CLASS OF 1971 PLAYING IT FORWARD 2

WELCOME NEW PRINCIPAL 4

## A MESSAGE FROM SERVITE PRESIDENT RANDALL ADAMS

**W**e made it to the finish line! Since the start of the pandemic, Servite has been dedicated to offering our students a robust experience despite the limitations required. From virtual learning to hybrid instruction to the joyful return of all of our students to campus on March 1, we have worked hard to maintain the safety and well-being of our students, faculty, and staff. After a year of frequent change and uncertainty, the last quarter of the year felt almost normal again, with full (although socially distant) classrooms, sports, prom, and graduation. It felt wonderful to once again provide in-person opportunities for formation, leadership, and extracurricular activities and we look forward to a traditional return to school in the fall.

Whatever form this school year has taken, we have been blown away by your support of our mission to Form Faith-Filled Leaders. For more than 62 years, Servite has been helping boys become the men that God called them to be. In the light of your tremendous support, we have seen our Servite community – faculty, staff, students, alumni and families alike – excel under the challenges we’ve faced together, and I truly believe that our mission has not lost its momentum.

Servite High School is an extraordinary place. It has always been a place of faith, learning, and service. The young men who graduate from Servite are Faith-Filled Leaders who serve at the foot of the cross through words and actions. I feel honored to continue to serve as its president for another three-year term beginning July 2021. I look forward to continuing to work with the Board of Directors, faculty, and staff to represent the Charisms of the Servite Order.

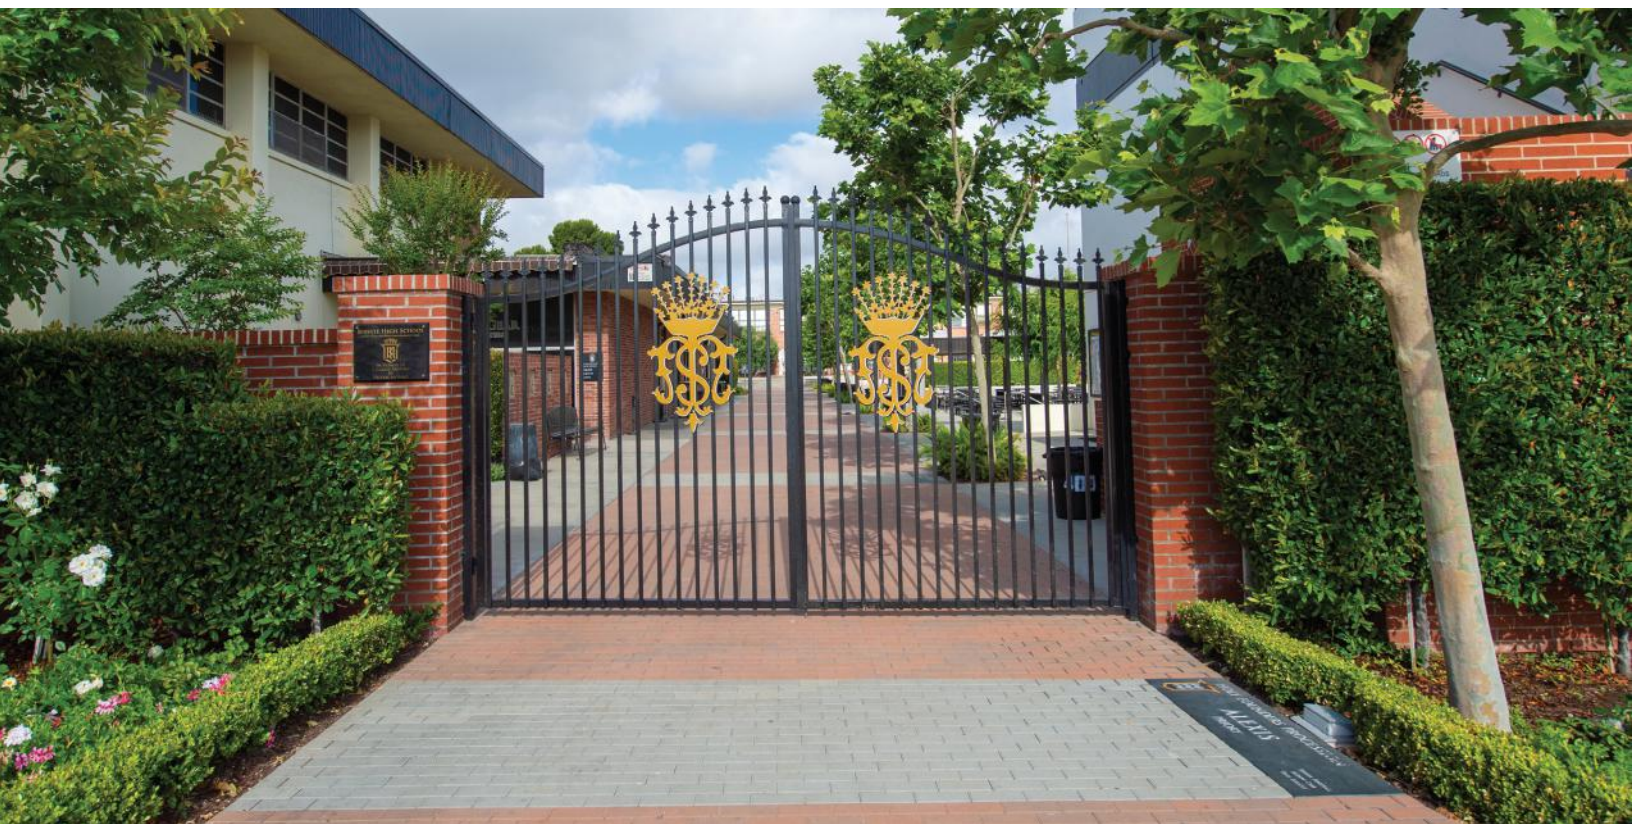

We cannot thank you enough for helping us to provide a Servite education to our students. In a world where the right way is often the hard way, we stand together to uphold the beliefs, values, and traditions that make our Servite community so special. May God continue to bless our Servite family!

Sincerely,

A handwritten signature in black ink, appearing to read "Randall H. Adams".

Randall Adams  
President

---

# CLASS OF 2021: THE CLASS OF PERSEVERANCE

BY ANDREA WATANABE

Unprecedented. Like never before. Once in a lifetime. We've heard these terms a thousand times and more this year after restrictions, shutdowns, and educational disruption caused by Covid and the global pandemic. Never before has a class navigated the challenges presented in academics, athletics, and personal lives like our dear Class of 2021.

In March of 2020 during their junior year, the Class of 2021 experienced an overnight transition in their method of schooling to that of a remote environment. Until recently, they had only known school to be in a remote or hybrid fashion with varying schedules based on social distancing regulations and mandates. But that didn't stop the tenacious spirit of this special band of brothers. They rose to the occasion and persevered to make their senior year one that did not miss a step. Jennifer Emard, senior English teacher, said, "It would have been so easy for the Class of 2021 to excuse their way out of working hard this year. Not these young men. Instead of digging for excuses, they dug deep into their souls and found the strength to push forward and adapt to whatever was thrown their way."

And adapt they did.

The Class of 2021, with all of their resilience and general drive to rise above, continued their development from good to great in all aspects of their lives. They pushed themselves academically in a new learning environment. They found innovative ways to give back to their communities with Christian service hours. They trained for uncertain sports seasons as though their games, matches, or meets were the next day, never

The Class of 2021 will go on to college, careers, and the military.

missing a beat. They applied and are headed off to colleges and experiences next school year in places like Notre Dame, Chapman, Bellarmine, Columbia, Cornell, Johns Hopkins, and many UC and Cal State schools.

These young men are indeed a class of perseverance and one fiercely loyal to the brotherhood of Servite. Joey Lutfi, Class of 2021 Prior General, says, "We have been able to see through so much adversity – Covid, cancellations, personal loss, athletic and academic trials – and grow stronger in relationships because of it. I feel that our Class of 2021 is uniquely close because of our shared, uncomfortable growing pains. We persevered through this together."

More challenges were thrown at this class but they handled themselves with poise, innovation, and everything expected from a Servite gentleman. The lessons they learned are significant in their development as Faith-Filled Leaders as well. "The struggle has been one of the best parts of senior year. It showed me that nothing can keep

the community of Servite Friars down, especially when everything and everyone is committed to living like Christ, a living example of Him," says senior Matthew Greenlee, Chairman of the Student Ambassador Program.

The challenges the Class of 2021 experienced may have told the boys that "it" – academics, athletics, Eagle Scout awards, scholarship awards, Kairos retreats, theater productions, and more – couldn't be done. But this special class of Servite men found their ways. Ben Van Dyk '01, Social Studies Teacher, summarizes it best saying, "The Class of 2021 has shown there is no challenge too great for them. In fact, they have shown they welcome a challenge; they thrive in the fight. And they won't simply endure, they will persevere over it. From that perseverance, they inspire others to rise to that challenge with confidence. Don't ever count this class out. They are fighters." Go with God and persevere, Servite Class of 2021.

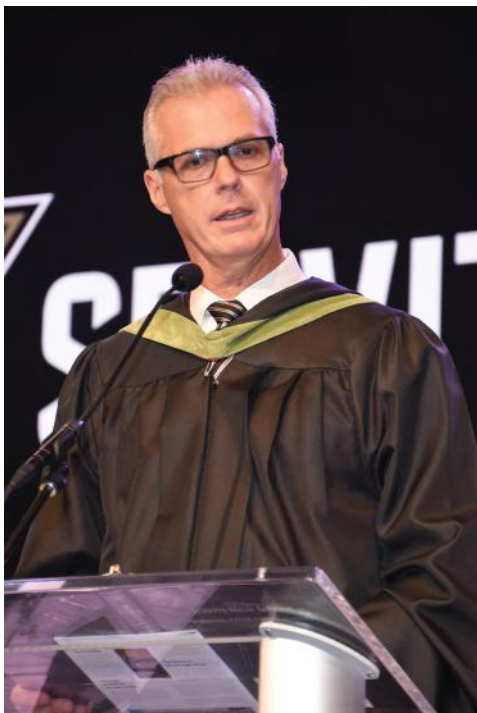

# CLASS OF 1971 PLAYING IT FORWARD

In the summer of 2017, graduates of the Servite High School Class of 1971 made a commitment to mentor the students who would be graduating 50 years after them. Beginning as volunteers during Freshman Formation Weekend, the Class of '71 graduates connected with their much younger counterparts over the years, sharing life lessons and laughter in classrooms, at retreats, and through social events like bowling and a poker tournament. Over these same years, the leader of the program, Mike Freeman '71, experienced a traumatic injury that resulted in paralysis. His story of determination and recovery served as an inspiration to our young Friars graduating 50 years after he and his Servite brothers collected their diplomas. The tradition has continued with the Class of 1975, the latest to adopt a class.

Members of the Class of 1971 participated in a lesson on basic car repair during the sophomore year for the Class of 2021.

# FAREWELL TO MICHAEL BRENNAN

**M**r. Michael Brennan has been appointed the next president of St. Anthony High School in Long Beach, CA.

"I am humbled and honored to have been selected president of St. Anthony High School," Michael Brennan shared upon being appointed as president. "I excitedly look forward to serving and working with St. Anthony students, faculty, staff, administration, alumni, and donors, as well as the Long Beach community. I would like to thank the Archdiocese of Los Angeles for providing me this opportunity, as well as the current president, Mrs. Gina Maguire, for her dedicated and loyal service. I feel absolutely blessed to be a member of the St.

Anthony High School community."

Brennan served as principal of Servite from July 2006 to June 2021, following 17 years as a teacher, coach, administrator, and principal in Anaheim Union High School District. During his tenure at Servite, he played an integral part in establishing Servite's Formation and Priory Leadership programs, among other accomplishments.

We wish to thank Mr. Brennan for his many years of service to Servite High School, the Servite Order, and the community. We wish you the best of luck on your next adventure.

Mr. Brennan addressed the Class of 2021 at graduation.

---

# GRADUATION AWARDS

## NICK VEYNA MEMORIAL AWARD

ZACHARY MERS & ALLAN SU

The Nicholas Veyna Award for Persistence is presented to a graduating senior who, over his four years at Servite, has shown persistence through growth and perseverance in all fields of Servite's academic, social, spiritual and community commitments all while overcoming major obstacles and challenging circumstances at Servite.

## MAN OF PIETY SCHOLARSHIP

ZACHARY ZUNIGA

The Man of Piety Scholarship award was created in memory of Servite brother Christopher Michael Hernandez II. This scholarship is awarded to a graduating senior with uncompromising integrity and courage demonstrated by a willingness to do the right thing despite social pressures. This student models the generosity of spirit and self-sacrifice in his devotion to his family and to helping others.

## PRINCIPAL'S LEADERSHIP AWARD

JESUS MELGOZA

The Principal's Leadership Award is presented to a graduating senior who consistently perseveres by actively living the formation themes. He is humble, honorable, and academically strong. There are many unrecognized students at Servite who are good and will be great. The Principal's Leadership Award winner represents these Men of Servite.

## SEVEN HOLY FOUNDERS AWARD

JOSEPH LUTFI

The Seven Holy Founders Award is given to a senior who truly understands that leaders are servants first and that one must be Christ to others in order to lead others to Christ.

## ST. ALEXIS AWARD

ANDREW CALLE

The St. Alexis Award is given to a senior who has demonstrated academic excellence in all areas and who exemplifies scholarship in every way.

## ST. PHILIP AWARD

NICHOLAS SANCHEZ & XUNAN GUAN

The St. Philip Award is given to a senior who, in all aspects of life, exemplifies the Order of Friar Servants of Mary and represents the epitome of a Servite Student – as a scholar, as a gentleman, and as a Man of Servite in every way.

# WELCOME NEW PRINCIPAL STEPHEN WALSWICK '02

Our students' experiences at Servite High School prepare them to be Faith-Filled Leaders beyond our gates. When students become proud alumni of Servite, we hope that they will model leadership with integrity to make positive contributions to the world. Some head into corporate positions, some choose careers in law or medicine, and some serve through their parish or non-profit organization. It's always a proud moment to see our Friars use their gifts and talents to make lasting impacts along their individual journeys after high school. It's a special blessing when those gifts and talents lead our alumni back to Servite. We are pleased to welcome another Friar back home for the 2021-2022 school year.

Servite's first alumnus principal, Mr. Stephen

Walswick '02, will begin his tenure as our tenth principal effective July 1. Walswick has dedicated his life as a student, teacher, and administrator at Catholic schools, including many years at Servite. Walswick returned to Servite after three years of formation with the Servite Order to serve in a variety of roles over the years, including English teacher, water polo coach, Director of Educational Technology, and an assistant principal.

After Servite, Walswick became the principal at Central Catholic High School in San Antonio, Texas. He holds a double-major bachelor's degree in English Literature and Philosophy from Loyola Marymount University, a Master of Arts in Teaching from Chapman University, and a Master of Arts in Catholic School Administration from Loyola Marymount.

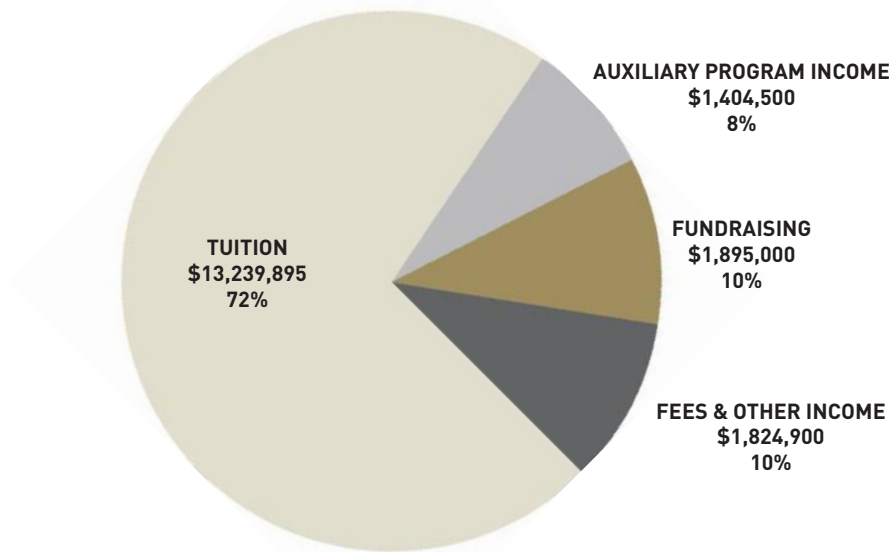

Walswick has been married to his wife, Lacey, for the past eleven years. They have three daughters and a son. The family is looking forward to re-engaging as active parishioners at St. Joseph's in Placentia.

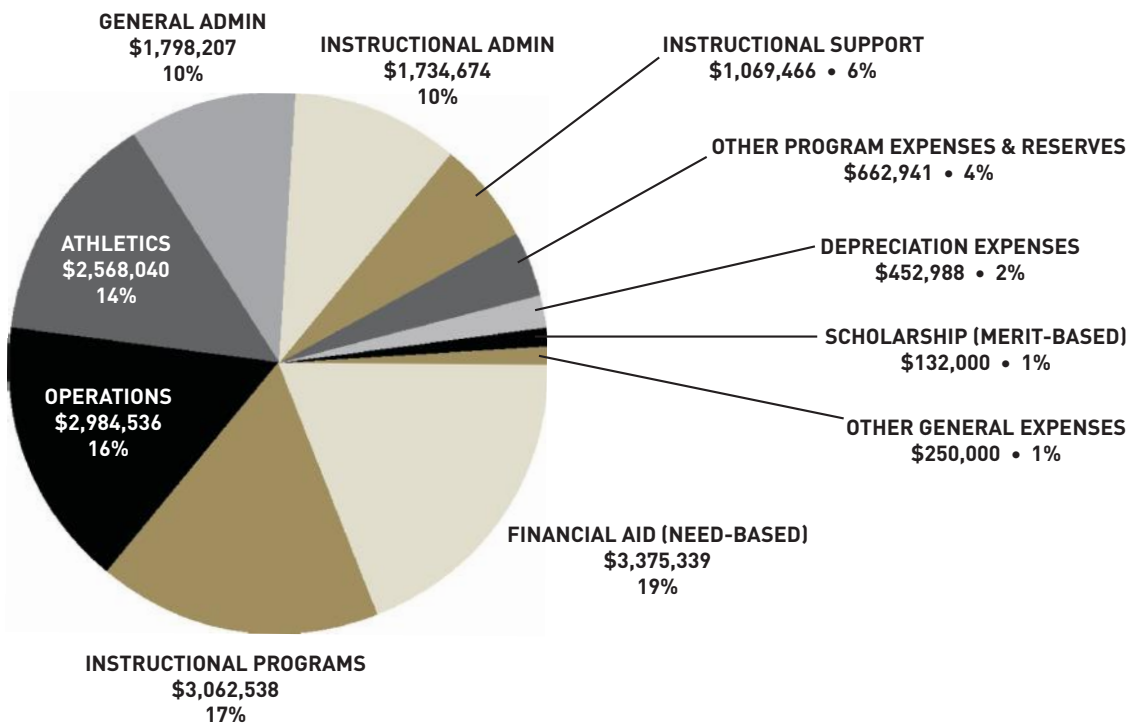

# 2021-2022 OPERATING BUDGETS

The Servite High School Board of Directors and the administration is proud to present the school budget for the 2021-2022 school year. We look forward to a successful year of Forming Faith-Filled Leaders.

## REVENUE BUDGET

## EXPENSE BUDGET

# STUDENT PERSPECTIVES

## LEADERSHIP THROUGH UNCERTAINTY

BY JOEY LUTFI '21, 2020-2021 PRIOR GENERAL

This year has been a year of unpredictability and uncertainty in our world. It's felt like each week, we are on the edge of our seats waiting for the next big "thing" to happen. Yet, through it all, one thing has remained unshakably constant: this has been the Servite community. During full distance-learning, we were brought together through a shared recognition that we were all learning, adapting, and remaining steadfast together. We were all in the same boat and, while nobody knew where it was headed, we knew that we were in it together.

Thanks to the responsibility and proactivity of our teachers, staff, and administration, we transitioned to a hybrid learning environment, where we were able to excitedly reconnect with our brothers on campus. Shortly after, we were all back on campus full time. Almost a year after first transitioning to distance learning, we were all

back on campus as a community, a brotherhood, and a family.

Being Prior General this year has provided me with the unique opportunity to see both the public and behind-the-scenes work that it took to get to where we are now. Watching our formation directors, health staff, teachers, alumni, and so many other members of our community move mountains to ensure that we experienced the fullness of who and what Servite is, I've gained a new understanding for just how much we, as students, are cared for.

If I were to sum up what I've learned through the highs and lows of this year as a Servite Friar in one sentence, it would be this: I've come to understand that faith, hope, and love are the pillars of our Servite community that continue to uphold an unbreakable tradition of brotherhood in Christ.

The Generalate of the 2020-2021 school year.

---

# IN A COVID ENVIRONMENT

## KEEPING THE ARTS ALIVE

BY RYAN BASS '21

**D**uring COVID-19, theaters, museums, and concert venues were among the first things to be shut down. Without the arts, we lost our connection with creativity and our connection to each other through musical and visual arts. We lost a side of us that we will always need; an outlet for creativity has been proven to help students academically, socially, and emotionally. The arts bring people together and find a common ground among everyone.

Thankfully, Trinitas Arts Conservatory (formerly known as Tri-School Theatre) was able to keep the arts alive at Servite during the pandemic. Trinitas leaders realized the effect they had on their students and how important it was to them to be able to perform, participate, and to be in each other's company. We started with a live Zoom performance of a series of radio plays, in which performers brought to life the experiences

of voice actors. We learned how to create our characters with only our voices and we were able to create a dynamic show that all families enjoyed. Next, we offered a 1980's inspired take on William Shakespeare's *A Midsummer Night's Dream* via Zoom, complete with 80's fashion and music.

Our Servite and Rosary students were thrilled to offer our last production to a live audience, as we took our show "on the road" to the Rosary Academy lawn. The sold-out performances of *Once Upon a Mattress* in concert brought the excitement of live theater back to our community and gave a fitting end to the season.

Trinitas Arts Conservatory was able to push through these hard times and give some joy and inspiration to all. Next year, we will be back for more! We hope to see you in the audience!

The outdoor production of *Once Upon A Mattress* live and in-person at Rosary Academy.

# ATHLETIC YEAR IN REVIEW

BY KARLIE CARLSON

In a year like no other that brought challenges greater than any scouting report could predict, Servite student-athletes and coaches rose to the occasion and made the most of the opportunity to play the sports they love.

An athletic calendar that is traditionally stretched over 10 months was played in four with up to 10 teams competing simultaneously throughout the year. In a time that called for COVID testing, social distancing, masks, extensive cleaning protocols, limited fan attendance, constant schedule changes, and so much more, it seemed like a victory every time players were able to compete. And it was.

From hypothetical victories to actual ones, Servite teams experienced unprecedented success in 2021. All 10 spring sports made the playoffs, a first for the Friars, with three winning Trinity League Championships, one winning a CIF-SS title, and one taking home CIF Regional honors. Of the seven team sports, five advanced

to the quarterfinals or further in postseason action with three moving on to the semifinals and one to the championship.

Under the direction of Coach JP Jugo '05, the tennis team shined, finishing 20-1 overall while winning their first league title since 2003 and first CIF Championship since 2001! The duo of Andrew Loughran '22 and Christopher Marci '24 won the Trinity League Doubles title as well while advancing to the quarterfinals of the CIF Individual Tournament.

Golf also boasted the Trinity League Individual Champion as William Sung '21 (Columbia) won the title for the first time since 2015 narrowly edging his teammate and fellow senior Benjamin Hong (Boston College) who took 2nd. The two went on to lead the team to victory at the CIF/SCGA SoCal High School Regional Championships winning the title for the first time in school history, an impressive feat considering the tradition of excellence Coach Dane Jako has established

within the golf program.

As far as individual efforts go, Max Thomas '22 ran away from the competition, quite literally, during the 2021 track and field season. Not only did he win Trinity League titles in the 100, 200 and anchored the 4x100 relay, he stood atop the podium at CIF in both individual events while breaking Matthew Slater's Servite records dating back to 2003 with times of 10.58 and 21.37 respectively. He did all this while also competing for the soccer team which won its 8th consecutive Trinity League Championship and advanced to the CIF-SS Division 1 semifinals.

It wasn't uncommon for traditional multi-sport athletes to compete simultaneously this year due to the condensed schedule. Brad Riehl '21 joined Thomas as another soccer-track athlete to make his mark in both sports after winning both the 110 and 300 Hurdles at Trinity League Finals as well as running in both relays at CIF.

Thomas wasn't the only Friar to add his name

Above: Tennis won the 2021 Trinity League Championship and the CIF-SS Division 3 title this year finishing 20-1 overall.

Right: Max Thomas '22 won Trinity League and CIF Individual titles in both the 100 and 200 while setting new school records in both events as well.

to the record books in 2021. After deep playoff runs that saw basketball advance to the quarterfinals and volleyball to the semifinals, two players from each sport posted record-breaking performances. Carroll College basketball signee Andrew Cook '21 set a new record for most points in a season with 617 while fellow Class of 2021 graduate Bradley Smith netted a new single-game high making 12 3-point baskets. Meanwhile, in volleyball, Tetairoa McMillan '22 tied Madison Hayden's record from 2012 for most kills in a match posting 36 with fellow junior Jack Morikawa breaking the single-match assist record tallying 64.

There was no shortage of standout performances this year with over 80 student-athletes earning All-Trinity League

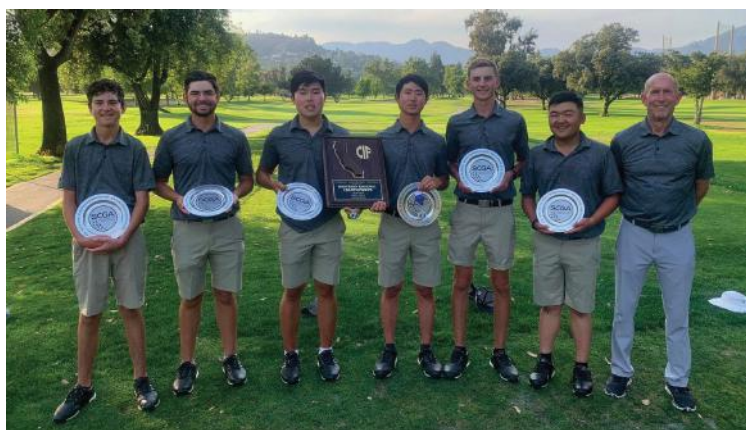

recognition while six Friars garnered well-deserved MVP honors including Jared Steins '22 (cross country), Noah Fifita '22 (football offense), Joey Lutfi '21 (soccer), Jesus Melgoza '21 (soccer offense), Merrick Cook '22 (soccer defense) and Roman Martin '23 (baseball Rookie of the Year).

With the continued success of our student-athletes, it's no surprise that 26 Class of 2021 graduates have earned the opportunity to compete at the next level with football leading all sports with eight followed by baseball and soccer with four each.

After such a whirlwind year it's hard to believe that we are already gearing up to do it all again with summer practices underway and the countdown to fall sports beginning!

Andrew Cook '21 set a new school record this season scoring 617 points while leading the basketball team to the CIF-SS Division 2A quarterfinals.

Golf won the CIF/SCGA SoCal High School Regional Championship for the first time in school history shooting 360 as a team to finish with even par and defeat the 2nd place team by 12 strokes.

Wrestling won the 2021 Trinity League title while advancing to the CIF-SS Division 1 semifinals.

# CREATIVITY AND TRADITION IN FRESHMAN FORMATION

BY DENNIS FLANAGAN

The Class of 2024 entered Servite in a fashion altogether unique. Every Freshman Formation Weekend is different, but this one was executed quite squarely in the middle of a pandemic; the uniqueness was apparent everywhere.

Despite all the restrictions, more than 170 freshmen took to the field, the quad, their classrooms, and all the obstacles in between through a typically jam-packed Friday and Saturday. They went home Friars by Saturday night, and whether they knew it or not, they were the proof we needed to forge ahead through all the unknowns of the school year looming on the horizon.

Nine months later and they've continued to bring their special spark and energy to campus. They've embraced the challenges of a COVID school year, or rather, they've chosen not to dwell on its limits and instead, with endearing freshman innocence, have volunteered enthusiastically for anything thrown their way. From priory periods and lunchtime activities to getting to know each other and their teachers, they've answered the call despite the setbacks and, once all the dust settles, will certainly hit the ground running!

---

# THANK YOU FOR YOUR SUPPORT OF THE MEN OF SERVITE

The Servite Administration and Board of Directors thank you for your support of Servite High School. Below is a list of alumni, parents, foundations, businesses and other friends who contributed \$25 or more between July 1, 2019 - June 30, 2020 in the following categories.
