- Excellent range of sports and cultural activities

The school will commence accepting applications for admission to 1st year/ASD Classroom

10/10/2025

The school shall cease accepting applications for admission

14/11/2025

The date by which applicants will be notified of the decision on their application for admission

05/12/2025

Applicants must confirm acceptance of an offer of admission by

19/12/2025

Note: the school will consider and issue decisions on late applications in accordance with the school's admission policy.

Policy available at www.cashelcommunityschool.ie

Welcome to Cashel Community School

As Principal, I am delighted to welcome you to our school community. I hope you enjoy learning more about our extraordinary school.

Cashel Community School is a caring, supportive, and vibrant co-educational school where the highest standards of teaching and learning are at the heart of all we do. We are deeply committed to meeting the diverse needs of our students, and a culture of mutual respect, inclusivity, and trust permeates our corridors and classrooms. Our dedicated and experienced staff work tirelessly to ensure that every student feels valued and is supported on their individual learning journey, while also developing as a member of our wider school community.

We are extremely proud of our broad and expanding curriculum, our strong academic results, and our wide range of extra-curricular opportunities. Students can access an exceptional variety of subjects at both Junior and Senior Cycle. Our facilities include fully equipped computer rooms, IT-enabled classrooms, Home Economics kitchens, Art studios, Science laboratories, Music rooms, Technical workshops, a sports hall, outdoor courts, astro turf pitches, and grass playing fields. We are also looking forward to our new extension, which will include six modern classrooms, a new DCG room, and upgraded spacious ASD facilities in Room 20.

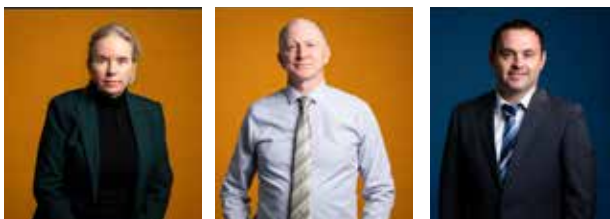

Pastoral Care is a cornerstone of the holistic education we provide. Through our structured Peer Support system, Tutors, Chaplaincy, Guidance Counselling, and Learning Support, alongside well-established discipline structures, we ensure that all students have the opportunity to learn, grow, and thrive in a safe and caring environment.

Since opening our doors in 1994, following the amalgamation of three second-level schools in Cashel, we have valued the traditions on which our school was founded while embracing change, nurturing respect, building strong local partnerships, and maintaining the highest standards in teaching and learning. The exceptional achievements of our students in both the Junior Certificate and Leaving Certificate have enabled them to progress with confidence to virtually every faculty across a wide range of third-level colleges.

The students, staff, and I extend a warm welcome to you and invite you to visit our school. We assure you that we will work diligently in the best interests of your child, both inside and outside the classroom.

Brian Moran (Principal)

Message from the Deputy Principals

Community schools combine the academic style education of the traditional Secondary School and the practically orientated programme of the Vocational School. In Cashel Community School we are enormously proud of our academic and extra-curricular programmes. We foster the individuality of each student within a very caring school community.

Our pastoral care programme provides a strong support network to our students and their parents. We foster relationships between staff and students which are respectful and we implement a Code of Behaviour, (agreed by all partners in the school community) which supports teaching and learning within a caring and safe environment.

"Enthusiasm" is synonymous with all our activities, curricular and extra-curricular. We are enormously proud of our reputation as an innovative, happy school.

We look forward to welcoming you into our community and to working with you as your child makes the transition to secondary school. We work closely with our feeder schools to ensure that your child is comfortable and happy with this new stage in life. Please contact us at any time if we can be of any assistance to you.

Margaret Moore, John Murray & John Johnston (Deputy Principals)

Cashel Community School Virtual Tour

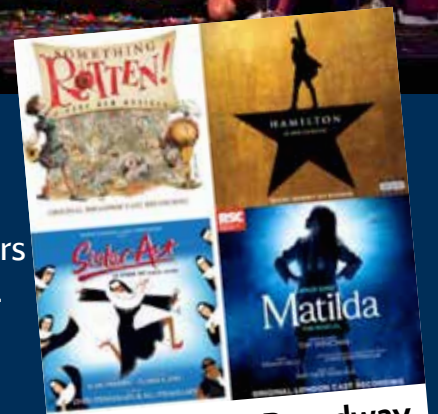

Snapshot of CCS in action

Celebrating Achiev

Mamma Mia 2024 “Each year since its foundation the school has prepared and performed a musical. Such activities require careful planning and a great deal of behind the scenes effort from the teachers and stage-hands involved, as well as those who perform on the stage. This is evident from the fact that the staging of the recent show involved the efforts of over a hundred students.” WSE Report

Leaving Certificate Students 2025 and Staff

At Cashel Community School, academic excellence is a hallmark of our success. In the Leaving Certificate examinations of 2024 and 2025, one in five of our students achieved over 500 CAO points.

Junior Cycle 2024

Curriculum

Cashel Community School provides a comprehensive range of programmes and subjects at Junior and Senior cycle. As a Community School we have a very broad range of subjects on offer, thereby expanding the range of career opportunities available to our students. Boys and girls have equal access to the full range of academic, business, scientific and technical subjects which are on offer.

Leaving Certificate students 2024 sat Polish, Romanian, Spanish, Italian, Russian, Politics and Society in addition to the standard Leaving Cert.

Junior Certificate / Junior Cycle				
Gaeilge	English	Maths	Geography	Well Being
Science	French	German	Woodwork	Business Studies
Art	Music	History	Metalwork	Home Economics
C.S.P.E.	S.P.H.E.	Religion	Physical Education	Technical Graphics

Leaving Certificate				
Gaeilge	English	Maths	Geography	Agricultural Science
Physics	French	German	Chemistry	Physical Education
Art	Music	History	Engineering	Home Economics
Accounting	Business	Biology	Religion	L.C.V.P.
Economics	Construction Studies	Career Guidance		
Design & Communication Graphics				

“We are a Google for Education school educating all students to be self-directed, 21st century learners through Google Workspace for Education.

Throughout their time in CCS, students will use technology to store, showcase and reflect on their learning through a variety of mediums such as Google Docs, Google Slides and Google Sites, to name a few.”

“All teachers were very well prepared and sensitive to the needs of the students”
(Incidental Inspection September 2025)

In the Classroom...

Through a broad range of learning experiences/ curriculum our students are exposed to a variety of Active learning methods. Students are tasked to engage in their learning by thinking, discussing, investigating, and creating. In class, students practice skills, solve problems, struggle with complex questions, make decisions, propose solutions, and explain ideas in their own words through writing, discussion and creations.

The student's learning is reinforced through skills, technology-based learning, activity-based learning, group work, project method, etc

“Students stated that they felt the school was a community where ‘everybody’s voice was heard’”

Wholeschool Guidance Inspection Report April 2025

Parents' Association

Cashel Community School has a dynamic Parents Association since 1994. It encourages all parents to participate and support the activities of the school, and acts as very valuable liaison with the school management.

Its many activities include:

- School Book Scheme
- Organise Career's Fair with the Guidance Team and School Chaplain
- Guest speakers invited to meetings, speakers on anxiety, health and any topic related to parents' concerns

Monthly meetings provide comprehensive reports from Secretary, Treasurer, School Principal and all committees. A.G.M. held annually in October, and the association is affiliated to PACCS. All parents are welcome.

Parental Involvement

Parents can be supportive by demonstrating study and organisation skills, explaining problems, or just encouraging students to take a break. Effective parent involvement comes when a true partnership exists between schools and families. Creating that partnership, especially around academics, is what works for student achievement.

(National Parents Council, 2014)

Homework can take a variety of forms including:

- Written assignments
- Creative Assignments
- Learning Assignments
- Revision Work
- Oral homework
- Collecting information for projects
- Listening to tapes or CDs
- Preparing for debates, role plays etc.
- Homework has a positive effect on student achievement at second level.
- Parent expectations and aspirations are a critical contributor to student success.
- Parents should create an environment of support within the home.
- Parents should always reward effort rather than results.
- The Student Learning Diary is signed on a weekly basis.

Senior Student Council 2024/25

Junior Student Council 2025/26

Student Council

The Student Council has been functioning in Cashel Community School since 1997. The Council provides a forum for students to express their opinions and enables them to play a partnership role with the staff, Parents' Association and Board of Management.

This ensures that the students play a positive role in our school's decision making process. A member of staff is responsible for liaising between Principal and Council. The Council meets on a regular basis and delegates report to their classes after every meeting.

The student council has been involved in organising various events such as the variety show and fundraising for local and national charities. Senior members co-ordinate the production of the 6th year Yearbook, the Class Mural and the Graduation night.

Pastoral Care

- All members of management and staff exercise a caring role towards the students.
- Each class group is assigned a Class Tutor. This teacher regularly monitors the progress and welfare of each student. To assist with this there are scheduled pastoral care assemblies throughout the year.
- Each Year Head sees to the overall progress and welfare of his/her Year Group.
- The Career Guidance Counsellors and School Chaplain are always readily available to assist students who may need personal support.
- Students, of their own accord, can directly approach the Chaplain or Guidance Counsellors. In addition, parents/guardians, management and staff members may request support for a student. The Guidance Counsellors and Chaplain each have their own office where they meet with students individually.
- The School Chaplain gives students spiritual guidance.

1st Year... How it works

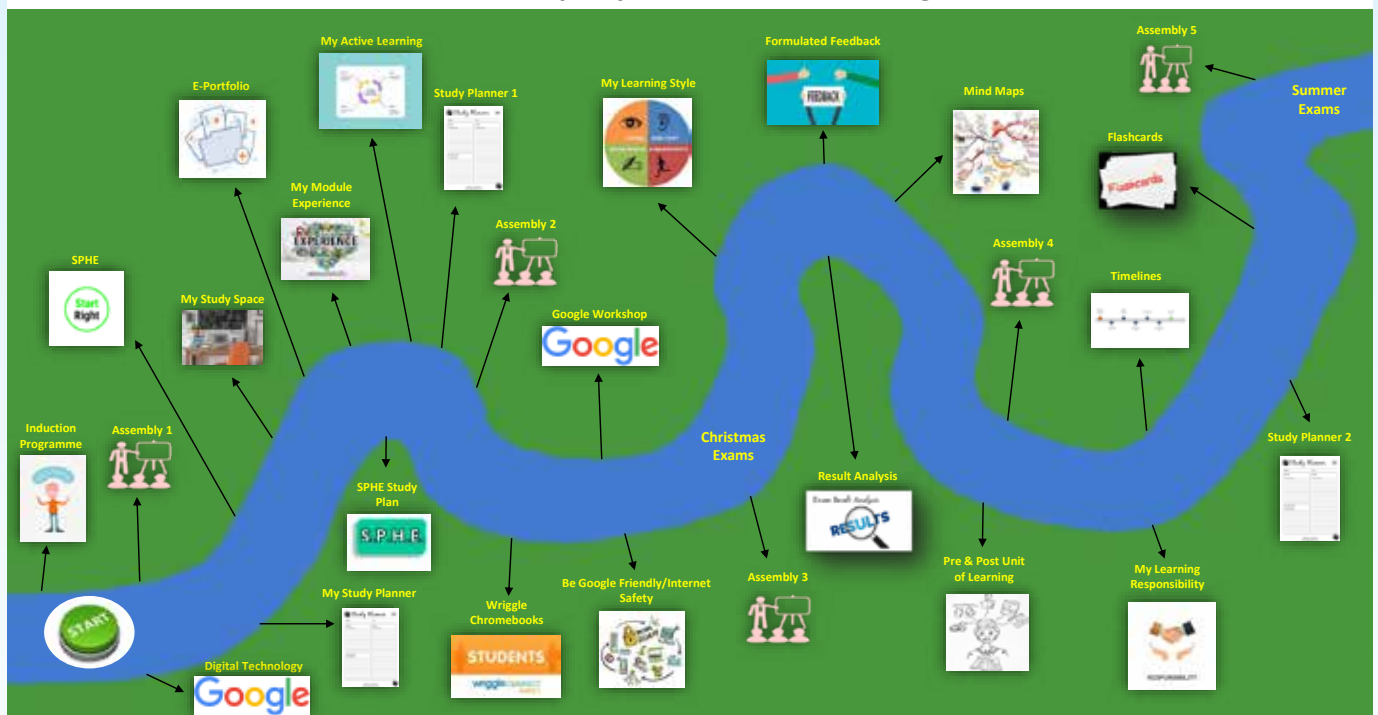

LEARNING STRATEGIES

We are all unique learners. Use the strategy that best suits you.

We are very aware of how dramatic a change it is for any student to transfer to a new school. The transition from Primary to Secondary school is a significant challenge in a child's life. As a school we enjoy excellent relations with our colleagues in our feeder primary schools. We try our best to meet with all of the primary school principals so that we can get a true flavour of the student intake to CCS.

1st Year: Develop My Educational Learning

We are also acutely aware of the many varied needs that pupils present with as they start in secondary school.

We have a tailored S.E.N model that we feel really helps children and the various challenges they present with. We also help students whose first language is not English by offering an EAL programme.

Remember all 1st years fully immerse themselves in the 10 option subjects that we offer here in CCS. These are offered on a modular basis so that all students can be very sure of the choices they make going into 2nd year.

We operate a week long induction for all 1st years so that they really do settle in and familiarise themselves with our school and how it works. This happens in tandem with our Senior Cycle Students 'Links Programme' who are on hand to support and assist with your son/ daughter feeling safe, secure and happy with us here in CCS.

- Your son / daughter will be in a class group of no more than 24.
- 1st year lockers are based in the front of the building giving the student space to adjust to life in CCS.
- Our guidance department and Chaplain regularly connect with your son/ daughter. This aids the sense of belonging and community
- Guidance related learning in the key areas of student managing their study times – 1st years use many assessment for learning techniques mind maps/ time lines etc
- We understand that students present with an array of educational needs and our SEN model is designed to address and support these.

6th Year Link Students

Home School Links

We believe very strongly that education must be based on close co-operation between parents and teachers. We have regular contact with parents through information evenings, parent teacher meetings, school reports and of course our Compass App.

By working in partnership we are ensuring that students reach their full potential so that they are prepared for life and are able to take their place in society.

“Teachers encountered both inside and outside the classroom were highly professional, confident and caring.”

DES Incidental Report 2023

What the students say...

“It’s great because I have made a lot of new friends”

“It’s great fun because there are new people and new subjects”

“I really like secondary school because you get to meet lots of new friends and experience lots of new subjects”

Innovative

ICT is redefining all areas of modern life, from education right through to employment. Through one-to-one learning, we are ensuring your students are provided with the greatest opportunity to grow, develop and blossom into successful young adults.

All incoming 1st year students will be asked to purchase a Chromebook.

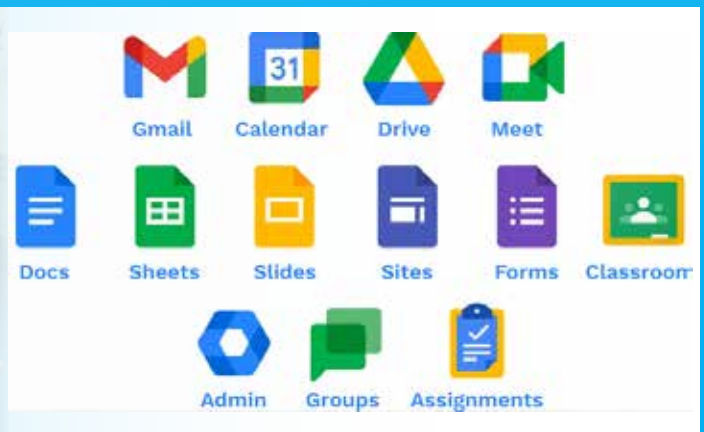

This encourages students to use a nominated electronic device (Chromebook) to complement their studies and learning techniques in addition to online resources such as digital textbooks.

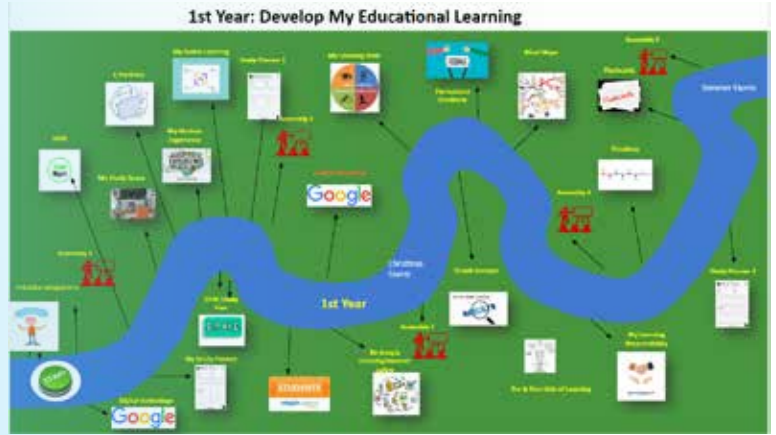

Helping expand learning for everyone

We believe that everyone - educators and learners at every age and stage - deserve the tools and skills that set them up for success in building the future they want for themselves.

Cashel Community utilises the G Suite for Education which is now the Google Workspace for Education Fundamentals – this suite of programmes comprises easy-to-use tools that provide a flexible and secure foundation for learning, collaboration and communication.

Learning

“an affirming & warm learning environment in all classes”
(Incidental Inspection September 2025)

Students were at the centre of the learning and there was a very strong evidence of teachers displaying a full array of teaching skills

Scholarships and Bursaries awarded by the school

Each year the School awards the Godolphin Bursary and the Meaney Scholarship.

Students in 6th year are eligible to apply for these valuable awards, both of which were instituted to support students as they progress to Third Level.

In addition to these the School takes great pride in the number of students awarded Entrance Scholarships, Quercus Scholarships and JP McManus Awards.

elling in Sports

Westcourt Cup Champions 2024

The importance of sports and games in Cashel Community School encompasses more than just the benefit of physical activity. We believe it's an integral part of increasing students' self-esteem, while developing confidence and mental alertness.

Student participation in sport and exercise results in a feeling of achievement and being part of something, as well as the enjoyment students get out of working together with their friends and peers, thus nurturing their social skills and thereby building character.

Music, Arts & Drama at CCS

Senior Choir, Junior Choir, Chamber Choir, Trad Band, Rock Bands, Piano Lessons, Drum Lessons, Guitar Lessons, Vocal Tuition, Choral Music, Musical Theatre...the list is endless..not to mention Junior and Leaving Certificate Music Exams! It's certainly true to say that music is at the heart of Cashel Community School and every student is given the opportunity to partake. From the Musical to the Variety Show, and the competitions in between - including very successful trips to the Feis Maitiu in Cork, and the Wesley Interschools Music Festival. Our music is the background to the Awards Day, School Masses, Celebrations and Open Night and we are proud to be at the forefront of music in secondary schools.

School Year 2024 /2025

- **AIMS Music Festival New Ross**
- 1st Place in the Senior Chorus Competition

Transition Year

“Magic moments in every lesson”

YSI

The Young Social Innovators Ireland Awards celebrate excellence in youth led social innovation. Held in May each year, shortlisted YSI teams are invited to present their projects to judging panels at our national celebratory awards event. To date CCS have received four national titles in the history of the YSI programme.

YSI awards for CCS!!!!

- 2012 National Bronze Award
- 2014 National Silver Award
- 2015 National Silver Award
- 2020 National Gold Award
- 2024 Healthy Connections Award Winner

Young Scientist

1st, 2nd and 3rd Prize in BT Young Scientist Competition

Our school had had an incredible run in the BTYS competition in the past 3 years, taking 1st, 2nd and 3rd prize in the Senior Group Social and Behavioural Sciences section in successive years. In TY we now have dedicated classes every week to working on projects and this has resulted in great success in this highly prestigious national competition. Our students have had 4 successful project entries with 3 winning prizes as well as numerous other projects that students have worked on. This competition has developed great scientific skills in all the participants and brought them into contact with many professionals as consultants for their projects.

We congratulate the winners of the last 3 years and look forward to many more successes in the future.

Making Time fo

'IT IS IN GIVING THAT WE RECEIVE'

This ageless statement epitomises the spirit of giving and the culture of Cashel Community School. Our school community voluntarily give generously of their time and energy to numerous school and charitable causes, both local and international, such as

- Pieta House
- Concern
- Mo Chara Animal Rescue
- St. Vincent de Paul
- Trocaire
- Dillon Quirke Foundation
- CRITICAL - The Emergency Medical Response Charity
- Unicef

to name but a few.

The spirit that is fostered throughout Cashel Community School not only provides a much-welcomed boost for the charities; it develops and invigorates a social conscience and community spirit that will hopefully nurture the development of responsible young adults. This is also epitomised in our Links Programme. 5th and 6th Year students are matched with small groups of 1st Years and link with them formally as well as informally throughout the year.

Lourdes Diocesan Pilgrimage 2025

Grandparents Day

r Others in CCS

"We are delighted that CRITICAL was one of the charities chosen to benefit from your recent fundraising Jersey Day. We are humbled to have been chosen alongside the very deserving Dillon Quirke Foundation. We are delighted that you have decided that CRITICAL will benefit from your fundraising in the future and those funds will help us to fund the creation of more Volunteer Emergency Medical Responders to respond to medical emergencies in counties like Tipperary."

Student Awards

We aim to provide a broad education and to turn out students who are not only academically qualified but also good citizens. To motivate students towards the highest possible goals the school has developed an Awards System, which recognises student achievement across the full range of student activities. Awards include academic, full attendance, sports, music, art, creative writing and special achievements.

The aims of the awards are:

- to promote excellence
- to reward and encourage talent
- to foster and reward high achievement
- to encourage students to excel academically and personally
- to acknowledge student initiative and effort
- to create a sense of pride in students
- to recognise students who are involved in significant voluntary, community and charitable activity

Guest speaker for the evening was past pupil Ms. Kate English from New Inn, class of 2010. Kate obtained an undergraduate and master's degree in economics from University College Cork. Today, Kate is the Chief Economist at Deloitte Ireland, a newly created role for the firm as of January 2025. She joined the firm in December 2022, where she spearheaded the creation of Deloitte's first Real Estate Research team.

Celebrating Student Achievements with past student and Tipperary Camogie Player Lisa Blair

Work on our new extension which will provide an ASD classroom and 6 additional general classrooms is underway

6 new general classrooms and a dedicated DCG room will offer students specialised facilities for design, construction and graphics, empowering them to explore their creativity and develop practical skills. Additionally, the new staff room will provide teachers with a dedicated space for collaboration and professional development.

Recognising the diverse needs of its student body, the school will relocate its two ASD classrooms and an SEN base, creating inclusive spaces tailored to the requirements of students with special educational needs. The sensory garden will provide a calming and stimulating environment for students to relax, focus, and engage in sensory-based learning experiences.

The planned refurbishment of existing spaces, including the creation of a new canteen and student communal area, will significantly enhance the overall student experience. The canteen will offer a modern and inviting space for students to socialise and relax during break times, promoting a strong sense of community. The expanded building construction workshop will provide students with state-of-the-art facilities to develop their practical skills and explore career paths in the construction industry.

Our School - Our Community

“The relationships between the teachers and their students was truly unique on so many levels, which will allow for the development of flourishing students”

Our School - Our Community

“Lessons were very well prepared and had a clear, purposeful structure”
DES - WSE Report

Why choose Cashel Community School?

- High standards of excellence in both academic and extra curricular fields.
- Excellent track record of academic success
- Broad range of subject choice. 27 subjects were taken in the Leaving Cert 2025 examinations in Cashel Community School.
- Boys and girls working together in the classroom helps develop confidence in students so that they feel comfortable sharing their ideas and opinions in any situation and excel in University and beyond as leaders.
- We believe that every child matters as an individual and we place great emphasis on pastoral care.
- Each class has its own class tutor whose responsibilities include monitoring the progress and welfare of each student.
- Senior Cycle Students 'Links Programme' supports students as they transition to our school.
- Maximum 24 students per class in First Year
- We provide an opportunity for First Year students to experience a whole range of Junior Cycle subjects so that informed subject choices can be made for Second Year on the basis of experience
- Optional evening study
- School Awards Ceremony to celebrate the achievements of all students
- Two full time Career Guidance Counsellors provide individual and group advice on subject choice, further education, training and careers as well as individual support when necessary.
- The school has a full time Chaplain and a team of Religious Education teachers who liaise with management and staff to create a caring environment with strong Christian values.
- Hot Food available at lunchtime.
