Brandon House, 90 The Broadway, Chesham, HP5 1EG.

Welcome to the Chesham Town Guide 2024/25

Chesham has a great deal to offer residents and visitors alike with a range of shops for all ages, tastes and pockets, including many unique outlets, bars, restaurants and cafes, not to mention our monthly local produce market.

It is a great place for a weekend break, especially with its close proximity to London and ease of access via Chesham's Metropolitan Line station. We are surrounded by the beautiful Chilterns countryside open to explore using our free walking maps downloadable from our website www.chesham.gov.uk. Add to this the many festivals and events which take place throughout the year, plus our own Elgiva theatre and heated open air swimming pool it is clear to see the reasons people visit and reside in Chesham.

We hope you will enjoy using this Council produced Town Guide which is available annually in August in both printed (100% post-consumer recycled paper) and digital formats. These are distributed at community venues around the town and can be found at the Town Hall and the Elgiva.

Please keep the town guide in a prominent position at home, so that all the useful information it holds can be readily accessible. If you no longer have use for the guide, we ask that you pass on to a neighbour or return to the place of source for others to benefit.

Alternatively, scan the QR code on the front of the guide for a digital version and save to your mobile phone. Forward the code to neighbours, friends, and family to spread the word.

CHESHAM AMERSHAM TRING

Welcome From The Town Mayor

As your newly elected Town Mayor, I would like to tell you a bit about myself.

My name is Francis Holly. I grew up in North London, the son of Irish immigrants. My parents and I gave a lot of time to Church outreach activities. I helped to run the Youth Club and I organised events and trips for our disabled parishioners. I was always interested in the matters of the local council and I also served as a school governor at both a Primary and a Secondary school.

In 2006 I moved to Chesham, with my wife Caroline, who is a professional classical musician. Almost immediately I became involved in the local community. I became a director of the Citizens Advice Bureau, something which continued for several years. I also served on the Town Council during this time.

More than ten years ago I started volunteering at the Helen and Douglas House charity shop. This has provided a wonderful opportunity to become involved at the heart of our community and become a familiar face. My wife's first child spent her last days at the Helen House Hospice, so it has a special place in our hearts. For this reason, I have nominated Helen and Douglas House as my Mayoral charity.

I am hugely honoured to be chosen to serve as the Mayor of Chesham. I am passionate about our beautiful town and its wealth of diverse and energetic people. I will work hard to support all the community groups who do so much. I have been working closely with the Chesham Environmental Group, aiming to raise awareness of the challenges we face from the impacts of climate change. This volunteer group works tirelessly to keep Chesham safe and beautiful. I will also be supporting Chesham in Bloom as much as I can this year to help improve biodiversity and wildlife habitats in and around our town.

Along with my Deputy Mayor, Councillor Joseph Baum, I am planning, and will be supporting many community events for the coming year. My aim is to bring together the people of Chesham, to give businesses and community groups the opportunity to display their strengths and talents, and to raise money for my Mayoral charity.

It is my intention to perform my duties as Mayor to the best of my ability. I intend to be visible and involved, getting to know as many residents as possible. Please feel free to send me ideas and invitations, or to make donations to my charity via Chesham Town Council. You can email me at mayor@chesham.gov.uk

*Councillor Francis Holly, Mayor,

Chesham Town Council

50 Years

In 2024 we celebrate 50 years of Chesham Town Council. On April 1st 1974, Chesham Town Council was formed following the merger of Chesham Urban District and Amersham Rural District Council, to create Chiltern District Council. A successor parish was created to cover the former urban district, with its council taking the name Chesham Town Council.

To celebrate 50 years of Chesham Town Council we will be sharing some exciting things over the next few months via social media and via our website.

New CEO

In January 2024 we welcomed Louise Hayday, our new Chief Executive Officer/ Town Clerk.

Councillors agreed to the appointment on 6th November 2023 at a meeting of the Full Council. The recommendation to appoint Louise was made by a cross-party committee of councillors following a rigorous recruitment process.

As well as being a long-standing resident of Chesham, Louise has a strong commercial background in addition to being a well-qualified local government officer. She brings a wealth of experience and skills to the Council.

New Website

In April 2024 we launched the new Chesham Town Council website www.chesham.gov.uk

The site has been designed to be much easier to navigate, offering a much better user experience, and is now fully accessible on mobile phones.

A useful tool for residents, visitors and local businesses alike, it will become your first port of call for Council information such as locally run events, committee meetings, current projects and our venues.

It clearly sets out the Council's strategic aims and outlines the projects the Council are undertaking in partnership with stakeholders and local organisations. These include the Neighbourhood Plan; Play Areas; Events; Town Partner Schemes; Gym & Swim re-development.

The new meetings and events calendars make accessing information much quicker with more detailed information.

Other excellent features include the digitised cemetery records, which can be searched online free of charge and the large range of Walking Maps for the surrounding countryside.

Councillors

The Council is comprised of 19 members who are elected for a period of 4 years (last elected May 2021). A full list of councillors can be found on page 11. Town councillors are unpaid and do not receive any attendance allowance (with the exception of the Town Mayor), for their duties which they undertake purely on a voluntary basis. This includes representing the Council at a number of charitable/ outside bodies. Each May the Council also elects a Town Mayor (and deputy) to serve for a period of 1 year, who also undertakes the position of Chairman of the Council. Councillors are supported by officers based at the Town Hall.

Council Meetings

Councillors and officers attend committees that cover various aspects of its work and governance and which meet regularly to discuss and decide on local issues. View the meetings calendar at www.chesham.gov.uk We welcome and encourage local residents to attend. At full Council meetings a 15 minute period of public question time allows the public to ask questions on any issue related to Chesham.

Chesham Town Hall Room Hire

As well as being the home of the Council offices and Chesham Museum, there is a buzz at the Town Hall as more and more local groups and residents continue to rebook with us, appreciating the facilities we have to offer and the fact that we have been at the heart of Chesham's community life since the hall first opened in 1998.

Here is a testimonial from one of our regular hirers: 'All rooms available are prepared to a high standard at Chesham Town Hall, and the reason I love this venue as a facilitator is the excellent service – the rooms are set up according to my wishes for layout. This helps me to focus on preparing my own event rather than moving furniture! They are versatile spaces which are great for large groups, breakout work and social events, and lift access means that the whole building is accessible.' – *NCT Practitioner*

Room hire can either be on a long or short-term basis and we currently have a range of local community groups using our facility. Amongst them, **Knit & Natter**, **The Vintage Valuations**, and **Chiltern Dog Rescue Society**. We are always keen to accommodate local groups, charities, businesses and individuals and welcome your visits. Hundreds of people come through our doors every week, day and night, to attend meetings, classes, talks, events and parties in our rooms for hire.

There are 3 function rooms for hire for both private and social use:

The Council Chamber: Located on the First Floor, this spacious room (135m²) can seat a maximum of 80 people. With its views and balcony over-looking Lowndes Park, it is an ideal venue for a variety of events; conferences, meetings, training days, exhibitions, AGMs, seminars and educational classes. The adjoining kitchen, with fridge, kettle, urn and microwave, is available for your use for preparing light refreshments.

The Community Hall: Located on the Ground Floor, the Community Hall is 128m² and can accommodate 80 people for meetings, 60 for receptions, parties or a clear floor. Suitable for: parties, birthdays with entertainers/ small bouncy castle, performances, exhibitions, training days, social events, quiz nights, dance classes and conferences. The Hall benefits from an adjoining kitchen (with serving hatch to main hall) that was recently refurbished, and contains a range cooker, dishwasher, microwave, tea urn and fridge.

The Lowndes Room: Located on the first floor of the town hall, the Lowndes Room is a small conference/meeting room, 17ft x 19ft with a maximum capacity of 20 people, suitable for up to 12 persons boardroom style; 20 theatre style or a clear floor. The room is complete with small kitchen attached for light refreshments. Use of a fridge, kettle and urn upon request. Windows facing Lowndes Park.

All 3 rooms are available to hire 7 days a week (excluding bank holidays) from 9am-10pm. Charges are per hour and include use of kitchen, tables, chairs, crockery, cutlery, screen, flipchart (as available). **Wifi is free.** We also have microphones, a data projector and laptop available for hire.

If you pre-book tables and chairs or equipment, our caretaker will do all the hard work for you and set the room up as desired, so all you have to do is turn up and welcome your guests.

Catering for all needs, The Town Hall has disabled access and toilets and baby changing facilities.

A 25% discount will be given to regular hirers booking 10 sessions or more.

Payments can be made via card, bank transfer, cash or cheque at the Town Hall and a VAT invoice will be issued upon request.

To enquire further or to request a viewing, please call 01494 774842 (Mon to Fri 10am to 4pm) or email townhallbookings@chesham.gov.uk or visit www.chesham.gov.uk
Chesham Town Hall, Chesham, Buckinghamshire, HP5 1DS

The Town Hall can be accessed by car from Catlings Car Park (a short-stay, pay and display car park (maximum stay 4 hours) operated by Buckinghamshire Council, or on foot from the High Street through Baines Walk.

Chesham Town Crier

We are extremely fortunate to have a Town Crier in Chesham as there are only around 170 official members of the Ancient and Honourable Guild of Town Criers and Loyal Company of Town Criers in the UK. Our current Town Crier, Jane Dodd, Chesham's first female town crier, was appointed to this honorary role in May 2014. This year marks her 10th anniversary in this position.

Key attributes for a Town Crier are the ability to read, a loud voice and an air of authority. Jane, an opera singer is thus perfect for the role and in addition she has a love of costume, pomp and ceremony which are required in equal measure.

A town crier, also called a bellman, is an officer of a royal court or public authority and makes public pronouncements as required. Traced back to medieval times (two bellmen appear in the Bayeux Tapestry, which depicts the invasion of England by William of Normandy and the Battle of Hastings in 1066), they were the chief means of news communication with the townspeople, as many were illiterate.

Royal proclamations, local bylaws, market days, adverts, even selling loaves of sugar have all been proclaimed by a town crier throughout the centuries. The crier also escorted the destitute to the workhouse, installed minor criminals in the stocks and administered floggings. During public hangings they would read out why the person was being hanged and helped to cut him or her down.

Things have moved on rather since then! In

England, town criers still announce the births of royal heirs and occasionally the arrival of the royal family as decreed by The Pageant Master of the Royal Household. These days you will find our Town Crier

at events throughout the year, such as Christmas in Chesham, the Schools of Chesham Carnival and the DDay 80 Anniversary Proclamation. Nearly 400 Criers from the Commonwealth signed up to take part in the DDay 80 commemoration Cry.

It is more than likely that you will hear our Town Crier before you see her, as she rings her handbell and shouts 'Oyez, Oyez, Oyez' to attract your attention prior to making an announcement. The word 'Oyez' (pronounced 'oh yay') comes from the French *ouïr* ('to listen') and means "Hear ye", which is a call for silence and attention. The cry then ends with the words, '*God save the King*' or '*God save the Queen*'.

Criers often dress elaborately, a tradition dating to the 18th century, and Jane's costume is no less glamorous, donning a red and gold coat, breeches, black boots and a tricorn hat. This outfit was created by local seamstress Clem Short who created the ruff and dressed the traditional tricorn hat with an ostrich feather donated by Pathfinder Ostrich Farm. The ceremonial scroll, featuring the town crest, was created by talented volunteer Kirsten Aldridge.

If you would like our Town Crier to attend an event, please get in touch via policy@chesham.gov.uk

Community Donations

Every year, Chesham Town Council distributes donations to charitable, voluntary and community groups, whose projects benefit the residents of Chesham. Donations are given up to a maximum of £500 per group and used towards the cost of funding new projects or maintaining existing services.

In 2023, donations were awarded to 26 local groups to a total value of £6,000.

Over the years, the Town Council has supported many worthy causes. Here are a few examples of how donations have been used for the community:

- **Chesham Education Trusts** – set up for ‘the advancement of life’ of students in the Old Parish of Chesham – providing books and equipment for local students furthering their education at colleges and universities.
- **1st Chesham Scout Group** – installing a new floor in their Scout hut.
- **Welcome to Running** – providing training for two of the group to attend an England Athletics ‘Leader in Running’ course.
- **Chiltern Toy Bank** – used to replenish items such as colouring pencils, fibre tip pens, wax crayons, paints and sketch books.
- **Chesham & District Community Centre** – new noticeboards and kitchen equipment.
- **Chesham Guide Headquarters** – toilet refurbishment

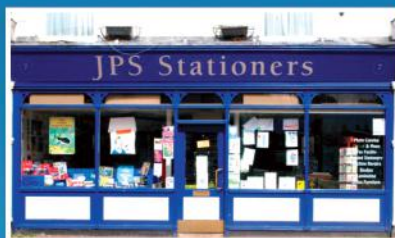

If you are involved with a group who would benefit from a donation from Chesham Town Council, please visit our website www.chesham.gov.uk for an application form, or contact colette.littley@chesham.gov.uk

Applications can be submitted January to April 1st each year.

CHESS VALE BOWLING CLUB

111 Asheridge Road, Chesham HP5 2PZ
www.chessvalebc.org.uk

The Club is situated in a location just below Captain's Wood. There is a substantial amount of off-road parking and an ample clubhouse. We welcome new members from beginners through to experienced bowlers. Coaching can be provided to all new and existing bowlers.

The artificial green has the benefit of providing bowling facilities all year round. The main summer season takes place from April through to the end of September. During the winter we operate a competitive Sunday morning league.

We have full disabled access to the rink/clubhouse. A disabled toilet is situated within the clubhouse.

For more information, contact
Jean Nettleton (nettletons@hotmail.com),

or Sheila Clarke (Sheila.clarke400@gmail.com)

Local boy makes good – Liberty's

As a nation of shopkeepers, we have produced some iconic brands, one of which has its origins in Chesham – Liberty of London.

Arthur Liberty was born in Chesham in 1843,

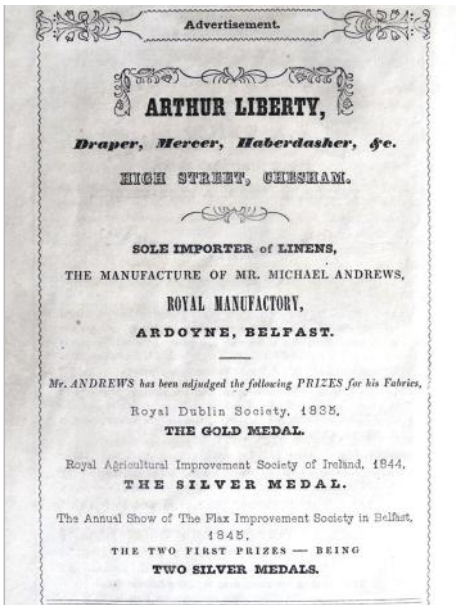

where his father (of the same name) had a draper's shop next door to The George Inn. His mother was Rebecca Lasenby of Chartridge Farm, near The Lee. He grew up watching his father ply his skilful trade and as a young man moved to London to work with Farmer & Rogers of Regent Street, a cloak & shawl emporium with royal patronage.

Arthur established Liberty's in 1875 and later named his premises 'Chesham House' out of loyalty to his birthplace. The store sold ornaments, fabrics and

objet d'art from Japan and the East, was associated with the leading design styles such as arts & crafts, the aesthetic movement and art nouveau, and became the most fashionable place to shop in London.

It was to his Chiltern grass roots that Arthur Liberty returned in 1902 to become Lord of the Manor at The Lee. He was deeply attached to the local countryside, and created a village green, planted avenues of trees and had the village pub, The Cock & Rabbit, moved to the centre of the village. Round the corner from the pub is a large wooden figurehead of Admiral Lord Howe, taken from HMS Impregnable. This relates to the Tudor revival building put up on Great Marlborough Street for Liberty's in 1924, using the timbers from this ship and HMS Hindustan. Arthur didn't live to see this building completed– he died in 1917 – having passed the business to his nephew Ivor Stewart-Liberty, who lived at the house called 'Pipers', near The Lee.

Elgiva for everyone

A warm welcome awaits you at The Elgiva, your friendly neighbourhood theatre nestled in the heart of Chesham. With a perfect blend of professionalism and intimacy, we're dedicated to fostering a sense of community in everything we do.

Our team, fuelled by passion for the performing arts, embodies our ethos of *Elgiva for Everyone*. Alongside our dedicated volunteers, we strive to bring our diverse program of events to life, from top-tier comedy acts to mesmerizing ballet performances, and from live music to community theatre.

Experience the magic of our 300-seated / 400-standing capacity theatre, equipped with Dolby Digital cinema and innovative and eco-friendly lighting, as you immerse yourself in a world of entertainment. But The Elgiva is more than just a venue - it's a hub for creativity and connection. From workshops to our beloved Christmas Craft Fair, there's always something happening here.

As home to the English Sinfonia and the Chiltern Film Society, we celebrate a rich tapestry of artistic expression. Our vibrant Youth Theatre empowers young talent, while our apprenticeship programmes open doors to the world of theatre production and administration.

Whether you're staging a production or enjoying a live screening from the comfort of our auditorium, every visit to The Elgiva is an unforgettable experience. Indulge in our onsite café, Café Encore, serving up delicious treats and beverages to complement your visit.

Looking for a venue for your special event? Look no further than The Elgiva, where our flexible spaces and attentive staff ensure every occasion is a success.

Join us at The Elgiva, where every visit is different. Explore our website elgiva.com or social channels to discover what awaits you at our vibrant theatre which is large enough to impress but small enough to care! We can't wait to share the magic with you, whether it's for a coffee, a film, a show – or simply to soak in the community spirit.

Check out our website elgiva.com for full details on all our latest events.

Chesham Moor Gym & Swim

'A brilliant facility and amazing friendly staff who do not stop at anything to help their customers. Facilities are always kept clean and tidy, and you're met with a smile every day' – *current member*

There's been a community pool here for 112 years, reliably heated to around 27°C, seven days a week all year round, with extensive opening hours. A popular destination of choice for those eager to experience outdoor swimming and the health and social benefits it can bring, whether this be general, family or lane swimming.

The gym is bright and clean, with all abilities and ages (from 12 years) welcome. Each session lasts for 1 hour 45 minutes and fully qualified gym instructors are always available, personal trainers on request.

'The best gym I have ever been a part of in terms of vibe and ease' – *Google review*

The club boasts: -

- 25m fresh water open-air swimming pool
- A fully equipped gym
- 2 floodlit tennis courts (one a multicourt for basketball, netball, 5 aside football)
- Spinning, aqua aerobics and outdoor bootcamps
- Swimming lessons – single & group available
- Inflatable sessions & pool hire – May to September
- Fully trained NPLQ lifeguards and courses
- Swimming accessories available to purchase

All year round we host **Bacon Butty Mornings** on the first Friday of the month from 6.30am to 9.30am.

We also have a pool viewing room offering hot drinks, and a vending machine.

We aim to make our facility as environmentally friendly as possible, our rooftop solar panels feeding power back into the grid and saving an estimated four tonnes of CO² every year. We are also surrounded by beautiful gardens and wildflower areas all

maintained by our valued volunteers and staff. The perfect place to relax.

On 4th June 2024, the Council approved the refurbishment of the Moor Gym & Swim facility, safeguarding the facility for future generations. The updated centre will be within the existing walls of the current facility but will involve a complete internal refurbishment. There will be a larger gym, an improved reception area, a community café, modernised changing facilities and increased accessibility. In addition to internal improvements, the pool surround will also be renewed, and poolside will have a fresh new look.

With **no joining fee** and the choice of pay as you go, monthly or yearly memberships, choose the best option to suit you. **Discounts** are available for those over 65 years and juniors aged up to 18 years. Our easy-to-use online booking system helps you plan and manage your sessions.

The club is open from 6am-9pm Monday-Thursday, 6am-8pm Friday and 8am-6pm weekends. We are also open bank holidays 8am-6pm.

Full disabled access to all areas and **FREE parking**.

Our staff are always keen to show prospective members the facilities. For more information, future events and to view timetables call us on: **01494 776975** or visit cheshammoorfitness.org.uk

Chesham Community Fridge

A regular sight in the Broadway, is the queue of 'Food Waste Heroes' who come twice a week to collect a bag of good food that would otherwise have been squandered to landfill.

Every Wednesday and Saturday morning between 10am and 12 noon, around 120 bags of food are given out free of charge to anyone who would like one. No referral is needed, all are welcome, and we see our visitors as vital in helping conservation in our small corner of the planet.

The project began in 2018 when a member of The Kings Church Chesham felt that something needed to be done about the shocking amount of wasted food from supermarkets, businesses and from our homes. In the UK that year, 6.4 million tons of food that could have been eaten was thrown away. Chesham Community Fridge was duly set up and a shed was purchased where folks could come and choose food to take away. Surplus food was collected from various supermarkets and 20kg of food was given out in our first session. Two months later our Mayor rang her bell and declared the Fridge officially open, and a service of thanksgiving and dedication was held in Broadway Baptist Church.

Restrictions during Covid meant that bags had to be prepared the day before and handed out. Since then, we have continued in this way to ensure fairness and speed of distribution. All our local supermarkets

generously give surplus food which our volunteers collect, weigh and store, and in addition the Felix Charity brings us a large amount of surplus food from London stores twice a week. We never close unless there is no food available – and that is usually for only one session at Christmas.

From a small beginning we are now collecting, processing, and giving out around 2 tons of food every week, which of course helps local families when the cost of putting food on the table has rocketed. We have around 40 active volunteers who collect food (often on cold wet nights), clean and sterilise bags, bag up the food and man the distribution shifts. That doesn't include staff at Broadway Baptist Church who allow us to use their yard, the people who quietly take away all our cardboard and rubbish, ensure that any mouldy veg is used for compost, do our accounts, deep clean

every month to keep our 5-star hygiene rating, and those who kindly donate money or buy supplies from our online wish list. We have no regular income and operate entirely from donations. Apart from training fees, our volunteers work at their own expense.

If you haven't been along to see what we do, we would love to see you. Take a look at our Facebook page, where our visitors share recipes and ideas. If you would like information on how to become a volunteer, email cheshamcommunityfridge@gmail.com

Chesham's Twin Towns

As you enter Chesham, you will have noticed on the signs announcing your arrival, the names of three other towns, together with the national flags of their countries. These are Chesham's twin towns, namely Friedrichsdorf in Germany established in 1981, followed by Houilles near Paris in 1985 and Archena in Spain in 1995.

When established, twinning links were formally agreed between the Mayor of Chesham and Chesham Town Council with the Mayor of each of these towns.

For many years twinning links were maintained by the Chesham Town Twinning Association with corresponding groups in our twin towns. Members hosted visitors from these groups and were in turn hosted on return visits. Many friendships developed as a result. Although the Town Twinning Association ceased its activities a few years ago, a new local twinning group remain committed to maintaining these links with full support of the Mayor and Town Council.

Since the pandemic, we have been working with local sporting and voluntary groups to develop new friendship links. Two years ago, Chesham Youth Council participated in a project involving youth groups from our twin towns in the preparation of a presentation on a theme taken from the United Nations World Development Goals. They participated in a youth conference organised by the twinning association in Houilles and their presentation at a reception at Houilles Town Hall was very well received.

Last year a party of about 30 adults and children from Chesham 1879 Tennis Club took part in a sports tournament organised by the Houilles Twinning Association. They were accommodated on a local

campsite and were made most welcome by their hosts. Later in the year, our Mayor, Councillor Wilford Augustus visited

Friedrichsdorf with a message of goodwill, and presented a gift to the Mayor of Friedrichsdorf. (Gifts received in return from our twinning partners can be viewed in the glass cabinet in The Council Chamber). Our current Mayor Councillor Francis Holly will be attending a twinning meet in September in Houilles, France.

This year with the support of The Chesham Society, Chesham in Bloom have planted an imaginative floral display in the town including emblems from the coats of arms from Chesham, Houilles and Friedrichsdorf to promote twinning.

In May 2024 two members of our twinning group represented Chesham at a twinning meet in Friedrichsdorf. Following a weekend programme of interesting visits and lively social events, there was a reception hosted by the Mayor of Friedrichsdorf where they delivered a goodwill message on behalf of the Mayor of Chesham. In return, a gift was received from the Mayor of Friedrichsdorf. A floral display promoting twinning was also inaugurated.

As a group we shall be organising social events with a twinning theme for anyone interested in twinning activities. If you would like to find out more, please contact [Roderick McCulloch](mailto:roderickmcculloch07@outlook.com) at roderickmcculloch07@outlook.com or on [07740 460744](tel:07740460744).

Your Town Museum is BACK!!!

Back in June 2017, Chesham Museum was sadly forced to close its doors at 15 Market Square, Chesham. After 7 long years, we achieved our goal of, once again, having a dedicated space for our Chesham Museum, to which we could welcome and engage with our very supportive town community.

In November 2023, following successful discussions and negotiations with Chesham Town Council, we had a new home on the first floor of our Chesham Town Hall. Some of our trustees and volunteers met in the new exhibition space to plan just how Chesham Museum will present itself to our community.

After a significant number of days and hours hard work deciding on a planned layout design, themes for artefact display, a museum shop space and many other practicalities, everything was agreed at a management meeting in early January.

Then the real hard work had to start in order to get the space reasonably ready for an official opening on the 19th of January 2024.

From the outset the museum was never going to be completely fitted out. Our initial concept was to show the working process museums go through when

setting displays. One case would be complete with information cards and display graphics about the exhibits. The other cases were going to show various objects but with little or no information, as they would be in a 'working progress' situation. There was, and still is, an

opportunity for visitors to write down what stories and displays they'd like to see in the future.

Our launch event took place as planned on the 19th of January 2024 where we were pleased to welcome our then MP Sarah Green, our then Town Mayor Cllr Wilford Augustus, our museum Friends, invited guests, our Trustees and our volunteers. A lovely evening was enjoyed by all and a ribbon was cut we were officially open!!!

Since opening, the support from our town has been exceptional with visitors enjoying the displays whilst talking and asking questions about Chesham's rich history. We are also able to hold planned activities in the exhibition space, both for the public and also, importantly, for our local schools.

So, if you haven't yet had time to pop in to visit us then please do so. We are currently open Saturdays and Wednesdays (Market days) 10am to 3pm. For more information about visiting us, our services, schools engagement and activities, including planned walks and talks, please visit our website: www.cheshammuseum.org.uk

Do you fancy volunteering with us? There is a range of opportunities both behind the scenes and also stewarding, when we are open. If you can offer a few hours, please contact us by email on: communications@cheshammuseum.org.uk for more information and/or an informal chat.

Your friendly, local curtains and blinds business in the heart of Chesham!

My name is Sue Walder-Davis, owner of local business Susanna Blinds & Curtains. You may have seen me around as 'Sew Susanna', but I recently changed my business name to help customers find me more easily. Having expanded into a new studio and showroom last year, I thought this would be a great time to share my story and what I think makes my business unique.

My love for sewing started at school where I studied textiles at Chesham Grammar (Chesham High as it was back then). Whilst I went on to complete a language degree and a 10 year career in IT, my love for my sewing machine stayed with me, from making my student digs' curtains to fully furnishing the nursery when I became a mum.

Turning my hobby into a business began slowly from 2007. I worked part-time in various guises, focusing on small scale orders of curtains, blinds and cushions from my home.

In late 2021, I took the full-time plunge. I moved out of my home studio and into my first premises. This gave me room to grow, and since 2023 I have settled in to my fully kitted-out combined showroom

and workroom in the thick of the thriving Chesham community.

I supply all types of custom-made window furnishings along with fabrics, home accessories, curtain poles and tracks. I also continue to offer curtain alterations and repairs, including my ever popular Roman Blind repair service, with prices starting from just £25.

I offer drop-in appointments at my showroom where I am happy to chat through ideas whilst providing the opportunity for customers to see, touch and feel fabrics and products. These are held on Wednesday and Saturday mornings (market days!) from 9am to 12.30pm. Outside of these times, visits are by appointment and can be held either at your home or in the showroom. Please use the contact details on the opposite page to get in touch.

The local difference

The market for made to measure curtains and blinds tends to sit either with larger, impersonal stores, online or with higher-end interiors businesses which can be out of reach for many people. I think there is a real need for a local, personal service that offers good customer care and a quality product that you can see and touch before you buy. My aim is simple – to be the local go-to business for curtains and blinds. I keep my service friendly and inclusive, whether you need a single budget blind or a complete bespoke home makeover!

From measuring-up and helping you select the perfect fabric, through to professional fitting, I will personally help you every step of the way.

Susanna Blinds & Curtains Irfon House, Stones Courtyard Chesham HP5 1DE

You'll find me in Stones Courtyard, right next to WHSmith with the closest parking in Sainsburys or Star Yard.

Sport & Fitness/Venues & Clubs

Community Venues

Chesham Leisure Centre White Hill, HP5 1BB. Tel. 791779

<https://www.everyoneactive.com/centre/chesham-leisure-centre/>

The centre has a gym with two fitness studios and personal trainers, a gym pit and sports hall, 25m swimming pool, teaching pool and crèche. Over 20 group exercise classes are run each week and there is a dedicated spin studio.

There are four badminton and two table tennis courts.

Themed birthday party packages are available for children under 16 and a series of children's activities are run over the school holidays.

■ **Chesham Moor Gym & Swim** Moor Road, HP5 1SE. Tel. 776975 www.cheshammoorfitness.org.uk.

Owned by the Town Council, this facility provides an open air heated swimming pool all year round, a fitness centre and two outdoor courts. The pool is available for hire and special events run throughout the year, including Midnight Swims. The gym has no joining fee, no contract and you can pay as you go. Personal training is available. The courts are available for tennis, football, netball and basketball, with tennis coaching and camps available.

Chiltern Hills Academy Chartridge Lane, HP5 2RG. Tel. 782066.

Home to Chesham Rugby Football Club. The school pitches, including full changing facilities, club house and bar are available for use after school hours by the local community for football, hockey, cricket, rugby and athletics.

Chesham Moor

Tel. Chesham Town Council on 774842.

Owned and managed by the Town Council, the common accommodates football pitches.

Codmore Field and Pavilion

Tel. Chesham Town Council on 774842.

Owned and managed by the Town Council, the sports ground has two football pitches and an artificial cricket wicket. The pavilion provides changing facilities and a small social area, which is available for private hire.

Marston Field

Tel. Chesham Town Council on 774842.

Owned and managed by the Town Council, there are two senior football pitches and a multi-sports area.

Dreamflight's 36th Trip to Orlando

This October, Chesham-based charity Dreamflight will take another plane-full of amazing children to Florida.

Each year the Charity hires an aircraft and takes 192 children from across the UK to Florida. All of the children have a serious illness or disability. Parents are not invited, but instead a huge volunteer team of doctors, nurses, physios and non-medical helpers

take care of the children for 10 fun-filled days.

Dreamflight is not just a holiday; it does something that medicine can't. The children get a whole new outlook on life. Often for the first time, they realise that they are not the odd one out. They see children around them that have also suffered; they gain perspective, and experience things that they never thought possible.

The Charity are now fundraising for this year's trip. If you are an individual or local business who would like to help these incredible children, please contact Lisa at the Dreamflight Office

on 01494 722733,
email lisa.bishop@dreamflight.org
or use the QR code on
this page to donate. Thank you.

SERVING BUSINESSES IN THE CHILTERN

01494 791 119
info@chilternchamber.org

CHILTERN CHAMBER the voice of local business

Chiltern Chamber exists to support business in Chesham, Amersham and surrounding area. We seek to help members in our community: get more business, achieve their goals, share insights, creativity, experience and knowledge.

Our Core Values

- INNOVATION
- INTEGRITY
- EXCELLENCE
- KINDNESS

We aim to improve economic health of businesses and people in the Chilterns by championing positive quantitative and qualitative changes. We strive to be innovative, to work with integrity and excellence whilst showing kindness to all sectors of our community.

Networking

We are a friendly networking organisation. We offer face-to-face breakfast and early evening meetings in Chesham and Amersham, providing business development workshops and speaker forums throughout the year.

A conduit for business and local information

Our networking meetings are opportunities to share information, and to hear authoritative speakers talk on matters of importance to businesses and their owners. In the past year, we have appreciated support from Buckinghamshire Business First, The Beech House Amersham, IBB Law and heard about the effect of immigration law on employers, Trade Mark and IP updates, local education plans, and explored ways to improve individual businesses through the development of marketing skills. Many members of the Chamber have also worked with local schools and colleges to provide careers talks and work placements for students.

Promoting your business

Business is frequently done as a result of contacts and leads through the Chamber and its meetings. All Chamber members can be found in the Members Directory on the Chamber website, in a searchable database of members. Offers and news are also shared from the Chamber website.

www.chilternchamber.org

Building the local business environment

Through links with local government and other institutions, we can make our voice, and those of our members, influential in local consultations. We also enjoy working alongside other local Chambers and business organisations. We see such organisations as mutually complimentary, rather than competition. Access to business advice is also available through the Chamber Committee and its Ambassadors.

Developing skills

We take an active interest in development of skills in the region, taking part in the Jobs Fayre at the Elgiva Theatre, and welcoming Bucks College Group and Bucks Skills Hub leaders to share opportunities and gain feedback on challenges surrounding skills and talent retention in Buckinghamshire.

Having fun

As well as business meetings, we organise fun, social events including interactive quizzes, BBQs and garden parties. We also sponsor local events and organisations such as Chesham United Football Club, Christmas in Chesham, Peace in the Park, Classic Italian Cars Show and many more to raise aware for local charities and causes.

Why not join us?

We welcome guests to many of our events and are keen to encourage the closer relationship that membership brings. Our thanks to the committee members and in particular to Karen Pawlowska (Chair) and Andy Garnett (Vice Chair) without whose efforts none of these activities would be possible. We always need support from local business people, so if you would like to take a more proactive role with the Chamber, volunteering is an opportunity to raise your business profile, develop personal networking, and contribute your knowledge and skills in a meaningful way, and to develop new knowledge and leadership skills and meet new friends.

Photography by John Groves (www.takeonetv.com)

Local Business Directory

We aim to update the Local Business Directory each year to ensure that this is a valid and useful document for residents of the town. We therefore encourage you to contact the Publisher if you have corrections or additions at phawkes@btconnect.com. All telephone numbers are Chesham code (01494) unless indicated otherwise. ■ denotes members of Chiltern Chamber. ■ denotes businesses which have advertised and therefore helped fund the production of the Town Guide.

Need help publishing your book?

Since 1990 we have offered a publishing service to assist authors in publishing their manuscripts on a wide range of subjects, from getting ISBN numbers and barcoding their book, to graphic design, illustration and proof reading. We also specialise in publishing local history books, and are now branching out into the field of natural history.

Further details: 01494 793000

Publisher's note

Our priority is to update the Chesham Town Guide each year to ensure that it is a valid and useful document for residents and newcomers to the town. We invite you to contact Chesham Town Council if you have corrections or additions to local information at georgina.fernandez@chesham.gov.uk and to contact us with up-to-date business information at pawkes@btconnect.com. Further copies of this Guide are available at the Town Hall, the Elgiva, the Library and other community outlets.

Rayners

caring for the elderly

Rayners

Rayners was established in June 1990, being the first purpose built care home for the elderly in South Buckinghamshire. Set in the Chiltern village of Hyde Heath, Amersham, with our local pub, village shop, infant school and village green, Rayners and our residents remain an important part of the local and vibrant village community.

Extra Care

In addition to the high level of care provided we are able to offer 'extra care', in the event of a resident becoming more dependent. This degree of care is not usually available in care homes and gives the resident and their relatives alike confidence and peace of mind in their choice of care home provider. Rayners also has the ability to accommodate respite or short stay residents, subject to suite availability.

Maple Tree House Assisted Living Apartments

These spacious apartments are marketed at couples or persons who require the reassurance, security and backup of a residential care home without having to enter a communal living setting. The all inclusive monthly fee covers all utility bills, council tax and all maintenance, daily fresh meals served in your apartment, all domestic cleaning and laundry. The apartments are connected to Rayners via a 24 hour, 365 days of the year emergency call speech facility.

- Still family owned and managed •
- All meals freshly produced daily by qualified chefs using local suppliers •
- Beautiful and accessible tranquil gardens •
- Twice weekly chauffeur service to Chesham/Amersham town •

For a copy of our brochure or to arrange to view, please call us on 01494 773606 or visit our website www.careatrayners.co.uk
