Welcome to everyone from the West Sussex Football League to the Bareham Trophy Final between Boys Club Old Boys FC & Selsey FC Reserves.

On behalf of the West Sussex Football League, I would like to thank the management of Arundel FC for allowing us to use their excellent facilities, their hospitality and their continued support, all are very much appreciated.

We would ask all of you to respect their facilities and to behave in a well-mannered way during your visit.

Also thanks to Mark at the program producers for his help with its production.

In the event of any of the match being level at the end of full-time, extra time will be played. If the game is still level at the end of extra-time, the result will be decided by the taking of penalties.

It only remains for me to wish all the teams, including the match officials the best of luck and hope that everyone enjoys their cup final.

Meet Today's Cup Finalists

Boys Club Old Boys FC

BCOB were originally formed back in 1956 and ran for 60 years before the club decided to call it a day. Reformed in 2021 the club played for 2 seasons before taking a break in 2023 and restarting in the 2024/25 season. BCOB already have 1 treble to their name and are hoping for a second this season.

Sam Gunn

If you stand near him you will get a shock from how static he is. Vice captain, overweight yet to win a header.

Josey Stakim

Scored a lot and some vital goals this season which can't be said for his beloved Rangers, more yellow and red cards than strands of hair on Jim's head.

Zach Harris

Well known local DJ who not only plays decks, also leaves defenders on the deck. A natural born goalscorer with an eye for goal. He will be temporarily missed next season due to an agreement for a short loan to Turkey to fix his dodgy barnet.

Liam Humphreys

For an experienced player like this having played a cup final at Wembley, a match such as this poses no challenge for Liam. With a touch of elegance and class to his game Liam will be quite the spectacle to watch. P.S Loves a late night twitter war!!

Jack Boxall

A teasing touch and effortless control, boxy handles his balls with confidence. Every movement is intentional, every tackle assured, turning his performance into an irresistible display of mastery.

Chris Welbelove

Lucky for him Jim is in the team, otherwise he's winning the smallest player award every year. Always been a pacy winger but as youngsters come in, found himself at full back more this year. Happs to us all. Part time reform politician!

George Mercer

High performer on and off the pitch. The BCOB playboy smashes in worldies weekly. Gorgeous George sadly will miss the final but will be supporting the team from his sun lounger. Big miss.

Jim Slater

One of the worst contributions to BCOB yet, Mr Slater. is about as handy as a hole in a bucket. Misses chances when given and has never deserved a place in the squad. Good Lino.

Dan Read

The head of socials and chief debt collector. Hard working left back who spends more time on the injury list than he does on the pitch. Back and legs shot to bits.

Meet Today's Cup Finalists

Boys Club Old Boys FC

Ollie Millard

Ollie seems like a nice guy! I did have to ask the manager who he was. On finding out, I agreed with the manager that he's a good player. Terrible Arsenal tattoo though.

Ryan Warr

Ball Hog, Slightly Overweight but wouldn't have him any other way. Baller.

Adam Skinner

Crans uglier twin, ran the line more than he's played. Always working. In the running for hairiest and slowest in the team.

Harry Cranford

If Carlsberg did centre backs... which is an apt saying as that's all that passes Harry's lips. A lurching, cumbersome centre back, with a heavy touch but doesn't lose a header and is always good for a goal.

Shaun Millard

What arrives when you order a Millard from Wish.com, Shaun has been there and done it all, including assaulting a previous chairman of BCOB. The only player in the squad who gets better the worse the weather and pitch is.

Tom Donnelly

AKA Jesus. Joined us late in the season & has fit well into the BCOB way. His versatility and work rate has proved to be a great asset to the team. A Sussex football 'Madam' who has had more clubs than Tiger Woods.

Shane Felton

From saving penalties for fun to throwing up last night's dinner in the changing room, our no.1 will be there to rise to the occasion after his pre match prep of a couple cigs.

Luke Selby

Best scaffolder in Sussex, alright at footy too...would be better if he didn't always have dust in his eyes.

Marc Linberry

Sweet left foot, getting on a bit now and it shows as his passing accuracy is only slightly higher than Gunny's average of picking a winner on bet365. Success rate 1 every 50.

Jacob Bassett

Best plumber in Worthing, bought in to fix a leaking, ageing, overweight & balding defence. The u-bend to our Downpipe.

Callum Towse

(Tow's) - As the name says, not quite the pace merchant, luckily his brain moves quicker than his legs. The BCOB Busquets. If found please return to Centre circle.

Continued From Over

Charlie Boxall

Joined late on in the season, but put in some solid cameos. Clearly idolises Cranford based on his newly found love for the fruit machine since joining. Unfortunately for Charlie he will forever be living in his older brother's shadow on the football pitch.

James Vernon-Lehane

The new young taller and better looking right winger is James, what a class player he's been this season. If he dribbles any better we will need to buy him a bib.

Jack Begley

A newbie this year, can be seen glued to James most of the time, turns up most weekends which is his greatest contribution of the season.

Steve Warr

Best left foot in the club but rarely seen on the pitch due to having more back/spinal issues than Christopher Reeves.

Leon Bunn

Manager. Having resurrected the club this season, Leon the gaffa Bunn has been instrumental in our route to the final by transporting the footballs, water bottles and kit and occasionally making the right decisions. Signed more players than the queue for Bonnie Blue live.
