## What is Medicinal Garden Kit™?

The Medicinal Garden Kit is presented as a solution for those interested in cultivating plant-derived herbs, botanicals, vitamins, and minerals. Nicole Apelian, the creator, advocates for the idea of establishing a natural

pharmacy in one's backyard, emphasizing the benefits of using plant-based remedies over lab-produced substances. The kit comprises ten carefully selected herbs with accompanying medicinal guides, offering insights into transforming these herbs into various remedies such as tinctures, salves, poultices, essential oils, and decoctions.

## About the Creator: Nicole Apelian

Nicole Apelian, described as a mother, biologist, survival skills instructor, and herbalist, is credited as the creator of the Medicinal Garden Kit. Her personal journey includes overcoming an incurable autoimmune condition named Multiple Sclerosis using natural remedies after being dissatisfied with prescribed medications. This experience has shaped her belief in the healing potential of medicinal plants. Over the past two decades, she has maintained her health through natural approaches, inspiring her to share the benefits of herbal remedies with others.

# Basic Knowledge of Medicinal Garden Kit

The kit not only includes ten herbal seeds but also comes with an eBook providing information about the effects of various plants on the human body. This eBook offers insights into the natural cultivation and utilization of these plants, emphasizing the avoidance of harmful insecticides. It aims to empower individuals to create their own garden at home, promoting health benefits for themselves and their families. Additionally, the positive impact of plants on the environment, such as rejuvenating air and pleasant scents, is highlighted.

## What Do You Get Inside Medicinal Garden Kit?

The Medicinal Garden Kit includes ten powerful herbal seeds, each with unique benefits. The highlighted herbs include:

1. **Chicory:** Known for pain relief properties, especially for joints
2. **Yarrow:** Effective for bleeding control and infection protection

3. **Chamomile:** Frequently brewed into tea for various benefits, including skin healing
4. **California poppy:** Promotes deep sleep without the risk of addiction.
5. **Marshmallow:** Offers antibacterial properties and soothes the digestive system.
6. **Lavender:** Recognizable for its fragrance, useful for anxiety and more
7. **Calendula:** Valuable for wound dressing and lymphatic system cleansing
8. **Feverfew:** Known for migraine relief and anti-inflammatory properties
9. **Evening Primrose:** Supports nerve cells, aids in pain relief, and balances hormones.
10. **Echinacea:** Echinacea seeds available in the Medicinal Garden Kit are considered the most powerful immunity plant.

The kit also includes an eBook that provides information on cultivating, nurturing, and utilizing these plants. It covers topics such as making tinctures, poultices, oils, and more.

## Medicinal Garden Kit 365 Days Guarantee

The Medicinal Garden Kit comes with a 365-day money-back guarantee. This assures users that they can request a refund within a year if they are dissatisfied with the kit. The guarantee is presented as a testament to the effectiveness and value of the kit.

# Are the 10 Herbal Seeds in Medicinal Garden Kit Lifelong?

Many of the medicinal herbs in the Medicinal Garden Kit are described as perennials, meaning they re-emerge in the spring after winter. These plants are considered self-seeding annuals and may become well-established after the first year. The kit is promoted as a cost-effective option, providing a lifelong backyard pharmacy that re-grows every year without the need for replanting.
