2025 JCI MOYOG PRESIDENT Ray Chee

We have now reached the third quarter of 2025, and I am proud to share how far we have come together under our theme Revive. This year has been about breathing new energy into our chapter, strengthening our foundation, and building for the future.

Over the past months, we have:

- Welcomed new members who bring passion and ideas that keep our chapter alive.
- Carried out meaningful community projects, proving that JCI Moyog stands not only for action but also for impact.
- Engaged with partners, councils, and non-JCI guests who now recognize our efforts and support our mission.

Each activity reminds us that revival is not a one-time act, but a process. It is about sustaining momentum, empowering more leaders, and ensuring that Moyog's name continues to grow stronger in Sabah and beyond.

I want to thank every member for your courage, effort, and teamwork. We have faced challenges and criticisms, yet we continue to prove that nothing can bring Moyog down when we stand together.

As we enter the final quarter of this year, let us keep the fire burning. Let us focus on:

- Growing our membership further.
- Expanding our community service.
- Building sustainable income-generating projects that will secure our future.

As one quote reminds us, "A revival is never about going back, it is about moving forward with renewed strength." Together, we will continue to revive Moyog, and together, we will leave a **LEGACY** ~

Thank you, and let us march on proudly as JCI Moyog.

Miss Cultural International Sabah 2025

This quarter, JCI Moyog proudly organized the Miss Cultural International Sabah 2025 partnering with Kimora Entertainment Network, a celebration of heritage and empowerment. The event highlighted Sabah’s rich cultural diversity through traditional attire, performances, and meaningful exchanges.

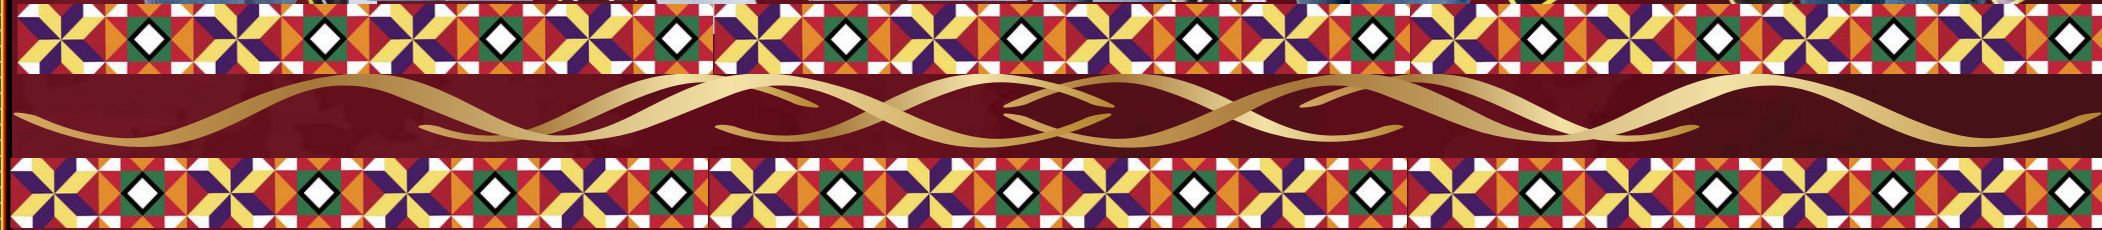

More than a pageant, the platform was designed to preserve tradition while giving young women the opportunity to showcase talent, leadership, and advocacy. It was also an avenue for JCI Moyog to connect with communities, partners, and guests beyond our chapter. Representatives from city councils and non-JCI members joined us, recognizing the impact of our cultural and community initiatives.

The event strengthened our visibility in Sabah and reaffirmed our commitment to Revive—bringing fresh energy into cultural preservation, youth empowerment, and sustainable engagement. It reminded us that culture is not only to be celebrated but also to be protected and shared with the next generation.

Through this success, JCI Moyog proved that revival is possible when tradition and innovation walk hand in hand.

OUR PROJECTS

JCI Moyog Sunset GMM

JCI Moyog hosted our Sunset General Members Meeting with a picnic setting, creating a warm and casual space for members to connect. Beyond updates and discussions on projects, the gathering was meant to bring everyone together to enjoy the sunset, share food, and mingle. It was a reminder that fellowship is just as important as service, and that strong bonds make stronger impact.

JCI Moyog Pickleball GMM

This quarter, JCI Moyog introduced something new through our Pickleball General Members Meeting. Members gathered not only to learn about this fast-growing sport but also to experience it together. The session combined activity with fellowship, giving everyone the chance to try out a new trend while connecting in a fun and relaxed setting. It was more than just a meeting-it was an opportunity to mingle, strengthen bonds, and embrace healthy living as part of our JCI journey.
