Who Is The Author Of the Food Freedom Program

Food Freedom is created by Henry Cobb; Henry Cobb is a 43-years old history professor who lives in southern Colorado.

What Will You Learn in Food Freedom?

Food Freedom discusses some of the most simple and effective methods to ensure your family's future in food beginning today.

The purpose of Food Freedom is to show how to live completely off the grid, supplying you with food for your family.

The Food Freedom Presentation By Henry Cobb

In an introduction to the program, Henry Cobb discusses topics such as:

- The 3 causes of food shortages and the best way to prepare for the upcoming shortages in the supply chain.
- How to deal with the "economy inflation" that will cause food prices to rocket up over the next few months.
- What should you do when your food supply runs out, and how do you obtain an endless supply of food.

Henry Cobb Predict Food Crisis

Henry Cobb believes that the invasion of Ukraine by Russia and US sanctions may be the reason for the food crisis in the near future. Henry Cobb also mentioned collapse triggers that impact food shortages.

The Collapse Triggers Included:

1. Natural Disaster
2. Rising Food Prices
3. Supply Chain Fail
