Genie Script New 30-Day Program Bonuses

Further goodies are included with the bundle. A review in a particular article recommended investigating discount links for the program and incentive packages.

- **Bonus #1:** Wealth Frequency Binaural Beat Track - The first extra is a basic binaural beat recording meant to activate your minds in an extremely effective, unique condition of manifestation just by listening to it.
- **Bonus #2:** Kundalini Touch Exercise - Kundalini Touch Exercise is a workout that utilizes music, mantra, and spiritual healing to stimulate beliefs of abundance in order to actualize physical wants more quickly.
- **Bonus #3:** Supernatural Third Eye Activation Exercises - Your third sight is maybe your most potent information source. It is often known as the Chakra. But, a lot of us have it locked; hence, it is inactive. Meditation may be used if you wish to open your eyes in a certain manner. Developing your third eye strengthens your psychic and manifesting powers as well as your connection to your spirit. As you grow your third eye, you will be able to manage daily stress with ease while simultaneously achieving higher levels of consciousness, more ego, and deeper emotional mastery. These third eye activation exercises will fully enlarge and activate your crown chakra.

Hence, you will have access to your own unlimited knowledge.

- **Bonus #4: Occult Walking Guided Meditation Audios -**
The final bonus is a procedure that helps you to focus while unknowingly listening to meditation audios. In addition, it enables you to materialize your wishes while walking throughout your daily routine. Walking meditation enables you to be conscious while walking, to maintain an awake presence, and to utilize the action of walking to cultivate awareness. Another benefit of walking is that it lets you escape the present moment and connects us with environment and our surroundings. Remember you do a chest bump while walking by observing how your body is feeling and your attitude. You may also have a steady, relaxed beat while walking regularly and breathing properly.
