FROM THE VERY TOP Ivor Rogers, President

Ivor Rogers

A warm welcome to all our supporters as we play our first home game since the middle of October. We also extend our welcome to our visitors Nanpean Rovers and to their fans who have made the short journey from the 'Clay Country' to be with us for today's match.

We have always been privileged to represent our home village and the local residents of the area who have always, over the years, cheered us on from the touchline.

We hope this will be another great season for the club and if today's game is half as exciting as the thrillers in our last home games against Foxhole and Gerrans & St Mawes we will be in for a treat. Today's match will be a tough test for the team. At its best football is a passionate game, with fantastic skill and ability and brilliant action and excitement that I hope to see more of this season. My belief, along with many, is that football is the greatest game in the world.

Our fans are what makes this football club. Your continued support is never underestimated and your passion, commitment, and enthusiasm for what we are doing is never ignored. Our aim is to lead the way in our supporter engagement and communication, and make sure we not only do what the best clubs in the country are doing, but also set the benchmark locally.

We hope you enjoy your visit and would like to hear any feedback about your match-day visit. If you would like to be more involved with us we are always happy to chat more with any future volunteers.

View from the Dugout! The latest thoughts of our manager

Good afternoon and welcome to Cargoll Road for our Kernow Stone St Piran League fixtures against Nanpean. Our last home match seems like an age ago but our away fixtures since the have seen us record a mixed bag of results - three points in the league match but unfortunately exiting both the CCFA Intermediate Cup and George Evely Cup at the Second Round stage.

Both cup losses were disappointing as we created enough chances in both games to have won comfortably but yet again missed chances and conceding soft goals have come back to haunt us. This is a worrying statistic that has dogged us for too long and something that we have to address and rectify if we are going to mount any sort of challenge this season

Losing Ash Bradshaw until at least Christmas following his hamstring injury in the Gerrans & St Mawes game is a massive blow to us - and we've just lost Jay Manning for at least two to three months as he is travelling in Australia.

We know that this will be another tough test for us today as Nanpean have been league contenders for the last couple of seasons and won silverware last year. Having strengthened their side over the close season they will be a team that will be very hard to beat. We welcome them to our home, of course and wish them well this season.

Our one league game away at Liskeard was yet another game we should have won comfortably but we left it late - an Owen London last minute winner securing all the points for us. Although we are frustrated not to have played more league games with no cup distractions now our focus must turn to the league and trying to climb the table. This will be no easy task, but every game is an opportunity to continue to build momentum and develop, and that's what we are striving and aiming to do with each game.

Your support is never taken for granted, and it will be crucial for us every week as we look to continue our League and Cup challenges and I am looking forward to seeing and hearing you all in full voice again.

THE COMEBACK

In December 2002 an article in the Cornish Guardian declared St Dennis as the runaway leaders of the Duchy League Division 1 and already “champions elect”.

St Newlyn East who were sitting in mid-table but with games in hand used this statement to motivate themselves and go on an incredible run of wins that would see them reel the clay country club in and set

up a final day, final match of the season, winner take all showdown at St Dennis.

The match was set up perfectly. Newlyn - now one point ahead - knew a win or a draw crowned them champions whilst St Dennis knew nothing more than a win was needed to see them take the title that seemed a formality for them 4 months earlier.

Blast From The Past

CK KINGS

The match was a close encounter with nothing between the teams but as the match drew to a close Newlyn broke the deadlock when Neil Razell scored with 10 minutes remaining, sprinting beyond his marker to clinically finish across the goalkeeper.

Despite 12 minutes of added time at the end The Saints dug deep and as the whistle ended the match, were

able to celebrate as Champions, coming back to claim the title in the very last game of the season.
