With time, what is on these pages will almost become real, while those things not included here will be easily forgotten. It isn't ever easy to print a way of life or a feeling on paper, especially here, where the most important person in our daily lives cannot be photographed. We have though, keeping Jesus Christ as our strength, motivation, and reason, tried to let you see the 1982-83 year here at Point Loma College

Where is the wise man? Where is the scholar? Where is the philosopher of this age? Has not God made foolish the wisdom of the world? For since in the wisdom of God the world through its wisdom did not know him, God was pleased through the foolishness of what was preached to save those who believe." I Corinthians 1:20-21. We are constantly striving to establish ourselves in God's wisdom as

The joy that comes from a daily walk with the Lord can be seen in a person's life. It often appears here at school as a fun joy, something that you might expect to see on a

Playground.

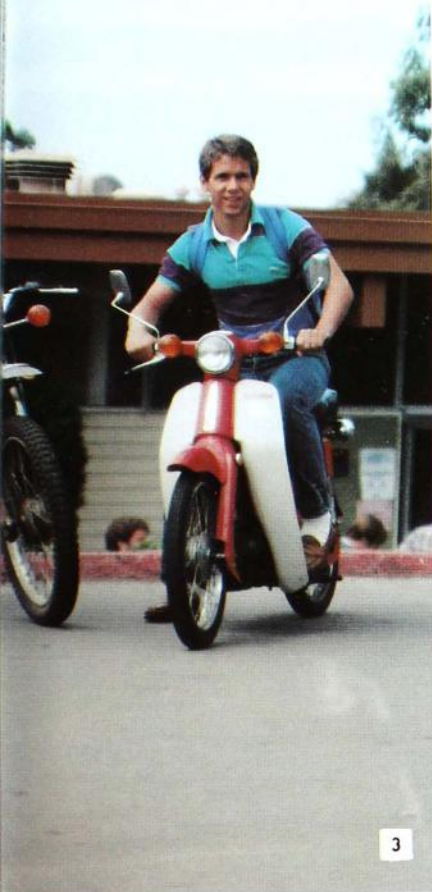

"As the Father has loved me, so have I loved you. Now remain in my love. If you obey my commands you will remain in my love, just as I have obeyed my father's command and remain in his love. I have told you this so that my joy may be in you and that your joy may be complete."

An Incubator.

Webster defines it as an atmosphere for the maintenance of controlled conditions favorable for growth, which is just what Paul tells the Ephesians is a necessity. "Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of men in their deceitful scheming. Instead, speaking the truth in love, we will in all things grow up into him who is the Head, that is, Christ." Ephesians 4:14-15.

Paul says to "consider it pure joy whenever you face trials of many kinds, because you know that the testing of your faith develops perseverance. Perseverance must finish its work so that you may be mature and complete, not lacking anything."

ASPLC Board of Directors

The 1982-83 Associated Student's Board of Directors has led one of the finest years ever in the history of PLC. As a group they are comprised of eight fine individuals, each in charge of a different area of interest here on campus. This year's theme was characterized in the word "tradition." The Student Board was responsible for arranging highlights such as the "All School Skit Night," the reinstatement of the Homecoming Celebration, opportunities for cultural and political awareness, concerts, NSLC . . . and many, many more!

Student/Administration understanding and cooperation were exemplified by forums, special luncheons, the Cafe Coalition, and the Student Activities Council as well as the many clubs and their advisors.

Our spirit this year, along with the enthusiasm and involvement, was fantastic. The board who gave us guidance in all these activities is to be greatly commended for its creativity and enthusiasm.

Publishing a book is definitely a long term project. One which, without a reason other than "for the students", often seems unreasonable and without purpose. We have approached this book as our special ministry for the year, and have tried to let you see through it, not only Point Loma College as it has existed this year, from our angle, but also how we see Jesus Christ as the center of our lives, and the reason for life.

As there are always those who make any project difficult, there are also those who make it possible! Included in the second group of individuals for our staff this year are: Joe Apple, S.P., M.L., M.M., (especially for the use of the Point typewriter), D.S., S.B., Don Welch, Sherry Crosby, Security (for the midnight visits), our advisor — Doc Seamans, Dr. Hills, and last, but definitely not least, Dick Kerr from Taylor.

The Point Staff

They've made their Point! Our student body has experienced a year of student awareness concerning pertinent campus issues, and the student newspaper has done a thorough job of reflecting that awareness. *The Point* has included a wide variety of personal opinion, large spreads on both major and minor issues, and thorough descriptions of campus activities and sports standings. Mark McClain and his staff have allowed themselves, with tact and maturity, to be an outlet for the wide variation in student opinion. The paper was very widely read this year, which, in journalism, according to advisor Jim DeSeager, suggests success.

Surf Club

The Surf Club, one of the largest clubs on campus, is affiliated with the NSSA (National Scholastic Surfers Association). As each member paid their \$10.00 they received membership to the NSSA and a T-shirt. They competed together in local contests as a team. The bulk of the season ran from Feb. to May. The Club, very active this year, was led by president Ralph Timmons.

Sigma is one of the most active clubs on campus. The girls in tan skirts and blue jackets dedicated themselves to service under the leadership of President Linda Kissel. The club sponsors the Sigma Banquet, they also raise funds to make possible their support of the Special Olympics, Easter Seals, and Mexico Outreach.

Circle K Club

Circle K is a service club sponsored by Kiwanis. The focus is on community aid realized through support of the Arthritis Foundation, a "Roll-a-thon" for Multiple Sclerosis, donations to the United Cerebral Palsy Telethon, and support of the Special Olympics. Between these big projects the club was involved in visiting senior citizens and shut-ins as well as developing communications with clubs in other regions.

The Ski Club of 1982-83 is notable for the active membership drive which brought together a group of people who were willing to help make something exciting happen. Under the direction of President Tori Wick, the club co-sponsored this year's trip to Mammoth and generated a good majority of the support for the trip making it a happily anticipated event.

ACS

American Chem. Society

The ACS club is a local affiliate of the National Organization — The American Chemical Society. They held a monthly meeting at which they tried to have outside speakers from chemical societies, etc. come and speak. They had a social event each quarter planned by the officers which were led by Mike Burns for the first half of the year and by Bob Dunham the second half. This year's club was quite a success.

Kappa Delta Epsilon was originally a sister organization for Kappa Phi Kappa, both of which had their beginnings at Pasadena College nearly 25 years ago. Phyllis Mele is the president of this club for those going into any area of teaching. It is made up of both undergraduate and alumni chapters to include women of all age groups in social activities.

Roteract

Rotaract is sponsored by the Rotary Club of Point Loma. It is designed to give young people training in leadership, an avenue for community and internal service as well as contacts with business people in the community. Under the direction of President Brian Vess, the club provided meals to families at Christmas, fundraisers for a polio inoculation campaign in Peru, and a health seminar in Ocean Beach.

This year's Art Club experienced its greatest achievement when it reached its major objective, a trip to Europe. The trip will entail five weeks of travel through Germany, Austria, Switzerland, and many other classical countries. President Ree Ann Hyde hopes that an annual trip to Europe will become part of the club in the future because "as an educational process it's not terribly academic, but a much more effective educational technique for art students through the actual viewing of the work of the masters."

Athenian Society

The Athenian Society promotes cultural interest among PLC students by providing opportunities the classics on video tape, as ushers at the Old Globe Theater, or simply through discussion with students people who have similar interests. This year featured a lecture by Noel Fitch on James Joyce, the subject of her new book, *Shakespeare and Co.* This club is guided by the capable leadership of President Katheryn Hughes.

Koinonia is a service club designed to help bring the PLC men together in fellowship. President Bruce Radic headed this group which sponsors our semi-annual Blood Drive. They also volunteered help to Mexico Outreach, and visited convalescent homes. Koinonia is an offshoot of Circle K; Koinonia broke away two years ago and is now an independent club with twelve active members.

Kappa Phi Kappa

Kappa Phi Kappa, our one fraternity, this year sponsored quite a full year for their members. They sponsored the car rally during fall quarter, along with their annual initiation in November. They met each Wednesday night in Boney Hall, led by their fearless leader Ray Beatty. GO GREEN GO!

The Associated Business Students of PLC were 91 strong this year. The club is for the acquaintance of the school's business majors with the business community through activities and seminars. They sponsored their annual breakfast and mud pie night along with the night at the Tennis Club, and other activities. The entire club met monthly and the officers weekly, sponsored by Dr. Nancy Hardison.

Sigma Phi Mu

Sigma Phi Mu is a national honor society with a chapter here at PLC that sponsored two breakfasts for their members this year. The annual dues are \$3.00. There were approximately 60 active members organized by this year's president, Shely Wankentine. Jerry McCant served as the club's sponsor.

Phi Omnicron

Phi Omnicron is a local affiliate of the national organization. This year the club met monthly, organized by president Shelly Matthews. The members pay quarterly dues, and membership is also open to non-Home Ec/Child Development majors. The club's purpose is for the development of opportunities in the Home Ec field as well as to provide service to the community.

Public Relations Through School Choral Groups

This year the choral groups at Point Loma College played not only a daily role in the lives of each of the students involved, but also a great part in the public relation for the school, traveling throughout the education zone for ten days. This year during Spring break, Concert Choir was in Northern and Central California; Male Chorale was in Central and Southern California; and Treble Choir toured New Mexico and Arizona. Each of these choirs, consisting of approximately 50 members, spent their lunch hour each day preparing for their performances.

Point Loma Singers, a chamber choir, practiced each Tuesday and Thursday from 2:30 until 4:00 and performed year-round in the Point Loma/San Diego community. All four of the choirs spent each Wednesday's lunch hour preparing for the choral union Christmas, Spring and Commencement performances

under the direction of Dr. Tweed and Dr. Hanson. The choirs served as very good

learning experiences for both musicianship and social interaction

Tough Season Knits Team Together Tightly

With high expectations the soccer team entered the year hoping for improvement on their best ever season last year.

While playing very competitively versus some fine opponents, PLC managed only a 4-11-1 record. A truer reflection of the team was found in the tight knit and supportive relationships that have emerged from the season.

Through Bible Study, prayer, fellowship, and competing together, lifetime associations have been established.

New Faces Promise Growth

The returning members of the women's volleyball team were greeted with many new faces as the year began; eight freshmen, one transfer student, only three returning players, and a new coach. This was a year of building and growth for the whole team. Coach Karen Balikian's objective this year was to build the team in fundamentals and increase its strength in passing, receiving and defense. The team showed great effort and gradually improved.

Both new and old faces were seen more frequently each game. Senior Deanna Burrows showed some outstanding blocking, Jr. Jennifer Robbins showed fine ability and talent along with Soph. Paula Sturdevant as the power house hitter and blocker of the team. Freshman Shannon Terry showed strong talent and ability that also helped the team.

The year turned out to be very enjoyable for everyone, and very productive in building a great team for the future.

Young Runners Carry Heavy Load

After last year's successful Cross Country season, with PLC winning the Cal Lutheran Invitational, the CCAC, and capturing the NAIA District III Championships, the 1982 squad was hard-pressed to repeat such performances. However, with a team of just eight runners, of whom only three had prior college cross country experience, the task was monumental.

As the fall quarter began, two fine carriers were unable to join the team and add their experience. This pushed a big responsibility onto the shoulders of the young, inexperienced runners. Throughout the short season, the women showed remarkable determination and displayed fine efforts on some very challenging courses.

Highlighting the season was a very close invitational hosted by Azusa University at Bonelli Park. PLC scored third behind UCSD by four points (58 and 54 points, respectively) with Loyola Marymount winning with 52 points.

At the Christian College Championships, Point Loma came up just one point short as Westmont won 27 to 28. Great individual efforts by Judi Burrows and Chris Grebisz brought the scores close, but without 2 runner, Karmen Stickney, who was home with the flu, PLC just couldn't catch Westmont.

Two weeks later, Westmont College again spoiled the day. The Crusaders were attempting to repeat as NAIA District Champions, but were shy by 4 points.

PLC's Judi Burrows climaxed a fine freshman year by placing 6th in the race and earning First Team All District honors.

On the second team were Karmen Stickney, Mary Kobylinski, and Chris Grebisz.

Although the 1982 team did not enjoy the tremendous success of the 1981 team, they did develop a unity of friendships, lifting up one another in victories and defeats, and it was obvious that they ran for the glory of the Lord and not just for themselves.

Cross Country Defeats Biola Fifth Straight Year

The Crusaders' Cross Country team, faced with circumstances and problems beyond their control, faced a slow start. This was due partly to the fact that a portion of the team traveled to Europe this past summer with Coach Crakes,

and did not return in time to fully prepare for this year's season. This did, though, present a great chance for determination and extra effort, which all helped make an enjoyable season for the entire team.

This year's runners for the Crusaders included: Thomas Anderson, Frank Selvaggio, Brian Kleinsasser, David Delong, and Miguel Aguirre. The runners showed much potential for another winning year, but bad luck hit the Crusaders with injuries.

On top of injuries the Crusaders Coach, Jim Crakes, knew that the team had a tough schedule. Competing in the Aztec Invitational and the Stanford Invitational was not easy. The highlight of the season was winning the Biola Invitational, PLC's fifth year in a row.

Even when times were rough, there was good effort from the other runners: Gary Martin, David Allen, Kevin Swain, Vince Hernandez and Bob Ripperdan.

With fine coaching from Coach Crakes, they are determined to return next year for a great season.

Team Work Draws Success

A younger, more inexperienced team than in years past resulted in a "roller

coaster" season of ups and downs for Coach Bill Olin's women's basketball team. The Crusader women, however, were headed for their fifth consecutive winning season and were in contention once again for post season play-off competition. Sharpshooting guard Kelle Fowler, PLC's leading scorer, and career assist leader Sue Gerber spearheaded the Crusader attack. A sophomore starting front line of Cindy Dodd, Karmen Stickney, and Lisa Batchelder pulled down most of the rebounds, with Stickney leading this trio in scoring and rebounding. Every member of the Crusader squad, including forwards Tara Thompson and Caroline Henrichsen and guards Marion Woodard, LaFond Files, Shari Baldomir, and Cathy Begg, made significant contributions to PLC's success.

Crusaders Iron Out Wrinkles for a Successful Season

Faced with perhaps the toughest schedule in years, the Crusaders approached the 1982-83 basketball season with ambition and determination. Included in the rugged 30-game schedule were two NCAA Division I opponents (Loyola Marymount and Oklahoma City University), two recent NAIA National Champions (Bethany Nazarene and Grand Canyon), three top notch tournaments (Grand Canyon, Chico State, and the Point Loma Classic), plus the highly competitive District III schedule.

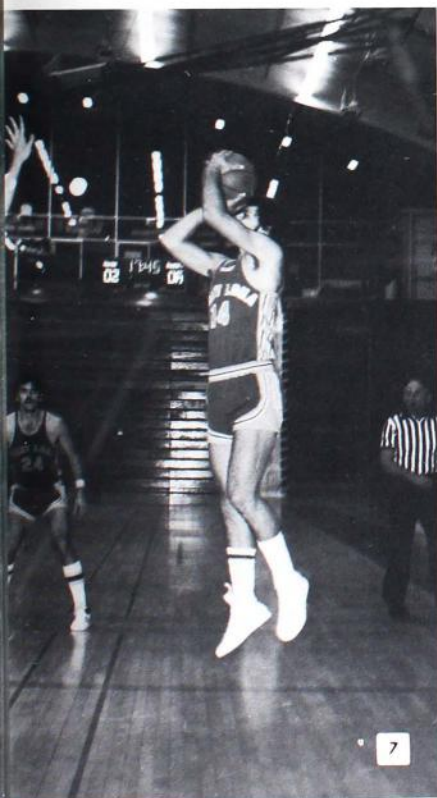

The Crusaders returned with six lettermen from last year's 20-11 team. Paul Walker, an All-Southern League performer returned at the point. Don Bickett, an all NCCAA District and All-Southern League player returned as forward. Glenn Peters, who was second leading rebounder returned to help the Crusaders as off guard. Three other seasoned lettermen, Chester Hood, Steve Rodeheaver, and Dave Wolber, also played significant roles for the Crusaders. Several newcomers gave PLC solid

performers throughout the line-up. Transfers Tony Troncale, Kurt Dykema, and Keith Jones helped the Crusaders tremendously. Freshman sensation Deon Richards as well as sophomores Vince Outlow, Alan Johnson, and Chris Riendeau played key roles in the Crusaders success. The Crusaders showed strength and experience as they provided fans with some of the most dazzling and exciting basketball in recent years. JV Men's Basketball

Ability Proves for a Promising Future.

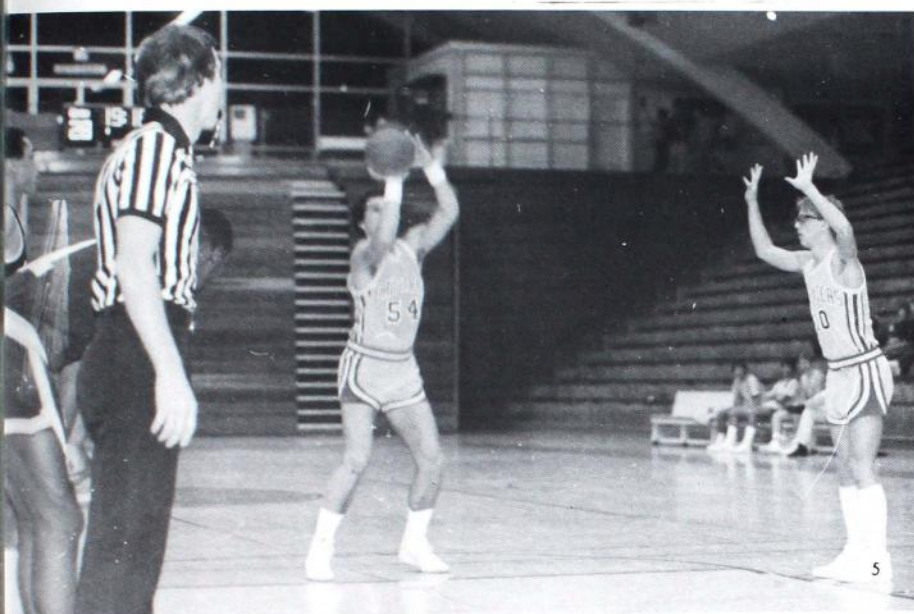

With no returning players from last year's 13-7 team, this year's junior varsity was a young and inexperienced

group. "Because of the lack of experience, it will take time before we jell and learn to play," said Coach Balikian, "but we are progressing systematically and slowly with a heavy emphasis on 'little things.'"

The junior varsity was not without talent; however. Kevin Kenney, an impressive high school player helped the Crusaders with some impressive talent. Vince Outlaw and Chris Riendeau helped the J.V. with some outstanding playing ability also.

Other newcomers which added strength to the junior varsity attack were: Vince Aikels, Mike Bugh, Lennel Carter, Mike Heede, Joel Rogers, and Rudy Rodeheaver.

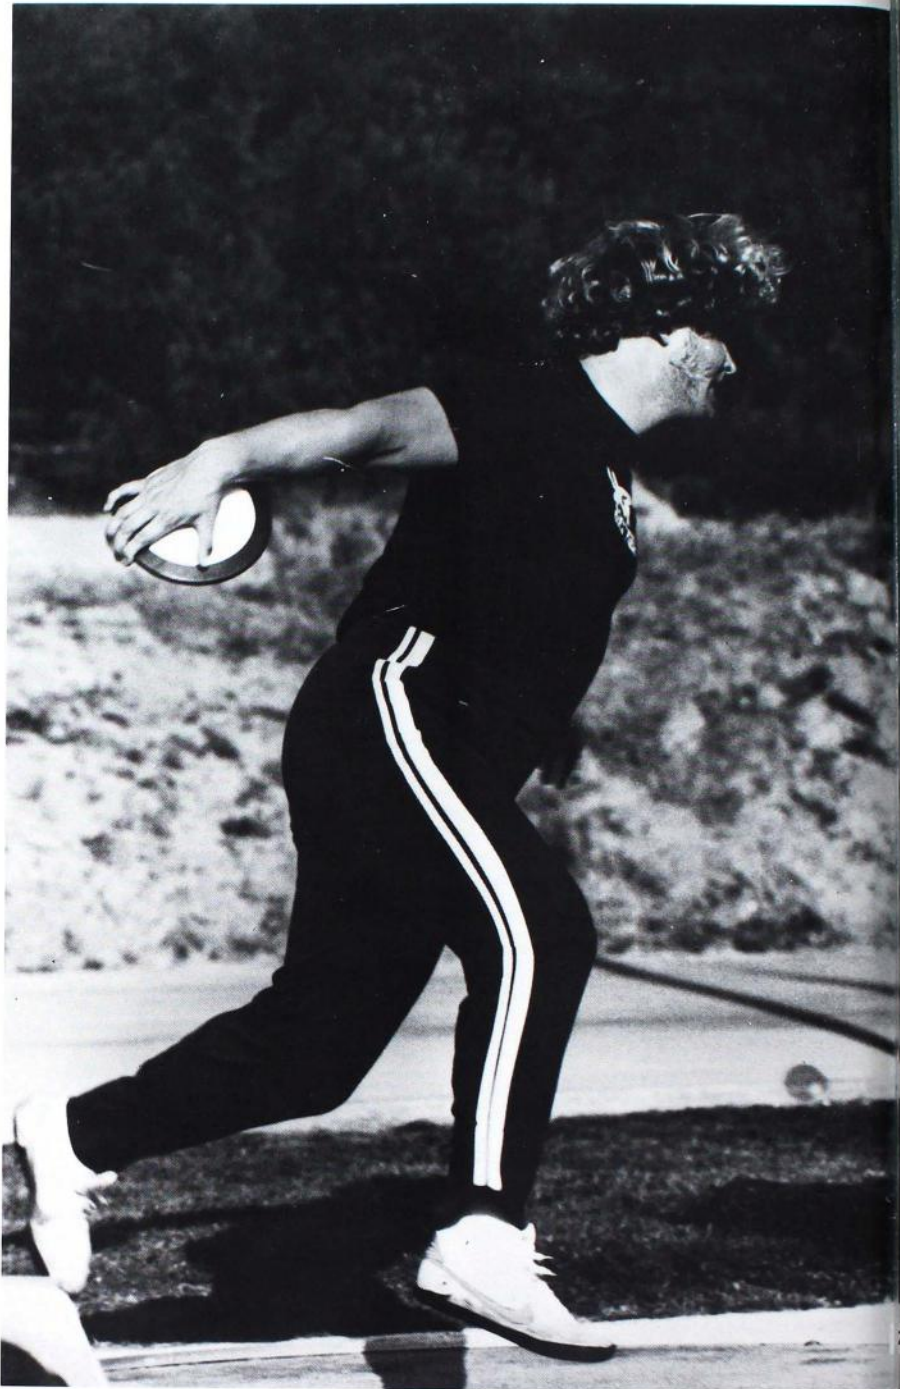

The junior varsity worked hard and showed some promising growth. The team was comprised of talented individuals promising an exciting future for Point Loma College Basketball.

Supportive Coach Breeds Active Involvement

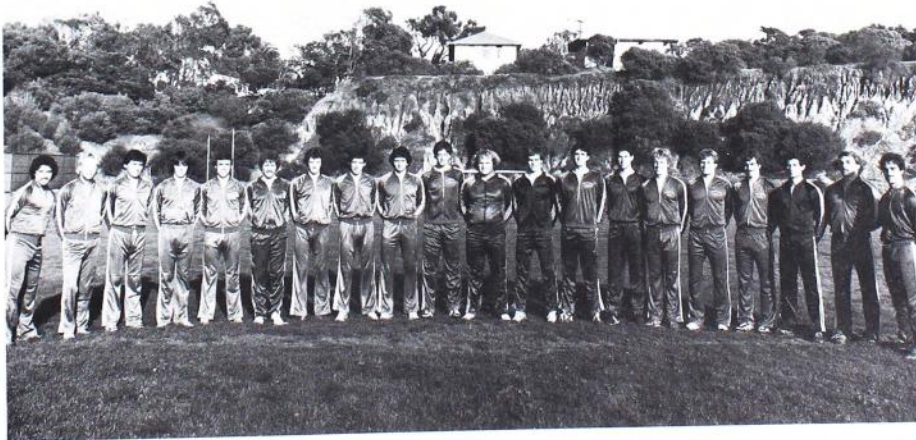

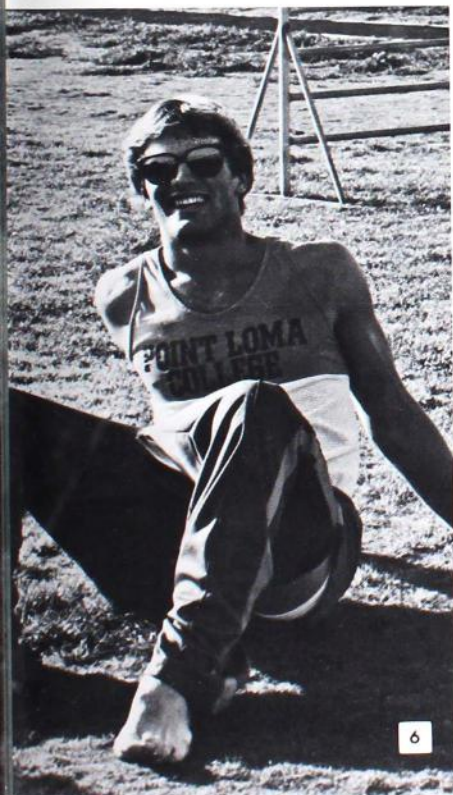

The loss of several outstanding performers from last year's squad places our team in a position of having to really scramble to be competitive within our district. The return of All-American Roger Axelsson and Marty Honea for their senior

year, gave us excellent strength in the throwing events. The question areas were primarily the short sprints and verticle jumps. Although we do not have veteran performers in many events, it is an exciting challenge to recruit people who walk across the track and get them involved in this international sport called "athletics" in the rest of the world. We've had many young people who are dedicated to becoming the very best they can be with the talents which God has given them. What more can a coach ask? Coach Crakes stated "This was an interesting, albeit rigorous year of competition for all those who were willing to risk possible failure to the reward of finding just what their capabilities really were."

Other bright spots on the track horizon were the distance crew led by Tomas Andersson, double winner in the 5 and 10K in last year's district championships as a sophomore. Newcomers Brian Kleinsasser and Frank Selvaggio coupled with returnees Dave DeLong, Gary Martin and Vince Hernandez made this area one of real depth and talent. Student body president Terry Mowers completed his career of great development as one of the top javelin throwers in the district.

The future looks bright with a most challenging project before us, to build an all-weather track facility on campus before the start of the 1984 season (the Olympic year). This was one of the most exciting years in the history of Point Loma College track and field.

Early Success Indicates a Future Championship

This was Coach Roeder's second year as head of the women's track and field program. Last year, Shari Baldomir and Marilyn Martin competed at the National meet, with Marilyn earning All-

American status with a fifth place in the 1500 meter run.

Several new prospects with tremendous potential joined the squad. Chris Grebisz, a junior with strength and speed in the 400, 800, and 1500 meter run. Two other talented freshmen were Tonya Motes and Shannon Terry, who trained for the heptathlon. Their early-season success indicated future championship potential. Other girls who gave great effort and determination were Dena Ramirez, Jamie Robinson, Jackie Humphreys, Mary Ann Gale, Holley Monroe, Tricia Horn, Ginger Spanfelner, Julie Rathbun, Angie Bell, Mary Kobylinski, Molly Malone, and Karmen Stickney.

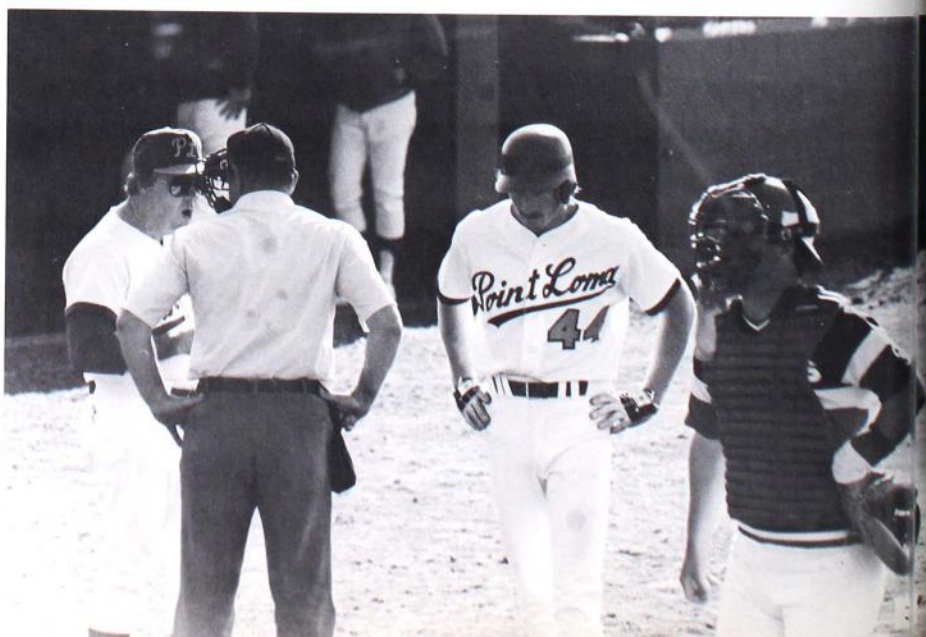

Last year eleven new school records were set by the women Crusaders. The 1983 season brought even more new marks and additional recognition to Point Loma College.

Veteran Baseball Corps Bring Excitement to PLC Ball

Several new players, many of whom have had previous college-level experience, gave the baseball team a legitimate "veteran" look this year. With

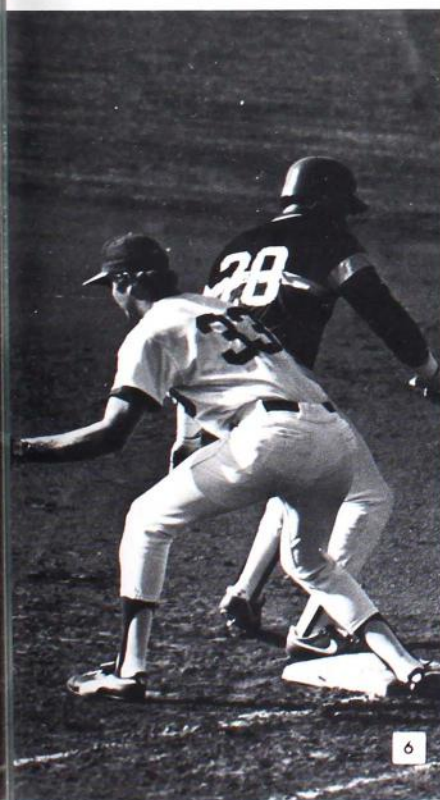

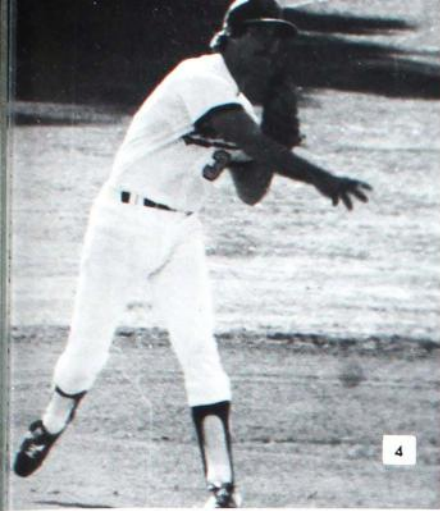

upperclassmen at virtually every starting position Coach Carroll Land looked for this combination of skill and experience to lead the Crusaders to a fourth consecutive Southern Division Championship.

The corners of a veteran infield were once again manned by seniors Kerry Everett and Keith Wilson, whose explosive bats continued to spearhead a potent PLC offense. Talented transfers Nick Sarris and Tony Botte filled the openings left by last year's graduating seniors. The two transfers, Senior Scott Spector and Greg Podleski shared the catching duties.

Seniors Bud Nelson and Brad Pike started in the outfield, and Senior Mark Underseth shared the other spot with Sophomores Doug Cone, and Wayne Nelson, and Freshman Rob Agnew. Dave Alvarado, Steve Napier and Ed Castro were the reserve infielders.

Seniors Gary Page and Tim Meinert, along with Buddy Halle, Jim Smith, Mike Pike, Mike Neal, and Marty Brown, and Larry Downs, injured in pre-season, made up the pitching corps for this year.

Coach Land's Crew will total played a total of seven games against NAIA opponents Lubbock Christian, Grand Canyon College, and Azusa Pacific, and played multiple contests against NCAA Division I squads from Washington U., Utah U., USD, and San Diego State for what was an excellent line-up for the display of their power.

Women Aim for Undefeated Season

This year's girls tennis team started very optimistically. With five of the top six players returning and some fine

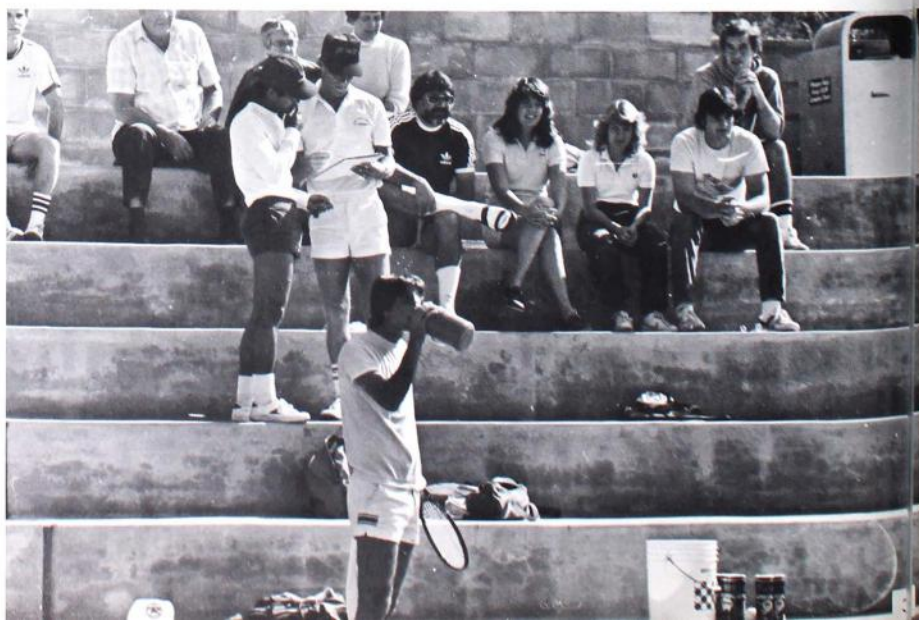

additions to the team. The girls were very well prepared to compete successfully throughout the season. Sue Hughey returned to the number one position and remained undefeated in early season competition. In the number two spot, Linda Lassiter returned and teamed up with Sue to comprise the number one doubles team. With a 17-2 record of last year's season they tried to set their sights on an undefeated season. Sue Turner returned in the number three singles position and Cari Rauhut and Karin Meyer were both competitive plus contributed solidly in their matches. Lynn Stevens, Tara Garrison, Robin McEachron, and Barbra Bower were all strong to help finish a good rounded lineup.

Men Turn Floundering Program Into a Contending One.

The Crusaders faced this season with dedication and determination to build a winning program. This is not an easy task with the strong competition afforded by the Southern California

District.

Returning to help make this season a turn around year was last year's most valuable player, David Towne. Joining with David was the two voted most improved players, Rick Partee and Tim Kounter. Other returnees included Curtis Anderson, Dan Eylar and Dan Wilcox. Joining the team this year were two highly talented freshmen, Todd Ormondo and Russ Torbett. Rounding out the team were first year players Alex Monnar and Randy Candias.

"Spirit and commitment characterized this year's team and their willingness to give beyond normal limits together with a strong sense of humor made this team one of the best in Point Loma's history," says Coach Hills. "These men have turned a floundering program into a contender."

Golf

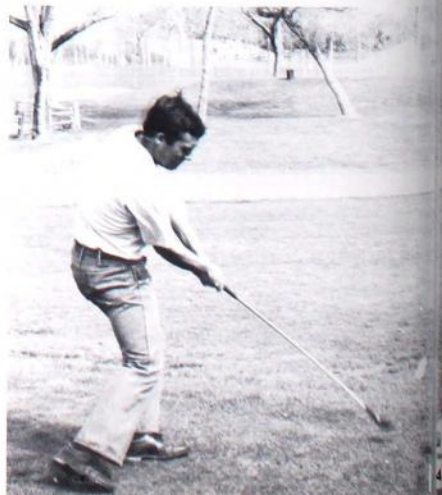

Developing in Strength and Depth

The 1983 golf team developed into one of the strongest teams in Point Loma College's history. Several returning players, Howard Clayton, Mark Halpert and Craig Foreman had excellent skill and experience which furnished fine leadership for the new players. The new PLC golfers included J.C. transfers Steve Falda and Pat Norris, along with Freshman Brent Cleveland. The new golfers had outstanding ability and gave PLC the strength and depth to allow for a successful season.

People are of two kinds, and he was the kind
I'd like to be.
Some preach their virtues, and a few express their
lives by what they do;
That sort was he. No flowery phrase or glibly spoken
word of praise won friends for him.
He wasn't cheap or shallow, but his course ran deep,
and it was pure.
You know the kind.
Not many in life you find whose deeds outrun their words
so far, that more than what they seem, they are.

WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

The eighteen students featured here among their fellow classmates have been selected as the Who's Who selections for the 1982-83 school year. This is a national honor bestowed upon the 1% of the students here at Point Loma College which are selected by the school committee to be recognized nationally. They must be seniors able to graduate this year, and must have at least a 3.0 grade point average. The selection committee is comprised of the school deans, the head residents, the faculty reps from each dept., ASPLC reps, Sr. class reps, and underclass reps. Congratulations to each of the eighteen!

Lord, make me an instrument of thy
peace
Where there is hatred,
let me sow love
Where there is injury, pardon
Where there is doubt, faith
Where there is darkness, light
Where there is sadness, joy.
O Divine Master,
Grant that I may not so much seek
To be consoled as to consol,
To be understood as to understand,
To be loved as to love.
For it is in giving that we receive;
It is in pardoning that we are pardoned;
It is in dying
That we are born to eternal life.

Fancy what a game of chess would be if all the chessmen had passions and intellects, more or less small and cunning: if you were not only uncertain about your adversary's men, but a little uncertain also about your own: if your knight could shuttle himself on to a new square on the sly: if your Bishop, in disgust at your castling, could wheedle your pawns out of their places: and if your Pawns, hating you because they are Pawns, could make away from their appointed posts that you might get checkmate on a sudden. You might be the longest-headed of deductive reasoners, and yet you might be beaten by your own Pawns. You would be especially likely to be beaten, if you depended arrogantly on your mathematical imagination, and regarded your passionate pieces with contempt.

Life consists of moments and minutes. A moment is that point when one encounters another being. Walls drop. Two become personal. Two know each other. The ultimate moment is that of encountering God. Not only does he reveal who he is, but he reveals who man is. It is a rich yet humbling encounter.

A minute is life outside the moment. It is the routine, the schedule. There is contact but no meeting. It is impersonal. The minute is a reflection of the moment. The man of God lives his minutes out of the moment. His life is consistent with his encounters. In fact, his moments become minutes. Such is the life I seek to live.

UPDATE

From the time of our final deadline on March 3rd, to the day this book was sent to press, there were some significant events which took place and need to be mentioned as having been a part of this year.

On Wednesday March 9th, Dr. Draper announced in chapel that the open house policy had been changed from one to three open houses per quarter.

He also announced that the Board of Trustees had voted to change the name of our school from Point Loma College: An Institution of the Church of the Nazarene to Point Loma Nazarene College.

On Monday, March 14th our varsity basketball team represented PLC as the District III Champions at the NAIA National Championships in Kansas City.

On Monday April 11th Chaplain Welch announced in chapel that he had resigned as the school chaplain, and would return to teaching and writing.

On Monday April 11th, the Los Angeles times ran an article on the change of the college's name. The name change was also one of the leading stories on the 5 o'clock news on channel 10 here in San Diego on that same day.

WHAT WE ARE ALL ABOUT

We're known as the price cutters of the industry. We rip out labels, cut overhead, do anything to eliminate fat, to deliver the best quality garment at the best price. Any store can sell a suit for \$150, but we feel we must offer that same suit for \$68 or less to be important to our customers, who must realize savings as their reward for shopping us. We may take the label out, but we leave the rest of the suit for you to wear and enjoy. We sell more suits than any other store in town, so you'll find the greatest selection in your size, from 36 to 50 regulars, 36 to 46 shorts, 38 to 52 longs, 40 to 54 XL's. Join the thousands of satisfied customers who shop the Depot first.

Dear Graduate,

Gifts. Applause. Congratulations. These are all beautiful tokens of blessing at graduation time. As you move forward from Point Loma College to meet the challenges of a very demanding world, may I offer you a graduation gift?

I would like to share with you some insights the Lord has given me during my years of missionary work and ministry. If you will send me your address, I'll mail to you, free of charge, a little book called THE CYCLE OF VICTORIOUS LIVING. This is my way of giving to you a part of myself. With it come my blessings. My applause. And my heartfelt congratulations!

In His Service,

Wayne,

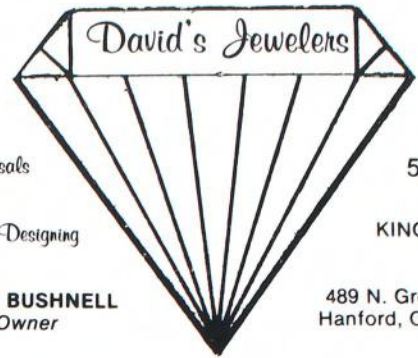

I'm sitting here thinking of all the things I would like to tell you. My memory slips back to the beginning of your life and travels along each year of your development. What a joy it has been to watch you in your victories, through struggle, emerge into a wonderful Christian man. I could never have wished for a finer son than you. To say I am proud of you is to put it mildly. Congratulations son, on accomplishing one of the biggest achievements of your life and you can be assured my prayers and support are with you now as well as the years ahead as God leads and reveals to you His plan for your life.

As a yearbook staff, our angle of this year has been portrayed here in a lasting way. Our entire effort has been full of many hours of hard labor, as well as prayer about the statement being made by our personal lives. Along with a chance to print your most precious thoughts and memories comes the responsibility to be open and honest with those around you; to let people see what is really on your heart. "For this reason I kneel before the Father, from whom the whole family of believers in heaven and on earth derives its name. I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge — that you may be filled to the measure of all the fullness of God.

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen."
