagator of knowledge and literature. Apart from this, it is a seat of religion of national stature. The Central Government, in the first stage, has already spent Rs 316 crore for the development of a 900-meter-long corridor against the planned estimate of Rs 856 crore.

“Among other prerequisites cultural richness of the country is a vital motivational factor to march ahead in the path of national progress. Having accorded priority to this component. It is always our endeavour to restore it's past religious and traditional grandeur.”

**-Shri. Narendra Modi**

## KASHI VISHWANATH CORRIDOR

The construction of the Kashi Vishwanath Corridor is the dream project of Prime Minister Shri Narendra Modi, aiming to re-establish the religious heritage of the holy city. With an expenditure estimate of Rs 800 crore, the pleasing corridor has been constructed on a spacious 50 hectares of land and directly connects the oldest holy temple with the bank of the sacred river Ganges. In the first stage of its implementation, Rs 339 crore has been spent on this account.

During the project work, more than 40 old temples were rediscovered and are being reinstalled in their respective places afresh. The centuries-long inconveniences faced by devotees and pilgrims due to passing through narrow lanes have been eliminated by constructing wider roads, giving direct access to the sanctum sanctorum of the principal deity, Shri Kashi Vishwanath.

## NATION FIRST

- G-20 Presidentship** – It is a matter of pride for the nation to assume the position of President for the G-20 nations. Having organized more than 200 meetings and conferences, an orientation has been given at the international level relating to Indian tradition, geographical, and historical places as well.
- Prachand Light Combat Helicopter** – Designed by HAL, it has been included in the inventory of the Indian Air Force for aerial operations.
- Operation Ajay** – Indian nationals suffering amidst the Israel-Hamas conflict have been rescued and repatriated.
- Operation Ganga** – 23,000 Indian students and nationals stuck in war-ravaged Ukraine have been rescued.
- Operation Dost** – 3,600 earthquake-affected people in Turkey have been rescued and helped by the Indian NDRF squads.
- Operation Caviery** – Indian and foreign nationals stranded in Sudan have been rescued through Indian aircraft and Navy ships.
- Agneepath Scheme** – The Agneepath Scheme was launched by the Government of India on 15th June 2018. The scheme envisages the recruitment of youth into the three services of the armed forces for the protection of the nation.
- Surgical Strike** – Surgical operations were carried out by the Indian military and air force to root out terror attacks from across the nation's border. Surgical strikes were conducted on 28th and 29th September 2016 on terror launch pads in Pakistan-occupied Kashmir, on 9th June 2018 in Myanmar, and on 26th September 2019 on the Pakistan military headquarters in Balakot, respectively.

## AS PART OF ECONOMIC GROWTH DIGITAL BANKING AND GST

- One Nation One Tax** GST Implementation.
- India's economic growth** was recorded 6.5% during 2023 and identified as world's fastest growing economy.
- DBT (Direct Benefit Transfer)** is a unique mechanism of the money transfer system introduced by the Government of India. Thanks to DBT, 4.2 crore fake ration cards and 4.11 crore fake LPG gas connections have been removed by the Department of Village Development.
- UPI (Unified Payments Interface)**, the world's largest instant digital inter-bank payment system, achieved Rs. 8,371 crores in transactions in 2023, accounting for 40% of the world's digital transactions.

## DIGITAL INDIA

01. **RuPay Card** – 70 Crore people use to do their routine financial business through RuPay cards in the country.
02. **Common Service Centres** – In India 5.21 lakh Common Service Centres are involved in delivering affidavits required for the routine works of the people.
03. **Kisan Rath** – 5.84 lakh farmers have registered their names under Kisan Rath Project.
04. **SBM MIS Application** – This electronic application has been useful in the construction of toilets and distribution of honorarium.

## ISRO SPACE PERFORMANCES

### VIKRAM CHANDRAYANA - 3 MISSION

India is the first nation in the world to achieve a successful landing of the lunar exploration mission, Chandrayaan-3, on the South Pole of the Moon. The landing point on the Moon has been named Shiv Shakti Point, and Tiranga Point for the footprints of Chandrayaan-2.

### ADITYA L - 1 MISSION

The objective of the mission is to study the solar upper atmosphere and understand the chromosphere and coronal dynamics of the Sun. The space mission also aims to establish an Indian Space Station by 2035 and to send a spacecraft to the Moon with an Indian astronaut by 2040.

## CRIMINALISATION OF TRIPAL TALAQ

To ensure safety and dignity of the Muslim Women Criminalisation of Triple Talaq Act has been passed in the Loka Sabha by majority of vote.

## GOLDEN ROAD NETWORK

Shri Atal Bihari Vajpayee is considered the architect and father of India's basic facilities. During his tenure as the Prime Minister of the country, he formulated the National Highway Development Programme based on an American model. Therefore, we celebrate his birthday on the 25th of December as National Good Governance Day. Honorable Shri Narendra Modi has been carrying forward the visionary vision of Shri Vajpayee regarding the construction of highways. Modi government has directed significant financial support to our Dharwad parliamentary constituency for the construction of the National Highway network. In the last decade, a substantial grant of **Rs. 11,564 Crore** has been made available by Modi government. As a result, my resolution to establish the Golden Road network has been realized.

## CONSTRUCTION OF HUBBALLI-HOSPETE NATIONAL HIGHWAY

Hubballi-Hospete National Highway has been upgraded from a two-lane to a four-lane highway. The **144 km** long road connecting Hubballi Ring Road, Dharwad-Hubballi bypass road, Annigeri-Gadag and Koppala bypass. The Modi government has allocated **Rs. 3,138.45 Crore** for this project, which facilitates the transportation of cargo to Belekeri port.

### AMENITIES AVAILABLE ON THE HIGHWAYS

- Truck Lay-by - **4**
- Bus Lay-by - **42**
- Shelters - **58**
- Travellers resting Shelters - **4**
- Main and Small Junctions - **211**
- Service Road Lenth - **7 Kms**
- Cross Road length - **25 Kms**

## HUBBALLI - HAVERI - DAVANGERE - CHITRADURGA NH-48 (OLD NH 4)

NH-48 is the lifeline of our Mid-Karnataka people and has facilitated the smooth conduct of journey for commuters from Davangere, Chitradurga, and Tumkur.

Our Modi government has allocated a planned outlay of **Rs. 6,764 crore** for the construction of a **215 km** long national highway.

### AMENITIES ALONG THE NATIONAL HIGHWAY

- Service Road - **60 kms**
- Main Transport Road - **63 kms**
- Truck Lay-by - **02**
- Main bridge - **01**
- Bus Stations - **46**
- Traveller's Resting Stations - **01**
- Small Bridges - **44**
- Under Pass Road - **19**

## HUBBALLI - DHARWAD BYPASS

While being a two-lane road, a large number of accidents would take place. Despite continuous appeals and mounting pressure on the then government, it was of no avail. Keeping road safety and pleasant journeys as the priority in road construction, Shri Narendra Modi Govt. has allocated **Rs. 1,050 Crore** funds towards the conversion of a **31 km** two-lane road into a six-lane road, along with both side two-lane service road totalling 10-lane road.

### MAIN FEATURES OF THE ROAD

- On either side of the main road by lane service road construction works are on.
- Railway overbridge-03.
- Underpass roads-13.

## HUBBALLI - VIJAYAPURA ROAD

From Navalgund, Belvatgi cross to Hubballi court circle, a **45 km** road widening development work has been completed with an expenditure of **Rs. 110 Crore**. Shri. Nitin Gadkari, the Hon'ble Minister of Road Transport, has been requested to upgrade the Hubballi-Vijayapura road to the status of express highway corridor road. This is expected to be accomplished in the coming days.

## HUBBALLI CITY QUADRILATERAL BYPASS ROAD CONSTRUCTION

In the outskirts of Hubballi City, a **20 km** bypass road has been constructed, connecting National Highway **218**, passing through National Highway 4, to NH 63. The central government has spent **Rs. 260 Crore** for this purpose.

### THE MAIN FEATURES OF THIS PROJECT

- Large over bridge - **01**
- Smaller bridge - **04**
- Under bridge - **04**
- Railway over bridge - **01**

## CONSTRUCTION FLYOVER AT HUBBALLI CHENNAMMA CIRCLE

To facilitate the smooth flow of traffic and prioritize the safety of commuters, construction work on the flyover at Chennamma Circle in Hubballi is ongoing. It will alleviate traffic congestion. With financial support of **Rs. 349 Crore** from the Central Government, the construction of a **3.9 km** long flyover has been undertaken.

## SADGURU SHRI. SIDDHAROODHA MATH

The main Chariot Road, which connects to the famous Shri Siddharoodha Math in Hubballi, a renowned pilgrimage center of North Karnataka, has been converted into a quadruplicate cement road. An expenditure of **Rs. 7.42 crore** has been incurred by the Central Government for this purpose. Cement work constructions on both sides of the Chariot Road, drainage laying for pedestrian footpaths, and beautification of the road with electrification will be undertaken.

## A REWARD TO AND FULFILMENT OF THE LONG-AWAITED DESIRE OF NAVALAGUND PEOPLE

To alleviate the traffic congestion caused by Navalagund-Nargund National Highway 52 passing through Navalagund city, permission has been granted by the central government for the construction of a bypass lane, with a planned outlay of **Rs. 412 Crore**.

The financial support by Modi's Govt. at the centre last ten years is the positive response to my resolution for developing my constituency.

**5.62 km** four-lane CC road has been constructed from Dharwad Jubilee Circle to Narendra bypass with the financial assistance of **Rs. 71 Crore** by the Central Govt.

On similar lines **2.5 km**, a quadrilateral cc road has been constructed from Hubballi Bankapur crosses up to Rani Chennamma circle with an expenditure of **Rs. 39 Crore** by the Central Govt.

From the Tadas cross at Kalghatagi outskirts up to city main road at Annigeri petrol pump **4 Kms four lane** CC road been constructed with the Central Govt. Financial assistance of **Rs. 50.24 crore**.

From the Tadas cross at Kalghatagi outskirts passing through Dastikoppa up to Dharwad cross a **2.5 Kms long four lane** CC road and has been completed with the financial grant of **Rs. 24.92** Crore by the Central Govt.

A **major bridge** has been constructed for the Nala running in between the roads.

From Anchatageri of Hubballi up to Kalghatagi National Highway, **63** four-lane CC road construction work has been completed with the expenditure of **Rs. 14 Crore** by the Central Govt.

From Hubballi Anchatageri bypass cross to Hubballi Chennamma circle with the financial grant to the extent of **Rs. 109 Crore** by the Central Govt. **13.4 km** four lane CC road has been completed.

From Kittur Chennamma Circle to Gadag Road Railway Bridge with the **Rs. 89 Crore** Financial grant by Central Govt. 4 lane CC Road, CC Drain and Pedestrian Path have been completed.

In a decade of **Shri. Narendra Modi's** Central Govt. administration the construction works being undertaken under Central Road Fund (C R F) are a positive response to my resolution

Bidnal - Kundgol 10 Kms long Road has been developed under a CRF grant of **Rs. 4.81 Crore**

Beedi - Belvanki - Kotbagi - Uppinbetageri 5 kms long Road has been developed under a CRF grant of **Rs. 3.04 Crore**

From State highway-4 to Timmasagar Village 10 kms long road has been developed under CRF grant of **Rs. 2.06 Crore**

Hubballi Kusugal Village - Byahatti **5 kms** long road construction work has been completed Under a CRF grant with an expenditure of **Rs. 4.96 Crore.**

From Hubballi Desai circle to Kusugal Road 4 Kms long road, along with CC Drain and pedestrian path has been developed under CRF grants of **Rs. 40 Crore.**

From Sarvodya Circle Hubballi to Kusugal 10 kms a long road, along with CC Drain, Electric light and Pedestrian Path has been developed under CRF grants of **Rs. 4.81 Crore.**

From Keshwapur Hubballi to Sulla village road construction work has been developed with an expenditure of **Rs. 7.15 Crore.**

Noolvi-Belgali-Kardikoppa-Kurdikeri road construction work has been developed with an expenditure of **Rs. 6.83 Crore.**

Tabakadahonnihalli-Hunshikatti-Bidargaddi-Astakatti-Hirehonnihalli 22 kms long road construction work has been developed with the expenditure of **Rs. 5.06 Crore.**

Chalamatti to Banadur 22 kms long road construction work has been developed with an expenditure of **Rs. 3.0 Crore.**

Arlikatti-Yelival road on behalf of K.N.N.L road construction work has been developed with the expenditure of **Rs. 4.81 Crore.**

---

Navalgund-Annigeri Road construction work has been developed with an expenditure of **Rs. 3.42 Crore.**

---

Dharwad Jayanagar cross to Post Office road construction work has been developed with an expenditure of **Rs. 5.25 Crore.**

---

Amminbhavi-Amargol road construction work has been developed with an expenditure of **Rs. 1.87 Crore.**

---

---

39 road construction works coming in the purview of the Shiggaon- Savnur assembly constituency road construction work has been developed by Karnataka Niravari Nigama Ltd with the expenditure of **Rs. 30 Crore.**

---

Hubballi National High Way-63, road development from railway station to Sainagar-Unkal pond and Keshwapur-Nagashettikoppa-Khadi Gramodyoga-Gopankoppa-Gangubai Hangal Gurukula - 7 Kms long road has been constructed with an expenditure of **Rs. 6.93 Crore.**

---

Road development from Indi pump Hubballi to Unkal, and Tatwadarsha Hospital - Shriur Park 6 km long road construction work has been constructed with the expenditure of **Rs. 31.22 Crore.**

---

Tarihal-Dharwad 9 km long road has been constructed with the expenditure of **Rs 3.11 Crore.**

From Hubballi Chennamma circle up to Deshpande Nagar and Neelijin Road 2 Kms long CC road has been developed with an expenditure of **Rs. 3.65 Crore**

From Hubballi Kamaripet police station up to Unkal Cross CC road has been developed with an expenditure of **Rs. 9.87 crore**

The particulars of Road development work National Highway 48 through Lokur- Narendra-Mangalagatti - **Rs. 1.01 Crore.**

From Dharwad Toll-naka up to Nuggikeri 5 kms long CC road has been under development with an expenditure of **Rs. 40 Crore.**

Road development from Dharwad Gandhi Chowk up to Tahasildar Office 1.4 kms long CC road construction work from Medar Oni through Line Bazar up to Sangam circle, with the expenditure of **Rs. 12.38 Crore.**

## PRADHAN MANTRI GRAM SADAK YOJANA

From Kurvinkoppa upto Mishrikoti

NH-48 from Kotur to Garag- upto Tadkod

From Mangundi to Nigadi

Pradhan Mantri Gram Sadak Yojana is a fully financed and fully sponsored program aimed at providing all-weather road connectivity to rural areas. This scheme has been introduced by our government with the purpose of ensuring job opportunities for rural people and providing basic amenities.

Across my Parliamentary constituency, out of the targeted **223 kms** of road, the construction of **175.58 kms** has been completed so far. The Modi government has allocated **Rs. 126.26 Crore** for this program.

## SCHEMES IMPLEMENTED FOR THE BETTERMENT OF OUR FARMERS

The majority of the Indian population's livelihood is solely dependent on agriculture, and thereby, undoubtedly, the farmer has become the backbone of our country. No scientist is equal to a farmer in terms of practical aspects of agriculture and geographical knowledge.

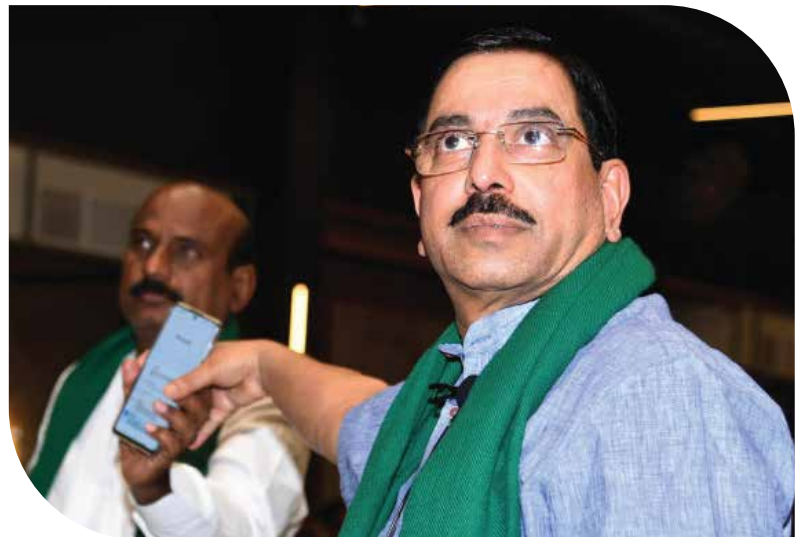

Honorable Prime Minister Shri. Narendra Modi large number of popular and people-friendly agriculture-related programs are being implemented in my parliamentary constituency.

*"The sustainable development of agriculture in the country is the only means to the prosperity of the nation through the welfare of the farmer."*

## PRADHANA MANTRI KISAN SAMMAN NIDHI YOJANA

**Rs. 447 Crore**

Honorable PM Shri Narendra Modi, on 24-02-2019, launched the program to provide financial support to a farmer and his family. Annually, **Rs. 6,000** financial support is extended to each farmer.

In my Dharwad Parliamentary constituency, more than a lakh farmers have been financially benefited to the extent of **Rs. 447 Crore** under this program.

## PRADHAN MANTRI PHASAL BIMA YOJANA

This scheme has been introduced since the year 2016 to help financially distressed farmers who sustain unanticipated crop damage or losses. Being a voluntary insurance scheme, farmers who grow agricultural and horticultural crops can secure insurance coverage under this scheme for crops grown during both the rabi and summer periods. Revised Weather-based Crop Insurance has been separated from this scheme. It is optional for farmers who do not avail of loan facilities.

Modi government has credited an insurance claim amount of **Rs. 1,239.35 Crore** under this scheme through **9,47,516 farmer's** accounts in the Dharwad parliamentary constituency.

## PRADHAN MANTRI BHARTIYA JAN URVARAK PARIYOJANA

Under the "**One Nation – One Fertilizer Scheme,**" all types of subsidized fertilizers are being marketed under one brand name 'Bharath'. This will eliminate the black market and ensure the availability of quality fertilizers at affordable prices to the farmers. So far, **3.27 lakh** metric tonnes of fertilizer have been distributed in the Dharwad Lok Sabha constituency, for which the Modi government has given a subsidy of **Rs. 620 Crore.**

## NATIONAL MISSION ON EDIBLE OILS

During 2020-21, India imported **133.5 lakh** tonnes of edible oils from other countries, of which the component of palm oil works out to **56%**. Modi government established the National Mission on Edible Oils in the country. This mission aimed to increase the indigenous availability of edible oil and also to reduce the burden of import. In my parliamentary constituency, to enhance the production of oil seeds under agriculture and horticulture crops, **Rs. 8 Crore** has been disbursed to **25,000 farmers** in the form of subsidy.

## NATIONAL HORTICULTURE MISSION

The development of horticulture and increasing the production of all varieties of horticulture crops (fruits, vegetables, flowers, spices, and medicinal plants) is the utmost priority of Modi government. Farmers can avail basic facilities under this scheme for individual farm ponds, community farm ponds, poly houses, pack houses, greenhouses, shelter curtains, onion storage units, fruit ripening units, seed processing, etc. In Dharwad parliamentary constituency, around **7,241 farmers** have benefited under this scheme, with **Rs. 13.56 Crores** spent by the Central Government on this account.

## — NATIONAL FOOD SECURITY MISSION —

The central government has launched the National Food Security Mission in the country with the aim of increasing the production of food grains such as rice, wheat, and pulses. The mission is being carried out under the slogan of "**Kisan Ki Unnati Desh Ki Pragati.**" In my parliamentary constituency, a total of **Rs. 64.36 Crore** has been disbursed as subsidy through the accounts of **6,20,070** farmers.

## — RASHTRIYA KRISHI VIKAS YOJANA —

The important purpose of this scheme is to develop agriculture into an economically viable proposition, to boost animal husbandry and dairy farming activities, and also to provide profitable prices to the farmers. Under this scheme, there is a provision for farmers to benefit from the improvement of horticulture, handling of natural resources, soil nutrition, organic manure, organic agriculture, and mechanization of agriculture. In my parliamentary constituency, so far, **5,735 farmers** have availed financial support to the tune of **Rs. 5.99 Crore.**

## NATIONAL AGRICULTURAL EXTENSION AND EQUIPMENT SUB PROGRAMME

To improve the condition of small and micro farmers as well as to mechanize the agriculture sector, this scheme is implemented by Hon'ble Modi government for farmers to adopt modern technology. A total of **Rs. 33.89 Crore** of Central Govt. funds was given to **22,998 farmers** of Dharwad Lok Sabha constituency. Additionally, a total of **Rs. 64.36 Crore** has been released to **6,20,070 farmer's** accounts.

## PRADHAN MANTRI GARIB KALYAN YOJANA

Under the "One Nation One Ration" scheme that supplies free food grains to the poor, this project is part of the 'Atmanirbhar Bharath' scheme. The Central Government provides free food grains of **5 kg** to every member of each BPL and Antyodaya cardholder every month.

In Dharwad Lok Sabha constituency, under this scheme, a total of **5,32,354** families have been provided free food grains in 48 months since the scheme was implemented. A total of **Rs. 1,524.18 Crore** has been spent by Modi government.

## PRADHAN MANTRI JEEVAN JYOTI BIMA YOJANA

This insurance yojana was launched in 2015 by the central government. The scheme is yearly renewable and provides death coverage for the beneficiary. This scheme aims to enhance the spirit of inclusive growth among the poor and the backward classes with the vision of "**Sab Ka Sath, Sab Ka Vikas**".

A total of **5,50,149** beneficiaries in the Dharwad Lok Sabha constituency have been insured under the scheme.

## PRADHAN MANTRI SURAKSHA BIMA YOJANA

This is a very good insurance scheme that provides a year of protection against personal accidents and disability.

So far, a total of **13,81,654** beneficiaries have availed benefits under this scheme in the Dharwad parliamentary constituency.

## ATAL PENSION SCHEME

Atal Pension Yojana

The Atal Pension Scheme aims to ensure constant and regular income for all senior citizens of the country who are above 60 years old. The subscribers to this scheme have to contribute regularly the prescribed amount until they reach the age of **60 years**.

Upon reaching **60 years** old, they will become eligible to receive a monthly minimum pension of Rs. 1,000 or Rs. 2,000, as the case may be. So far, in my Lok Sabha Constituency, **1,46,121** subscribers have attained eligibility to receive a pension under this scheme.

## PRADHANA MANTRI JANA DHAN SCHEME

It is an ambitious scheme of Hon'ble Shri. Narendra Modi, launched in 2014 based on the slogan "**Mera Khata Mera Bhagya Vidhata.**" A person can open a bank account under this scheme with zero balance. In the country as a whole, in 2015, **17.9 crore** account holders under this scheme could scale up to **28.35 crore** accounts by 2022, exhibiting the popularity of the scheme.

In the Dharwad Parliamentary constituency, a total of **10.35 lakh** accounts have been opened under the Jan Dhan Scheme, of which **5,73,639** are women account holders, constituting **55%** of the total.

## PRADHANA MANTRI KRISHI SINCHAI YOJANA

To encourage the farmers towards adopting new techniques in agriculture to produce higher yields with the utilization of limited resources, Modi government has introduced the Pradhan Mantri Krishi Sinchai Yojana. The purpose of this program is to give higher priority to water conservation and its management. In my Parliamentary constituency, so far **Rs. 83.5 Crore** has benefited farmers under this scheme.

## RAINFED AREA DEVELOPMENT PROGRAMME (AGRICULTURE DEPT.)

For rainfed area soil testing and soil health-based nutritional management and to develop agricultural lands, the Central Government has introduced this scheme.

In my parliamentary constituency, so far, **461** farmers have benefited to the extent of **Rs. 114 crore** under this program.

## VACCINATION FOR FOOT AND MOUTH DISEASES

In my Dharwad Parliamentary Constituency, with the cooperation of the Central Government over the last **9 years**, a total of **33.11 million** vaccinations have been administered to protect animals against foot and mouth diseases.

## NEW VETERINARY HOSPITALS

There was a lack of furnished buildings for the treatment of livestock in the rural area of Dharwad Parliamentary Constituency. Being aware of this, a total of **49 veterinary** hospitals have been constructed with an outlay of **Rs. 14.56 Crore.**

Under C.S.R. activities, Kundagol town Taluka Veterinary Hospital has been constructed with an expenditure of **Rs. 9,870 Lakhs,** providing a well-equipped modern building.

## SOIL HEALTH CARD

This scheme was initiated from 2014-15. In Dharwad Lok Sabha Constituency total **56,486** soil samples were collected among **56,493** samples that have been analysed and a total of **3,43,479** soil health cards were issued to the farmers.

## INTERNATIONAL YEAR OF MILLETS 2023

India highlighted the importance of millets at the United Nations and with the support of **72 countries,** the UN declared the year 2023 as the International Year of Millets.

## KISAN CREDIT CARD

**1,28,000** farmers in the Dharwad Lok Sabha Constituency have Kisan Credit Cards, which aim to provide credit facilities to farmers.

## SOUTH WESTERN RAILWAY REGION

One among the 17 regions of the Indian Railways South Western Railway Region covers almost every part of Karnataka State.

As regards the allocation of grants towards the development of South Western Railways there is a significant difference between grants given by the former UPA Government and that of Shri. Modi's Govt. in the last **Ten Years**.

In **2023** budgetary sanctions out of total **Rs. 9,200 Crore** allocations towards South Western Railways, **Rs. 7,561** the major pie was available for Karnataka.

During the regime of the UPA government from **2009 to 2014**, the annual average allocation of funds towards South Western Railways was **Rs. 835 Crore**.

Whereas during the period from **2014 to 2022**, the annual average allocation of grants by the BJP Government was **Rs. 3,424 Crore**.

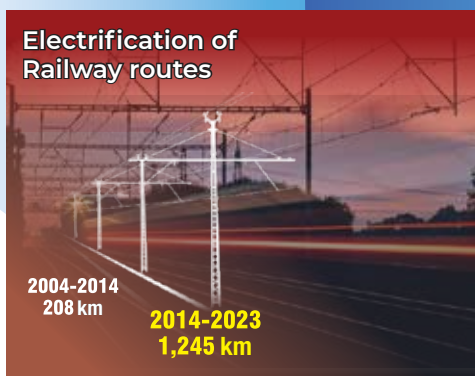

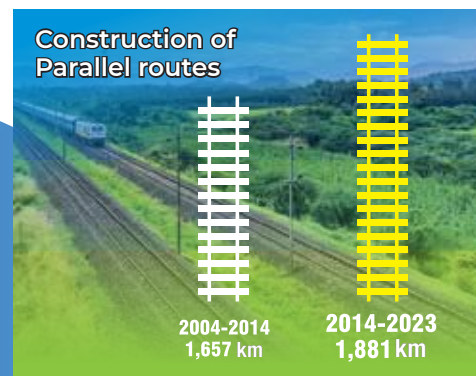

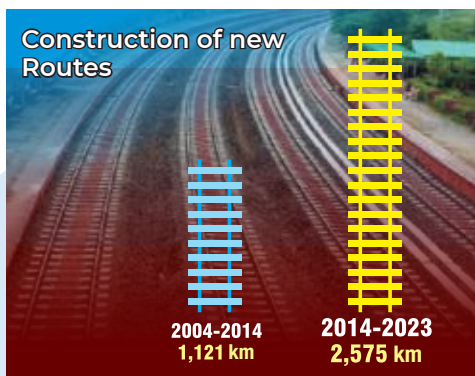

## HUBBALLI RAILWAY STATION IS NAMED AFTER SHRI. SIDDHAROODHA SWAMIJI

Measuring **1,505 meters** in length, the Hubballi Railway station platform is acclaimed as the longest platform globally. The Hubballi Railway Station has been named after Shri. Siddhartharoodha Swamiji. It has been upgraded to world standards by spending **Rs. 115 Crores** on its modernization and beautification.

SCAN TO WATCH VIDEO

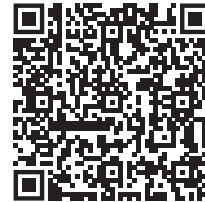

In contrast to the total expenditure of **Rs. 8,913 Crore** towards the development of the Hubballi South-Western Railway region by the UPA Govt. during the period from **2004 to 2014**, one can witness the magnificent contributions of Shri. 's central Govt. allocation of **Rs. 32,753 Crores** during the period from **2014 to 2023**.

## THE VANDE BHARATH TRAIN FACILITY

∨ SCAN TO WATCH ∨  
VIDEO

Vande Bharat, the nation's prestigious railway, runs at **150 km/h**. The train, built with the latest technology, now operates daily between Dharwad and Bengaluru. It stands as a proud gift from the Modi Government to the people of this area.

## NEW ENTRANCE GATE TO HUBBALLI RAILWAY STATION

The first entrance gate of Hubballi Railway Station was developed with expenditures of **Rs. 39.9 Crore**. The second entrance gate was developed with **Rs. 3.35 Crore**, and the third entrance gate was developed with an expenditure of **Rs. 115 Crore**.

## MODERN STATION OF RAILWAY STATION

In an expenditure of **Rs. 20 Crore** furnished with the latest available facilities and the renovation works of Railway Stations have been completed with high success radiating the literary and cultural beauty of Dharwad and they have been appreciated by all the people.

In an expenditure of **Rs. 17.2 Crore** under an **Amrut Bharath Nildan Yojana**, the Railway Station development work at Alnavar is in progress.

Unkal-Navlur Railway stations have been redesigned free from air pollution and environmentally friendly. The development works at Unkal Railway Station and the construction of the platform at Kumbarganvi Railway Station have been completed by spending **Rs. 1.09** and **1.67 Crore** respectively.

## CONSTRUCTION OF NEW PARALLEL ROUTE

**198 kms** long the Hubballi-Chikkajajur connecting Parallel route has been developed with a plan outlay of **Rs. 1,800 Crore**.

The long awaited dream of constructing the Hubballi-Dharwad Railway parallel route has been materialised.

**245 kms** long occupied Hospet Tinai Ghat parallel route has been developed with an expenditure of **Rs. 1,812 Crore.**

## DHARWAD- BELAGAVI RAILWAY ROUTE

The Central Govt. has accorded a sanction and released **Rs. 927 Crore** funds toward the laying of the long demand Dharwad-Kittur-Belagavi new Railway line.

## CONSTRUCTION OF RAILWAY BYPASS

A **10.3 kms** long exclusively new Bypass Railway line has been constructed between Kusugal Station to Amargol to free Hubballi Railway station from the congestion of Railway Goods carriages with an expenditure of **Rs. 130 Crores.**

## ELECTRIFICATION OF RAILWAY ROUTES

The Electrification work of the **342 kms** long Hospete-Vasco Railway route with an expenditure of **Rs. 744 Crore** has been completed. The special feature of electrification work is that this was scheduled, completed and inaugurated during the tenure of Hon'ble PM Modi.

## CONSTRUCTION OF RAILWAY OVERBRIDGES

Catering to the long demand of the rural people for the construction of over and under bridges at Unkal, Sainagar, Dharwad, Karjagi, Hubballi-Dharwad, Mugad, Saunshi and Kundgol Railway Stations have now been materialised with the financial assistance of the Central Govt.

## HUBBALLI AIRPORT

During this modern era travelling by air is one of the essential thing. Viewing this changes Central Govt. has supported financially in order to modernize the Hubballi Airport.

Our Hubballi Airport has been acclaimed as the first green airport in our state. This achievement is possible thanks to the admirable efforts of PM Shri. Narendra Modi. A well-furnished airport has been established in Hubballi with an expenditure of **Rs. 160 Crore**. The airport area is set to be extended to **15,950 sq. mtr**. Additionally, a grant of **Rs. 340.47 Crore** has been released to upgrade the Hubballi Airport to international standards, enabling it to accommodate **2,400** passengers at a time.

## COMMENCEMENT OF CARGO TERMINAL

The Cargo Terminal construction work at Hubballi Airport with the grant of **Rs. 60.6 Crore** from the Central Government assistance is in progress. In addition, a provision is also envisaged to set up a **Pilot Training Centre at the Airport**.

## THE BEGINNING OF DIRECT FLIGHT SERVICES FROM HUBBALLI TO THE NATION'S CAPITAL, NEW DELHI.

Commencing of the Direct Indigo Air Services from Hubballi to the nation's capital New Delhi is a matter of pride for all of us, besides commuting to the major cities of the country.

## AS PART OF WOMAN EMPOWERMENT FREE TAILORING WORKSHOP AND DISTRIBUTION OF SEWING MACHINES

In my Parliamentary constituency to equip women folk with tailoring skills, **8 Skill Development Centres** have been set up and also provided each trained woman with a tailoring machine.

So far **5,780 Individual Women** have been trained under the Fashion Designing course and also furnished with a sewing machine.

## NATIONAL URBAN LIVELIHOOD MISSION (NULM)

In the urban area of my Dharwad parliamentary constituency **1,743** Self Help groups have been provided with credit support, along with necessary training input for self employment.

The loans sanctioned, disbursed and revolving under the project are **Rs. 60 Crore** and **Rs. 43.17 Crore** respectively.

## NATIONAL RURAL LIVELIHOOD MISSION (NRLM)

The National Rural Livelihood Mission is the dream project of Shri. Narendra Modi to empower the rural women for self employment with the micro financial support through Self Help Groups.

The Scheme envisages the aggregation of the SHG's at the village Panchayat level to form into cluster groups called Sanjeevani, encouragement for self employment, provision for marketing of the products created by these cluster groups and extending subsidy.

In Dharwad parliamentary constituency  
Total SHG's **7,057**, Total members of the groups **84,187**  
Total subsidy released **Rs. 31.42 Crore.**

## STAND UP INDIA SCHEME

As a benevolent gesture toward women's empowerment, the Finance Dept. of the Central Govt has introduced the Stand-Up India scheme to set up industrial units by women entrepreneurs and the youth belonging to the SC/ST category. It is a novel scheme initially extending the credit support ranging from **10 lakh to 10 million.**

In Dharwad parliamentary Constituency total of **Rs. 67.11 Crore** fund has been released towards **307 beneficiaries.**

## PRADHANA MANTRA MATRU VANDANA SCHEME

The very purpose of launching the Pradhana Mantri Matru Vandana Scheme is to ensure improvement in the health condition of pregnant women. During the period of pregnancy total of **Rs. 5,000** per woman is released in three installments.

First installment of **Rs. 1,000/-** after the fifth month of conception. The second installment is **Rs. 2,000/-** on medical check ups for necessary vaccinations and the last installment of **Rs. 2,000/-** production of a B.C.G instilled certificate of the child born. If the female baby is delivered an additional amount of **Rs. 1,000/-** will be given as a special incentive.

In Dharwad, a Parliamentary Constituency total of **34.15 Crores** has been released towards **1,90,191** women beneficiaries.

## POSHAN ABHIYAN

To overcome the malnutrition and nutritional problems affecting children, adolescent girls pregnant women and lactating mothers of the country, the Central Govt. has come out with the **Poshan Abhiyan Scheme**. It reflects the care and concerns of the Central Govt. and especially that of Shri. Narendra Modi towards achieving improvement in key nutrition parameters.

In Dharwad Parliamentary constituency **1,24,116** persons have benefited under this scheme to the extent of **Rs. 1.33 Crore**

## SUKANYA SAMRIDDHI SCHEME

The noble purpose behind launching the Sukanya Samriddhi Scheme by the Central Govt., a priority initiative of Shri. Narendra Modi, is to empower the women's community.

Parents, upon the birth of their female child, begin to invest their savings in this scheme. By the **15<sup>th</sup> year** of the girl, they can provide a bountiful gift to their daughter. Under the Sukanya Samriddhi Scheme, one can contribute until the **14<sup>th</sup> year** of the female child. Upon completion of the **18<sup>th</sup> year**, the parents can withdraw **50%** of the maturity amount assured under the scheme, with the remaining **50%** available upon the girl's attainment of the **21<sup>st</sup> year**. Alternatively, the entire maturity sum, along with the accumulated interest, can be obtained in a lump sum upon the girl's **21<sup>st</sup> year**.

In the Dharwad Parliamentary constituency, a total of **19,402** parents have participated in the scheme.

## PRADHAN MANTRI UJJWAL YOJANA (PMUY SCHEME)

Another step towards women's empowerment

With the noble purpose of safeguarding the health of rural mothers and providing them with clean fuel, the Shri. Narendra Modi Government, with the tagline '**Swachha Indhan Behtar Jeevan,**' has launched the PMUY scheme.

In the Dharwad Parliamentary constituency, in the first phase, **94,743** connections were provided, and in the second stage, **11,314** connections were given, totaling **1,06,057 LPG** gas cylinder connections under the scheme. Additionally, under CSR activities with an expenditure of **Rs. 22 lakh**, **2,000** beneficiaries have been provided with cooking ovens.

## MODI'S CONCERN TOWARDS MOTHERS ( JANANI SURAKSHA AND MATHRU PURNA )

After 2014, Shri. Narendra Modi's Government at the centre has been striving hard towards the care and safety of the health of pregnant and lactating mothers. Janani Suraksha and Mathru Purna are special schemes of the Central Government that take care of the safety of pregnant and lactating mothers during the pre and post-delivery period. The specialty of these schemes lies in their successful implementation, ensuring that the benefits reach the beneficiaries directly.

The motto of the Pradhan Mantri Suraksha Scheme is to ensure and maintain constant check-ups on the health and safety of pregnant women and lactating mothers, providing them with delivery allowances as well.

In our Dharwad parliamentary constituency, **1,29,403** mothers have been provided with delivery allowances totaling **Rs. 8.57 Crore**.

Pradhan Mantri Mathru Purna Scheme aims at providing nutritional supplements to pregnant mothers for the healthy growth of the child in the womb

## — A BEGINNING OF AN ERA OF TECHNOLOGY —

A harbinger of transformation, PM Shri. Narendra Modi, sharing his perspective. One can witness that transformation is taking place in all spheres of activity in the country. By allocating a stream of grants towards the educational sector for various projects and their implementation, the scenery of the country has been transformed. The nation's pride and prestigious educational institutions like the Indian Institutes of Technology (IIT) and Indian Institutes of Information Technology (IIIT) have begun functioning in our Dharwad parliamentary constituency. Both IIT and IIIT have been located on the outskirts of Dharwad city, spanning a spacious **470 acres** and **60 acres** of land with investments of **Rs. 852 Crore** and **Rs. 120 Crore** respectively.

*On the establishment of these two institutions at Dharwad, they have imprinted the name of our Karnataka state not only on the Educational Lokasabha Constituency, but also in the circle of educational institutions of the country as a whole. The children of our constituency need not go to a far place seeking higher education. Educationally now we are fully empowered.*

## — NATIONAL FORENSIC SCIENCE UNIVERSITY —

Till now, we used to rely on remote forensic science institutes for the detection of criminal cases. Now, the National University of Forensic Science in the Dharwad Lok Sabha Constituency has also started functioning on Dharwad's Valmee campus. Already, **48 acres** of land in the Agricultural University has been earmarked for the Forensic Science University. In a few months, this university will have its own building and start various classes and training courses for government department officials and the public in crime detection.

## SMART CLASSES

This is an era of smartness. Under the influence of technology during Modi tenure, India has become smart and speedy. While smart room classes were previously limited to privately run institutions, they can now be seen in government schools in our Dharwad Parliamentary constituency. In collaboration with several companies in our Dharwad Parliamentary constituency, with an expenditure of **Rs. 3.56 Crore, 158** government schools have already been furnished with smart classroom facilities.

## DISTRIBUTION OF LAPTOP AND COMPUTERS TO SCHOOLS AND COLLEGES

The usage of computers in the field of education is so intertwined that their utility has become an indispensable part of day-to-day functioning. To keep pace with the changing times and for the overall development of children, computers have been distributed to the Government Primary Schools, Higher Education Schools, and premier degree Colleges within the ambit of the Dharwad parliamentary constituency.

To equip students with the necessary preparatory materials for their final examinations, every SSLC student of the Government Schools falling under the purview of the Dharwad Parliamentary constituency has been provided with the 'Kashyap' examination guide. Additionally, it is ensured that government libraries are furnished with **10,000** Competitive Examination Preparatory books.

On Account of Shri. Modi's government's initiation of educational transformation has been noticed in the lives of students and so also our projects are the illuminating lights on their path of progress.

## DISTRIBUTION OF DESKS TO SCHOOL AND COLLEGES

A decade ago, our government-run schools lacked several basic learning facilities, such as classrooms, dilapidated buildings, and a shortage of desks. Measures have now been initiated to overcome these hurdles.

To my dismay, I observed that children in government schools were learning while sitting on the floor. Committed to fulfilling my promise that no student should be made to sit on the floor, with the cooperation of several companies, **21,600 desks** have been distributed to schools. As a result, **94,800** students are now enjoying these facilities, and permission has also been granted for an additional supply of **10,000 desks**, which will fulfill the needs of government schools.

*Thus, the cherished educational dreams of Shri. Narendra Modi is being materialised in my parliamentary constituency.*

## CONSTRUCTION OF MODERN TOILETS

It is indeed heartening to note that our Dharwad parliamentary constituency is a step ahead of others in promoting environmental cleanliness and air purity.

The development of basic facilities in government schools has been progressing rapidly. Under the Swachh Bharat Mission, the construction of toilets has been underway in every village. Similarly, in line with this initiative, toilet facilities have been provided at **282 centers** in government schools and colleges across our Dharwad Parliamentary Constituency. This has been made possible through the cooperation of several companies, with an expenditure of **Rs. 8.89 Crore**, for the benefit of the children.

Mahatma Gandhiji had a dream of Swachh Bharat the sapling of which having watered; been fostered into a fully grown plant by Modi's Central Govt. As a result, the environment is prevailing all over the country.

## CONSTRUCTION OF 1,110 NEW SCHOOL ROOMS

In our Dharwad Parliamentary constituency, many government schools have been lacking in accommodation facilities. To address this issue, **634** new school rooms have been constructed with the cooperation of several companies and under the RIDF scheme. Additionally, construction works for an additional **476** school rooms are underway through the National Medium Education Campaign and Vivek Scheme, also with the assistance of companies.

Upon completion of these works in the next four months, they will significantly contribute to the educational growth in our Dharwad Parliamentary constituency. Thanks to the encouragement extended by the government under the leadership of Shri. Narendra Modi, a total of **1,110** newly constructed school rooms will be available to benefit the children studying in my parliamentary constituency.

Apart from the above with the help of the companies, under the National Medium Education Campaign and Vivek Scheme, the construction works in respect of an additional **476 school rooms are in progress**. In the next four months on completion of the works, they will be facilitating the growth of education in our Dharwad Parliamentary constituency.

The outcome of the encouragement being extended towards the educational field by Shri. Narendra Modi Govt. there are totally **1,110 newly constructed school rooms** to gifted the children studying in my parliamentary constituency.

## DISTRIBUTION OF FREE MANUAL FOR EXAM PREPARATION FOR SSLC STUDENTS

In the interest of giving an educational boost to the children, learning materials have been provided at a cost of **Rs. 60 lakhs**. Every year, **20,000** student manuals for SSLC are distributed to students as an exam supplement.

An examination manual named “Kashyap” is issued to all class **10** students of schools under the Lok Sabha constituency every year to prepare for the examination. Additionally, **10,000** competitive examination preparation books have been made available in government libraries to facilitate competitive examinations.

## PRIME MINISTER'S HIGHER EDUCATION CAMPAIGN (PM-USA)

Under the Prime Minister's Higher Education Campaign (PM-USA), due to the personal interest and efforts of the Honorable Central Minister, Shri Pralhad Joshi, a grant of **Rs. 20 Crore** has been released from the Ministry of Higher Education to strengthen Karnataka University, Dharwad, the educational crown of Dharwad city. This enables it to offer multidisciplinary education and research capabilities to universities.

## HAROBELAVADI AND KABBENUR SCHOOLS

Apart from the grant given by the Central Govt., various financial assistance from different Govt., semi-Govt., and several private industrial organizations has been utilized to fulfill their commitment towards Corporate Social Responsibility. Several social, educational, and developmental works have been undertaken in my Dharwad parliamentary constituency, the success of which can be attributed to the efforts of the Central Govt.

Under the Member of Parliament Model Village Programme, construction works of school buildings at Harobelavadi and Kabbenur villages of Dharwad Tq. have been completed with an expenditure of **Rs. 2.84 Crore** and **Rs. 3.3 Crore** respectively.

## TEN MODERN ANGANWADI BUILDINGS

With the coordination of several companies all over the Dharwad parliamentary constituency having spent **Rs. 12.5 lakh** on the construction of each centre modern Anganwadi building has been established and the total of the construction expenditure works out to **Rs. 1.25 Crore**.

## NANDGHAR

✓ SCAN TO WATCH VIDEO

Shri. Modi's concept of Nandghar is to create a **homely environment** for the children and a special identification for Anganwadi Centres. Every child participating at these centres is being looked up to as a **Shri Krishna** and the assistant worker as the **Mother Yashodha**.

**Nandghar Anganwadi** centres provide children with nutritional supplements and pre-primary education. The centres will have all the requisite facilities like **toilet, drinking water, power supply, meeting hall and store room as well**.

In the Dharwad parliamentary constituency with the help of several companies, all 90 anganwadi centers have been developed and 16 anganwadi centers have been replaced with newly constructed and furnished buildings they are named as "Nandghar"

## COLOUR APPLICATION CAMPAIGN

BEFORE

AFTER

The fond memories of our school, which imparted primary education, will last throughout our lives. The reminiscence of our childhood spent in classrooms and playgrounds always lingers in our minds.

Despite the basic facilities provided for the school by the Govt., the task of enhancing the beauty of the school remains unfulfilled. With this in mind, the "Our Colour- Your Service" campaign to apply paint to school buildings has been initiated in our Dharwad parliamentary constituency.

There is a positive and overwhelming response from the former students and village panchayat of the respective schools. It is with pride to note that the campaign is marching with **great success**.

▽ SCAN TO WATCH VIDEO

In the purview of the Dharwad parliamentary constituency, the beauty of more than **600 school buildings** has been enhanced through a color application campaign.

Shri. Narendra Modi different programmes and schemes are the source of inspiration for our campaign.

## CONSTRUCTION OF A NEW HOSTEL IN DHARWAD

In pursuit of education and to shape their future, many students from poor families visit Dharwad, renowned as a **Vidya Kashi** (City of Education). To facilitate studying for these students, a well-furnished two-story hostel has been constructed in Dharwad with a Central Government grant, at an expenditure of **Rs. 13.50 Crore**.

Shri. Narendra Modi concern for and inclination towards education is the main cause for the present progress of our Dharwad parliamentary constituency.

## REGIONAL OFFICE OF THE ACADEMY OF FINE ARTS

Our Dharwad parliamentary constituency is known all over the country for its fine arts and culture. It is a matter of pride for all of us that several accomplished artists of the highest order have been born, brought up, and rendered service in the field of arts and culture in this great soil. We cannot forget the services of Shri. Narendra Modi in relocating a branch of the Regional Office Academy of Fine Arts from the far-off Nagpur to our Dharwad center.

The Regional Centers of Academy has already sanctioned for the benefits of our Karnataka Artists.

## SARVA SHIKSHA ABHIYAN - (SSA)

Sarva Shiksha Abhiyan is the flagship programme of the Central Govt. for the achievement of the universalisation of elementary education. **Rs. 44.74 Crore** has been released towards Sarva Shiksha Abhiyan's movement.

## NATIONAL MADHYAMIKA SHIKHA ABHIYAN - (NMSA)

NMSA is a centrally sponsored scheme for the development of secondary education in public schools. **Rs. 17.68 Crore** has been released towards the National Madhyamika Shiksha Abhiyan.

## ESTABLISHMENT AND UPGRADATION OF INDUSTRIAL TRAINING CENTERS

There has been a **1.5%** increase in seats at Industrial Training Centers. As part of this, new Industrial Training Centers have been launched in Amminabhavi, Samsi, and Nigadi in the Dharwad Lok Sabha constituency. Additionally, existing centers in Dharwad, Hubballi, and Kalghatgi have been upgraded. This has made industrial training more accessible to thousands of students.

## SPORTS COMPLEX AT DHARWAD AND ANNIGERI

In collaboration with a variety of companies an International standard sports complex has been constructed at Dharwad swimming pool with an expenditure of **Rs. 35.68 Crore.**

This has become the most useful facility for the swimmers belonging to the Dharwad region.

## PARADHANA MANTRI AWAAS YOJANA

In our Dharwad parliamentary constituency under the Hon'ble Pradhana Mantra Awaas Scheme around **Rs. 53 Cores** have been released towards **7,284 beneficiaries** for the construction of new houses.

Under the Pradhan Mantri Awas Yojana (Rural) under the Dharwad Lok Sabha constituency, a grant of **Rs. 148.98 Crore** has been released to construct houses for **11,138** beneficiaries.

## PRADHANA MANTRI SWA NIDHI SCHEME

In our Dharwad parliamentary constituency under Pradhana Mantri Swa Nidhi Scheme around **16,502** street vendors, **4,093** flower sellers and **876** fruit businessmen have been provided with per person financial support of **Rs. 10,000/-**, **Rs. 20,000/-** and **Rs. 50,000/-** respectively. ## SNIPPETS OF VIKASIT BHARAT - DEVELOPED INDIA

- A decade of Shri. Narendra Modi's administration as the Prime Minister of the nation there is a phenomenal shift in the concept, policy programme and priority of the government focusing towards village centred development along with the orientation of individual and family growth.
- In last ten years 250 millions of people have been ameliorated from the condition of poverty.
- The Central Govt. is distributing free ration to 8 millions of people.
- The collection of GST has been doubled and thereby even the state governments are being greatly benefitted.
- The large number of newly opened Jan Dhan Bank accounts enabled the government to check the misuse of the public money to a greater extent.
- There is an improvement in the financial condition of the people as one could witness the increase of per capita income of the nation by 0.50%
- In terms of the Central budget 2023 the upward revision of taxable income slab up to Rs. 7 lakh per annum has been totally exempted a large cross section of people from the purview of income tax payment as against the limit of Rs. 2.2 lakhs for the FY 2013-14.
- 3000 ITI, 7 IIT, 7 IIM, 15 AIMS and 390 universities have been newly established in the country during the regime of Shri. Narendra Modi Central Govt.
- 78 lakh street vendors are being provided with financial support under PM Swa-Nidhi Scheme and 2.3 lakh small business men have availed the bank credit facilities for the third time.
- A committee has been constituted to undertake the study for the cause of steep rise in nation's population and the challenges being posed on this account.
- The usage of alternate energy in the nation specially of the renewable energy has been on the increase.
- The quality of transport and communication system of our nation are measuring up to the international standards. The network of highways stretching in India are as long as that of united states of America.
- Payment system is the backbone of any economy. The nation stands role model to other countries. On account of the significant progress being achieved in UPI system of money transfer.
- Intending to increase the strength and to seek international recognition the native tourist centres are being given the touch of global branding.
- Sequel to the initiation of proactive measures, launching of novel development and welfare schemes like make in India, Skill India, efforts to become self reliant it has dovetailed the achievement of rapid progress in the fields of research production, job creation exports etc. It in turn entails to march ahead towards self sufficiency. Thereby the dependency of the nation has been drastically reduced specially from the prime sectors that calls for higher chunk of spending like defence, health, space exploration, education agriculture and industries as well.
- During covid epidemic by the exemplary efforts of our scientists India could develop indigenous vaccines and produce them in large quantities that was not only suffice to the requirement of large multitude of our people, but also enabled the nation to supply the necessary vaccines and health related items to the countries that were in dire need of them. Thus India could discharge it's global responsibility.
- India by extending helping hands to the countries in distress to tide over their crisis has been able to attain a prime global stature. To name a few Sri-Lanka, Turkey, Egypt thus the list of the countries being benefitted goes on. The developed India has been emerging in the form of a world teacher @ Vishva Guru.
- A pleothra of measures are being initiated towards exhibiting and upholding of our identity by kindling the lamp of nationality. To cite an example to dispel the colonial mind set the Raja path has been renamed as Kartavya path, revitalisation of junk acts, thereby to bring them into effect in a new form etc.

## **Shri. Pralhad Joshi**

**Union Minister and Member Of Parliament  
Dharwad Parliamentary Constituency Development Profile For The Period  
2014 - 2024**

**During the tenure of Hon'ble Prime Minister Shri. Narendra Modi**
