Dear brothers and sisters in Christ,

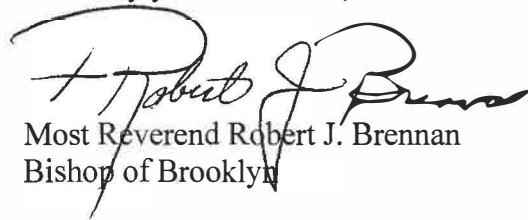

I write today to extend my heartfelt congratulations to the parish family of Transfiguration-St. Stanislaus Kostka as you gather today in celebration of some wonderful milestones. Today, you celebrate the 150<sup>th</sup> Anniversary of St. Stanislaus Kostka Church, the 115<sup>th</sup> Anniversary of Transfiguration Parish, and the 60<sup>th</sup> Anniversary of Transfiguration Church, together, 265 years of faith!

Since the first pastor of St. Stanislaus Kostka was installed in 1872, and the establishment of Transfiguration Parish in 1908 both St. Stanislaus Kostka and Transfiguration parishes became cornerstones in the Maspeth community. Since the parishes were joined together in 2019, the parish of Transfiguration-St. Stanislaus Kostka has continued to provide outstanding ministry to the Maspeth community to this day. So many generations of families have been lucky to call Transfiguration-St. Stanislaus Kostka, as the parish helped them to grow spiritually.

It is my pleasure to acknowledge the great work of your pastor, Reverend Monsignor Joseph P. Calise, and all the dedicated pastors who preceded him, along with the clergy and many religious who have served the parish in so many capacities. Through their great work, along with all the dedicated parishioners, the parish of Transfiguration-St. Stanislaus Kostka has continued to thrive over these many years. Thank you for your great generosity in the gifts of your talents and time, please know that your good work does not go unseen.

Congratulations once again on 265 years of service to the people of Maspeth and the Diocese of Brooklyn! Be assured of my prayers for all the members of the parish family of Transfiguration-St. Stanislaus Kostka.

Sincerely yours in Christ,

Most Reverend Robert J. Brennan  
Bishop of Brooklyn

The Rite of Marriage offers these words as an option for the vows: “I promise to be true to you in good times and in bad; in sickness and health; I will love you and honor all the days of my life.” Today’s celebration marks the fidelity of the parish church to God’s people, so similar to the fidelity of husband and wife.

As we look back on the history of the parishes before the canonical merger, we see the place each held in the lives and stories of so many families. It was a refuge in time of war, a comfort through sorrows, the place of baptisms, weddings and various cultural celebrations. It has been the center of community.

Today we try to build on that legacy. Stronger through unity, we can only rightly celebrate the past by looking towards the future. May the Blessings of the Almighty, which have safeguarded us this far, continue to be our strength and protection.

Sincerely in Christ,

## DECREE

Changes in the spiritual practices among the faithful, a decrease in available clergy and men and women in consecrated life, changes in the general population within our Diocese, as well as concerns regarding temporal matters have affected the means by which the Gospel of Jesus Christ has been proclaimed within the Diocese of Brooklyn. In an effort to respond in the best possible way to the gifts of the Holy Spirit generously given to us in our current situation, I have overseen a comprehensive pastoral plan, which included the whole of the Diocese of Brooklyn.

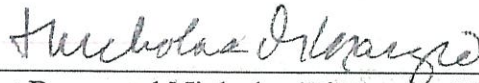

In an effort to evangelize more effectively the community in Queens, as well as administrate the temporal goods of the faithful more efficiently, Reverend Monsignor Joseph P. Calise, Pastor of the Parishes of Transfiguration, located at 64-14 Clinton Avenue, Maspeth, New York 11378 and Saint Stanislaus Kostka, located at 57-15 61<sup>st</sup> Street, Maspeth, New York 11378, petitioned that they be canonically merged.

In keeping with the requirements of the Universal Law of the Church, the Presbyteral Council was consulted on April 9, 2019 (Canon 515 § 2), and after having heard the reasons for the proposed merger, its members expressed their support for this action. In addition, after having consulted the territorial Episcopal Vicars, clergy, pastoral ministers and other members of the faithful of the parishes involved, I, the undersigned Bishop of Brooklyn, hereby declare and decree that the Parishes of Transfiguration and Saint Stanislaus Kostka, both within the Diocese of Brooklyn, shall be merged to form one Parish.

- This one Parish shall be named the **Parish of Transfiguration – Saint Stanislaus Kostka**, with the main Parish office to be located at 57-15 61<sup>st</sup> Street, Maspeth, New York 11378.
- Reverend Monsignor Joseph P. Calise shall be the Pastor of the Parish.

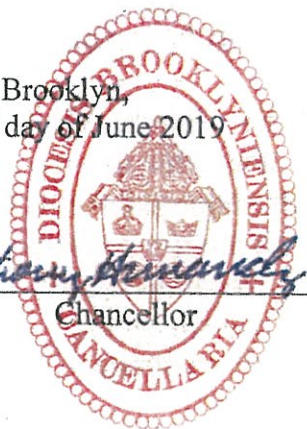

- The territorial boundaries of the new parish shall encompass all of the territory which, up until now, has constituted the territories of Transfiguration and Saint Stanislaus Kostka.
- All assets and obligations currently belonging to aforementioned parishes are by this canonical merger, transferred to the Parish of Transfiguration – Saint Stanislaus Kostka.
- The parochial registers and the seals of the aforementioned parishes shall be kept at 57-15 61<sup>st</sup> Street, Maspeth, New York 11378.
- The Parish shall have two churches for worship: The Church of Transfiguration and the Church of Saint Stanislaus Kostka.

This merger shall take effect on September 1, 2019, at which time the public juridic persons of Transfiguration – Saint Stanislaus Kostka shall be merged. Recourse action may be sought according to the norms of Canons 1732 to 1739 of the 1983 Code of Canon Law.

Most Reverend Nicholas DiMarzio, Ph.D., D.D.  
Bishop of Brooklyn

## History of Transfiguration

***The Roman Catholic Church of the Transfiguration***, was dedicated on August 8, 1908 by the Reverend Nicodemus Petkus. Due to the dire need for a Lithuanian church to serve the surging Lithuanian population in the Maspeth area at that time, funds were contributed by the people and various Lithuanian organizations to purchase land on Hull Avenue in Maspeth, where a wooden Church was built. It was the second oldest Lithuanian Catholic Church in the Brooklyn Diocese and the first Lithuanian national church in Queens County which has, for over a century, remained a thriving and vital force in the spiritual realm of the Maspeth Community.

Unfortunately, the Church suffered two major fires, one in 1919, which destroyed a substantial part of the original church and the second in 1925 which razed the church building to the ground.

Instead of re-building on Hull Avenue, property was purchased on Perry Avenue (the former location of St. Stanislaus Kostka Church which had moved to Maspeth Avenue and 61st Street) which provided a church building, priests' rectory and additional grounds on Clinton Avenue.

The needs of the growing parish necessitated the building of a larger church and on May 27<sup>th</sup>, 1962, the new Church of the Transfiguration, now facing Clinton Avenue, was dedicated. The old church structure facing Perry Avenue became the Parish Hall. (The beautiful award winning A-frame Church was

designed by Lithuanian emigre architect Jonas Mulokas [1907-1983] known for incorporating Lithuanian themes with modern architecture.)

Distinctive features of the interior of the church building are decorations influenced by Lithuanian folk art. Above the doors of the church is a phrase in the Lithuanian language, *Mano Namai Maldos Namai* ("My house is a house of prayer").

The Lithuanian roots are still celebrated in a once monthly, bi-lingual (Lithuanian/English) Mass on the second Sunday of the month (except July and August).

In 2006, a mandate by Bishop DiMarzio was given to begin the "reconfiguration" of the two neighboring Churches of Transfiguration and Saint Stanislaus Kostka, combining ministry and resources where possible into one, but remaining two viable, vibrant Catholic parishes.

In 2019, a decree was issued to canonically merge the parishes of Transfiguration and St. Stanislaus Kostka into the present day Parish of Transfiguration – Saint Stanislaus Kostka.

Transfiguration Church front lawn houses within its yard a replica of a Lithuanian roadside shrine which corresponds with the Church steeple.

## History of St. Stanislaus

In 1872, Bishop Loughlin dedicated a new church under the patronage of St. Stanislaus Kostka, on Perry Avenue Maspeth, NY— it began serving approximately five hundred Catholic families in Maspeth and nearby communities.

As manufacturing, new business and immigrants from various parts of Europe caused the community to grow it became evident that a larger church was needed.

In 1920, land on Clermont (61st Street) and Maspeth Avenues was purchased for a new church and rectory. A school and convent would follow in the future. Maspeth's Catholics and non-Catholics alike participated in the fundraising campaign – “selling” bricks at ten cents each – and the cornerstone was laid in 1923.

The beautiful combination church and rectory was dedicated in 1925 by the Most Reverend Thomas E. Molloy, Bishop of Brooklyn. The marble altar was donated in his memory by his family; the stained glass windows were donated by parishioners and church societies in memory of former Pastor, Rev. Joseph Bennett. The people of St. Saviour's Episcopal Church, whose pastor, Fr. Frederick S. Griffin, was a close friend of Fr. Bennett's, erected the original Statue of the Blessed Mother in the rectory yard.

Despite the Depression, the school building was fully operational by February 1934. The first floor was used as the school, and the upper floor classrooms served as the residence for the teaching Sisters of St. Joseph until the convent was built in 1938.

St. Stanislaus Kostka School was fully operational by February 1934. Eventually a school auditorium was built and the school

yard was enlarged by the purchase of property on Maspeth Avenue.

In 1984, A Church Restoration Campaign was initiated to repair and restore St. Stanislaus Kostka Church as well as reconfigure the liturgical space and appointments inside the Church, including moving the altar closer to the congregation, adding a new, permanently fixed baptism font, installing air conditioning and providing for easier handicapped access.

In 1994 St. Stanislaus Kostka Parish, along with the neighboring parishes of Transfiguration and Holy Cross launched a new era of pastoral cooperation in providing for the needs of the Catholic community of Maspeth. Cooperative efforts in youth ministry, catechist formation, the RCIA program and ecumenical outreach were established.

In 2006, a mandate by Bishop DiMarzio was given to begin the “reconfiguration” of the two neighboring Churches of St. Stanislaus Kostka and Transfiguration, combining ministry and resources where possible into one, but remaining two viable, vibrant Catholic parishes.

In 2019, a decree was issued to canonically merge the parishes of Transfiguration and St. Stanislaus Kostka into the present day Parish of Transfiguration – Saint Stanislaus Kostka.

The merger provides for our Parish Priests and Parish groups to minister to all the members of our one Parish Family.
