Message from the Head Master

Amy Rojas
Head Master
2022-2023

Dear Jaguars,

As I think about this school year, I am very proud of all we have accomplished. We began the school year in August, still wearing face masks as the COVID pandemic was still in effect. Thankfully by January, we could see all of your smiling faces again in our classrooms and around the school.

This school year has been especially memorable for returning to long-held traditions that had not occurred in many years. We once again hosted the EVAC forensics tournament, where secondary students could demonstrate their oratory skills. We were excited to have talented students represent ISM at Model United Nations at Colegio Internacional de Caracas. It was also amazing to have parents return to campus this year for various events like the elementary talent show, secondary science fair, green and gold, and many more!

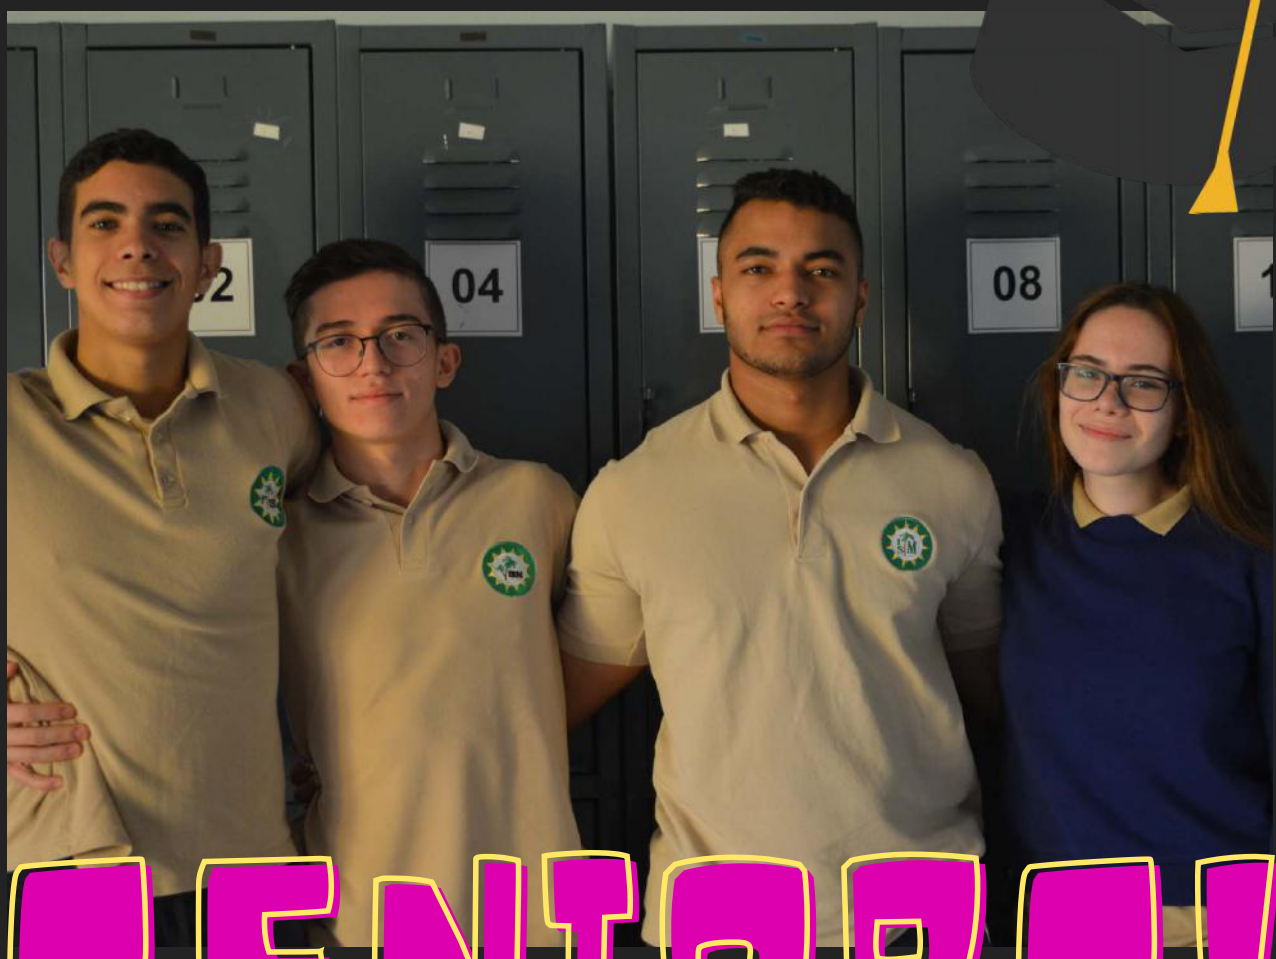

A highlight for me was this year's International Day Festival. It was truly a demonstration of how the ISM community can unite and celebrate all we have to be thankful for.

While big events stand out when reflecting on this year, the daily commitment that every member of ISM has to do their best makes the school a wonderful place to work and learn!

Each of you is an important part of ISM. Go Jaguars!

Besos y abrazos,
Ms. Amy

*In loving
memory of,*

Mr. Geza Farkas and Miguel Beuzeville

*May your souls rest in peace. Your life was a
blessing and your memory a treasure. You
are loved beyond words and missed without
measure.*

*Thank you for everything you taught us in
life.*

Autographs

*“ Sweet are the uses of adversity,
which, like the toad, ugly and venomous,
wears yet a precious jewel in his head;
and this our life, exempt from public haunt,
find tongues in trees, books in the running
brooks, sermons in stones, and good in
everything.”*

— William Shakespeare, As you like it.

Congratulations
