WELCOME

It is a true pleasure to welcome you to the historic State Theatre for *Spotlight Showcase 2025 presented by PNC*, the brightest and boldest celebration of high school theater programs and students in Minnesota.

Spotlight Showcase is the culminating celebration of a year-long journey—one that begins in schools and communities across Minnesota and unfolds through Hennepin Arts' *Spotlight Education* program. More than just a theater initiative, *Spotlight* is a statewide movement that champions student voice, elevates artistry and builds lifelong skills that extend far beyond the stage. Each year, *Spotlight* serves over 100 high schools and theater programs, reaching more than 8,000 students across Minnesota. From large urban schools to small rural communities, our students step into the spotlight as artists, collaborators and emerging leaders.

Whether they're performing under the lights, running soundboards or reflecting on their roles in workshops and evaluations, these talented and gifted students have displayed remarkable creativity, passion and collaboration. But more than that, they've built community—fostering spaces where everyone belongs, where stories are told bravely, and where courage and connection shine as brightly as any spotlight.

The impact of this work lives in the outcomes: confidence, leadership, teamwork, communication and resilience—skills that will last a lifetime.

Of course, none of this would be possible without the dedication of teachers, mentors and families who nurture creativity and encourage expression in their schools and communities. We are deeply grateful to the educators, teaching artists, evaluators and volunteers who bring *Spotlight* to life.

We also proudly recognize the sponsors and donors who make this transformative work possible. *Spotlight Showcase 2025* is presented by PNC Bank, with additional major support from Xcel Energy, United Properties, Sun Country Airlines and Best Buy. Your belief in the power of arts education allows us to continue providing access, opportunity and inspiration statewide.

And to the Hennepin Arts education team—thank you for your energy, vision and care. You transform a program into a purpose—and a showcase into a celebration.

May the joy, imagination and energy of our *Spotlight* students ignite a spark of inspiration in you—**and may that spark continue to radiate long after the final curtain falls.**
